INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of Ebara Technologies, Inc. 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Ebara Technologies, Inc. 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 and schedule of delinquent participant contributions for the year then ended are presented for purposes of additional analysis and are not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2022 Financial Statements

Predecessor auditors performed an audit of the 2022 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated October 2, 2023, indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

EBARA TECHNOLOGIES, INC. 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS AS OF DECEMBER 31, 2023 AND 2022, AND FOR THE YEAR ENDED DECEMBER 31, 2023

1. DESCRIPTION OF THE PLAN

The following description of the Ebara Technologies, Inc. 401(k) Savings Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan’s information.

General—The Plan is a defined contribution plan covering all full-time employees of Ebara Technologies, Inc. (the “Company” or “Plan Sponsor” or the “Employer”) who are not covered by a collective bargaining agreement, except any employee who is a nonresident alien, Puerto Rican employee, part-time or temporary employee, or Japanese National on temporary assignment. The Plan includes a safe harbor provision.

The Ebara Technologies, Inc. 401(k) Savings Plan Committee (the “Committee”) is responsible for the general administration of the Plan.

Effective April 1, 2022, Empower Annuity Insurance Company of America acquired the full-service retirement business of Prudential Financial, Inc. In connection with the transaction, Empower acquired Prudential Retirement Insurance and Annuity Company (“PRIAC”) and Prudential Bank & Trust, FSB. As a result of the acquisition, Prudential Bank & Trust, FSB, became the trustee of the Plan. On October 3, 2022, PRIAC was renamed Empower Annuity Insurance Company. Empower Annuity Insurance Company is the recordkeeper for the Plan. Effective March 31, 2023, Prudential Bank & Trust Company, FSB, was merged into Empower Trust Company, LLC. As a result of the merger, all services performed by Prudential Bank & Trust Company, FSB were assumed by Empower Trust Company, LLC.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions—Contributions to the Plan include (i) salary reduction contributions authorized by participants, (ii) safe harbor matching contributions made by the Company, (iii) discretionary contributions made by the Company; and (iv) participant rollovers from another qualified plan. Participants have the option to make Roth elective salary reduction contributions to the Plan.

Each year, participants may contribute up to 75% of pretax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified plans. Participants who have attained age 50 before the end of the year are eligible to make catch-up contributions. The Company will make safe harbor matching contributions up to 100% of the first 5% of compensation that a participant contributes to the Plan. Additional discretionary matching contributions may be contributed at the discretion of the Company’s Chief Executive Officer and the Committee. No such amounts were contributed for 2023. All contributions are subject to certain limitations of the Internal Revenue Code (the “Code”).

Participants direct their elective contributions into various investment options offered by the Plan and can change their investment options on a daily basis. The Company’s contributions are allocated in the same manner as that of the participants’ elective contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Contributions are subject to certain Code limitations.

Participant Accounts—Individual accounts are maintained for each participant of the Plan. The Plan offers 19 different investment options for participants to invest in, which includes a self-directed brokerage account feature. Each participant's account is credited with the participant's contribution and related matching and Company contributions and Plan earnings. Participant accounts are also charged with withdrawals and an allocation of plan losses and administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investments—Participants may direct the investment of their contributions and any discretionary profit-sharing contributions and/or account balances into various investment options offered by the Plan and may change investments and transfer amounts between funds daily. Participants may also direct their investments through a trustee-sponsored brokerage account, which offers the option to invest in a variety of individual stocks and mutual funds.

Vesting—Participants are vested immediately in their contributions, plus actual earnings thereon. The safe harbor matching contributions are 100% vested upon contribution. Vesting in the Company's matching contributions prior to January 1, 2018, when safe harbor was adopted, is based on years of continuous service. A participant vests 25% each of the first two years of service and 50% in the third year, upon which the participant is fully vested.

Notes Receivable from Participants—Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by an assignment of a participant's vested interest in the Plan, and bear interest at a rate commensurate with local prevailing rates at the time funds are borrowed as determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions or as a lump sum for the outstanding loan balance. Loan terms range from 1 to 5 years; however, terms may exceed up to 20 years for the purchase of a primary residence. A participant may not have more than one loan outstanding at any point in time. As of December 31, 2023, participant loans have maturities through 2042 at interest rates ranging from 4.25 percent to 9.50 percent. If the loan remains unpaid 90 days after the due date, it will automatically be treated as a deemed distribution to the participant at the end of the next full calendar quarter subsequent to the expiration of the 90-day grace period.

Payment of Benefits—On termination of service with the Company (including termination of service due to death, disability, or retirement, but in no event later than attainment of age of 62), a participant whose vested account balance exceeds \$5,000 may generally elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or installment payments.

The Plan allows in-service withdrawals to those age 59½ and older. Hardship withdrawals are allowed for participants incurring an immediate and heavy financial need, as defined by the Plan. Hardship withdrawals are strictly regulated by the Internal Revenue Service (IRS), and a participant must exhaust all available loan options and available distributions prior to requesting a hardship withdrawal.

Forfeited Accounts—When certain terminations of participation in the Plan occur, the nonvested portion of the participant's account, as defined by the Plan, represents a forfeiture. The Plan document permits the use of forfeitures to either reduce future Employer contributions or pay plan administrative expenses for the plan year. However, if a participant is reemployed and fulfills certain requirements, as defined in the Plan document, the account will be reinstated. At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$12,371 and \$5,583, respectively. During 2023, Employer contributions were reduced by \$4,571 from forfeited nonvested accounts.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting—The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates—The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties—The Plan provides various investment options to its participants. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk, and overall market volatility. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the value of the participants' account balances and the amounts reported in the financial statements.

Investment Valuation and Income Recognition—The Plan's investments are stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Committee is responsible for determining the Plan's valuation policies and analyzing information provided by the investment custodian and issuers that is used to determine the fair value of the Plan's investments. The Committee is composed of members of executive management and a third-party investment advisor. See Note 4 for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants—Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced, and a benefit payment is recorded.

Contributions—Employee contributions and Employer matching contributions are recorded when earned.

Administrative Expenses—Administrative expenses of the Plan are paid by the Plan or the Plan Sponsor, as provided in the Plan document. Administrative expenses paid by the Plan include recordkeeping and trustee fees. Expenses relating to purchases, sales, or transfers of the Plan's investments are charged to the particular investment fund to which the expenses relate. All other administrative expenses of the Plan are paid by the Company.

Payment of Benefits—Benefit payments to participants are recorded when paid.

Excess Contributions Payable—The Plan is required to return contributions received during the Plan year in excess of the Code limits. There were no excess contributions due to participants as of December 31, 2023.

3. CERTIFIED INVESTMENT INFORMATION

The following is a summary of the information regarding the Plan as of and for the year ended December 31, 2023, included in the Plan's financial statements and supplemental schedules that were prepared by or derived from information prepared by Empower Trust Company, LLC, the trustee of the Plan as of and for the year ended December 31, 2023, and furnished to the Plan administrator. The Plan administrator has obtained certifications from the trustees that such information is complete and accurate.

Statements of Net Assets Available for Benefits	2023
Investments—at fair value:	
Participant-directed investments	\$ 45,324,262
Notes receivable from participants	701,635

Statement of Changes in Net Assets Available for Benefits	2023
Net appreciation in fair value of investments:	\$ 6,742,068
Interest and dividend income	1,391,319
Other income	52,775
Interest income on notes receivable from participants	36,752

Supplemental schedules: All investment balances and information included in the supplemental schedule of assets (held at end of year).

Note 4: All investment balances and investment information, excluded the level of investments in Note 4, Fair Value Measurements.

All information related to investments and notes receivable from participants disclosed in the accompanying financial statements, including investments held at fair value and notes receivable from participants at December 31, 2022 was obtained or derived from information provided to the plan administrator and certified as complete and accurate by Prudential Bank & Trust, FSB, the trustee of the Plan.

4. FAIR VALUE MEASUREMENTS

ASC 820, *Fair Value Measurement*, provides a framework for measuring fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value, as follows: Level 1, which refers to securities valued using unadjusted quoted prices from active markets for identical assets; Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available; and Level 3, which refers to securities valued based on significant unobservable inputs. Assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

Asset Valuation Techniques—Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for assets measured at fair value.

Self-Directed Brokerage Account—Includes a variety of common stocks and mutual funds.

Mutual Funds—Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust Funds—Valued at fair value based on the fair value of underlying investments. The common collective trust fund with Putnam stabilizes the fund such that participants' transactions are carried out at cost plus accrued interest. If the Plan initiates a full redemption of the common collective trust fund, the issuer reserves the right to require 12 months notification in order to confirm that the liquidation of the fund on a Plan level will be carried out in an orderly business manner. There are no contractual commitments to purchase individual holdings and there are no restrictions on redemption on a participant level as the fund is traded daily. Since the fair value of the common collective trust fund is calculated and published daily, management concluded that the common collective trust fund has a readily determinable fair value and is therefore a Level 1 investment.

The following tables set forth by level within the fair value hierarchy a summary of the Plan's investments measured at fair value on a recurring basis at December 31, 2023 and 2022.

	Active Markets for Identical Assets (Level 1)	Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	2023 Total

5. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Several investments as of December 31, 2023 and 2022, may be managed or sponsored by the trustees and/or their affiliates. Therefore, these transactions qualify as party-in-interest transactions. Any purchases and sales of these investments are open market transactions at fair value. Consequently, such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA.

The Plan issues loans to participants, which are secured by the vested balances in the participants' accounts.

The Company or its employees, who may be participants in the Plan, provides administrative and/or other services to the Plan at no cost to the Plan.

6. NONEXEMPT PARTY-IN-INTEREST TRANSACTIONS

The Company remitted participant contributions of \$115,500 to the trustee on certain dates during 2023, which was later than required by Department of Labor (DOL) Regulation 2510.3-102. The Company filed Form 5330 with the IRS and paid the required excise tax on the transaction. In addition, participant accounts were credited with the amount of investment income that would have been earned had the participant contribution been remitted on a timely basis.

7. PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event that the Plan is terminated, participants would become 100% vested in their accounts.

8. FEDERAL INCOME TAX STATUS

The Plan uses a prototype plan document sponsored by Empower Retirement, LLC. Empower Retirement, LLC received an opinion letter from the Internal Revenue Service (IRS), dated September 16, 2022, which states that the prototype document satisfies the applicable provisions of the Code. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income tax has been included in the Plan's financial statements.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan and has concluded that there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. SUBSEQUENT EVENTS

Subsequent events were evaluated through October 10, 2024, the date the financial statements were available to be issued. No events occurred that require additional disclosure or adjustments to the Plan's financial statements.
