Independent Auditor's Report

**To the Participants and Plan Administrator of the
Summit Point Raceway Associates 401(k) Plan**
Summit Point, WV

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Summit Point Raceway Associates 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Summit Point Raceway Associates 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**To the Participants and Plan Administrator of the
Summit Point Raceway Associates 401(k) Plan**
Summit Point, WV

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Summit Point Raceway Associates 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Summit Point Raceway Associates 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

**To the Participants and Plan Administrator of the
Summit Point Raceway Associates 401(k) Plan**
Summit Point, WV

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Summit Point Raceway Associates 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Summit Point Raceway Associates 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

**To the Participants and Plan Administrator of the
Summit Point Raceway Associates 401(k) Plan**
Summit Point, WV

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Summit Point Raceway Associates 401(k) Plan

Notes to Financial Statements

December 31, 2023

Note 1: The Plan and its significant accounting policies:

The following description of the Summit Point Raceway Associates 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan that was established by Summit Point Raceway Associates, Inc. (the Company) on January 1, 2023 to provide benefits to eligible employees. Prior to January 1, 2023, the Company was a participating employer in the Xator 401(k) Retirement Plan. On April 11, 2023, Xator 401(k) Retirement Plan's assets were liquidated and the portion of assets held by the Company's employees totaling \$2,401,597 was transferred into the Plan. The Plan covers all employees of the Company other than nonresident aliens, union and leased employees, who are 18 years of age or older and have completed 2 months of service. Employees classified as temporary, part-time, or seasonal are eligible to participate only if they complete 1,000 hours of service within a 12-month period. The Plan is subject to the provisions of ERISA.

Basis of accounting - The accompanying financial statements are prepared on the accrual basis of accounting.

Administration - Under the terms of the Plan, designated officers of the Company act as trustees. The Company has contracted with Reliance Trust Company (Reliance) and Transamerica Retirement Solutions Corporation, a division of Transamerica Life Insurance Company (Transamerica), to act as custodian and recordkeeper, respectively. Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. The Plan pays asset management fees, which are included in administrative expenses. Fees related to the administration of distributions and loans are charged directly to the participant's account and are included in administrative expenses.

Investment valuation and income recognition - Investments of the Plan are held by Reliance and invested based solely upon instructions received from participants. Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Summit Point Raceway Associates 401(k) Plan

Notes to Financial Statements

December 31, 2023

Note 1: The Plan and its significant accounting policies: (continued)

The Plan is invested in the Transamerica Stable Value fund. This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the contract. Contract value, as reported to the Plan by Transamerica, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer.

Notes receivable from participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. The Plan administrator believes all notes receivable from participants are collectible.

Summit Point Raceway Associates 401(k) Plan

Notes to Financial Statements

December 31, 2023

Note 1: The Plan and its significant accounting policies: (continued)

Payment of benefits - Benefits are recorded when paid.

Income taxes - The Plan has not applied for or received a favorable determination letter because it is using a prototype plan approved by the Internal Revenue Service. However, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Use of estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and uncertainties - The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits. Plan assets may have decreased in value since December 31, 2023 due to normal market fluctuations.

Note 2: Participation and benefits:

Participant contributions - Participants may elect to have the Company contribute a percentage of their eligible pre-tax compensation up to the amount allowable under current income tax regulations. Participants who elect to have the Company contribute a portion of their compensation to the Plan agree to accept an equivalent reduction in taxable compensation. These eligible employees may also elect to make Roth elective deferrals. Roth elective deferrals are made after taxes have been withheld. Participants may contribute a combination of pre-tax elective deferrals and Roth elective deferrals. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Contributions withheld are invested in accordance with the participant's direction. Participants are also allowed to make rollover contributions of amounts received from other tax-qualified employer-sponsored retirement plans. Such contributions are deposited in the appropriate investment funds in accordance with the participant's direction and the Plan's provisions.

Employer contributions - The Company provides a safe harbor matching contribution equal to 100% of each eligible participant's contributions up to 4% of the participant's eligible compensation. The safe harbor matching contribution was \$152,433 for the year ended December 31, 2023. The Plan also allows for a discretionary profit sharing contribution in an amount determined by the Company. No discretionary profit sharing contribution was made for the year ended December 31, 2023.

Participant accounts - Each participant's account is credited with the participant's contributions, Plan earnings or losses, administrative expenses and an allocation of the Company's contribution, if any. Allocation of the Company's safe harbor matching contribution is based on participants' contributions. Allocation of the Company's discretionary profit sharing contribution is based on participants' compensation. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their salary deferral, rollover contributions, safe harbor contributions and related earnings. Effective January 1, 2023, new participants are fully vested in the employer's discretionary profit sharing contributions allocated to their account after three years of credited service. Profit sharing contribution balances that transferred from the Company's old plan to the Xator 401(k) Retirement Plan on January 1, 2020 and then transferred back to this Plan on April 11, 2023 will vest on a six-year graded schedule (0% for less than two years, 20% for two years, and then increasing by 20% for each subsequent year).

Forfeited accounts - At December 31, 2023, forfeited nonvested accounts totaled \$-0-. These accounts will be used to reduce future employer contributions and pay administrative fees. No forfeitures were used to reduce employer contributions or pay administrative fees for the year ended December 31, 2023.

Summit Point Raceway Associates 401(k) Plan

Notes to Financial Statements

December 31, 2023

Note 2: Participation and benefits: (continued)

Payment of benefits - Upon termination, the participant or beneficiary will receive the benefits in a lump-sum amount equal to the value of the participant's vested interest in their account, or in installments, paid at least annually over a period not exceeding the joint and survivor life expectancy of the participant and beneficiary. The Plan allows for automatic lump-sum distributions of participant vested account balances below \$5,000.

Notes receivable from participants - The Plan allows participants to borrow a minimum of \$1,000 and up to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the participant's vested account balance and bear interest at the available market financing rates. The loans must be repaid to the Plan within a five year period, unless the loan is used for the purchase of a primary residence. The specific terms and conditions of such loans are established by the Plan administrator. Principal and interest is paid ratably through payroll deductions.

Note 3: Certified information:

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2023, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2023, was obtained and derived from information supplied to the plan administrator and certified as complete and accurate by Reliance Trust Company, the custodian of the Plan.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule. In addition, the information in the Form 5500 Supplemental Attachment to Schedule H has been certified by Reliance Trust Company as of December 31, 2023.

Note 4: Fair value measurements:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Summit Point Raceway Associates 401(k) Plan

Notes to Financial Statements

December 31, 2023

Note 4: Fair value measurements: (continued)

Level 2 - inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds - valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2023:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 3,076,656	\$ -	\$ -	\$ 3,076,656
Total investments at fair value	<u>\$ 3,076,656</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 3,076,656</u>

Notes to Financial Statements

December 31, 2023

Note 5: Related party transactions and party in-interest transactions:

Certain Plan investments are mutual funds managed by Transamerica for the year ended December 31, 2023. Transamerica is the recordkeeper and therefore, these transactions qualify as party in- interest transactions. Additionally, the Plan issues loans to participants, which are secured by the participants' accounts. These transactions are considered party in-interest transactions.

Note 6: Reconciliation of financial statements to Schedule H of Form 5500:

The differences between the information reported in the financial statements and the information reported in the Form 5500 arise from classification differences in investment income.

Note 7: Plan termination and/or modification:

The Company intends to continue the Plan indefinitely for the benefit of its employees; however, it reserves the right to terminate and/or modify the Plan at any time by resolution of its Board of Directors and subject to the provisions of ERISA. In the event the Plan is terminated in the future, participants would become fully vested in their accounts.

Note 8: Subsequent events:

Subsequent events have been evaluated through October 8, 2024, which is the date the financial statements were available to be issued.

Effective January 1, 2024, the Plan adopted a restated Plan document and adoption agreement.
