Board of Administration
Brotherhood of Maintenance of Way Employees
Division of the International Brotherhood of Teamsters
401(k) Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Brotherhood of Maintenance of Way Employees Division of the International Brotherhood of Teamsters 401(k) Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2023, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Brotherhood of Maintenance of Way Employees Division of the International Brotherhood of Teamsters 401(k) Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2023, and for the year ended December 31, 2023, stating that the certified investment information, as described in notes to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Brotherhood of Maintenance of Way Employees Division of the International Brotherhood of Teamsters 401(k) Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Brotherhood of Maintenance of Way Employees Division of the International Brotherhood of Teamsters 401(k) Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Brotherhood of Maintenance of Way Employees Division of the International Brotherhood of Teamsters 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Brotherhood of Maintenance of Way Employees Division of the International Brotherhood of Teamsters 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules, as listed in the accompanying table of contents, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BROTHERHOOD OF MAINTENANCE OF WAY EMPLOYEES
DIVISION OF THE INTERNATIONAL BROTHERHOOD OF TEAMSTERS
401(K) RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2023

DESCRIPTION OF PLAN:

The following description of the Brotherhood of Maintenance of Way Employees Division of the International Brotherhood of Teamsters 401(k) Retirement Savings Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General- Brotherhood of Maintenance of Way Employees Division of the International Brotherhood of Teamsters 401(k) Retirement Savings Plan is a defined contribution plan covering all employees who have six months of service and have attained age eighteen, except for certain nonresident aliens who have no earned income from sources within the United States. The plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions-Each year, participants may contribute a percentage of their eligible compensation. Catch-up contributions, Roth contributions, bonus contributions, and rollover contributions may also be made. In addition, the employer may make contributions. Contributions are subject to certain limitations. Participants direct the investment of their contributions and employer contributions into various investment options offered by the Plan.

Participant Accounts-Each participant's account is credited with the participant's contribution and allocations of the employer's contributions, and fund earnings, and charged with an allocation of administrative expenses.

Vesting-Participants are immediately vested in their contributions plus actual earnings thereon and employer's contribution portion of their accounts plus actual earnings thereon.

Note Receivable from Participant – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The notes are secured by the balance in the participant's account and interest is computed based on the prime rate ranging from prime to prime +2%, which are commensurate with the prevailing rate charged by a person who is in the business of lending money for a comparable loan. Principal and interest is paid ratably through monthly payroll deductions.

Administrative Expenses – Substantially all administrative expenses are paid by the employer.

Investment Options – The assets of the Plan are allocated to the various funds at the direction of the participant.

Payment of Benefits-Upon termination of employment due to death, disability or retirement, participants may request a distribution of their vested account either as a lump sum or in installments.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Estimates-The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Valuation of Investments-The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year end.

Payment of Benefits-Benefits are recorded when paid.

Interest on participants' loans is recorded on accrual basis.

OTHER COMMITMENTS:

To the best of our knowledge, there are no material lease commitments, contingent liabilities or transactions with persons known to be parties in interest as of December 31, 2023, except transactions exempt by ERISA Section 408.b.

TERMINATION OF PLAN:

The Employer has no legal or contractual obligation to make annual contributions to or to continue the Plan. Although it has not expressed any intent to do so, the Employer reserves the right to terminate the Plan at any time by taking appropriate action as circumstances may dictate, with the approval of the Board of Directors. In the event that the plan would be terminated, each participant affected by such termination shall have a vested interest in his account of 100%. The Plan Administrator will facilitate the distribution of account balances in simple lump sum payments to each participant in accordance with Plan provisions until all assets have been distributed by the Trustee.

TAX STATUS:

The plan obtained its latest determination letter on March 31, 2008, in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan has been amended since receiving the determination letter. However, the plan administrator and the plan's tax counsel believe that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provisions for income taxes has been included in the plan's financial statements.

The Plan files Form 5500 annually with the Internal Revenue Service. The tax years that remain open for examination under the IRS are 2020, 2021 and 2022.

BANK CERTIFICATION OF CERTAIN DATA:

Section 2520.103-8 of the Department of Labor's Rules and Regulations for reporting and disclosing under ERISA permits that a bank which holds the assets of a pension plan may certify to the accuracy and completeness of certain financial information and other disclosures required by ERISA. The following information included in the financial statements and supplemental schedules was obtained from data included in the 2022 and 2023 trust reports that Ascensus has certified to the best of its knowledge and belief to as accurate and complete.

RISKS AND UNCERTAINTIES:

The Trust invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

FAIR VALUE MEASUREMENTS:

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit. The fair values for investments are determined by reference to quoted market prices. The fair values are priced daily through various pricing services.

Level 1 are quoted prices in active markets for identical assets. Level 2 pricing is generally available through indirect information, such as quoted prices for similar assets in active markets, or quoted prices for identical or similar assets in markets that are not active. Level 3 are the most unobservable, are generally based on the entity's own assumptions on how knowledgeable parties would price assets, and are developed using the best information available in the circumstances.
