INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Sycamores 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Sycamores 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section.

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Plan Administrator of the
Sycamores 401(k) Plan

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

To the Plan Administrator of the
Sycamores 401(k) Plan

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplementary Schedule Required by ERISA

The supplementary schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

To the Plan Administrator of the
Sycamores 401(k) Plan

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplementary schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SYCAMORES 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS December 31, 2023 and 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Sycamores 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan documents, including the Summary Plan Description, for a more complete description of the Plan's provisions.

(a) GENERAL

The Plan is a safe harbor 401(k) plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and subsequent laws.

The Plan was established on April 1, 1997 and was then known as The Hathaway Child and Family Services Retirement Savings Plan. It was amended and restated on January 1, 2006, subsequent to the merger of Hathaway Child and Family Services and The Sycamores. The merged entity is now known as Hathaway-Sycamores Child and Family Services (dba The Sycamores) (Sycamores).

The Plan was most recently amended and restated on January 1, 2022 to expand the Plan's definitions for participants and compensation. The amendment also increases the Employer Safe Harbor Discretionary Matching Contribution to equal 100% of each participant's elective deferral but not to exceed elective deferrals exceeding 6% of the participant's compensation. The amendment also changed the Plan name to Sycamores 401(k) Plan.

(b) CONTRIBUTIONS

The Plan covers all employees of Hathaway-Sycamores who are at least 21 years of age. Employees become eligible for salary deferral after three consecutive months of service during which they must have completed at least one hour of service. Sycamores makes a safe harbor matching contribution equal to 100% of the participant's salary deferrals that do not exceed 6% of the participant's compensation. In addition, Sycamores may make a discretionary matching contribution equal to a percentage of the participant's deferrals which will be determined each year. Employees become eligible for the matching contribution when they have completed one year of service. There were no such contributions in 2023.

A participant may elect to contribute a percentage or fixed dollar amount up to their annual compensation, as defined by the Plan, subject to IRS limitations not to exceed \$22,500, for the year ended December 31, 2023. Participants who have attained the age of 50 by the Plan year end may also make catch up contributions of \$7,500 during the year ended December 31, 2023.

SYCAMORES 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS December 31, 2023 and 2022

NOTE 1 - DESCRIPTION OF THE PLAN (continued)

(c) PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions, Sycamores contributions, and an allocation of the Plan earnings. Allocations are based on account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(d) VESTING

Participants are immediately 100% vested in both the participant's and Sycamores' contributions plus actual earnings thereon. Forfeited balances result when participants are terminated from employment, but are not fully vested in the employer's contribution to their accounts. These amounts are used to reduce future discretionary contributions from the Plan Sponsor and to pay Plan expenses. The Plan Sponsor used \$55,703 of available forfeitures to pay for Plan expenses during the year ended December 31, 2023. As of December 31, 2023, there were \$448,540 of available forfeitures within the Plan.

(e) NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow up to 50% of their vested account balance subject to a minimum of \$1,000 and a maximum of \$50,000. Loan terms range from one to five years, or longer for the purchase of the participant's primary residence. The loans are secured by the participant's vested interest in the Plan and they may have only one loan outstanding at a time. Participant loans bear interest at 1% above the Wall Street Journal prime rate published on the first business day of the month. At December 31, 2023, interest rates ranged from 4.25% to 9.50% per annum. Principal and interest payments are made through participant payroll deductions.

(f) PAYMENT OF BENEFITS

On termination of service, a participant will receive a distribution of the vested benefit based on the value of the participant's account. If the value of the vested benefit (excluding amounts attributable to rollovers) is \$5,000 or less, a single lump-sum distribution will be made within a reasonable time after termination of employment. If the value of vested benefit (excluding amounts attributable to rollovers) exceeds \$5,000, a participant may elect to receive a single lump-sum payment of the entire account balance, a single-sum payment of a portion of the account balance, or annuity payments. Benefits are recorded when paid. There were no benefit claims for participants separated from service that have not been paid as of December 31, 2023.

NOTE 1 - DESCRIPTION OF THE PLAN (continued)

(g) ADMINISTRATIVE EXPENSES

The Plan incurs fees and administrative costs which are assessed by a third party administrator. Sycamores absorbs certain costs of the Plan, including professional fees.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) BASIS OF ACCOUNTING

The financial statements of the Plan are prepared under the accrual method of accounting.

(b) USE OF ESTIMATES

The preparation of financial statements in accordance with generally accepted accounting principles requires the Plan administrator to use certain estimates and assumptions. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses during the reporting period. Although the Plan administrator believes its estimates are appropriate, changes in assumptions utilized in preparing such estimates could cause these estimates to change sometime in the future.

(c) RISKS AND UNCERTAINTIES

The Plan utilizes various investment instruments, including mutual funds. Investment instruments, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment instruments, it is reasonably possible that changes in the values of investment instruments will occur in the near term and such changes could materially affect the amounts reported in the financial statements.

(d) INVESTMENTS VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES TO FINANCIAL STATEMENTS December 31, 2023 and 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(e) NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

(f) SUBSEQUENT EVENTS

The Plan has evaluated events and transactions occurring subsequent to the statement of net assets available for benefits date of December 31, 2023, for items that should potentially be recognized or disclosed in these financial statements. The evaluation was conducted through October 8, 2024, the date these financial statements were available to be issued. No subsequent events or transactions occurred except as otherwise disclosed in these financial statements.

NOTE 3 - INVESTMENTS

The Plan's funds were maintained by Capital Bank and Trust Company (Capital Bank). The Plan's funds are credited with actual earnings on the underlying investments and charged for Plan withdrawals. The Plan's funds in the financial statements as of December 31, 2023 and 2022 are the values as reported to the Plan by Capital Bank.

The following was certified as to being complete and accurate by Capital Bank:

- Investment accounts and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2023 and 2022.
- Net appreciation in fair value of investments, dividend income, other income, and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2023.
- Supplementary schedule of assets (held at end of year).

The Plan's independent auditor did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the statements of net assets available for benefits and changes in net assets available for benefits and the supplementary schedule of assets (held at end of year).

Upon enrollment in the Plan, participants may direct contributions to any of the investment options maintained by Capital Bank. Participants may change their investment options at their discretion.

NOTE 4 - FAIR VALUE MEASUREMENT

The Plan implemented accounting standards which define fair value for those assets that are re-measured and reported at fair value at each reporting period. This standard establishes a single authoritative definition of fair value, sets out a framework for measuring fair value based on inputs used, and requires additional disclosures about fair value measurements. This standard applies to fair value measurements already required or permitted by existing standards.

The three levels of the fair value hierarchy under the standard are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following table presents information about the Plan's assets that are measured at fair value on a recurring basis at December 31, 2023 and 2022 and indicates the fair value hierarchy of the valuation techniques utilized to determine such fair value:

	Fair Value Measurements Using			
	Year Ended December 31	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
2023:				
Mutual Funds	\$ 35,626,317	\$ 35,626,317	\$ -	\$ -
TOTAL INVESTMENTS IN FAIR VALUE HIERARCHY	35,626,317	\$ 35,626,317	\$ -	\$ -
Investments Measured at Net Asset Value ^(a) - Stable Value Fund	6,602,946			
TOTAL INVESTMENTS AT FAIR VALUE	<u>\$ 42,229,263</u>			

SYCAMORES 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS December 31, 2023 and 2022

NOTE 4 - FAIR VALUE MEASUREMENT (continued)

	Year Ended December 31	Fair Value Measurements Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
2022:				
Mutual Funds	\$ 28,974,681	\$ 28,974,681	\$ -	\$ -
TOTAL INVESTMENTS IN FAIR VALUE HIERARCHY	28,974,681	\$ 28,974,681	\$ -	\$ -
Investments Measured at Net Asset Value ^(a) - Stable Value Fund	6,205,603			
TOTAL INVESTMENTS AT FAIR VALUE	<u>\$ 35,180,284</u>			

(a) In accordance with Financial Accounting Standards Board Accounting Standard Codification Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

- **Mutual Funds:** Valued at the closing price reported on the active market on which the funds are traded.
- **Stable Value Fund:** Valued at the net asset value ("NAV") of shares held by the Plan at year end. The NAV is based on the value of the underlying assets owned by the fund, less its liabilities, and then divided by the number of shares outstanding. The fund's investment strategy seeks to produce a stable return while avoiding negative returns. There are no unfunded commitments or redemption restrictions.

There have been no changes in the methodologies used at December 31, 2023 and 2022.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS December 31, 2023 and 2022

NOTE 5 - TAX STATUS

The IRS has determined and informed Hathaway-Sycamores by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with applicable requirements of the IRC, and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 - EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain investment instruments are managed by Capital Bank. Capital Bank is a custodian as defined by the Plan; therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, Sycamores has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, the assets will be allocated to each participant in the proportion each account balance bears to the total of all account balances.
