Plan Administrator
Tri-West, Ltd. 401k/Profit Sharing Plan
Santa Fe Springs, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements

We have performed an audit of the financial statements of Tri-West, Ltd. 401k/Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section

- the amounts and disclosures in the accompanying 2023 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2023 financial statements.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

(Continued)

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

TRI-WEST, LTD. 401K/PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Tri-West, Ltd. 401k/Profit Sharing Plan (the “Plan”) provides only general information about the Plan. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan established by Tri-West, Ltd. (the “Company”) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended. All employees of the Company, excluding employees covered by a collective bargaining agreement, leased employees or certain nonresident aliens, are eligible to participate. The Plan is intended to satisfy the provisions of Section 401(k) of the Internal Revenue Code (“IRC”) of 1986, as amended.

Fidelity Management Trust Company (the “Custodian”) is the Plan's custodian and trustee. The Company and certain members of management are the plan administrators.

Eligibility: Employees are automatically enrolled in the Plan upon meeting the Plan eligibility requirements, unless the employee makes an election to waive participation in the Plan. Employees are eligible to enter the Plan following completion of one year of service and 1,000 hours. There is no minimum age requirement for participation. Plan entry dates are the first day of each calendar quarter.

Contributions: Each participant may elect to contribute up to 60% of his or her eligible compensation to the Plan, subject to certain IRC limitations, up to a maximum of \$22,500 for the 2023 plan year. Participants may also rollover amounts representing distributions from other qualified plans. Participants that are 50 years of age or older who have met the annual IRC deferral limit or the specified Plan limits for deferral, may contribute a catch-up deferral of up to \$7,500 for the 2023 Plan year.

All contributions to each participant's account are self-directed by the participant in one or more of the investments offered under the Plan.

A default contribution of 3% of eligible compensation is set for automatically enrolled participants. The default contribution rate for each participant is automatically increased by 1% annually on June 1 not to exceed an additional 3% of eligible compensation, except with regard to the first such annual increase which shall not apply to a participant within the first six months following the date such participant was automatically enrolled.

The Plan provides for a default bonus deferral election of 0%. Participants electing to have a contribution withheld from bonus compensation must enter into a special salary reduction agreement with the Company.

The Plan provides a Safe Harbor Formula for a 401(k) Safe Harbor Nonelective Employer Contributions Election (“Safe Harbor Contribution”). For each plan year, the employer shall contribute for each eligible participant an amount equal to 3% of each eligible participant's compensation for such plan year. For the year ended December 31, 2023, the Company elected to contribute a Safe Harbor Contribution of 3% of each participant's compensation, which amounted to \$833,653.

The Plan also permits the Company to make a discretionary profit sharing contribution (“Profit Sharing Contribution”) to each participant's account. For the year ended December 31, 2023, Profit Sharing Contributions were \$1,467,186.

At December 31, 2023 and 2022, the Safe Harbor Contribution and Profit Sharing Contribution are included in employer contribution receivable in the accompanying statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Participant Accounts and Investment Options: Each participant's account is credited with the allocable portion of the Company's contributions and Plan earnings. Participant accounts are charged with an allocation of investment and administrative expenses that are paid by the Plan. Allocations are based on the participant earnings, account balances, or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Contributions made on behalf of the participants are invested in various funds according to participant elections. Participants may change investment elections at any time via telephone or internet access with the Custodian.

Vesting: Participants are immediately vested in their contributions and Safe Harbor Contributions plus actual earnings thereon. Vesting in Profit Sharing Contributions, plus earnings thereon, is based on years of service in accordance with the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

However, Profit Sharing Contributions and related earnings also become fully vested if the participant becomes permanently disabled or deceased.

Forfeited Accounts: If a participant's employment is terminated before full vesting of Profit Sharing Contributions and related earnings are attained, the amount not vested may be allocated first to pay Plan expenses. Any forfeitures remaining after paying Plan expenses are reallocated to the remaining participants. During the year ended December 31, 2023, forfeitures of \$24,862 were reallocated to the remaining participants. At December 31, 2023 and 2022, there were forfeited non-vested amounts of \$36,534 and \$30,925, respectively, held by the Plan.

Payment of Benefits: Upon termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account. These payments may be paid in a lump sum payment or paid in installments over time.

Any withdrawal made by a participant prior to attaining age 59½ that is not rolled over into another retirement account for reasons other than death or disability is subject to a 10% federal excise tax.

Hardship Withdrawals: A withdrawal from a participant's account may be permitted if the participant has a financial hardship for certain specific reasons as defined in the Plan document.

Promissory Notes from Participants: Participants may borrow 50% of their vested account balance up to a maximum of \$50,000. The loans are secured by the balance in the participant's account and bear interest at rates based on prevailing rates charged by lenders in similar circumstances. Loans must be repaid within five years, unless the loan is used to pay for the purchase of a personal residence.

December 31, 2023 and 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates: The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could materially differ from those estimates.

Investment Valuation and Income Recognition: Investments are stated at fair value (see Note 4). Net appreciation or depreciation for the period is reflected in the accompanying statement of changes in net assets available for benefits. Purchases and sales of securities are reflected on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

The Fidelity Managed Income Portfolio ("Managed Income Portfolio"), which is an investment fund held in a common and collective trust, consists primarily of investments in fixed-income securities and bond funds.

Payment of Benefits: Benefits are recorded when paid. Participants terminating employment are entitled to a distribution of their vested portion of accrued benefits.

Promissory Notes from Participants: Promissory notes from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Administrative Expenses and Other Income: Investment-related expenses are included in net appreciation or depreciation in fair value of investments. Certain transactional expenses, including loan maintenance fees, loan set up fees, and investment advisory fees are charged directly to the account balances of the applicable participants. Other operating expenses, such as recordkeeping fees, audit and consulting fees, incurred in the administration of the Plan are paid by the Plan and allocated pro rata to the participants based on participant balances. A portion of the operating expenses and management fees is returned to the Plan on revenue sharing arrangements. The revenue sharing amounts received are recorded as other income in the statement of changes in net assets available for benefits.

The Company may also directly pay certain administrative expenses on behalf of the Plan, and such expenses are excluded from the accompanying financial statements. Administrative expenses incurred by the Plan totaled \$102,813 for the year ended December 31, 2023.

Risks and Uncertainties: The Plan provides for investments in any combination of mutual funds and a common and collective trust (see Note 4). These investments are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of those investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 3 – CERTIFIED INVESTMENTS AND NOTES RECEIVABLE FROM PARTICIPANTS

Certain information related to investments and promissory notes from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held and promissory notes from participants at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends, and interest income from notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company (the trustee of the plan).

NOTE 4 – FAIR VALUE MEASUREMENTS

Accounting guidance defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal, or in the absence of a principal market, the most advantageous market for the asset or liability, in an orderly transaction between market participants on the measurement date. A fair value hierarchy was established that requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The guidance describes three levels of inputs that may be used to measure fair value:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

The following is a description of the valuation methodologies used for the investments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

Investments in Registered Investment Companies (Mutual Funds): The fair value of the Plan's investments in registered investment companies is based upon quoted prices in active markets, which represent the net asset value of the shares held and are classified as Level 1 investments.

Investment in Common and Collective Trust: The fair value of participation units held in a collective trust is based on the net asset value per unit as reported by the fund manager. The collective trust provides for daily redemptions by the Plan at reported net asset value per share, with no advance notice requirement.

The fair value amounts presented in the hierarchy tables for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statements of net assets available for benefits.

NOTE 5 – TAX STATUS

The Plan has adopted a prototype plan of Fidelity (the “Prototype Plan”) conforming the design and operations of the Plan to the Prototype Plan. Fidelity received a favorable determination letter from the Internal Revenue Service (“IRS”) for the Prototype Plan on June 30, 2020 indicating that the Plan is designed in accordance with the applicable sections of the IRC. The plan administrator believes that the Plan is designed and is currently being operated in compliance with the Prototype Plan and with the applicable requirements of the IRC. Accordingly, no provision for income taxes is reflected in the accompanying financial statements. Continued qualification is dependent on the Plan’s future operations.

TRI-WEST, LTD. 401k/PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 5 – TAX STATUS (Continued)

In accordance with U.S. GAAP, the plan administrator is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain income tax position that is more-likely-than not to be sustained upon audit by the IRS. An uncertain income tax position will not be recognized if it has less than a 50% likelihood of being sustained. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require the recognition of a liability (or asset) or disclosure in the financial statements. The plan administrator does not foresee material changes to the gross uncertain income tax position liability (or asset) of the Plan within the next twelve months.

The Plan is subject to routine audits by the IRS; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for tax years prior to 2020.

NOTE 6 – RIGHTS UPON PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their account balances.

NOTE 7 – PARTY-IN-INTEREST TRANSACTIONS

Plan investments are in investments managed by the Custodian. In addition, the Plan has loans with its participants. Both the Custodian and participants are considered parties-in-interest under ERISA. The Plan receives revenue credits from the Custodian, which result from revenue-sharing arrangements for certain of the Plan's investments. The revenue sharing amounts received are recorded as other income in the statement of changes in net assets available for benefits. The Plan received \$65,974 in revenue sharing payments from the Custodian for the year ended December 31, 2023, which were credited to participant accounts in the applicable investments. During the year ended December 31, 2023, investment advisory fees paid to Strategic Advisors, Inc., an affiliate of the Custodian, were \$22,980, and fees paid to Fidelity Investments Institutional Operations Company, Inc., an affiliate of the Custodian, were \$46,183, for services provided. All of these transactions are considered exempt party-in-interest transactions under ERISA.

NOTE 8 – SUBSEQUENT EVENTS

Plan management has evaluated subsequent events for recognition and disclosure through October 10, 2024, which is the date the financial statements were available to be issued.

Effective January 1, 2024, the one year and 1,000 hours of service requirements for participant elective deferrals was waived, and employees will be able to contribute to the Plan immediately upon hire.
