Independent Auditors' Report

To the Plan Administrator
Ceramicorp, Inc. Employee Savings Plan
Perrysville, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Ceramicorp, Inc. Employee Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified to by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified to by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CERAMICORP, INC. EMPLOYEE SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan

The following description of the Ceramicorp, Inc. Employee Savings Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan was originally established by Falcon Building Products, Inc. effective January 1, 1995. The Plan was originally named the Falcon Building Products, Inc. Employee Savings Plan. Effective as of May 1, 2000, Falcon Building Products, Inc. transferred sponsorship of the Plan to Mansfield Plumbing Products, LLC (the "Company") and renamed the Plan the "Mansfield Plumbing Products, LLC Savings Plan." Effective as of November 30, 2000, the Plan was assumed by Mansfield Plumbing Products, LLC. Effective January 1, 2001, the Company amended and restated the Plan to incorporate recent amendments, legislative changes, and to change the name of the Plan to Mansfield Plumbing Products, LLC Employee Savings Plan. The Company merged the Orchid Ceramics, Inc. 401(k) Plan into the Mansfield Plumbing Products, LLC Employee Savings Plan effective January 2, 2008. Effective on this date, the name of the Plan changed to the Ceramicorp, Inc. Employee Savings Plan. Effective January 1, 2009, the Company restated the Plan to incorporate recent amendments and legislative changes. In 2011, the owners of Orchid Ceramics, Inc. made the decision to cease operations. Effective January 1, 2021, the Company restated the Plan to incorporate recent amendments and legislative changes. The Plan is a defined contribution plan covering certain employees of the Company or any subsidiary or affiliate which is a member of its "related group" as defined in the plan agreement. The Plan is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. Employees become eligible to participate in the Plan on January 1, April 1, July 1, or October 1 of each year, following three months of eligible service.

Contributions

Participants may elect to defer from 2% up to 50% of their compensation as defined by the Plan on either a pre-tax, after-tax, or Roth basis. The Plan also provides for catch-up contributions for participants who reach the age of 50 by the end of the Plan year. The Plan provides for a discretionary employer matching contribution for each participant, which was 50% of the first 3% of annual compensation (as defined by the Plan) that a participant contributed to the Plan for the year ended December 31, 2023. The Plan provides for the acceptance of rollover contributions from other plans qualified under the Internal Revenue Code ("IRC"). Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

Participant Accounts

Each participant's account is credited with the participant's own contributions and an allocation of any Company contributions and Plan earnings, and is charged with his or her withdrawals and an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. Participants direct the investment of their individual accounts between several different investment options offered by the Plan.

CERAMICORP, INC. EMPLOYEE SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 1. Description of Plan (Continued)

Vesting

Participants are 100% vested in their account upon entrance date.

Payment of Benefits

On termination of service or due to death, disability, retirement, or attainment of age 59½, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. Active participants may make hardship withdrawals of the employee contribution portion of their account balances, subject to Plan provisions, in-service distributions upon attaining age 59½, and rollover contributions which can be distributed at any age and at any time, but the minimum withdrawal amount is \$500.

Inter-Plan Transfers

From time to time, changes in employee status require the transfer of participation between Ceramicorp, Inc. Employee Savings Plan and Mansfield Plumbing Products, LLC Employee Savings Plan for Ohio Hourly Employees. There was no net transfer in from the Mansfield Plumbing Products, LLC Employee Savings Plan for Ohio Hourly Employees for the year ended December 31, 2023.

Termination Provisions

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Notes Receivable From Participants

A participant may borrow the lesser of \$50,000 or 50% of his or her vested account balance with the minimum loan amount of \$1,000. Loans are secured by the balance in the participant's account. Loans are repayable through payroll deductions over periods ranging up to 60 months or longer when the loan proceeds are used to purchase a primary residence. The interest rate is fixed and will be equal to the Prime Rate (as published in The Wall Street Journal on the day the loan is initiated), plus 1%.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at the fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally receive if they were to initiate permitted transactions under the terms of the Plan.

CERAMICORP, INC. EMPLOYEE SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 2. Summary of Significant Accounting Policies (Continued)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisor and John Hancock Trust Company, the Trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants' account balances.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of distributions and loans are charged directly to the participant's account and are included in administrative expenses. Participant accounts are also charged a quarterly fee that is included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments. Administrative expenses may be offset with funds made available by the Plan Trustee from fees it received from investment fund managers. Service credit amounting to \$83,962 was received and used to offset administrative expenses for the year ended December 31, 2023.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2023 excess contributions to the applicable participants prior to March 15, 2024.

CERAMICORP, INC. EMPLOYEE SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 2. Summary of Significant Accounting Policies (Continued)

Subsequent Events

The Plan has evaluated subsequent events through October 9, 2024, which is the date the financial statements were available to be issued.

Note 3. Unaudited Information

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, John Hancock Trust Company has certified to the completeness and accuracy of all investments and notes receivable from participants reflected in the statements of net assets available for benefits at December 31, 2023 and 2022, the schedule of assets (held at end of year) at December 31, 2023, the related investment and loan interest activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2023, and the investment related information in the accompanying notes to the financial statements. This information is unaudited by independent accountants.

Note 4. Fair Value Measurements

The Plan estimates the fair value of financial instruments using available market information and other generally accepted valuation methodologies. The inputs used to measure fair value are classified into three levels:

- | | |
|----------|--|
| Level 1: | Quoted prices in active markets for identical assets and liabilities |
| Level 2: | Observable market-based inputs or unobservable inputs that are corroborated by market data |
| Level 3: | Unobservable inputs in which little or no market data exists |

The following is a description of the valuation methodology used for assets of the Plan measured at fair value at December 31, 2023 and 2022:

- Mutual funds: Investments in mutual funds are valued based on their quoted closing market prices in active markets for identical investments and are classified as Level 1.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. There have been no changes in the methodology used from 2022 to 2023. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

CERAMICORP, INC. EMPLOYEE SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 4. Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Assets at Fair Value as of December 31, 2023				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 11,069,998</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 11,069,998</u>

Assets at Fair Value as of December 31, 2022				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 10,804,093</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 10,804,093</u>

Note 5. Fully Benefit-Responsive Investment Contracts

The Plan holds a fully benefit-responsive investment contract that is reported at contract value, which is generally the amount a participant would receive if he or she would initiate a withdrawal or transfer from the contract under the provisions of the Plan. Contract value represents contributions made to a contract, plus earnings, less participant withdrawals and administrative expenses.

The Plan holds a direct interest in a fully benefit-responsive investment contract through its investment in the Anchor Account II, which is a group annuity contract (Stable Value Fund ("SVF")) managed by New York Life Insurance Company ("NYLIC"). Contributions to the contract are deposited into a guaranteed separate account of NYLIC, which is a participating stable value separate account that is not unitized, and the assets of the separate account are accounted for at amortized cost. There are no reserves against contract value of the issuer or otherwise.

The Plan's investment contract specifies certain conditions under which distributions from the contract would be payable at amounts below contract value. Such circumstances may include a partial plan termination, mergers, spin-offs, layoffs, early retirement incentive programs, sales, or closings of all or a portion of the Plan sponsor's operations, bankruptcy, or receivership, if these events would lead to a request for payments of more than 10% of the Plan's value in the fund. The contract does not limit the circumstances under which the issuer may terminate the contract. At contract termination, the Plan may receive a book value distribution of the Plan's interest in the SVF, provided a twelve months' advance written notice is given to NYLIC. Distributions resulting from terminations initiated without providing twelve months' advance written notice will be subject to a market value adjustment pursuant to the provisions of the SVF contract, provided a minimum of thirty days' written notice is given. Currently, management believes that the occurrence of an event that would cause the Plan to transact contract distributions at less than contract value is not probable.

CERAMICORP, INC. EMPLOYEE SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 6. Party-in-Interest Transactions

The Plan holds shares of a mutual fund, which is managed by John Hancock Investment Management, LLC. As John Hancock Investment Management, LLC is affiliated with the Trustee of the Plan, this investment and its transactions qualify as party-in-interest transactions. In addition, administrative expenses were paid to the Trustee during the year ended December 31, 2023.

Note 7. Income Tax Status

The Plan received a favorable determination letter from the IRS dated June 30, 2020 stating that the Plan document on which the Plan is based is designed in accordance with the applicable sections of the IRC. The Plan has been amended since receiving the determination letter. However, the plan administrator believes that the Plan is currently designed and operating in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require such recognition or disclosure in the financial statements.

Note 8. Risks and Uncertainties

The Plan holds various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
