INDEPENDENT AUDITORS' REPORT

To the Board of Directors of the Lambda Legal Defense and Education Fund, Inc.
as Sponsor of the Lambda Legal Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of Lambda Legal Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**LAMBDA LEGAL RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 1 — DESCRIPTION OF PLAN

The following brief description of the Lambda Legal Retirement Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

A. **General** – The Plan is a defined contribution plan covering all full-time employees of the Lambda Legal Defense and Education Fund, Inc. (the “Sponsor”) who are age 18 or older. The Plan commenced on November 1, 1994, has since been restated and amended as of July 15, 2007, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and subsequent amendments. The Plan was restated as of January 1, 2020 as a 403(b), and effective on January 1, 2020 the prior plan participants transferred their balances into the new restated 403(b) Plan. The Sponsors year end was changed from October 31 to December 31 and the Plan switched from ADP to Benefit Practice.

B. **Contributions**

Employer Contributions

The Board of Directors of the Sponsor determines the amount the Sponsor will contribute to the Plan. During the years ended December 31, 2023 and 2022, the Plan Sponsor matched 100% of each individual employee's deferrals up to a maximum of 4% of the employee's salary per pay. In addition to the matching contribution, the Plan Sponsor contributes 2% of each employee's salary to the retirement plan as a non-elective contribution. To receive an employer contribution, the participant must be 18 years of age and have performed 90 days of service. Participants in Lambda Legal's prior plans are immediately eligible.

Employee Contributions

Plan participants may voluntarily contribute up to the Internal Revenue Service (“IRS”) maximum allowable amount of their pre-tax annual compensation, as defined by the Plan. Participants are immediately eligible to make elective deferrals to the Plan upon date of hire. New participants are entered into the Plan on the first day of each month.

Rollover Contributions

Any employee may rollover contributions and such other amounts from an eligible plan that meets the requirements of the Internal Revenue Code (the “Code”) and the Plan at the time of the transfer.

Participants direct the investment of contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds as investment options for participants.

C. **Participant Accounts** – Each participant’s account is credited with the allocations of (a) the Sponsor’s contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

D. **Vesting** – Participants are vested immediately in their rollover contributions plus actual earnings thereon. Vesting in the Sponsor’s contribution portion of their accounts is based on years of service as follows:

<u>Years of Service</u>	<u>Percent Vested</u>
One year or less	25%
Two years	50%
Three years	75%
Four years or more	100%

NOTE 1 — DESCRIPTION OF PLAN (Continued)

- E. **Notes Receivable from Participants** – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. A participant may have up to two loans. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus one percent, which is determined by the Plan administrator, and is generally payable in installments over periods ranging from one to five years (unless the loan is used for the purchase of a primary residence, in which case the repayment period may be up to thirty years). Principal and interest are paid ratably through monthly payroll deductions. A loan that is considered in default is reported as a deemed distribution, which is a taxable event for the participant.
- F. **Payment of Benefits** – On termination of service a participant may receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. The Plan is allowed to require a mandatory distribution upon severance from employment up to a maximum amount of \$5,000. There were no mandatory distributions during 2023 and 2022.
- G. **Forfeited Accounts** – As of December 31, 2023, forfeited non-vested accounts totaled \$0. During the years ended December 31, 2023 and 2022, respectively, forfeitures of participant balances amounted to \$3,096 and \$3,847, which were used to offset administrative expenses.
- H. **Secure Act Provisions** – The Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE 1.0 Act) and the SECURE 2.0 Act lowered the eligibility requirements to enable long-term part-time workers to participate in 401(k) and 403(b) plans, effective for the 2024 and 2025 calendar plan years, respectively.

Under the SECURE 1.0 Act, participants may defer receipt of their required minimum distribution until age 72 from the previous age of 70½. The SECURE 2.0 Act increased the age at which individuals must begin taking required minimum distributions to age 73 from 72, beginning January 1, 2023, as well as other increases starting in 2030.

For a terminated participant with a balance of \$5,000 or less, the participant will receive the value of the vested interest as a lump-sum distribution. The SECURE 2.0 Act increased that limit to \$7,000 effective for distributions in 2024.

NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- A. **Basis of Accounting** – The Plan prepares its financial statements adhering to accounting principles generally accepted in the United States of America ("U.S. GAAP") and uses the accrual basis of accounting.
- B. **Use of Estimates** – The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.
- C. **Payment of Benefits** – Benefits are recorded when paid.
- D. **Expenses** – The Sponsor pays certain expenses related to the Plan. The administrative expenses incurred by the funds are paid out of investor assets and are therefore netted into realized and unrealized appreciation (depreciation) in fair value of investments in the statements of changes in net assets available for benefits.

NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

E. **Investment Valuation and Income Recognition** – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

F. **Notes Receivable from Participants** – Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

NOTE 3 — INVESTMENTS – INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN AS COMPLETE AND ACCURATE

As noted in the independent auditors' report, the Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA. Accordingly, as permitted under such election, the following information was certified as complete and accurate by the Plan's custodian and was not subjected to any auditing procedures performed by the independent auditors except for comparing such information to information included in the Plan's financial statements. We have been informed by the Plan administrator that Matrix Trust Company (the "Custodian") held the Plan's investment assets and executed investment transactions.

Investments consist of the following as of December 31:

	<u>2023</u>	<u>2022</u>
Mutual funds	\$ 10,551,056	\$ 8,369,407
Insurance contract	<u>9,579</u>	<u>11,971</u>
Total	<u>\$ 10,560,635</u>	<u>\$ 8,381,378</u>

Investments of the Plan are subject to market volatility conditions that could substantially change their carrying values in the near term.

Investment activity consists of the following for the years ended December 31:

	<u>2023</u>	<u>2022</u>
Net appreciation (depreciation) in fair value of investments	\$ 1,206,165	\$ (1,944,812)
Interest and dividends	<u>329,046</u>	<u>310,875</u>
	<u>\$ 1,535,211</u>	<u>\$ (1,633,937)</u>

Notes receivable from participants of \$85,298 and \$57,285 as of December 31, 2023 and 2022, respectively, and interest income on notes receivable from participants of \$4,213 and \$3,643 for the years ended December 31, 2023 and 2022, respectively, have also been certified by the Custodian.

NOTE 4 — FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Accounting Standards Codification (“FASB ASC”) 820, “Fair Value Measurement,” provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the assets or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds:

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Insurance Contract:

The insurance contract is a fixed, deferred group annuity that provides guaranteed protection of principal with a set rate of return. The fund seeks a high level of current income consistent with preservation of capital by investing primarily in corporate bonds, mortgage-backed securities, collateralized mortgage obligations, high quality commercial mortgage loans, municipal bonds and other high-grade fixed income securities. The contract is guaranteed by CMFG Life Insurance Company. The market value is calculated based on the average yield of the market rate, which is a U.S. corporate bond index with a range of maturities from seven to ten years.

Changes in Fair Value Levels:

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

The Plan evaluated the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the years ended December 31, 2023 and 2022, there were no transfers.

The Plan’s investments in mutual funds are valued at Level 1.

NOTE 4 — FAIR VALUE MEASUREMENTS (Continued)

Financial assets carried at fair value at December 31, 2023 are classified in the table as follows:

	<u>Level 1</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 10,551,056	\$ -	\$ 10,551,056
Insurance contract	<u>-</u>	<u>9,579</u>	<u>9,579</u>
	<u>\$ 10,551,056</u>	<u>\$ 9,579</u>	<u>\$ 10,560,635</u>

Financial assets carried at fair value at December 31, 2022 are classified in the table as follows:

	<u>Level 1</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 8,369,407	\$ -	\$ 8,369,407
Insurance contract	<u>-</u>	<u>11,971</u>	<u>11,971</u>
	<u>\$ 8,369,407</u>	<u>\$ 11,971</u>	<u>\$ 8,381,378</u>

The following table sets forth a summary of changes in the fair value of the Plan's Level 3 assets for the years ended December 31:

	<u>2023</u>	<u>2022</u>
Balance, beginning of year	\$ 11,971	\$ 4,444
Contributions	2,939	10,175
Withdrawals	(5,737)	(2,766)
Interest and dividends	<u>406</u>	<u>118</u>
	<u>\$ 9,579</u>	<u>\$ 11,971</u>

NOTE 5 — TAX STATUS

The Sponsor restated the Plan as of January 1, 2022 to a 403(b) Plan. On March 31, 2017, the IRS opinion letter stated that the volume submitter 403(b) Plan is acceptable under Section 403(b) of the Code for use by employers for the benefit of their employees. The Plan administrator believes that the Plan was designed and is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan was qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 — PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their accounts.

NOTE 7 — RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 — SUBSEQUENT EVENTS

Management has evaluated, for potential recognition and disclosure, events subsequent to the statement of net assets available for benefits date through October 10, 2024, the date the financial statements were available to be issued.
