**McCREARY
MODERN, INC.**

October 1, 2024

Smith Leonard PLLC
4035 Premier Drive, Suite 300
High Point, North Carolina 27265

Ladies and gentlemen:

We are providing this letter in connection with your audits of the financial statements of the McCreary Modern, Inc. Employees' 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

We elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audits did not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier (qualified institution), that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certifications meet the requirements in 29 CFR 2520.103-5, and that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. GAAP and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

We confirm that we are responsible for the preparation and fair presentation in the Plan's financial statements of net assets available for benefits and changes in net assets available for benefits in conformity with U.S. GAAP.

In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC 820.

For any financial instruments, including non-readily marketable securities, we concur with and accept responsibility for the methods and significant assumptions used to estimate fair value of financial instruments and/or the approach used by the appraiser. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.

- (26) No discussions have taken place with your firm's personnel regarding employment with the Plan or the Plan sponsor.
- (27) We have not engaged you to prepare or review the Plan's Form 5500 filing with the DOL and IRS; however, the audited financial statements and supplemental schedules of the Plan are required to be filed with the Form 5500. We acknowledge that professional standards require you to obtain and read a substantially complete draft of the Plan's Form 5500 prior to the dating of the auditor's report. The purpose of this procedure is for you to consider whether such information, or the manner of its presentation, is materially inconsistent with the information, or the manner of its presentation, appearing in the financial statements; and that these procedures are not sufficient nor are they intended for you to ensure that the Form 5500 is completely and accurately prepared.
- (28) The version of the Plan's audited financial statements that we will file with the DOL using the EFAST2 system will be identical to the copy containing your manually-signed report provided to us.
- (29) In connection with the presentation of your audit report on the DOL's website, the full financial statements and supplemental schedule upon which you reported and to which you appended your signed report will be presented.
- (30) We do not intend to terminate the benefit responsive investment contracts.
- (31) There have been no known or suspected breaches of sensitive information (e.g., personnel files) caused by cyber-attack or other means, or other cybersecurity incidents, where the breach or other incident could have a material effect on the financial statements.
- (32) Regarding the preparation of the Plan's financial statements, performed by Smith Leonard, we have: (1) made all management decisions and performed all management functions, (2) designated Plan representatives with suitable skill, knowledge, or experience to oversee the services, (3) evaluated the adequacy and results of the services performed, and (4) accepted responsibility for the results of the services.
- (33) The Summary Annual Report will be completed and communicated timely in accordance with the DOL's Regulations.

- (34) We have obtained a copy of the relevant SOC 1 reports that cover the year under audit, related to significant processes and transactions that have been outsourced to those service organizations. In connection with those SOC 1 reports, we have read the reports, evaluated the impact of the exceptions to relevant tests, identified the complementary controls listed under the user entity controls section of the report, and have determined that those user entity controls have been designed appropriately and have been implemented.

To the best of our knowledge and belief, no events have occurred subsequent to the date of the statement of net assets available for benefits and through the date of this representation letter, as entered on the first page, that would require adjustment to or disclosure in the aforementioned financial statements and supplemental schedule.
