Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Welch Packaging Group, Inc. 401(k) Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from an agent on behalf of the qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by a qualified institution and certified to by an agent on behalf of a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

(Continued)

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4(i) - Schedule of Assets (Held at the End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by a qualified institution and certified to by an agent on behalf of a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Welch Packaging Group, Inc. 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan that was established January 1, 1986 to provide for retirement benefits. The Plan covers substantially all full time employees of Welch Packaging Group, Inc. (the "Company" or "Employer") who have six months of service, are age 21 or older and are not covered by a collective bargaining agreement with the Company. The plan automatically enrolls all employees, once they become eligible, unless the participant declines, and withholds 3% of participant compensation. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Forfeitures: At December 31, 2023 and 2022, there were no balances in forfeited non-vested accounts. These amounts have been used to reduce employer contributions. During the year ended December 31, 2023, \$118,866 was applied to offset employer contributions receivable reflected in the financial statements.

Contributions: Company contributions are made at the discretion of the Company's Board of Directors, but cannot exceed amounts deductible for federal income tax purposes. Participants may contribute any amount of compensation not to exceed the limits set by the Internal Revenue Code ("IRC"). The Plan also allows catch-up contributions under Code Section 414(v) for those participants who have attained age 50 by the close of the Plan year. Company matching contributions were 50% of the first 8% of the compensation deferred for the year ended December 31, 2023.

Vesting: Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of their account plus earnings thereon is based on years of continuous service. A participant is partially vested after 2 years and vesting is increased each year thereafter and are 100% vested after 6 years of credited service.

Retirement, Death and Disability: A participant is entitled to 100% of his or her account balance upon retirement. A participant is entitled to his or her vested account balance upon death or disability.

Payments of Benefits: On termination of service, a participant may elect to receive either a lump sum or direct rollover amount equal to the value of his or her vested interest in the account, or upon death, disability or retirement, elect to receive substantially equal installments over a period of time.

Participant Accounts: Each participant's account is credited with the participant's own contribution and an allocation of (a) the Company's contribution, (b) Plan earnings and (c) forfeitures of terminated participants' non-vested accounts, and is charged with his or her withdrawals and an allocation of Plan losses and administrative expenses. Participants are not entitled to an allocation of employer contributions or forfeitures unless they are employed on the last day of the Plan year, however, a participant who terminates after normal retirement age, death or disability is entitled to receive an allocation of employer contributions or forfeitures. Participants are always entitled to an allocation of earnings/losses at each valuation date until the benefit is paid out. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

401(K) PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants: The Plan allows participants to borrow funds against their account balances, subject to certain limitations prescribed by the IRC. The amount of the notes is limited to the lesser of \$50,000 or 50% of the participant's vested account. Loan terms range from 1-5 years and up to 10 years for the purchase of a primary residence. The notes are secured by the balance in the participant's account and bear interest at rates that are commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest are paid through payroll deductions.

Administrative and Investment Management Expenses: Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in the financial statements as administrative expenses of the Plan. The Plan's recordkeeping and trustee fees are paid by the Plan and are reflected in the financial statements as administrative expenses of the Plan. Investment management fees are charged to the Plan as a reduction of investment return and included in the net appreciation in fair value of investments reported by the Plan. All other expenses of the Plan are paid by the Company.

Investment Options: Upon enrollment in the Plan, a participant may direct participant and employer contributions in any of the investment options provided by the Plan.

Plan Termination: Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA and its related regulations. In the event of plan termination, participants will become 100% vested in their accounts.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principles and policies that significantly affect the determination of net assets available for benefits and changes therein are summarized below.

Basis of Accounting: The financial statements of the Plan are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Risks and Uncertainties for Investments: The Plan provides for certain investments. The underlying investments are exposed to various risks, such as interest rate, market, global events, liquidity and credit risks. Due to the level of risk associated with certain investments and the sensitivity of certain fair value estimates to changes in valuation assumptions, it is at least reasonably possible that changes in the fair values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures, and actual results may differ from these estimates.

Benefit Payments: Benefit payments are recorded when paid.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment Valuation and Income Recognition: The Plan's investments are reported at fair value. Fair value is the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants' account balances.

NOTE 3 – CERTIFIED INVESTMENTS AND NOTES RECEIVABLE FROM PARTICIPANTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Ascensus, LLC., as agent for Ascensus Trust Company, the custodian of the Plan.

NOTE 4 - FAIR VALUE MEASUREMENTS

Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

The following description of the valuation method and assumption used by the Plan to estimate the fair values of investments apply to investments held directly by the Plan.

Mutual Funds – The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (level 1 inputs).

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments measured at fair value on a recurring basis are summarized below:

		Fair Value Measurements at December 31, 2023 Using	
		Quoted Prices in Active Markets for Identical Assets (Level 1)	
		<u>Total</u>	
Investments:

NOTE 5 - TAX STATUS

The Company has adopted the Ascensus, LLC non-standardized prototype plan. The Internal Revenue Service has determined and informed Ascensus, LLC, by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the IRC. The plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and that the related Plan is exempt from income taxes.

NOTE 5 - TAX STATUS (Continued)

The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

NOTE 6 - PARTIES-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Employer and certain others. Administrative expenses paid to Ascensus, LLC and Lake City Bank, trustee of the Plan, are considered party-in-interest transactions. Investment management fees are paid by the Plan to the investment managers which are parties-in-interest. Notes receivable from participants also reflect party-in-interest transactions. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Some administrative expenses of the Plan are paid directly by the Company.

NOTE 7 – SUBSEQUENT EVENTS

Plan management has evaluated subsequent events for recognition and disclosure through October 9, 2024, which is the date the financial statements were available to be issued.
