Independent Auditors' Report

Plan Administrator
R.G. Brinkmann Company Profit
Sharing Plan and Trust
St. Louis, Missouri

Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of R.G. Brinkmann Company Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities For The Audit Of The Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis For Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities For The Audit Of The Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities Of Management For The Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities For The Audit Of The Financial Statements

Except as described in the Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required By ERISA

The supplemental schedule of assets held at end of year as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

R.G. BRINKMANN COMPANY PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 And 2022

1. Description Of The Plan

The following description of R.G. Brinkmann Company Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established by R.G. Brinkmann Company (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan's trustee and recordkeeper are Principal Trust Company (Principal Trust) and Principal Life Insurance Company (Principal Life), respectively.

Eligibility

All employees of the Company, except for union employees, interns, and leased employees, are eligible to participate in the salary deferral portion of the Plan upon hire and reaching 18 years of age. Participants are eligible for the Company discretionary matching and profit sharing contributions upon reaching age 18, completing one year of service, and worked at least 1,000 hours of service in that year, as defined by the Plan. Participants may enter the Plan on the first day of the Plan year or the first day of the seventh month of the Plan year after satisfying the eligible requirements.

Contributions

Participants may defer 100% of eligible compensation as salary deferral contributions, Roth contributions or a combination of both. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

Participants, upon meeting the eligibility requirements, are automatically enrolled in the Plan at a default salary deferral contribution rate of 6%. The contribution rate shall be automatically increased as soon as administratively feasible on or after each January 1 by 1% up to a maximum contribution rate of 25%. The participant may affirmatively elect a different percentage or elect not to make salary deferral contributions, and may elect to designate all or portion of their contributions as Roth contributions.

R.G. BRINKMANN COMPANY
PROFIT SHARING PLAN AND TRUST

Notes To Financial Statements (*Continued*)

The Plan provides for a discretionary matching contribution and profit sharing contribution. The Company's discretionary matching contribution was 50% of the first 6% of eligible compensation for the years ended December 31, 2023 and 2022. The Company did not make profit sharing contributions for the years ended December 31, 2023 or 2022.

Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account was credited with the participant's deferral contributions, the Company's contributions, and an allocation of the Plan's earnings and charged with withdrawals and an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan Document. The benefit to which a participant was entitled was the benefit that could have been provided from the participant's vested account balance.

Vesting

Participants are 100% vested in their salary deferral contributions, Roth contributions and rollover contributions. Vesting of Company matching and profit sharing contributions is based on years of service, with balances vesting at a rate of 20% for each year of vesting service after the second year, becoming fully vested after six years. Participants are also 100% vested upon retirement, disability or death.

Forfeitures

Participants who terminate their employment and are less than 100% vested in their account will forfeit their nonvested portion. Forfeited nonvested accounts may be used to pay Plan expenses or reduce Company contributions. Forfeitures used to reduce Company contributions for the year ended December 31, 2023 and 2022 were \$40,020 and \$41,948, respectively. Forfeitures used to pay Plan expenses for the years ended December 31, 2023 and 2022 amounted to \$13,883 and \$21,696, respectively.

Forfeitures available for future use amounted to \$982 and \$1 as of December 31, 2023 and 2022, respectively.

Payment Of Benefits

Upon termination of employment, retirement, or death, a participant's vested balance may be distributed in a lump sum, installment payments, or partial payments.

R.G. BRINKMANN COMPANY
PROFIT SHARING PLAN AND TRUST

Notes To Financial Statements (*Continued*)

In-Service Distributions

Active participants who reach age 59-1/2 may withdraw all or part of their vested account. Additionally, a participant who has been an active participant for at least five years may withdraw any part of their vested matching or discretionary contributions as an In-Plan Roth Rollover.

Administrative Expenses

Salaries and related benefits of employees who administer the Plan are provided by the Company. Other administrative expenses, primarily transaction fees, account fees, and professional fees are shared by the Plan and the Company. Investment related expenses are included in net change in fair value of investments.

Investment Options

A participant may direct contributions to a variety of investment options provided by the Plan. Participants may change the investment elections on future contributions or balances any time.

2. Significant Accounting Policies

Basis Of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Estimates And Assumptions

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

R.G. BRINKMANN COMPANY
PROFIT SHARING PLAN AND TRUST

Notes To Financial Statements (*Continued*)

Contributions Receivable And Credit Loss Policy

As of January 1, 2023, the Plan adopted Accounting Standards Codification Topic 326, *Financial Instruments – Credit Losses*, using a modified-retrospective approach. The standard replaces the previous incurred loss model and requires entities to record an estimate of expected losses on financial assets for the remaining estimated life of the asset. This estimate must include consideration of historical experience, current conditions and reasonable and supportable forecasts. The standard applies to the Plan's Company contributions receivable. The adoption did not have a material impact on these financial statements.

The Company has concluded that no allowance for current expected credit losses was necessary at December 31, 2023 and no allowance for doubtful accounts was necessary at December 31, 2022.

Investment Valuation And Income Recognition

The Plan's investments are reported at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net change in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year and any capital gain distributions.

Payment Of Benefits

Benefits are recorded when paid.

3. Certified Investment Information

The following is a summary of the Plan's asset information as of December 31, 2023 and 2022, and for the years then ended, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information certified by Principal Trust Company, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from Principal Trust that the information provided to the Plan Administrator related to the following information is complete and accurate.

R.G. BRINKMANN COMPANY
PROFIT SHARING PLAN AND TRUST

Notes To Financial Statements (*Continued*)

Accordingly, as permitted by CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and supplemental schedule related to the following assets as of December 31:

	<u>2023</u>	<u>2022</u>
Collective trust funds	\$ 21,969,012	\$ 16,554,743
Mutual funds	12,427,096	9,328,328

Principal Trust also certified to the completeness and accuracy related the following investment income (loss) for the years ended December 31:

	<u>2023</u>	<u>2022</u>
Dividends	\$ 151,488	\$ 105,993
Net change in fair value of investments	4,870,889	(5,244,002)

4. Fair Value Measurements

The Plan follows accounting rules that establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Inputs to the valuation methodology include: <ul style="list-style-type: none">• Quoted prices for similar assets or liabilities in active markets;• Quoted prices for identical or similar assets or liabilities in inactive markets; |

R.G. BRINKMANN COMPANY
PROFIT SHARING PLAN AND TRUST

Notes To Financial Statements (*Continued*)

- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end investment companies that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust Funds

Valued at the NAV of units of the individual funds. The NAV, as provided by trustees of the funds, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. All of the collective trust funds held by the Plan file annual reports on Form 5500 as direct filing entities.

R.G. BRINKMANN COMPANY
PROFIT SHARING PLAN AND TRUST

Notes To Financial Statements (*Continued*)

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of:

	December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 12,427,096	\$ —	\$ —	\$ 12,427,096
Total Investments In The Fair Value Hierarchy	\$ 12,427,096	\$ —	\$ —	12,427,096
Investments measured at net asset value (a)				21,969,012
Total investments at fair value				\$ 34,396,108

	December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 9,328,328	\$ —	\$ —	\$ 9,328,328
Total Investments In The Fair Value Hierarchy	\$ 9,328,328	\$ —	\$ —	9,328,328
Investments measured at net asset value (a)				16,554,743
Total investments at fair value				\$ 25,883,071

- (a) Certain investments that are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

Fair Value Of Investments In Entities That Use NAV

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2023 and 2022:

Investment Type	Fair Value		Unfunded Commitments	Redemption Frequency	Redemption Notice
	2023	2022			
Collective Trust Funds	\$ 21,969,012	\$ 16,554,743	None	Daily	None

There have been no changes in valuation methodologies used at December 31, 2023 or 2022.

5. Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

6. Income Tax Status

The Plan adopted a prototype plan document sponsored by Principal Financial Group. Principal Financial Group obtained an opinion letter dated June 30, 2020 in which the IRS stated that the prototype plan document was in compliance with the applicable requirements of the IRC. The Plan itself has not received a determination letter. The Plan has been amended since the date of the opinion letter. However, the Plan Administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan Administrator believes that the Plan and the related trust are tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan's federal tax returns for tax years 2020 and later remain subject to examination by taxing authorities.

R.G. BRINKMANN COMPANY
PROFIT SHARING PLAN AND TRUST

Notes To Financial Statements (*Continued*)

7. Risks And Uncertainties

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. Party In Interest Transactions

The Plan pays administrative fees to various service providers for recordkeeping, trust, and advisory services. These transactions qualify as allowable party in interest transactions under ERISA.

9. Subsequent Events

Management evaluates subsequent events through the date the financial statements are available for issue, which is the date of the Independent Auditors' Report.

Effective January 1, 2024, the Plan was amended to allow Participants to be eligible for the Company discretionary matching and profit sharing contributions upon hire and reaching age 18. Participants may enter the Plan quarterly after satisfying the eligibility requirements. Loans are now permitted in the plan. A participant may borrow up to 50% of the vested account balance of his or her 401(k) account. The minimum amount of any loan is \$1,000 and a maximum loan amount is \$50,000 or one half of the participant's salary deferral contribution account balance, whichever is less. Loans are limited to two for a Participant in a rolling twelve month period.
