Independent Auditors' Report

To the Plan Administrator
of Penhall International Corp. and Affiliated Companies
Employees' Profit Sharing 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Penhall International Corp. and Affiliated Companies Employees' Profit Sharing 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Assets Held for Investment Purposes at End of Year as of December 31, 2023 and Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Employees' Profit Sharing 401(k) Plan
Notes to Financial Statements
December 31, 2023 and 2022

Note 1 – Description of the Plan

The following description of the Penhall International Corp. and Affiliated Companies Employees' Profit Sharing 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

Penhall International Corporation (the "Plan Sponsor") adopted the Plan effective July 1, 1973.

The Plan is a defined contribution plan covering all eligible employees of the Plan Sponsor over 21 years old, as defined by the Plan Document, with exception of certain classes of employees identified in the Plan Document. Union employees (excluding those employees that were part of the acquisition of Highway Services who have maintained continuous active employment with the Plan Sponsor) and temporary employees are not permitted to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Administration

The Plan is administered by the Plan Sponsor (the "Plan Administrator"). Plan assets are held by Principal Trust Company (the "Trustee"). The financial records of the Plan are maintained by Principal (the "Recordkeeper").

Participant Contributions

Contributions are made to the Plan by the Plan Sponsor on behalf of each eligible participant based upon the participant's elected compensation deferral through payroll deductions. The Plan Sponsor funds the contributions at the end of each payroll period. Eligible participants may elect to contribute 1% to 50% of their eligible compensation, in whole percentages, to the Plan up to the statutory limit of \$22,500 for 2023, as permitted by the Internal Revenue Code of 1986, as amended ("IRC"). The Plan has an automatic enrollment without escalation provision. Unless the participant elects not to make contributions, participants are enrolled in the Plan with a 4% contribution. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

Participants age 50 and older as of December 31 of the Plan year are permitted to make elective catch-up deferrals in accordance with Section 414(v) of the IRC.

Employer Contributions

The Plan provides for Plan Sponsor discretionary matching contributions after one year of service. The Plan Sponsor is permitted to change the amount or percentage of matching contributions when needed. During 2023, Plan Sponsor elected to make discretionary matching contributions of 50% on the first \$6,000 of the participant's contributions, for a maximum annual discretionary employer match contribution of \$3,000. The Plan Sponsor notified participants that the discretionary match would be paid weekly for the first half of the match, up to \$1,500, and the second half of the match would be paid at the end of the year dependent on the Plan Sponsor's financial results. The Plan Sponsor elected to not make the second half of the discretionary matching contributions as of December 31, 2023.

Note 1 – Description of the Plan (continued)

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution and allocations of (a) the Plan Sponsor's contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Rollovers and Transfers

Participants who have a balance in another qualified employee benefit plan, as described in Section 401(a) of the IRC, may transfer or rollover the lump sum values of their account directly into the Plan, provided it meets the requirements of the IRC.

Vesting

Participants are immediately and fully vested in their contributions plus actual earnings and employer discretionary matching contributions plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000 reduced by the highest outstanding loan balance during the prior twelve-month period. The notes receivable are secured by the balance in the participant's account. The rate of interest on the note will be determined by the Plan Administrator based on the prevailing interest rates charged by persons in the business of lending money for loans which would be made under similar circumstances. Only two note receivables may be initiated in one calendar year and two note receivables may be outstanding at a time unless one loan is a principal residence loan amortized for a period greater than five years.

All notes must be repaid in level payments through after-tax payroll deductions each pay period over a five-year period unless it is for the purchase of the principal residence in which case the note repayment period may not extend beyond 10 years from the date of the note.

Payment of Benefits

Benefits become available to participants on the earliest of four events: (1) termination of employment, (2) death of the participant (benefits are payable to the participants' spouse or beneficiary), (3) disability of the participant, or (4) the participant's retirement.

A participant may receive the value of the vested balance in his or her account as a lump-sum distribution, installment distributions, or may roll the amount over into another qualified plan. If the vested account balance is \$5,000 or less, but greater than \$1,000, the Plan Administrator may direct the Trustee to distribute the amount to another qualified plan benefitting the participant. Vested account balances less than \$1,000 are automatically paid out either through lump-sum distribution or rollover into another qualified plan. Participants are permitted to remain in the Plan if their account balance exceeds \$5,000.

The benefits can be left in the Plan until the participant retires. Benefits cease to vest upon termination of employment. Non-vested benefits will be forfeited on such date. However, the participant is required to begin taking minimum distributions no later than April 1 of the calendar year following the calendar year the participant turns 70 ½ or terminates employment, whichever is later.

Notes to Financial Statements
December 31, 2023 and 2022

Note 1 – Description of the Plan (continued)

Active participants can withdraw benefits once they reach 59 ½ years of age. In-service distributions are permitted as defined in the Plan and subject to the satisfaction of the Plan Administrator.

On termination of employment due to death prior to retirement, 100% of the Plan Sponsor contributions become immediately vested. The value of the account shall be paid in accordance with the above stated distribution procedure.

Upon a participant obtaining the normal retirement age 65, while still employed, 100% of the Plan Sponsor contributions become immediately vested. Should a participant reach age 65 and not elect to terminate employment, the participant can take an in-service distribution from the vested account balance.

If the participant becomes disabled and is eligible for Social Security disability benefits or is determined disabled by a physician selected by the Plan Administrator, the full value of the participant's account becomes 100% vested and shall be paid in accordance with the above-stated distribution procedure.

Forfeited Accounts

The portion of the participant's employer contribution accounts that are not vested upon termination of service shall be forfeited as of the earlier of (i) the date the vested portion is distributed or (2) the date the participant incurs a five-consecutive-year period of severance from his or her original termination date.

At December 31, 2023 and 2022, the available forfeited non-vested accounts totaled \$20 and \$20, respectively. These accounts may be used to reduce future plan administrative expenses and employer contributions. During the year ended December 31, 2023, \$0 of forfeitures were used to reduce employer contributions and employer expenses.

Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts and distributions would be made as soon as administratively practical after the Plan terminates.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment adviser and trustee. See Note 5 for discussion of fair value measurements.

Penhall International Corp. and Affiliated Companies
Employees' Profit Sharing 401(k) Plan
Notes to Financial Statements
December 31, 2023 and 2022

Note 2 – Summary of Significant Accounting Policies (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and Plan management deems the participant loan to be a distribution, the participant loan balance is reduced, and a benefit payment is recorded. During the year ended December 31, 2023, \$47,089 was recorded as interest income on notes receivable from participants.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments.

Risks and Uncertainties

Financial instruments which potentially subject the Plan to concentrations of credit risk consist primarily of investment securities in which the Plan invests. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits.

Note 3 – Information certified by the Trustee

The Plan Sponsor has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee has certified the following data included in the accompanying financial statements and supplemental schedules is complete and accurate:

- Investments, at fair value and notes receivable from participants, as shown in the statements of net assets available for benefits, as of December 31, 2023 and 2022.
- Net appreciation in fair value of investments, interest and dividend income, and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits, for the year ended December 31, 2023.
- Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2023.

The Plan's independent auditor did not perform auditing procedures with respect to the certified information, except for comparing such information to the related information included in the financial statements and supplemental schedule of assets (held at end of year).

Penhall International Corp. and Affiliated Companies
Employees' Profit Sharing 401(k) Plan

Notes to Financial Statements
December 31, 2023 and 2022

Note 4 – Tax Status

The Plan Sponsor has not applied for a determination letter from the Internal Revenue Service (“IRS”) to determine if the Plan is designed in accordance with applicable sections of the IRC. The Plan document was based upon a volume submitter profit sharing plan with cash or deferred arrangement (“CODA”) plan instrument from Wells Fargo Bank, N.A., which received an IRS opinion letter dated March 31, 2014. Effective July 1, 2022, the Plan document was amended based upon a non-standardized pre-approved profit sharing plan with CODA plan instrument from Principal Life Insurance Company which received an IRS opinion letter dated June 30, 2020. The plan has been updated for legislative and regulatory changes.

The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Generally, the Plan Administrator believes it is subject to income tax examinations for three years.

Note 5 – Fair Value Measurements

The Plan follows a framework for measuring fair value, which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The asset’s or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs.

The three levels of the fair value hierarchy are described as follows:

- Level one — Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level two — Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level three — Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Note 5 – Fair Value Measurements (continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Mutual funds are valued at the daily closing price as reported by the fund. The mutual funds are registered with the Securities and Exchange Commission and are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed brokerage accounts: Accounts primarily consist of common stocks, mutual funds and bonds that are valued on the basis of readily determinable market prices.

Stable value collective trust fund: This investment is a stable value fund that invests in a variety of high quality stable value investment contracts as well as cash and cash equivalents and is valued at the net asset value of units of the collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 34,603,987	\$ -	\$ -	\$ 34,603,987
Self-directed brokerage accounts	157,706	-	-	157,706

Investments measured at net asset value				2,581,353
Investments at fair value				\$ 37,343,046

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 30,046,737	\$ -	\$ -	\$ 30,046,737

Notes to Financial Statements
December 31, 2023 and 2022

The following table summarizes the investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2023 and 2022. There are no participant redemption restrictions for this investment; the redemption notice period is applicable only to the Plan.

		Fair Value at December 31, 2023	Fair Value at December 31, 2022	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Noticed Period
Stable value collective trust fund	\$	2,581,353	\$ 2,409,406	Not applicable	Daily	12 months

Note 6 – Related-Party and Parties in Interest Transactions

Certain Plan investments are managed by the Trustee or its affiliates. Fees incurred by the Plan for related investment management services are included in administrative expenses and net depreciation in fair value of investments. Certain fees incurred by the Plan for recordkeeping and audit fees are included in administrative expenses. Transactions such as these qualify as party-in-interest transactions. The Plan Sponsor pays directly certain other fees related to the Plan's operations.

Note 7 – Prohibited Transactions

During 2023, the Plan Sponsor failed to remit participant contributions in a timely manner. The Plan Sponsor identified 7 instances during the year ended December 31, 2023, where \$31,230 in participant contributions, \$2,401 in participant loan repayments, and \$4,097 in employer contributions were remitted to the Plan in violation of Department of Labor ("DOL") regulations. The missed earnings and interest related to \$31,230 of the late participant contributions, \$2,401 in late loan repayments, and \$4,097 in employer contributions were remitted to the Plan in September 2024. The Plan Sponsor made the corrections using a self-correction method outside of the DOL's Voluntary Fiduciary Correction Program ("VFCP").

During 2022, the Plan Sponsor failed to remit participant contributions in a timely manner. The Plan Sponsor identified 13 instances during the year ended December 31, 2022, where \$1,490 in participant contributions and \$43 participant loan repayments were remitted to the Plan in violation of DOL regulations. The missed earnings and interest related to \$1,422 of late participant contributions and \$43 of late loan repayments were remitted to the Plan in November 2023. The missed earnings and interest for \$68 of late participant contributions were remitted in October 2024. The Plan Sponsor made the corrections using a self-correction method outside of the DOL's VFCP.

Note 8 – Corrective Employer Contributions Receivable

During 2023, the Plan Sponsor identified an instance where several eligible participating employees did not receive the earned discretionary employer match contribution of \$50,032 due to an administrative error. The Plan Sponsor remitted the missed discretionary employer match contributions, including the related lost earnings and interest, on behalf of the affected participants in amount of \$232 in July 2023 and \$49,800 in March 2024, using a self-correction method outside of the DOL's VFCP. The Plan Sponsor has recorded corrective employer contributions receivable of \$49,800 as of December 31, 2023.

Note 8 – Corrective Employer Contributions Receivable (continued)

During 2022, the Plan Sponsor identified an instance where several eligible participating employees did not receive the earned discretionary employer match contribution due to an administrative error. In July 2023, the Plan Sponsor remitted the missed discretionary employer match contributions including the related lost earnings and interest on behalf of the affected participant in the amount of \$20,773 using a self-correction method outside of the DOL's VFCP. The Plan Sponsor has recorded corrective employer contributions receivable of \$20,773 as of December 31, 2022.

Note 9 – Qualified Non-Elective Contributions

During the years ended December 31, 2021 through 2023, the Plan Sponsor failed to apply the Plan Document definition of compensation for certain participants. As of the date of the Independent Auditors' Report, the Plan Sponsor is in the process of determining the corrective contributions and has estimated the correction to be \$6,181 for compensation during the year ended December 31, 2023. The Plan Sponsor has elected to not make corrections related to compensation during the years ended December 31, 2021 and 2022 as the Plan Sponsor believes the error is not significant to the Plan's financial statements or to any individual participants investment account.

During 2023, the Plan Sponsor failed to withhold the correct contributions for one participant. As of the date of the Independent Auditors' Report, the Plan Sponsor is in the process of determining the corrective contribution and has estimated the correction to be \$463.

As of December 31, 2023, the Plan has recorded a corrective employer contribution receivable of \$6,644.

Note 10 – Corrective Distributions

During 2022, the Plan failed the ADP Test, as defined by the DOL. Certain employees contributed amounts in excess of DOL rules. As of December 31, 2022, the Plan Sponsor has recorded excess contributions payable for \$18,312, which was remitted to the applicable employees in June 2023.

Note 11 – Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500 at December 31, 2023 and 2022:

	2023	2022
Net assets available for benefits per financial statements	\$ 38,178,840	\$ 33,415,348
Fair value adjustment of the stable value collective trust fund in 2023 and 2022	(153,313)	(183,984)
Decrease in notes receivable in 2023 and 2022	41,153	41,153
Corrective employer contributions receivable in 2023 and 2022	(6,644)	(20,773)
