INDEPENDENT AUDITOR'S REPORT

The Board of Directors
Yale Carolinas, Inc. Profit Sharing/401(k) Plan and Trust
Charlotte, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of Yale Carolinas, Inc. Profit Sharing/401(k) Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022 and
Years Ended December 31, 2023

Note A - Plan Description

The following description of the Yale Carolinas, Inc. Profit Sharing/401(k) Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan covers substantially all employees of Yale Carolinas, Inc. (the Company, Employer, or Plan Sponsor) who have completed six months of services as specified in the Plan document.

Contributions

Participants may contribute from 3% to 100% of their annual compensation, up to a maximum allowable for the year ended December 31, 2023, subject to certain discrimination tests prescribed by the Internal Revenue Code (IRC). Participants aged 50 and over may elect to defer additional amounts (catch-up contributions) to the Plan. The Company may make discretionary matching contributions or discretionary non-elective contributions. For the year ended December 31, 2023, the Company made matching contributions of 25% of the first 14% of eligible compensation contributed to the Plan for all employees who have met certain service requirements. No other Company contributions were made for the year ended December 31, 2023.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Employer's contributions, and an allocation of Plan earnings and charged with benefits paid to participants and an allocation of Plan losses and administrative expenses. Allocations are based on participant earnings and account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's respective vested account balance.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Employer's contributions plus actual earnings thereon is based on years of continuous service. Prior to normal retirement age, a participant's interest in the Company's matching contributions vested 20% after two years of service, increasing 20% each succeeding year until fully vested. During the year ended December 31, 2023, this was amended to vest at 100% after three years of service, 0% prior to completion of three years of service. A participant's interest in the Company's discretionary non-elective contributions vests 100% after three years of service, 0% prior to the completion of three years of service.

Notes Receivables from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest. At December 31, 2023, outstanding loans bore interest rates of 4.25% to 9.50% and principal and interest are paid ratably through payroll deductions. The Committee established the specific terms and conditions of such loans.

NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022 and
Years Ended December 31, 2023

Note A - Plan Description - continued

Benefits Paid to Participants

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in their account, or installments as determined by the Plan. For termination of service for other reasons, participants may receive the value of the vested interest as a lump-sum distribution.

Forfeitures

At December 31, 2023 and 2022, forfeited nonvested accounts amounted to \$36,541 and \$21,980, respectively. During the year ended December 31, 2023, \$10,066 of forfeited non-vested accounts were used to pay administrative expenses.

Note B - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit paid to participant based on the terms of the Plan document.

Benefits Paid to Participants

Benefits are recorded when paid.

Administrative Expenses

Aside from amounts described in Note F, expenses of maintaining the Plan are paid by the Company.

Subsequent Events

The Plan has evaluated subsequent events through October 8, 2024, the date the financial statements were available to be issued.

Note C - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, participants will become 100 percent vested in their account balances.

Note D - Fair Value Measurements

GAAP provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under GAAP are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There has been no change in the methodologies used at December 31, 2022 and 2023.

Mutual Funds: Valued at the daily closing price reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note D - Fair Value Measurements – Continued

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Assets at Fair Value as of December 31, 2023					
	Level 1	Level 2	Level 3	Other	Total
Mutual Funds	\$ 12,777,948	\$ -	\$ -	\$ -	\$ 12,777,948
Common Collective Trust *	-	-	-	3,342,609	3,342,609
	<u>\$ 12,777,948</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 3,342,609</u>	<u>\$ 16,120,557</u>
Assets at Fair Value as of December 31, 2022					
	Level 1	Level 2	Level 3	Other	Total
Mutual Funds	\$ 10,503,234	\$ -	\$ -	\$ -	\$ 10,503,234
Common/Collective Trust *	-	-	-	3,147,227	3,147,227
	<u>\$ 10,503,234</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 3,147,227</u>	<u>\$ 13,650,461</u>

*In accordance with GAAP, certain investments that are measured using the net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits. The common/collective trust funds have no unfunded commitments, redemption frequency restrictions, or other redemption restrictions. Investment income from the common/collective trusts for the year ended December 31, 2023 amounted to \$78,944.

Note E - Unaudited Information Prepared and Certified by Plan Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustee, Newport Trust Company (a qualified institution), the trustee of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedules are complete and accurate as of December 31, 2023 and 2022 and for the year ended December 31, 2023:

	2023	2022
Investments	\$ 16,120,557	\$ 13,650,461
Notes receivable from participants	\$ 312,587	\$ 311,360
Net appreciation in fair value of investments	\$ 1,598,299	**
Interest and dividends	\$ 510,800	**
Interest earned on notes receivable from participants	\$ 16,358	**

**Not required to be reported.

Note E - Unaudited Information Prepared and Certified by Plan Trustee - Continued

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

Note F - Party-In-Interest Transactions

Certain Plan investments are shares of mutual funds managed by Newport Trust Company, the trustee of the Plan, and therefore, these transactions qualify as party-in-interest transactions. In addition, Newport Group, Inc. serves as an advisor to the Plan. Fees paid to Newport Group, Inc. and Newport Trust Company amounted to \$30,514 for the year ended December 31, 2023. In addition, fees were paid to the Plan's auditor and investment advisors for the year ended December 31, 2023.

Note G - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments securities will occur in the near term and that such change could materially affect participants' account balances and amounts reported in the Statements of Net Assets Available for Benefits.

Note H - Income Tax Status

The IRS has determined and informed the Company by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan Administrator has analyzed the tax position taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability of disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income examination for the years prior to December 31, 2020.

Net assets per the Form 5500	<u>\$ 16,433,144</u>	<u>\$ 13,961,821</u>

The following is a reconciliation of the changes in net assets available for benefits per the financial statements to the Form 5500 for the year ended December 31, 2023:

Net increase per the financial statements	\$ 2,481,747
Participant's contributions receivable – end of year	(21,833)
Employer contributions receivable – end of year	(5,458)
Excess contributions payable – end of year	44,777
Excess contributions payable – beginning of year	<u>(27,910)</u>
Net income per the Form 5500	<u>\$ 2,471,323</u>

Note H - Excess Contributions Payable

The Plan is subject to certain non-discrimination rules under ERISA and the Internal Revenue Code (the Code). For the year ended December 31, 2023 and 2022, the Plan failed certain of the non-discrimination tests under the Code due to lower contribution percentages by non-highly compensated eligible employees relative to the contribution percentages of highly compensated eligible employees. In order to meet the requirements of the non-discrimination rules, the Plan refunded a portion of the contributions made by highly compensated participants in accordance with applicable provisions of the Code. The refunds amounted to \$44,777 and \$27,910 for the years ended December 31, 2023 and 2022, respectively. The refunds are recorded as excess contributions payable in the Statements of Net Assets Available for Benefits and as excess contributions payable in the Statement of Changes in Net Assets Available for Benefits.
