Independent Auditor's Report

To the Participants and Plan Administrator of
Fisher Brothers Employees' Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the financial statements of Fisher Brothers Employees' Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section:

- the amounts and disclosures in the 2023 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of Fisher Brothers Employees' Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Fisher Brothers Employees' Savings Plan's ability to continue as a going concern for one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Fisher Brothers Employees' Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Fisher Brothers Employees' Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2023 Supplemental Schedules Required by ERISA

The supplemental schedule H, line 4a - schedule of delinquent participant contributions and schedule H, line 4i - schedule of assets (held at end of year) as of and for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Fisher Brothers Employees' Savings Plan

Notes to the Financial Statements

December 31, 2023 and 2022

1. DESCRIPTION OF PLAN

The following description of the Fisher Brothers Employees' Savings Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan established effective August 1, 1990, as restated January 1, 2024. The Plan was set up as a controlled group covering all Fisher Brothers Management Company LLC's (the Plan Sponsor) related entities. The benefits available to each entity within the controlled group are the same. Union employees are not eligible to participate. The Plan has a 401(k) feature and allows for profit sharing contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Contributions - Each year, participants may contribute up to 80 percent of pretax annual compensation, as defined in the plan document, up to the maximum limits of the Internal Revenue Code (IRC). Participants also may designate all or a portion of their deferral contributions as after-tax contributions into a Roth account. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants also may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an automatic enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6 percent of eligible compensation and their contributions invested in a designated fund until changed by the participant. The Plan allows for the Plan Sponsor to make matching contributions based on a percentage determined annually by the Partnership Committee (as defined). For the year ended December 31, 2023, the matching percentage was 50 percent of the first 6 percent of the participating employee's eligible compensation. For 2023, the matching contribution amounted to \$791,169. Additional profit sharing amounts may be contributed at the option of the Partnership Committee. For the year ended December 31, 2023, there were no profit sharing contributions to the Plan.

Participant accounts - An individual participant's account is comprised of the participant's elective deferred contributions, including rollovers, the employer's matching contributions, the employer's profit sharing contributions, applicable fund earnings, an allocation of administrative expenses, and unrealized fair value adjustments. Unrealized fair value adjustments are based on quoted market prices as of the last business day of each year. Allocations are based on participant earnings or account balances, as defined. The ultimate benefit to be received by a participant depends on the aggregate amount contributed to each participant's vested account over the years and the investment earnings allocated to his or her account.

Fisher Brothers Employees' Savings Plan

Notes to the Financial Statements

December 31, 2023 and 2022

Vesting - Each participant has a fully vested interest in his or her pretax 401(k), rollovers into the Plan from other qualified plans, and after-tax voluntary contributions to the Plan. A participant's vested interest in the employer-matched contribution and profit sharing contribution accounts will be 100% under any of the following conditions:

- Death or disability of an employee of the company;
- Termination of the Plan;
- Attainment by an employee of his or her normal retirement date (age 65); and
- Completion of five years of service.

On termination of service, a participant is eligible to receive a single lump sum amount equal to the value at his or her vested account balance.

If the above 100% vesting conditions do not apply, a participant's vested interest in the matching contribution and profit sharing contribution accounts will be as follows:

Years of Service	Vested Percentage
Less than 1 year	0%
1 years, but less than 2 years	20%
2 years, but less than 3 years	40%
3 years, but less than 4 years	60%
4 years, but less than 5 years	80%
5 years or more	100%

A year of service is defined as 1,000 hours of service within a calendar year.

Any forfeitures will be used to offset expenses and employer contributions. Forfeitures in the amount of \$43,500 were used to offset investment fees for the year ended December 31, 2023. During 2023, there were \$15,235 in forfeitures, and earnings totaled \$296. At December 31, 2023 and 2022, the forfeited nonvested account totaled \$15,436 and \$43,405, respectively.

Notes receivable from participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% percent of their vested account balance. The loans are secured by the balance in the participant's account. The interest rate charged will be the current prime lending rate, plus 1%, or such other rate as prescribed by the plan administrator based on periodic reevaluations of the adequacy of such rate (rates on existing loans range from 4.25% to 9.50%). Principal and interest are paid ratably through payroll deductions. Terms range up to five years or greater for the purchase of a primary residence. If a participant ceases to make loan repayments and the Plan deems the participant's loan to be in default, the participant's loan balance is reduced and a benefit payment is recorded.

Fisher Brothers Employees' Savings Plan

Notes to the Financial Statements

December 31, 2023 and 2022

Payment of benefits - On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account or installment payments, as provided in the plan document. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. If a terminated participant's vested balance is less than or equal to \$5,000, the amount may be automatically distributed in the form of lump sum cash payment. In addition, the Plan allows for hardship distributions if certain criteria are met.

Hardship withdrawals - The Plan permits for hardship withdrawals of a participant's vested account balance. Permissible circumstances for hardship withdrawals include education, purchase of a principal residence, medical expenses, funeral expenses, repairs of damage to a principal residence, and to prevent foreclosure of a principal residence.

Investment options - The plan trustees and custodian determine and approve the investment options set up for the Plan. Upon enrollment in the Plan, a participant can direct contributions into various offered investment options. Empower Trust Company, LLC (Empower), as the trustee and custodian of the Plan, invests monies according to participant directions.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Shares of mutual funds are valued at quoted market prices which represent the net asset value (NAV) of shares held by the Plan at year end. Common collective trusts' fair value is estimated by using NAV as a practical expedient. This is based on information reported by Empower, using the audited financial statements of the collective investment trusts at year end.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fisher Brothers Employees' Savings Plan

Notes to the Financial Statements

December 31, 2023 and 2022

Notes receivable from participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Payment of benefits - Benefits are recorded when paid.

Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements.

Subsequent events - Subsequent events were evaluated through October 9, 2024, the date the financial statements were available to be issued.

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) 820, *Fair Value Measurement*, are described as follows:

Level 1 - Inputs to the valuation technique are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation technique include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation technique are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Fisher Brothers Employees' Savings Plan

Notes to the Financial Statements

December 31, 2023 and 2022

Following is a description of the valuation techniques used for assets measured at fair value. There have been no changes in the techniques used at December 31, 2023 and 2022.

Mutual funds: Valued at the closing price reported in the active market in which the individual security is traded.

Common collective trusts: Funds composed primarily of fully benefit-responsive investment contracts that are valued at the NAV of units of the bank's collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investments for an amount different from the reported NAV.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Assets at Fair Value as of

December 31, 2023

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 12,473,922	\$ -	\$ -	\$ 12,473,922
Total assets in the fair value hierarchy	12,473,922	-	-	12,473,922
Investments measured at net asset value (a)	-	-	-	43,006,171
Total investments at fair value	<u>\$ 12,473,922</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 55,480,093</u>

Assets at Fair Value as of

December 31, 2022

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 11,862,539	\$ -	\$ -	\$ 11,862,539
Total assets in the fair value hierarchy	11,862,539	-	-	11,862,539

Total investments at fair value	<u>\$ 11,862,539</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 48,092,450</u>

(a) In accordance with FASB ASC 820, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

Fair Value of Investments that Calculate Net Asset Value

The following tables summarize investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2023 and 2022. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	Fair Value December 31, 2023	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Common Collective Trusts	\$ 43,006,171	N/A	Daily	Up to 1 day

	Fair Value December 31, 2022	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Common Collective Trusts	\$ 36,229,911	N/A	Daily	Up to 1 day

4. INFORMATION CERTIFIED BY TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2023 and 2022. Accordingly, Empower, the Trustee of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2023 and 2022, and the supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, and the related investment activity and interest income on notes receivable from participants reported in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2023.

5. RELATED-PARTY AND PARTY IN INTEREST TRANSACTIONS

Empower, as trustee and custodian of the Plan, is considered a party in interest. Fees paid to Empower for the year ended December 31, 2023, totaled \$49,994 and are included in other expenses in the accompanying Statement of Changes in Net Assets Available for Benefits.

Additionally, the Plan issues loans to participants, which are secured by the participant's account balances. These transactions qualify as party in interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Plan Sponsor. No such officer or employee receives compensation from the Plan.

Marsh McLennan Agency (MMA), as investment advisors of the Plan, is considered a party in interest. Investment fees paid to MMA for the year ended December 31, 2023, were \$43,500 and are included in other expenses in the accompanying Statement of Changes in Net Assets Available for Benefits.

Fisher Brothers Employees' Savings Plan

Notes to the Financial Statements

December 31, 2023 and 2022

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

7. TAX STATUS

The Plan adopted a volume submitter plan offered by Empower Trust Company LLC. The volume submitter plan received an IRS Determination Letter dated March 31, 2014, which stated that the Plan and related trust are designed in accordance with the applicable sections of the IRC. Although the Plan has been amended since receiving the IRS Determination Letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore, believes that the Plan is qualified, and the related trust is tax exempt.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

9. DELINQUENT PARTICIPANT CONTRIBUTIONS

For the year ended December 31, 2023, the Plan Sponsor did not remit certain participant contributions to the Plan on a timely basis as defined by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Untimely remittances identified on the Schedule of Delinquent Participant Contributions, which totaled \$119,237 were corrected in 2024 using the Voluntary Fiduciary Corrective Program.
