REPORT OF INDEPENDENT AUDITORS

To the Members of the Retirement Advisory Committee of Winstead PC of the Winstead 401(k) Savings & Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Winstead 401(k) Savings & Profit Sharing Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C) (“ERISA Section 103(a)(3)(C) Audit”). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (“GAAP”).
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters – Supplemental Schedule Required by ERISA

The supplemental schedule of Form 5500, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103 (a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

A. Description of the Plan

General

The following brief description of the Winstead 401(k) Savings & Profit Sharing Plan (the “Plan”) is provided for general information purposes only. The Plan is sponsored by Winstead PC (the “Plan Sponsor” or “Firm”). Participants should refer to the Plan document for more complete information. The Plan Sponsor’s corporate offices are located in Dallas, Texas.

The Plan was effective May 1, 1978, amended and most recently restated effective January 1, 2021, and is a defined contribution plan available to all employees of the Plan Sponsor upon date of employment or reemployment. All employees of the Plan Sponsor are eligible to participate in the Plan, except for those employees covered by a collective bargaining agreement, an employee of a non-participating affiliate, leased employee, security guard, non-resident alien, law clerk, or summer associate, and any attorney who is not a shareholder of the Plan Sponsor. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

During 2023, net assets of \$2,398,647 were received, directly from the Winstead Non-Shareholder Attorney 401(k) Savings & Profit Sharing Plan (the “Non-Shareholder Plan”) as permitted under the terms of the Plan, as participants in the Non-Shareholder Plan became eligible to participate in the Plan and were no longer eligible to participate in the Non-Shareholder Plan.

During 2022, net assets of \$3,338,573 were transferred to and \$1,718,241 were received, directly from the Non-Shareholder Plan as permitted under the terms of the Plan, as participants in the Plan became eligible to participate in the Non-Shareholder Plan and were no longer eligible to participate in the Plan.

The purpose of the Plan is to encourage the Plan Sponsor’s employees to save and invest, systematically, a portion of their current compensation so that they and their families may have a source of additional income upon their retirement, or in the event of death.

A. Description of the Plan – continued

Contributions

Eligible employees may authorize the Plan Sponsor to make salary reduction contributions to the Plan from 1% to 50% of pre-tax annual compensation, as defined by the Plan. Participants may designate all or any portion of their salary reduction contributions as Roth elective deferrals. Contributions are subject to limitations on annual additions and other limitations imposed by the Internal Revenue Code (the “Code”) as defined in the Plan document. Eligible participants may make a rollover contribution to the Plan.

Participants who are eligible to make salary deferral contributions under the Plan and who have attained age 50 before the close of the year may make catch-up contributions in accordance with, and subject to the limitations imposed by the Code.

The Plan has an automatic contribution feature. If an employee fails to complete the deferral election provided, the employee’s compensation will be automatically reduced for contributions to the Plan. An Eligible Automatic Contribution Arrangement (“EACA”) is the type of automatic contribution feature under the Plan. The EACA provisions apply to all eligible employees who do not have an election on file. Under the EACA, an eligible employee’s compensation will be reduced for contributions to the Plan of 3% and will increase by 1% annually up to a maximum of 10%. Employees have the option to stop the automatic contributions to the Plan, and may request a withdrawal of those contributions within the first 90 days of the first automatic contribution together with all earnings related to such amounts.

The Plan Sponsor may make discretionary matching and profit sharing contributions to the Plan as determined annually by its Board of Directors. Participants must be: (1) employed on the last day of the applicable plan year; or (2) have died or suffered disability during such year to be eligible to receive discretionary matching and profit sharing contributions. For the year ended December 31, 2023, the Plan Sponsor elected to make discretionary matching and profit sharing contributions of \$1,345,057 and \$6,359,522, respectively, less applied Plan forfeitures of \$363,161. Discretionary matching and profit sharing contributions for 2023 were paid in October 2024. For the year ended December 31, 2022, the Plan Sponsor elected to make discretionary matching and profit sharing contributions of \$1,205,399 and \$5,652,584, respectively, less applied Plan forfeitures of \$424,381. Discretionary matching and profit sharing contributions for 2022 were paid in October 2023.

Participant Accounts

Each participant has a salary reduction account, a matching account and, if applicable, a profit sharing account. Additionally, participants may have a rollover account. Each participant’s salary reduction account (including Roth elective deferrals) is credited with the participant’s contributions and allocations of: (a) the Firm’s contribution and (b) Plan earnings. The matching and profit-sharing accounts are credited with the Plan Sponsor’s net contributions, if applicable, and forfeitures of terminated participants’ non-vested accounts, if applicable. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Plan Sponsor discretionary matching and profit sharing contribution portion of accounts, plus actual earnings thereon is as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years or more	100%

In the event of disability, retirement, or death, the participant will become fully vested.

Participant Loans

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their account balance. Loan terms range up to five years. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Sponsor. As of December 31, 2023 and 2022, interest rates range from 4.25% to 9.50%. Principal and interest is paid ratably through payroll deductions. Participant loans are classified as notes receivable from participants in the Plan's financial statements.

Benefit Payments

Participants withdrawing during the year for reasons of military service or disability, retirement, death, or termination are entitled to their vested account balance. Benefits are distributed in the form of rollovers or lump sum payments. If withdrawing participants are not entitled to their entire account balance, the amounts not received are forfeited.

Certain in-service withdrawals are allowed. A participant may also elect to withdraw all or a portion of their vested account balance while employed after reaching age 59½. A participant may receive a hardship distribution from salary reduction contributions and vested portions of discretionary employer match and profit sharing contributions excluding any earnings accumulated on such amounts, if the distribution is: (1) on account of uninsured medical expenses incurred by the participant, their spouse, or dependents; (2) to purchase (excluding mortgage payments) a principal residence of the participant; (3) for the payment of post-secondary tuition expenses; (4) needed to prevent eviction of the participant from their principal residence or foreclosure upon the mortgage of the participant's principal residence; (5) funeral expenses for a participant's spouse, parents, children, or dependents; (6) certain repairs of damage to the participant's principal residence; (7) certain disaster events and casualty losses that would qualify for the casualty deduction under Section 165 of the Code.

Forfeitures

Forfeited balances of terminated participants' non-vested accounts are used to offset employer matching contributions and profit sharing contributions for the year. For the years ended December 31, 2023 and 2022, \$363,161 and \$424,381, respectively, of forfeitures were used to reduce discretionary matching and profit sharing contributions. There were no unallocated forfeitures outstanding as of December 31, 2023 and 2022.

Investment Options

Upon enrollment in the Plan, a participant may direct their salary deferrals in 1% increments into any of the Plan's investment options.

Plan Expenses

Employees of the Plan Sponsor perform certain administrative functions with no compensation from the Plan. In accordance with Plan provisions, Plan administrative expenses, including expenses of the Plan's investment advisors, to the extent not paid by the Plan, may be paid by the Plan Sponsor. The Plan Sponsor did not pay Plan expenses during the years ended December 31, 2023 or 2022.

B. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of the financial statements in conformity with GAAP requires the Plan Sponsor to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

Contributions

Contributions from the Plan Sponsor and participants are accrued as they become obligations of the Plan Sponsor, as determined by the Plan's administrator, and in the period in which they are deducted, in accordance with salary deferral agreements.

B. Summary of Significant Accounting Policies – continued

Investment Valuation and Income

The investments of the Plan are stated at fair value as of the end of the year and are subject to market or credit risks customarily associated with equity investments. Fair value measurements are determined in accordance with GAAP, which defines fair value, establishes a framework for measuring fair value, and expands disclosures about assets and liabilities measured at fair value. See Note C for information related to the Plan's valuation methodologies.

Investment gains and losses are accounted for using the average cost basis of the securities sold. The net realized and unrealized gains and losses on investments include realized gains and losses on sales of investments during the year and unrealized increases or decreases in the market value of investments held at year end. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are recorded at the unpaid principal balance plus accrued but unpaid interest.

Payment of Benefits

Benefits payments to participants are recorded when paid.

C. Fair Value Measurements

GAAP defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and establishes a three-tier hierarchy that is used to identify assets and liabilities measured at fair value. The hierarchy focuses on the inputs used to measure fair value and requires that the lowest level input be used. The three levels defined are as follows:

- Level 1 — observable inputs that are based upon quoted market prices for identical assets or liabilities within active markets.
- Level 2 — observable inputs other than Level 1 that are based upon quoted market prices for similar assets or liabilities, based upon quoted prices within inactive markets, or inputs other than quoted market prices that are observable through market data for substantially the full term of the asset or liability.
- Level 3 — inputs that are unobservable for the particular asset or liability due to little or no market activity and are significant to the fair value of the asset or liability. These inputs reflect assumptions that market participants would use when valuing the particular asset or liability.

WINSTEAD 401(k) SAVINGS & PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS (*continued*)

C. Fair Value Measurements – continued

GAAP requires that management describe the methodologies used to measure the fair value of assets and liabilities. The methodologies used to measure the fair value of the Plan's investments are as follows:

- Money market funds are valued based on the short-term cash component as of the measurement date and classified within Level 1 of the valuation hierarchy.
- Mutual funds are valued at the published per share net asset value of shares held by the Plan and are classified within Level 1 of the valuation hierarchy. There are no significant restrictions on redeeming these investments at net asset value.
- Self-directed brokerage accounts consist primarily of shares of registered investment companies that are valued at the closing price reported on the active market on which the individual securities are traded and classified within Level 1 of the valuation hierarchy.

There have been no changes in the methodologies used at December 31, 2023 and 2022. The following table details the Plan's investments at fair value by level, within the fair value hierarchy, as of December 31, 2023 and 2022. The Plan has no assets classified within Level 2 or 3 of the valuation hierarchy.

	Level 1	
	2023	2022
Money market fund	\$ 16,747,301	\$ 20,453,522
Mutual funds	221,535,173	188,046,499
Self-directed brokerage accounts	24,051,259	21,487,974
Total investments at fair value	<u>\$262,333,733</u>	<u>\$229,987,995</u>

These items are classified in their entirety based on the lowest priority level of input that is significant to the fair value measurement. The assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the placement of assets and liabilities within the levels of the fair value hierarchy.

D. Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by Principal (the trustee of the Plan).

WINSTEAD 401(k) SAVINGS & PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS (*continued*)

E. Tax Status

The Plan obtained its latest determination letter on February 5, 2018, in which the Internal Revenue Service (“IRS”) stated that the Plan, as then designed, was in compliance with the applicable requirements of the Code. The Plan has been amended since receiving the determination letter.

Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan Sponsor believes that the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Sponsor has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

F. Plan Termination

Although it has not expressed any intention to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions set forth in ERISA. In the event the Plan terminates, all amounts credited to participant’s accounts will become 100% vested.

G. Parties-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization, or relatives of such persons. Loans made to participants, qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules. The Plan paid certain expenses related to plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA.

NOTES TO FINANCIAL STATEMENTS (*continued*)

H. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

I. Subsequent Events

In preparing the accompanying financial statements, the Plan Sponsor has evaluated all subsequent events and transactions for potential recognition or disclosure through October 10, 2024, the date the financial statements were available for issuance.
