Independent Auditors' Report

The Trustees Hazen and Sawyer 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Hazen and Sawyer 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Other Matter - Supplemental Schedule Required by ERISA (continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Hazen and Sawyer 401(k) Plan

Notes to Financial Statements
December 31, 2023

1. Description of Plan

The following description of the Hazen and Sawyer 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the plan document and Summary Plan Description for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Hazen and Sawyer, D.P.C. (the “Company”). Employees who are 21 years of age, or older, are eligible to contribute to the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan administrator is responsible for oversight of the Plan, determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

Contributions

Each year, participants may contribute up to 75% of pre-tax compensation, as defined in the Plan, subject to a maximum amount that is determined by the Internal Revenue Service (“IRS”). Participants who are age 50 or older by the end of the Plan year can make catch-up contributions to the Plan. Participants may also contribute amounts representing distributions from other qualified plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company may make a discretionary matching contribution to the Plan allocated pro rata based on the participant’s annual compensation. For participants to be eligible to receive the Company’s contribution, the participant must be 21 years of age and have completed one year of service. For the year ended December 31, 2023, the Company elected to contribute \$14,400,000. The Company contributions are invested in a portfolio of investments as directed by participants.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Once a participant is eligible to receive the Company’s contribution, they are immediately vested in those contributions.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and allocations of (a) the Company’s contribution and (b) Plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on a participant’s earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

401(k) Plan**

Notes to Financial Statements
December 31, 2023

1. Description of Plan (*continued*)

Revenue Credit Account

The Plan and Fidelity Management Trust Company have entered into a revenue sharing arrangement whereby a portion of the revenue earned by certain funds is passed through to the Plan for either (1) payment of permitted Plan expenses or (2) reallocation back to participants on a pro rata basis. In order for the Plan to receive and use these credits, the Plan has created a Revenue Credit Account. The Revenue Credit Account is an account within the Plan and is used to record-keep the redistribution of Plan-generated fund revenue that exceeds the costs associated with Plan administration. At December 31, 2023 and 2022, the Revenue Credit Account balance was \$25,265 and \$1,689. During 2023, no amounts were used from the revenue credit account to reduce Plan expenses.

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant is entitled to receive a distribution in the amount equal to the value of the participant's vested interest in his or her account in the form of a lump sum, or in annual installments over a ten-year period. For termination of service due to other reasons, a participant may receive the value of the vested interest in their account as a lump sum distribution. Partial withdrawals are permitted for hardship distributions and required minimum distributions. In-service withdrawals are permitted for participants after attaining age 59 ½.

Notes Receivable from Participants

Participants may borrow from their fund account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participants' account and bear interest at 1% above the prime rate, as defined by the Plan. Principal and interest are paid ratably through payroll deductions and must be repaid within five years unless the note is used to buy a principal residence in which case it must be repaid within ten years.

2. Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Hazen and Sawyer
401(k) Plan**

Notes to Financial Statements
December 31, 2023

2. Summary of Significant Accounting Policies *(continued)*

Fair Value Measurements

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

The Plan follows U.S. GAAP guidance which removed the requirement to categorize within the fair value hierarchy investments whose fair value is measured using net asset value ("NAV").

Investment Valuation and Income Recognition

All of the Plan's investments are stated at fair value. The mutual funds are valued at the daily closing price as reported by the fund. These funds are open-end funds that are registered with the Securities and Exchange Commission and are deemed to be actively traded. These funds are required to publish their daily net asset value ("NAV") and to transact at that price.

Investments held in the self-directed brokerage account are common stocks, preferred stocks, mutual funds, U.S. Government securities and corporate securities. Common and preferred stocks are valued at the closing price reported on the active market on which the individual securities are traded. U.S. Government securities and corporate securities are valued using pricing models maximizing the use of observable inputs for similar securities.

The common/collective trusts are valued at the NAV of units held by the Plan. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Purchase and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income from investments is recorded on the accrual basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

401(k) Plan**

Notes to Financial Statements
December 31, 2023

2. Summary of Significant Accounting Policies *(continued)*

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. If a participant ceases to make loan repayments and a distributable event occurs (retirement, termination, death), the participant loan balance is reduced and a benefit payment is recorded. Until a distributable event occurs, the loan will continue to have a balance and accrue interest.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses related to maintaining the Plan are paid by the Company and are excluded from these financial statements. Any expenses not paid by the Employer are paid by the Plan. Investment related expenses are included as a reduction in net appreciation in fair value of investments.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is October 10, 2024.

Reclassifications

Certain 2022 amounts have been reclassified to conform to the 2023 presentation.

3. Information Certified (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) including investments and notes receivable from participants held at December 31, 2023 and 2022, and interest and dividends, net depreciation in fair value of investments, and interest on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, a qualified institution.

4. Fair Value Measurements

The following are the major categories of investments measured at fair value on a recurring basis at December 31, grouped by the fair value hierarchy:

	2023		
		Other Investments Measured at NAV *	Total
	Level 1		
Mutual Funds	\$ 278,446,948	\$ -	\$ 278,446,948

Common/Collective Trusts	-	167,671,742	167,671,742
	<u>\$ 292,267,744</u>	<u>\$ 167,671,742</u>	<u>\$ 459,939,486</u>
	2022		
		Other Investments Measured at NAV *	Total
	Level 1		
Mutual Funds	\$ 223,049,497	\$ -	\$ 223,049,497
Self-Directed Brokerage	10,372,923	-	10,372,923
Common/Collective Trusts	-	138,385,604	138,385,604
	<u>\$ 233,422,420</u>	<u>\$ 138,385,604</u>	<u>\$ 371,808,024</u>

(*) As discussed in Note 2, investments that are measured using the practical expedient are not classified within the fair value hierarchy.

5. Common/Collective Trusts

The Great Gray T. Rowe Price Stable Value Fund and T. Rowe Price Retirement Trusts (collectively, the "Funds") are common/collective trusts. Units of the Funds are valued each day on which the New York Stock Exchange ("NYSE") is open for trading in accordance with the valuation procedures established by the trustee. The NAV per unit of the Funds is calculated as of the close of trading on the NYSE. The NAV per unit is computed by dividing the total value of the assets of the Funds, less their liabilities, by the total number of units outstanding at the time of such computation. The Funds sell new units and repurchase outstanding units on a daily basis. Unit purchases and redemptions are transacted at the NAV of the Fund determined as of the close of business each day. Investment income earned is reinvested in the Funds and included in the determination of unit values. The Funds do not have any unfunded commitments at December 31, 2023 and 2022.

**Hazen and Sawyer
401(k) Plan**

Notes to Financial Statements
December 31, 2023

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will remain 100 percent vested in their accounts for both employee and employer contributions.

7. Tax Status

The Plan is structured and follows a prototype non-standardized cash or deferred profit-sharing plan, pre-approved by the Internal Revenue Service ("IRS"). The IRS issued an opinion letter dated June 30, 2020, that the prototype non-standardized cash or deferred profit-sharing plan is acceptable in accordance with the applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore, believes that the Plan is qualified and related trust is tax-exempt.

U.S. GAAP require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine examinations by taxing jurisdictions for periods since 2020; however, there are currently no examinations for any tax periods in progress.

8. Party-in-Interest Transactions

Fidelity Management Trust Company is the recordkeeper of the Plan and is paid fees for these services by the Plan, these transactions qualify as exempt party-in-interest transactions. Certain investments of the Plan are managed by an affiliate of Fidelity Management Trust Company, the trustee and these transactions qualify as exempt party-in-interest transactions.

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants in the statements of net assets available for benefits.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Global and domestic economic uncertainty has resulted in significant volatility in financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2023 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted.
