## Independent Auditor's Report

To the Participants and Plan Administrator of the  
The Kiss Group LLC 401(k) Plan  
Tomball, Texas

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of The Kiss Group LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information described in Note 4 to the financial statements is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Management's Responsibilities for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events that, considered in the aggregate, raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not absolute assurance; therefore, it is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events that, considered in the aggregate, raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matters***

#### ***Supplemental Information Required by ERISA***

The supplemental information listed in the index as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplemental information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental information, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental information that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Participants and Plan Administrator of the  
The Kiss Group LLC 401(k) Plan

In our opinion:

- The form and content of the supplemental information, other than the information in the supplemental information that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental information related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **The Kiss Group LLC 401(k) Plan**

### **Notes to the Financial Statements December 31, 2023 and 2022**

---

#### **Note 1 – Plan Description**

The following description of The Kiss Group LLC 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan Document or Summary Plan Description for a more complete description of the Plan’s provisions.

##### ***General***

The Plan is a defined contribution benefit plan that provides retirement savings benefits to eligible employees of the following: The Kiss Group LLC; WDi Drilling Equipment Services, LLC dba Townsend Well Control; Petroleum Products & Services, Inc. dba Wellhead Distributors International; Steel Goode Products LLC; Townsend Well Control RM LLC; WDi Manufacturing LLC; and Texas Management Group LP (collectively, the “Company” or “Employer”). The Plan commenced effective January 1, 2004, and was amended and restated to comply with current law effective January 1, 2022. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and the Internal Revenue Code (“IRC”).

##### ***Plan Custodians and Trustee***

Prior to April 1, 2023, Empower Trust Company, LLC and Empower Annuity Insurance Company of America (collectively, “Empower”) served as the Plan’s custodians, maintained the Plan’s participant account balances, and provided recordkeeping services to the Plan. An employee of the Company served as the Plan’s Trustee.

Effective April 1, 2023, the Plan was amended and restated, and Reliance Trust Company (“Reliance”) was appointed as the new custodian and trustee of the Plan. ADP Retirement Services maintains the Plan’s participant account balances and provides recordkeeping services to the Plan. Collectively, Empower and Reliance are referred to herein as the “Custodians.”

The Custodians maintain custody of all investments held by the Plan. Empower Trust Company, LLC and ADP Retirement Services maintain the Plan’s participant account balances and provide recordkeeping services to the Plan. Among other duties, the Custodians receive contributions, hold and invest the fund assets in accordance with the directions of participants, and make distributions as directed by the Plan Administrator.

As a result of the change in Custodians noted above, the Plan’s assets were transferred from Empower to Reliance, and the Plan experienced a blackout period from April 1, 2023 to May 16, 2023. During this blackout period, participants could not direct or diversify their investments, or obtain a distribution from the Plan.

##### ***Eligibility and Plan Entrance Date***

Certain employees are excluded from participation in the Plan, including union employees and non-resident aliens. All other employees become eligible to participate in the Plan upon completing six months of service and reaching the age of 21. Eligible employees are permitted to enter the Plan on the first day of each month beginning with the month coincident with or next following the date all eligibility requirements are satisfied.

##### ***Contributions***

Participants may elect to contribute, on a pre-tax basis, up to 90% of pre-tax annual compensation, up to the maximum amount allowed for deferral annually under the IRC, which was \$22,500 for 2023. Participants who reach 50 years of age before the end of the Plan year are eligible to make catch-up contributions of up to the maximum amount allowed annually under the IRC, which was \$7,500 for 2023.

## **The Kiss Group LLC 401(k) Plan**

### **Notes to the Financial Statements December 31, 2023 and 2022**

---

#### **Note 1 – Plan Description (continued)**

##### ***Contributions (continued)***

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation.

Prior to April 1, 2023, the Plan included an auto-escalation feature whereby a participant's elected deferral amount automatically increased by 1% on the first day of each Plan year until reaching a deferral rate of 10%. Effective April 1, 2023, the auto-escalation feature ceased.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans as rollovers to the Plan. There were no rollover contributions in 2023.

The Plan has adopted the provisions to allow for a Safe Harbor provision defined as Employer qualified matching contributions on behalf of participants in an amount equal to 100% of the participant's contributions up to 3% of eligible compensation, plus 50% of the participant's contributions between 3% and 5% of eligible compensation that the participant contributed to the Plan.

##### ***Participant Accounts***

Each participant's account is credited with the participant's contributions, Employer contributions, and allocations of Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

##### ***Participant-Directed Investments***

All assets of the Plan are participant-directed investments. The Plan has selected various investment options, as more fully described in the Plan Document, and participants may direct their account balances to one or more of these investment options, which vary in types of investments, rates of return, and investment risk.

##### ***Payment of Benefits***

Upon separation of service due to death, disability, retirement, or termination of employment, a participant receives a lump sum payment equal to the value of their vested account balance. Participants or beneficiaries who must receive required minimum distributions under the IRC may instead elect to receive a partial withdrawal or installment payments. If a participant's vested account balance is less than \$5,000, the Plan permits involuntary lump sum cash distributions. All distributions are made as soon as administratively possible following the participant's termination of employment.

A participant may withdraw all or a portion of their vested account balance in the event of a financial hardship, as defined by the Plan. Additionally, in-service withdrawals are permitted upon a participant reaching the age of 59 ½.

##### ***Vesting***

Participants are vested immediately in their own contributions and Safe Harbor Employer matching contributions plus actual earnings thereon. Vesting in Employer discretionary matching contributions is based on years of service with a participant becoming 20% vested after two years of credited service, and increasing at a rate of 20% per year until reaching full vesting after six years of credited service.

## **The Kiss Group LLC 401(k) Plan**

### **Notes to the Financial Statements December 31, 2023 and 2022**

---

#### **Note 2 – Summary of Significant Accounting Policies**

##### ***Basis of Accounting***

The Plan's financial statements are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

##### ***Use of Estimates***

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

##### ***Investment Valuation and Income Recognition***

Investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

##### ***Payment of Benefits***

Benefit payments to participants are recorded when paid.

##### ***Administrative Expenses***

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Certain expenses specifically incurred by, or attributable to, a participant will be paid from that participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in the fair value of investments.

#### **Note 3 – Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820 are described as follows:

## The Kiss Group LLC 401(k) Plan

### Notes to the Financial Statements December 31, 2023 and 2022

#### Note 3 – Fair Value Measurements (continued)

- **Level 1** – Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.
- **Level 2** – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- **Level 3** – Inputs in the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

- **Mutual Funds** – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the United States Securities and Exchange Commission. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. Mutual funds held by the Plan are deemed to be actively traded.
- **Pooled Separate Accounts** – Valued using the NAV of units held by the Plan at year-end as provided by Empower. The NAV is based on the fair value of the underlying assets owned by the fund, net of the investment management fee, and is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. If the Plan initiates a full redemption of the pooled separate account, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner. Participant transactions (purchases and sales) may occur daily, and there are no significant restrictions on participant redemptions or any unfunded commitments.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2023 and 2022. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

| Assets at Fair Value as of December 31, 2023 |              |         |         |              |

## The Kiss Group LLC 401(k) Plan

### Notes to the Financial Statements December 31, 2023 and 2022

---

#### Note 3 – Fair Value Measurements (continued)

(a) In accordance with ASC 820, certain investments (pooled separate accounts) that were measured at NAV per share (or its equivalents) have not been classified in the fair value hierarchy. All invested assets held by the Plan are measured at NAV per share. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

#### Note 4 – Information Prepared and Certified by the Plan’s Custodians

The Plan Sponsor has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Custodians have certified that the following data included in the accompanying financial statements and supplemental schedules is complete and accurate.

| <b>December 31,</b>                           | <b>2023</b>  | <b>2022</b>  |
|-----------------------------------------------|--------------|--------------|
| Investments at fair value                     | \$ 2,598,391 | \$ 1,838,584 |
| Investments at contract value                 | 258,896      | 163,889      |
| <b>Year Ended December 31,</b>                | <b>2023</b>  |              |
| Net appreciation in fair value of investments | \$ 306,609   |              |
| Dividends                                     | 51,478       |              |
| Interest                                      | 4,553        |              |

The Plan’s independent auditor did not perform auditing procedures with respect to this information except for comparing such information with the related information included in the financial statements and supplemental schedule.

#### Note 5 – Guaranteed Investment Contracts

The Plan has a guaranteed investment contract in the form of a fixed interest account with The Standard Insurance Company that invests contributions in a general account product (the “Fixed Account”). Interest earned on the Fixed Account value is compounded daily to the effective annual interest rate. The interest rate to be credited to the Plan will be determined by the insurance company prior to the last day of the previous calendar quarter. The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The traditional investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1%. The crediting rate is reviewed on a quarterly basis for resetting. The contract cannot be terminated before the scheduled maturity date.

## **The Kiss Group LLC 401(k) Plan**

### **Notes to the Financial Statements December 31, 2023 and 2022**

---

#### **Note 5 – Guaranteed Investment Contracts**

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (a) amendments to the Plan Document (including complete or partial Plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan Sponsor or other Plan Sponsor events that cause a significant withdrawal from the Plan, or (d) the failure of the Trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

#### **Note 6 – Related Party and Party-in-Interest Transactions**

Certain Plan investments are shares of mutual funds, units of pooled separate accounts and a guaranteed investment contract managed by the Custodians. These transactions qualify as party-in-interest transactions as defined by ERISA. Such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA. As described in Note 2, the Plan paid certain expenses related to Plan operations and investment activity to service providers.

#### **Note 7 – Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in all their employer contributions.

#### **Note 8 – Tax Status**

Effective April 1, 2023, the Plan adopted a non-standardized, defined contribution preapproved profit-sharing plan sponsored by ADP, LLC. which received a favorable opinion letter from the IRS dated October 6, 2020.

Prior to April 1, 2023, the Plan operated under an adoption agreement in connection with a prototype, non-standardized, pre-approved profit-sharing plan sponsored by Nova 401K Associates Inc. ("Nova"). This prototype plan document was filed with the appropriate agency, and the Nova obtained a determination letter from the IRS, dated June 30, 2020, stating that the prototype plan constitutes a qualified plan under Section 401 of the IRC, and that the related trust was tax exempt as of the financial statement date.

Although the Plan has not filed individually with the IRS for a letter regarding the Plan's qualified tax status, the Plan Administrator believes the Plan is designed and currently being operated in compliance with applicable requirements of the IRC. As such, there has been no provisions for income taxes made in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### **Notes to the Financial Statements December 31, 2023 and 2022**

---

#### **Note 9 – Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

#### **Note 10 – Subsequent Events**

The Plan has evaluated subsequent events through October 5, 2024, the date the financial statements were available to be issued.
