Management, having determined it is permissible in the circumstances, has elected to have the audit of Robert B. Our Co., Inc. 401(k) Profit-Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Robert B. Our Co., Inc. 401(k) Profit-Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Robert B. Our Co., Inc. 401(k) Profit-Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Robert B. Our Co., Inc. 401(k) Profit-Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Robert B. Our Co., Inc. 401(k) Profit-Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedules as listed in the table of contents of the Robert B. Our Co., Inc. 401(k) Profit-Sharing Plan as of and for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ROBERT B. OUR CO., INC. 401(K) PROFIT-SHARING PLAN

NOTES TO FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2023 AND 2022

Note A: PLAN DESCRIPTION

The following description of the Robert B. Our Co., Inc. ("Company") 401(K) Profit-sharing Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

- 1) General: The Plan originated in December, 1984 and is a defined contribution plan which incorporates the provision of Section 401(K) of the Internal Revenue Code. The Plan covers all full-time employees who meet eligibility requirements and are not covered by a collective-bargaining agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).
- 2) Contributions: Each year, participants may elect to defer pretax or Roth contributions, as defined in the Plan, up to the maximum amount allowed by the Internal Revenue Code. Participants who have attained the age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Company presently matches 25% of the participant's pretax and Roth contribution percentage up to 8% of the participant's eligible compensation. In addition, the sponsor may also make discretionary profit-sharing contributions.

The Plan provides for an automatic enrollment feature whereby eligible participants, unless they elect otherwise, will initially have 3% deferred from their pay, increasing by 1% per year up to a maximum of 8%.

- 3) Investment Options: Upon enrollment in the Plan, a participant may direct employee contributions in any of the diversified investment options chosen by the Plan administrator. The investment options are listed in the financial statements.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

Note A: PLAN DESCRIPTION – CONTINUED

- 4) Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. Participants are 20% vested after two years of service and 20% each subsequent year until 100% vested.
- 5) Participant Accounts: Each participant's account is credited with the participant's contribution, as well as allocations of the Company's contribution, if any, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- 6) Forfeitures: Forfeitures of terminated participants' non-vested accounts are all noted annually and may be used to pay Plan expenses or to reduce amounts otherwise to be contributed to the Plan. During the Plan year end December 31, 2023, additional contributions totaled \$1,375, which represents unallocated forfeitures. As of the Plan year ended December 31, 2023, the remaining balance of unallocated forfeitures totaled \$ 15,262.
- 7) Notes Receivable from Participants: Eligible participants are allowed to apply for loans against a portion of their vested interest in the Plan. Loans are limited to the lesser of \$50,000 or 50% of the participant's vested balance. A participant may not request a loan for less than \$1,000. The loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined by the Plan administrator. A participant may not have more than one loan outstanding at any time.
- 8) Plan Termination: The Company expects to continue the Plan indefinitely, but reserves the right to amend or terminate the Plan at any time. In the event of a partial or complete termination of the Plan, each participant's account becomes fully vested.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

Note A: PLAN DESCRIPTION – CONTINUED

- 9) Payment of Benefits: On termination of service due to death, disability, normal retirement or other reasons, a participant or beneficiary will generally receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or an annual annuity, as defined in the Plan. A participant's account becomes fully vested at death, disability, or normal retirement, if still an employee at that time. Annual benefit payments is also an option in certain situations subject to required minimum distribution rules.

Note B: SUMMARY OF SIGNIFICANT POLICIES

Basis of Accounting: The financial statements of the Plan are prepared under the accrual method of accounting in conformity with U.S. generally accepted accounting principles.

New Accounting Pronouncements: The Plan has considered all new accounting pronouncements issued by the Financial Accounting Standards Board or other standard setting bodies that do not require adoption until a future date and concluded that such pronouncements are not expected to have a material impact on the Plan's financial statements.

Net Change in Fair Value of Investments: The Plan presents in the statement of changes in net assets available for Plan benefits, the net change in the fair value of the investments, which consist of the realized gains and losses and the net unrealized increase (decrease) on those investments.

Use of Estimates: The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Payment of Benefits: Benefits are recorded when paid.

ROBERT B. OUR CO., INC. 401(K) PROFIT-SHARING PLAN

NOTES TO FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2023 AND 2022

Note B: SUMMARY OF SIGNIFICANT POLICIES – CONTINUED

Investment Valuation and Income Recognition: The Plan's investments are reported at fair value, except for the stable value fund which is stated at contract value (see Note H). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Shares of mutual funds are valued using the methodology described in Note F.

Purchases and sales of shares of mutual funds are recorded on the trade-date basis. The net appreciation (depreciation) in fair value of investment securities consists of the net change in unrealized appreciation (depreciation) and realized gains (losses) upon sale of investments. The net change in unrealized appreciation (depreciation) and realized gains (losses) upon sale are determined using the fair values as of the beginning of the year or the purchase price, if acquired since that date. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The portion of interest included in each loan payment made by a participant on their loan is recognized as income in the participant's individual account.

Reclassification: Certain amounts in the Plan year 2022 financial statements have been reclassified to conform to the Plan year 2023 presentation, with no effect on the net assets available for Plan benefits.

Expenses of the Plan: Certain expenses of maintaining the Plan are paid directly from the Company and are excluded from these financial statements. Fees related to the administration of notes receivable and distributions are charged directly to the participant's account and are included in the administrative expenses. Contract administration fees are also included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

NOTES TO FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2023 AND 2022

Note B: SUMMARY OF SIGNIFICANT POLICIES – CONTINUED

Subsequent Events: The Plan has evaluated subsequent events through, October 9, 2024 the date the financial statements were available to be issued.

Risk and Uncertainties: The Plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participant accounts and the amounts reported in the statement of changes in net assets available for plan benefits.

Note C: PARTY-IN-INTEREST TRANSACTIONS

The Plan sponsor provides certain accounting, administrative and investment management services to the Plan for which no fees are charged. In addition, the Plan sponsor pays certain expenses in administering the Plan such as audit fees and annual report preparation fees.

Certain Plan investments are mutual funds and a stable value fund with Empower Trust Company, LLC, the trustee of the Plan. These transactions qualify as exempt party-in-interest transactions.

Several members of the board of trustees are currently participants in the Plan.

Note D: ADMINISTRATIVE EXPENSES

Administrative expenses for the year ended December 31, 2023 is primarily comprised of investment advisory, recordkeeper and third-party contract administration fees.

ROBERT B. OUR CO., INC. 401(K) PROFIT-SHARING PLAN

NOTES TO FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2023 AND 2022

Note E: INCOME TAX STATUS

The Internal Revenue Service has ruled that the Plan qualifies under Section 401(a) of the Internal Revenue Code (IRC) and is, therefore, not subject to tax under present income tax law. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan administrator is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status.

The Plan evaluates all significant tax positions as required by generally accepted accounting principles in the United States. As of December 31, 2023, the Plan does not believe that it has taken any tax positions that would require the recording of any additional tax liability nor does it believe that there are any unrealized tax benefits that would either increase or decrease within the next twelve months. The Plan is subject to routine audits by various regulatory authorities; however, there are currently no audits for any tax periods in progress.

Note F: FAIR VALUE MEASUREMENTS

FASB Accounting Standards Codification 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs are based on quoted prices in markets that are not considered to be active for which all significant inputs are observable, either directly or indirectly. Level 3 valuations require inputs that are both significant and unobservable and have the lowest priority.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures the fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Level 1 Fair Value Measurements:

The fair value of mutual funds at December 31, 2023 and 2022 are based on quoted net asset values of the shares held by the Plan at year end.

NOTES TO FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2023 AND 2022

Note G: SUMMARY OF FINANCIAL DATA CERTIFIED BY THE TRUSTEE – (UNAUDITED) –
CONTINUED

During the year ended December 31, 2023, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$1,906,974. Dividend and interest income derived from the Plan's investments totaled \$464,643 for the year ended December 31, 2023.

Note H: PLAN AMENDMENT

During 2022, the Plan was amended to comply with the provisions of the SECURE Act, Coronavirus Aid, Relief and Economic Security Act and the Consolidated Appropriations Act.

Note I: PUTNAM STABLE VALUE FUND

The Plan contains a stable value investment option that meets the criteria of a fully benefit-responsive investment contract and is therefore reported at contract value. Contract value represents contributions made to the Fund, plus earnings, less participants withdrawals. The Fund invests in high- quality guaranteed investment contracts and similar contracts issued by insurance companies, banks, and other financial institutions. The Fund also invests up to 75% of its assets in security-backed investment contracts, including separate account products of insurance companies. The Fund invests at least 5% of its assets in high-quality money market instruments, cash, and cash equivalents

Certain events may limit the ability of the Fund to transact at contract value. The Fund negotiates contracts with certain employer-initiated transaction provisions including percentage allowances for targeted layoffs, bankruptcy resulting in employee job loss, reorganizations, spin-offs, and plan terminations. Due to the size of the Fund, and the specific allowances negotiated by the Fund, it is highly unlikely (not probable) that any event would occur that would limit the Fund's ability to transact at contract value.
