## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Trustees  
**Regalo International LLC 401(k) Profit Sharing Plan and Trust**  
Burnsville, Minnesota

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Regalo International LLC 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Regalo International LLC 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Regalo International LLC 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Regalo International LLC 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

**Auditor's Responsibilities for the Audit of the Financial Statements (Continued)**

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Regalo International LLC 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Regalo International LLC 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter — Supplemental Schedule Required by ERISA**

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

**Other Matter — Supplemental Schedule Required by ERISA (Continued)**

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### General Information

The Plan is a defined contribution plan which was established on January 1, 2007 and was last amended and restated effective February 1, 2019. The Plan covers substantially all employees of Regalo International, LLC and Carlson Pet Products Inc. (the Companies) who have attained age 21. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

#### Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

#### Administration

The Plan is administered by Regalo International, LLC and advised by a committee whose members are appointed by the Board of Directors of Regalo International, LLC. The Trustee of the Plan's assets is Reliance Trust Company (the Trustee). The Trustee executes transactions based upon direction from the Plan's administrator and the Plan's participants.

#### Participation

All employees over age 21 are eligible to make salary deferral contributions to the Plan. There is no required term of employment required before participation. Eligible employees can enroll on the first day of the next calendar month after meeting eligibility requirements. Once employees are admitted to the Plan, they remain in the Plan until termination of employment and/or withdrawal of their individual account balance from the Plan. An employee's initial eligibility carries over to when the employee is rehired, if applicable (thus rehired employees may be eligible for participation immediately).

#### Contributions

Each year, participants may contribute, on a pre-tax or post-tax basis, up to 90% of compensation not to exceed the limits of the Internal Revenue Code (IRC), as defined in the Plan. Participants who have attained the age of 50 before the end of the Plan year are also eligible to make catch-up contributions in any amount up to the limits prescribed by law. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their account into various investment options offered by the Plan.

##### Contributions (Continued)

As of December 31, 2023, the plan includes a provision for automatic salary deferrals. Absent an election otherwise after sixty days, 3% of each eligible participant's compensation is contributed to the Plan as an employee deferral.

Each year the Companies may make discretionary matching contributions. All employees enrolled in the Plan are eligible for matching contributions after one year of service. Matching contributions were 100% of the first 3% and 50% of the next 2% of employee's contributions up to 4% but to not exceed 5% of eligible wages for the year ended December 31, 2023. Participants direct the investment of employer contributions allocated to them into various investment options offered by the Plan. The Plan includes a provision to allow the plan sponsor to make an elective profit sharing contribution, however there were no contributions made during the years ended December 31, 2023 and 2022.

##### Participant Accounts

Each participant's account is credited with the participant elective deferrals, discretionary matching and elective profit sharing contributions (if any) and an allocation of Plan earnings and expenses. Allocations of Plan earnings are based on the valuation of the investments (participant-directed) held in each participant's account. Participants' accounts are valued on a daily basis. The benefit the participant is entitled to is the benefit that can be provided from the participant's account.

##### Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Participants may only have one loan outstanding at any point in time. Loan terms may be up to five years for general purpose loans or up to thirty years for loans for the purchase of a primary residence. The loans are secured by the vested balance in the participant's account and bear interest at a fixed rate of 1% over the Wall Street Journal Prime Rate of interest at the time of the loan. Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the plan document. Interest rates on loans outstanding as of December 31, 2023 ranged from 4.25% to 9.50%. Principal and interest is paid ratably through payroll deductions.

##### Notes Receivable from Participants (Continued)

On March 27, 2020, the Coronavirus Aid, Relief and Economic Security (CARES) Act was signed into law in response to the COVID-19 pandemic. In accordance with the CARES Act, the Plan allowed participants to borrow up to \$100,000 from their account balance for loans made from March 27, 2020 through September 22, 2020. Participants were also able to delay loan repayments due between March 27, 2020 and December 31, 2020 for up to one year. The Plan was not amended for these changes since it is not required to be amended until the year ended December 31, 2025. Management intends to amend the Plan for this change prior to that date.

##### Vesting

Participants are immediately vested in their contributions and employer matching contributions plus actual earnings thereon. Vesting in the Company's profit sharing contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is fully vested in their account after 6 years of service, upon reaching age 65, upon death or upon permanent disability. Termination of employment before any of the above occurs activates the following vesting schedule for the profit sharing portions of their accounts:

| <u>Full Years of<br/>Employment</u> | <u>Vested<br/>Percentage</u> |
|-------------------------------------|------------------------------|
| 0-1                                 | 0%                           |

| 3                                   | 40%                          |

##### Forfeited Accounts

Terminated participants forfeit their non-vested balance upon the earlier of the receipt of their vested benefits or after incurring five consecutive one-year breaks in service. Forfeitures are used by the employer to reduce discretionary contributions, or to pay certain plan expenses. Forfeitures totaled \$6,148 and \$25,888 for the years ended December 31, 2023 and 2022, respectively. Forfeitures in the amount of \$6,057 and \$93,313 were used to reduce employer contributions in 2023 and 2022, respectively.

At December 31, 2023 and 2022, there were unallocated forfeitures of \$6,541 and \$6,250, respectively, available to be used to reduce employer contributions and/or plan expenses.

##### Payment of Benefits

Upon termination of employment, death, disability or reaching normal retirement age (65), participants or their beneficiary(ies), where applicable, may receive the value of the accrued vested benefit in the form of a lump sum payment; or if the balance exceeds \$5,000, may elect to defer the distribution in accordance with Plan guidelines. If the participants' vested account balance is less than \$5,000, the Plan will distribute the participant's vested account balance in a lump-sum payment.

The Plan allows for in-service distributions from all accounts when a participant reaches normal retirement age (59 ½). Distribution from the rollover portion of participants' accounts are allowed at any time. The Plan also allows for hardship withdrawals from all accounts.

Benefit payments are recorded upon distribution to participants.

In accordance with the CARES Act, the Plan allowed participants to take a coronavirus-related distribution from their retirement plan prior to December 31, 2020, of up to \$100,000. These distributions may be repaid to the plan over a three-year period. The Plan also allowed suspension of 2020 required minimum distributions. The Plan was not amended for these changes since it is not required to be amended until the year ended December 31, 2025. Management intends to amend the Plan for this change prior to that date.

##### Investment Valuation and Income Recognition

Investments are reported at fair value (which is equal to contract value for investment contracts in the collective trust fund). Fair value is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion on fair value measurements.

All purchases and sales of securities have been recorded on a trade-date basis. Income is recorded as earned. The increase or decrease in the fair value of investments represents the net difference between the current value of securities held at the beginning of the year or cost of securities purchased during the year and the current value of securities held at the end of the year.

##### Administrative Expenses

The Plan or Plan Sponsor pays certain administrative expenses on behalf of the Plan. Distribution processing fees are deducted from the benefits paid to participants and are shown as plan expenses.

##### Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

##### Subsequent Events

In preparing these financial statements, Plan management has evaluated events and transactions for potential recognition or disclosure through October 8, 2024, the date the financial statements were available to be issued.

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2024 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.

#### 2. Certification of Investments

---

The Administrator of the Plan appointed Reliance Trust Company as Trustee of the Plan's assets. Reliance Trust Company has supplied the Plan Administrator with certifications as to the completeness and accuracy of Plan investments aggregating \$5,582,005 and \$4,950,326 as of December 31, 2023 and 2022, respectively, and the related investment income (loss) of \$648,333 and \$(660,163) for the years then ended, respectively, which includes interest on notes receivable from participants. The notes receivable from participants of \$72,202 and \$77,522 as of December 31, 2023 and 2022, respectively, were also certified as complete and accurate by the Trustee. Such amounts and all related financial data are included in the accompanying financial statements and supplemental schedule based on the certification from Reliance Trust Company.

Under the terms of the Trustee agreement, the Trustee has non-discretionary authority over Plan assets and maintains investment funds on behalf of the Plan. The Trustee has been granted the authority to make purchases and sales of the investments at the direction of the Company and plan participants and maintains records of all individual participant transactions, participant accounts and transactions for the Plan as a whole.

#### 3. Fair Value Measurements

---

Accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

**Level 1:** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2:** Observable market-based inputs or unobservable inputs that are corroborated by market data. Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

### NOTES TO FINANCIAL STATEMENTS (CONTINUED)

---

#### 3. Fair Value Measurements (Continued)

---

**Level 3:** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value.

**Mutual funds:** Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**Common/collective trust:** The collective trust fund is valued at contract value which is determined by the net asset value of units of a bank collective trust. The net asset value, as provided by the trustee, is used as a practical expedient to estimate fair value. The net asset value is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported net asset value. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The methods described above may produce fair values that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methodologies are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

#### **5. Plan Termination**

---

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants or their beneficiaries are entitled to a distribution of 100% of their account balances in all funds.

---

#### **6. Plan Tax Status**

---

The Company adopted a standardized 401(k) Profit Sharing Plan and Trust which received a favorable opinion letter dated October 6, 2020, from the Internal Revenue Service which stated that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The standardized 401(k) Profit Sharing Plan and Trust has been amended since receiving its determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Plan management evaluates all significant tax positions as required by generally accepted accounting principles in the United States. As of December 31, 2023, the Plan does not believe that it has taken any tax positions that would require the recording of any additional tax liability nor does it believe that there are any unrealized tax benefits that would either increase or decrease within the next twelve months. The Plan's income tax returns are subject to examination by the appropriate regulatory authorities as of December 31, 2023, and the Plan's federal tax returns generally remain open for three years.

---

#### **7. Risk and Uncertainties**

---

The Plan provides for investment in a variety of investment funds. In general, investments are exposed to various risks, such as interest rate, credit and overall market volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

#### 8. Party-in-interest Transactions

---

Transactions resulting in Plan assets being transferred to or used by a related party are considered prohibited transactions under ERISA unless a specific exemption exists. Reliance Trust Company is the Trustee of the Plan's assets and manages Plan investment transactions; therefore, the transactions qualify as party-in-interest transactions and are indicated as such on the supplemental Schedule of Assets Held at End of Year. However, the transactions are not considered prohibited transactions as ERISA regulations provide for a specific exemption for such transactions.

The Plan issues loans to participants, which are secured by the participant account balances. These qualify as party-in-interest transactions but are permitted under ERISA regulations. Additionally, certain employees of the Company provide certain accounting and administrative services to the Plan for which no fee is charged. These transactions are also permitted under ERISA regulations.
