Management, having determined it is permissible in the circumstances, has elected to have the audit of V.L.K. Architects, Inc. 401(K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of V.L.K. Architects, Inc. 401(K) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about V.L.K. Architects, Inc. 401(K) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of V.L.K. Architects, Inc. 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about V.L.K. Architects, Inc. 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or are derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

V.L.K. ARCHITECTS, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

Note 1 DESCRIPTION OF PLAN

The following description of the V.L.K. Architects, Inc. 401(K) Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions. The Plan is a defined contribution plan established by V.L.K. Architects, Inc. (the Company). The Plan qualifies as a profit-sharing plan under the Internal Revenue Code (Code) Section 401(a) and as a cash-or-deferred arrangement under Code Section 401(k).

The Plan is a defined contribution plan that covers all employees of the Company who are age 21 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Plan entry dates are immediate following the satisfaction of the eligibility requirements.

Employee contributions

Participants are automatically enrolled in the Plan at six percent of compensation. They may elect to contribute up to the maximum amounts allowed by law of their annual compensation (80%) to the Plan on a tax-deferred basis, up to the limits of the Code. Transfers (rollovers) from qualified plans are allowed under the provisions of the Plan.

Employer contributions

The Company's matching contribution is discretionary. The Company's matching contribution was \$678,304 for the year ended December 31, 2023. The matching contribution equals 50% up to 6% of each participant's eligible compensation. The Company may also make nonelective (discretionary) employer contributions (profit sharing contributions). None of these were made in 2023.

Administrative expenses

Certain expenses, such as participant loan fees and withdrawal charges, are charged to the participant account. The Company absorbs the cost of substantially all other administrative expenses.

Participant accounts

Each participant's account is credited with the participant's contribution, the Company's matching contribution, an allocation of other employer contributions, if any, and an allocation of Plan earnings. Allocations of Plan investment earnings or losses are based on participants' account balances invested in each fund.

Investments

All investments are participant directed.

V.L.K. ARCHITECTS, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

Note 1 **DESCRIPTION OF PLAN – (continued)**

Vesting

Participants are fully vested in their employee contributions and earnings on those contributions. The employee's portion of their account balance derived from discretionary profit sharing and employer matching contributions are entitled to a portion of their account in accordance with the following vesting schedule:

<u>Years of Service</u>	<u>Vested Percent</u>
1	20%
2	40%
3	60%
4	80%
5	100%

Employees' discretionary profit sharing and matching contribution balances become fully vested in employer contributions when a participant: (1) attains age 60, (2) becomes disabled, or (3) dies while employed with the Company.

Notes receivable from participants

Participants may receive a loan from their participant accounts. The minimum amount of a loan is \$1,000; the maximum amount is the lesser of: (1) \$50,000 or (2) 50% of their vested account balance. These loans generally range up to five years in length. Participant loans are secured by the participants' vested balance in the plan. As of December 31, 2023, these loans bore interest from 4.25% to 9.5%, were payable in bi-weekly payments, and mature at various dates through June 2028.

Payment of benefits

Upon termination of service, participants with vested balances of \$5,000 or less receive a distribution of their vested balances. If this amount is less than or equal to \$1,000, the amount is distributed, net of tax withholding, in a lump sum. If the amount is more than \$1,000 but less than or equal to \$5,000 and the participant does not affirmatively elect otherwise, an individual retirement account is set up for the participant's benefit. In-service withdrawals of certain vested balances are available to participants in cases of hardship. Also, contributions that were transferred into the Plan from another qualified plan may be transferred out of the Plan to an individual retirement account or another qualified plan.

V.L.K. ARCHITECTS, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

Note 1 **DESCRIPTION OF PLAN – (continued)**

Forfeitures

Forfeitures were \$110,128 and \$70,881 at December 31, 2023 and 2022, respectively. Forfeitures may be used to pay administrative expenses or to reduce future employer contributions.

Other plan provisions

Other Plan provisions including investment options are described in the Plan Document.

Note 2 **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded when received. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The change in net unrealized appreciation/depreciation of investments held from the beginning of the plan year to the end of the plan year is included with realized gains/losses as net investment income/loss reported in the accompanying statement of changes in net assets available for benefits.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document. Loan interest is recorded as it accrues.

Payment of benefits

Benefits are recorded when paid.

V.L.K. ARCHITECTS, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

Note 2 **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (continued)**

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities and disclosures. Accordingly, the actual results could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year in which such adjustments are determined.

Subsequent events

The Plan has evaluated subsequent events through September 30, 2024, the date which the financial statements were available to be issued.

Note 3 **TAX STATUS**

The Plan adopted the BOKF, NA Non-Standardized Pre-Approved Profit Sharing Plan With CODA, Basic Plan Document #001. The current prototype plan was adopted effective July 1, 2022. The Plan has received a determination letter from the Internal Revenue Services (IRS) dated June 30, 2020, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (IRC) and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. No provision for income tax has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that is more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2020.

Note 4 **PLAN TERMINATION**

Although it has not expressed any intent to do so, the Plan's sponsor has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a plan termination, affected participants will become fully vested in their employer contributions.

V.L.K. ARCHITECTS, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

Note 5 **INFORMATION CERTIFIED**

The December 31, 2023 and 2022 statements of net assets available for benefits, the investment activities included on the statement of changes in net assets available for benefits for the year ended December 31, 2023, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by the custodian in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes total investments of \$22,739,218 and \$17,406,904 at December 31, 2023 and 2022, and notes receivable from participants of \$125,047 and \$112,959 at December 31, 2023 and 2022, respectively. Also, the information certified includes the related investment earnings (loss) of \$3,569,697 for the year ended December 31, 2023.

These accounts were maintained by Charles Schwab Trust Bank, a party-in-interest.

Note 6 **FAIR VALUE MEASUREMENTS**

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets or liabilities and have the highest priority. Level 2 inputs consist of observable inputs other than quoted market prices for identical assets or liabilities. Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

Level 1

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. Mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

* Carried at net asset value (NAV)

Fair value of investments that calculate NAV

The common/collective trust (CCT) is measured at NAV per share as of December 31, 2023 and 2022. Its fair value is shown in the table above. The NAV is based on the value of the underlying assets owned by the CCT, minus its liabilities, and then divided by the number of units outstanding. The CCT has no unfunded commitments or redemption notice requirements.

Note 7 PARTY IN INTEREST TRANSACTIONS

Certain plan investments are managed by Charles Schwab Trust Bank. Charles Schwab Trust Bank is the custodian for the Plan and, therefore, these transactions qualify as party in interest transactions.

Note 8 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
