## **Independent Auditor's Report**

To the Participants and Administrator of  
Arnall Golden Gregory - SERP:

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of financial statements of Arnall Golden Gregory, LLP Self-Employed Persons Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022 and the related statement of changes in net assets available for benefits for the year ended December 31, 2023 and related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern over the twelve months from the report date.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Supplemental Schedule Required by ERISA***

The supplemental schedule of the Plan, as listed in the accompanying index, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Self-Employed Persons Retirement Plan**

### **Notes to Financial Statements**

#### **December 31, 2023 and 2022**

---

#### **Note 1: Description of the Plan**

The following brief description of the Arnall Golden Gregory, LLP Self-Employed Persons Retirement Plan (the Plan) is provided for general information purposes only. Reference should be made to the Plan document for a more complete description of the Plan's provisions.

##### **General**

The Plan is a defined contribution plan, covering all equity partners, income partners and non-attorney staff of Arnall Golden Gregory, LLP (the Partnership). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Prior to March 1, 2022, the entry dates were earlier of January 1 or July 1 following the completion of three consecutive months of employment. Effective March 1, 2022, the Plan was amended to allow employees to begin making elective deferral contributions on the first day of the next month upon following satisfaction of the eligibility requirements. Participants are eligible for employer matching and employer nonelective contributions on the earlier of January 1 or July 1 following satisfaction of the eligibility requirements.

##### **Administration**

Plan assets are held by Charles Schwab Bank (CSB or Trustee), which became the Trustee on November 1, 1998. The Partnership is the plan sponsor and plan administrator, and Schwab Retirement Plan Services, Inc. (SRPS), a wholly-owned subsidiary of CSB, serves as third-party administrator for the Plan, with recordkeeping, accounting and compliance responsibilities.

##### **Contributions**

Each participant may make pre-tax and/or Roth contributions through payroll deductions in any amount up to 100% of the participant's compensation, as defined in the Plan document, subject to statutory limitations under the Internal Revenue Code (IRC). The statutory limit for 2023 was \$22,500. Participants who have attained at least age 50 are eligible to defer additional amounts (catch-up contributions). The maximum catch-up contribution in 2023 was \$7,500. Participants who meet eligibility requirements are automatically enrolled in the Plan with a 3% deferral, which will automatically increase in 1% increments each year on the first day of each Plan year, up to a maximum of 6%, unless otherwise elected by the participant. Effective March 1, 2022, the Plan was amended whereby participants who meet eligibility requirements are automatically enrolled in the Plan with a 4% deferral, which will automatically increase in 1% increments each year on the first day of each Plan year, up to a maximum of 10%, unless otherwise Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover contributions).

The Partnership may make matching contributions equal to a percentage to be determined annually by the Partnership's Executive Committee at its discretion, of the elective deferral contributions of participants who are not equity or income partners. For the 2023 and 2022 plan years, the partnership made matching contributions equal to 30% of each participant's pre-tax contributions up to 6% of the participant's compensation. Total matching contributions were \$201,280, for the plan year ended December 31, 2023.

The Partnership may make profit-sharing contributions equal to a percentage or amount, to be determined annually by the Partnership's Executive Committee at its discretion, of eligible employees' compensation. For the plan years ending December 31, 2023 and 2022, the Partnership declared profit-sharing contributions totaling \$4,722,560 and \$4,014,132, respectively, which are reported as employer profit-sharing contributions receivable, net of forfeitures applied, in the accompanying statements of net assets available for benefits.

### **Participant Accounts**

Each participant's account is credited with the participant's voluntary and rollover contributions, and any applicable allocations of employer matching contributions, profit-sharing contributions and investment earnings. The participant's account is also charged with withdrawals, applicable allocations of investment losses and administrative expenses.

### **Transfers between Qualified Plans**

The Plan and the Arnall Golden Gregory, LLP 401(k) Plan (the 401(k) Plan) are maintained by the Partnership and permit the transfer of accounts from either of the two plans to the other plan under certain circumstances, such as a change in an employee's employment status that causes Plan eligibility to also change. During the Plan year ended December 31, 2023, accounts totaling \$1,444,533 were transferred to the Plan from the 401(k) Plan.

### **Vesting**

Participants are 100% vested at all times in their voluntary and rollover contributions, Partnership matching contributions and actual earnings thereon. Vesting in Partnership profit-sharing contributions and actual earnings thereon is based on each participant's continuous years of service. The vesting percentages prior to March 1, 2022, were as follows:

| <b>Years of Service</b> | <b>Percentage</b> |
|-------------------------|-------------------|
| Less than 2             | 0%                |
| 2                       | 20%               |
| 3                       | 40%               |
| 4                       | 60%               |
| 5                       | 80%               |
| 6                       | 100%              |

Effective March 1, 2022, the vesting percentages were as follows:

| <b>Years of Service</b> | <b>Percentage</b> |
|-------------------------|-------------------|
| Less than 2             | 0%                |
| 3 or More               | 100%              |

Participants also vest 100% in such contributions and earnings upon death, disability prior to termination of employment, or upon reaching normal retirement age of 65.

## **Investment Options**

Participants are required to make participant-directed allocations of their accounts in increments totaling 100% among the various investment options selected by the plan administrator, including certain options for which the Trustee or its affiliates serve as advisors (Note 7). Participants may change their investment options daily.

## **Notes Receivable from Participants**

Participants may borrow from their vested accounts an amount equal to the lesser of \$50,000 or 50% of their total vested account balance. Loans are secured by the participant's vested account balance and bear interest at the Prime Rate plus 1%. Interest rates ranged from 4.25% to 9.50% as of December 31, 2023. The loan repayment period must be between one and five years, unless the loan is taken for the purchase of a primary residence, which may exceed five years, as determined by the third-party plan administrator. Principal and interest are repaid ratably through semi-monthly payroll deductions.

## **Payment of Benefits**

Benefits are payable according to the vested interest in the account that the participant is entitled to upon retirement, termination of employment, disability, death or (at the participant's discretion) attainment of age 59 ½. Benefits are distributed to the participant as a lump sum payment, as defined in the plan document.

A participant who terminates employment, other than due to death or disability, generally may elect to roll over the value of his or her vested account by transfer to another qualified plan or individual retirement account. Notwithstanding the foregoing, the Plan will, upon termination of employment of a participant, automatically distribute the benefits owed if the account balance is \$1,000 or less, as provided in the Plan document. In addition, if no alternative election has been made and the benefits owed are more than \$1,000, but do not exceed \$5,000, the Plan will automatically transfer the funds into an individual retirement account established on the participant's behalf. Distributions from the Plan will normally be subject to income taxes and in certain circumstances may also be subject to Internal Revenue Service (IRS) penalties, unless the distribution is transferred to another qualified plan or individual retirement account.

## **Forfeitures**

Non-vested account balances of terminated participants are forfeited at the earlier of the date of distribution of the vested portion of the participant's account balance or the date the participant incurs five consecutive one-year breaks in service. Forfeitures will be used to reduce Partnership profit-sharing contributions to the Plan for the year in which the forfeitures occur. At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$30,953 and \$37,775 respectively. During 2023 and 2022, Partnership profit-sharing contributions receivable were reduced by \$30,953 and \$37,775, respectively, from forfeited non-vested accounts.

## **Note 2: Summary of Significant Accounting Policies**

### **Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

## **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires the plan administrator to make estimates and assumptions that affect amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

## **Risks and Uncertainties**

The Plan's investment assets ultimately consist of stocks, bonds, fixed income securities, mutual funds and other investment securities. Investment securities are exposed to various risks, such as interest rate risk, market risk and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participant account balances and the amounts reported in the accompanying statements of net assets available for benefits and statement of changes in net assets available for benefits.

## **Investment Valuation and Income Recognition**

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities, including gains and losses, are recorded on a trade-date basis. Interest income is recorded when earned. Dividends are recorded on the ex-dividend date. Net depreciation in the fair value of investments represents the change in the fair value during the year, including realized and unrealized gains and losses.

## **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded when earned. Related fees are recorded as administrative expenses and are expensed when incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

## **Payment of Benefits**

Benefit payments are recorded when paid.

## **Administrative Expenses**

Certain expenses of maintaining the Plan are paid directly by the Partnership and are excluded from these financial statements. Fees related to the administration of notes receivable from participants or distributions to participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation/appreciation in fair value of investments.

### **Note 3: Information Certified by the Plan's Trustee (Unaudited)**

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the amounts for investment assets and transactions in those assets included in the accompanying financial statements and supplemental information and as outlined below as of December 31, 2023 and 2022, and for the year ended December 31, 2023, was derived from information certified as complete and accurate by the Trustee in accordance with DOL regulations. As permitted under such election, the Plan's independent auditors did not perform any auditing procedures with respect to the following information certified by the Trustee, except for comparing such information to information included in the Plan's financial statements and supplemental information.

### **Note 4: Fair Value Measurements**

The accounting standard for fair value measurements provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in non-active markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

*Mutual Funds and Money Market Fund:* Valued at the daily closing price reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the United States Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Self-Directed Brokerage Accounts:* Primarily consist of mutual funds, unit investment trusts and common and preferred stocks that are valued at the daily closing price reported on the active market on which the individual securities are traded.

*Common/Collective Trust:* The common collective trust is privately managed by the Trustee and is not publicly quoted. The fund is solely comprised of a stable value fund that is valued by the Trustee at net asset value (NAV), which is based on the underlying investment assets owned by the funds, minus liabilities, and then divided by the number of shares outstanding. The Plan has concluded that the NAV is used as a practical expedient to approximate the fair value of the investments. This practical expedient would not be used if it is determined to be probable that the investments will sell at an amount different from the reported NAV. There are currently no redemption restrictions or unfunded commitments on this investment.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

Investments at fair value as of December 31, 2023:

The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

## **Note 5: Tax Status**

Effective January 1, 2021, the Partnership adopted a non-standardized pre-approved plan by Ascensus, LLC. The profit-sharing plan received a favorable opinion letter from the IRS dated June 30, 2020, which stated that the plan was designed in accordance with the applicable sections of the IRC.

Although the Plan has been amended subsequent to such most recent amendment and restatement of the Plan, the Plan Administrator and its tax counsel believe that the Plan is designed and currently being operated, in compliance with the applicable requirements of the IRC, and, therefore believe that the Plan was qualified and the related trust was tax-exempt as of December 31, 2023.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Plan management believes it is no longer subject to income tax examinations for years prior to 2020.

## **Note 6: Plan Termination**

Although it has not expressed any intent to do so, the Partnership has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their account balances, and the assets of the Plan will be distributed to the participants in accordance with the Plan provisions.

## **Note 7: Party-In-Interest Transactions**

Certain Plan investments are managed by CSB. CSB is the Trustee as defined by the Plan. The Plan has other third-party providers including investment advisors. Transactions with these providers qualify as party-in-interest transactions. Fees paid by the Plan for these services amounted to \$317,444 for the year ended December 31, 2023, which are included as administrative expenses in the accompanying statement of changes in net assets available for benefits. Party-in-interest transactions also include notes receivable from participants.

Such transactions, while considered party-in-interest transactions under ERISA, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

## **Note 8: Subsequent Events**

The Plan Sponsor has evaluated for subsequent events between the date of the statement of net assets available for benefits as of December 31, 2023 and the report date, which is the date these financial statements were available for issuance. Management has concluded that all subsequent events requiring recognition or disclosure have been incorporated into these financial statements.
