Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **BDO USA P.C.**

(2) EIN: **13-5381590**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)	☒	☐	30

Independent Auditor's Report

To the Plan Administrator
Elwyn California Defined Contribution 403(b) Plan
Elwyn, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Elwyn California Defined Contribution 403(b) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental Schedule H, line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2023 and supplemental Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial

statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedules agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Elwyn California Defined Contribution 403(b) Plan

Notes to Financial Statements

1. Description of Plan

The following description of the Elwyn California Defined Contribution 403(b) Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that was established on January 1, 2009 and covers all eligible employees of Elwyn California (the Organization). American United Life Insurance Company (AUL) provides recordkeeping services for the Plan and also serves as custodian of the Plan's investments. The Organization, as Plan administrator, is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

Each year, participants may contribute a portion of their pretax annual compensation, as defined in the Plan document, immediately upon being hired by the Organization. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions (rollover) from other qualified defined benefit or defined contribution plans.

The Organization contributes an employer nonelective contribution equal to 3% of eligible participants' compensation. A participant must complete 1,000 hours and remain employed on the last day of the Plan year to be eligible for the employer nonelective contribution. The employer nonelective contribution is made once a year and is recorded as an employer contribution receivable in the accompanying statements of net assets available for benefits.

Contributions are subject to certain Internal Revenue Service (IRS) limitations. Participants direct the investment of their contributions into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Organization's contribution and (b) plan earnings or losses and is charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific transactions, as defined. The benefit to which a participant is entitled is the vested portion of their accounts.

Vesting

Participants are vested immediately in their individual deferral, rollover contributions and the allocated earnings thereon. Vesting in the Organization contribution portion of their accounts, plus earnings thereon, is based on years of continuous service. A participant is 100% vested after three years of credited service.

Elwyn California Defined Contribution 403(b) Plan

Notes to Financial Statements

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The repayment period may not exceed five years, unless it is for the purchase of a principal residence which increases the period to thirty years, and participants may not have more than one loan outstanding at a time. The loans are secured by the balance in the participant's account. The interest rate for notes receivable from participants is the prime interest rate plus one percent and will be determined on a quarterly basis by the Plan administrator. Principal and interest are primarily paid ratably through payroll deductions. Participants have the option of making principal and interest payments directly to the Plan outside of payroll.

Payment of Benefits

Upon separation of service due to death, disability, retirement or other reasons, a participant may elect to receive a distribution equal to the value of the participant's vested interest in his or her account in either a lump-sum amount or installment payments. In-service withdrawals are allowed from a participant's accounts in which they are 100% vested upon attainment of age 59 ½. The involuntary small balance cash-out limit is \$5,000 for participants who terminate employment with the Organization.

Forfeited Accounts

As of December 31, 2023 and 2022, forfeited nonvested accounts totaled \$84,125 and \$223,644, respectively. These accounts will be used to reduce future employer contributions or pay reasonable plan expenses. During the year ended December 31, 2023, \$223,644 was utilized to reduce the 2022 employer nonelective contribution, which was funded in September 2023. The forfeiture balance as of December 31, 2023 was utilized to reduce the 2023 employer nonelective contribution funded in September 2024.

2. Summary of Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, except for the fully benefit-responsive (FBR) investment contract, which is reported at contract value. The fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Elwyn California Defined Contribution 403(b) Plan

Notes to Financial Statements

The Plan administrator determines the valuation policies utilizing information provided by AUL. See Note 4 for a discussion of fair value measurements and Note 5 for a discussion of the FBR contract.

Investment transactions (purchases and sales) are recorded on a trade-date basis. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as, held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses, Net

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Organization. Expenses that are paid by the Organization are excluded from these financial statements. Certain transactional fees are charged directly to the participants' accounts and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

The Plan's service agreement with AUL provides for a revenue sharing account which is maintained by AUL and is funded through revenue credits generated by the investments within the Plan. The revenue sharing account is to be used to pay the Plan's administrative expenses. During the year ended December 31, 2023, the Plan received credits in the amount of \$43,142, which was used to pay certain administrative expenses. Administrative expenses are presented net of revenue sharing credits in the statement of changes in net assets available for benefits.

3. Certified Investments

Certain information disclosed in the accompanying financial statements and ERISA-required supplemental schedule, related to investments and notes receivable from participants held as of December 31, 2023 and 2022, and net appreciation in the fair value of investments, interest and dividends and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by AUL, a qualified institution.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

4. Fair Value Measurements

Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Pooled separate accounts: Valued at the net asset value (NAV) of units held by the Plan at year end based on the market value of its underlying investments. The fair value of the underlying investments, which can consist of a single mutual fund or multiple securities, is determined using market quotations or prices obtained from independent pricing sources. The NAV per unit is used as the practical expedient to estimate fair value.

The valuation methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Elwyn California Defined Contribution 403(b) Plan

Notes to Financial Statements

The following table sets forth the Plan's assets at fair value as of December 31, 2023 and 2022:

	December 31, 2023 Total	December 31, 2022 Total
Pooled separate accounts (at NAV*)	\$ 9,539,348	\$ 7,058,890

*Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table is intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

Fair Value of Investments that Calculate NAV

The following table summarizes the pooled separate accounts measured at fair value based on NAV per unit as of December 31, 2023 and 2022. There are no unfunded commitments.

	Fair Value at December 31, 2023	Fair Value at December 31, 2022	Redemption Frequency (if currently eligible)	Redemption Notice Period
Target Date / Hybrid (a)	\$ 7,847,770	\$ 5,608,200	Daily	Daily
Growth (b)	346,560	630,175	Daily	Daily
Income (c)	91,389	259,315	Daily	Daily
Other (d)	1,253,629	561,200	Daily	Daily
Pooled separate accounts	\$ 9,539,348	\$ 7,058,890		

(a) *Target Date / Hybrid* - The objective of these portfolios is to seek a high total return by the fund's target retirement date under normal market conditions.

(b) *Growth* - The objective of these portfolios is to provide growth of capital throughout the U.S. and global markets.

(c) *Income* - The objective of these portfolios is to provide income and long-term capital appreciation.

(d) *Other* - The objective of these portfolios is based on the underlying investments and varies between high, long-term total return to conservation of capital, current income and long-term growth of capital and income.

5. Investment at Contract Value

The Plan entered into a fully benefit-responsive guaranteed investment contract with AUL. AUL maintains the contributions in the Fixed Option Account (the Account) which is invested in a Fixed Interest or Stable Value Account that is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The Account is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Elwyn California Defined Contribution 403(b) Plan

Notes to Financial Statements

The Account is an interest-earning investment option, backed by AUL's general account assets. AUL guarantees that interest will be credited at the higher of the rate guaranteed in the group variable annuity contract and the current rate declared by it. The guarantee is based on the continued claims-paying ability of the AUL.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by AUL, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of this investment was \$795,800 and \$873,858 as of December 31, 2023 and 2022, respectively.

Certain events limit the Plan's ability to transact at contract value with AUL. Such events include the following: (a) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

The guaranteed investment contract does not permit AUL to terminate the agreement prior to the scheduled maturity date.

6. Related Party and Party-In-Interest Transactions

Certain Plan investments are managed by AUL. Consequently, these transactions qualify as exempt party-in-interest transactions. Fees incurred by or paid by the Plan (See Note 2), transactions through the revenue sharing account and notes receivable from participants also qualify as exempt party-in-interest transactions, which are exempt from prohibited transaction rules.

7. Plan Termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all contributions will be discontinued, and all Plan participants will become fully vested in their account balances.

8. Tax Status

Effective October 9, 2019, the Plan adopted the Volume Submitter 403(b) Plan sponsored by OneAmerica Financial Partners Inc (OneAmerica). The IRS has determined and informed OneAmerica by an advisory letter dated November 22, 2017, that the Volume Submitter 403(b) Plan is designed in accordance with the applicable 403(b) section of the Internal Revenue Code (Code). Although the Plan has been amended since adopting the Volume Submitter 403(b) Plan, the Plan administrator believes that the Plan is currently designed and operated in compliance with the with the applicable requirements of the Code and, therefore, believes the Plan is qualified and continues to be tax-exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no IRS examinations for any tax periods in progress.

9. Risks and Uncertainties

The Plan invests in various investment securities, which are exposed to various risks, such as interest rate, overall market volatility and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

10. Delinquent Participant Contributions

During 2023, certain participant loan repayments for one pay periods totaling \$30 were not remitted by the Organization within the appropriate time period as prescribed by the Department of Labor (DOL) Regulations. This transaction constitutes a non-exempt party-in-interest or prohibited transaction as defined by ERISA. The Organization self-corrected this transaction during 2024 by remitting related lost earnings to the Plan.

11. Subsequent Events

The Plan has evaluated subsequent events through October 10, 2024 the date the financial statements were available to be issued.

Effective January 1, 2024, the Plan was restated to allow for Roth contributions to the Plan.

Revenue Sharing Formula:

The investment options of the Plan include various portfolios within an AUL separate account. The separate account in turn invests in investment portfolios of certain open-end management investment companies. AUL receives indirect compensation from these investment companies for the services provided by AUL.

The compensation received by AUL is computed by each investment company by multiplying the daily account balance of the AUL separate account's interest in a particular portfolio by a predetermined percentage rate negotiated with the investment company. This indirect compensation is not charged to the plan or participants accounts but is paid directly by the investment company.

The investment company, the underlying investment portfolio, and the annual compensation percentages are shown below.
