INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
403(b) Thrift Plan of J. Arthur Trudeau Memorial Center:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the accompanying financial statements of the 403(b) Thrift Plan of J. Arthur Trudeau Memorial Center (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section:

- the amounts and disclosures in the 2023 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2023 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2023 Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2023 and Schedule H, Line 4i – Schedule of Assets (Held At End of Year) as of December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is

derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2022 Financial Statements

The financial statements of the Plan as of December 31, 2022, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 12, 2023 indicated that in their opinion (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedules, other than the information in the 2022 supplemental schedules that agrees to or is derived from the certified investment information, were presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2022 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

403(B) THRIFT PLAN OF J. ARTHUR TRUDEAU MEMORIAL CENTER

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF PLAN

The following description of the 403(b) Thrift Plan of J. Arthur Trudeau Memorial Center (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of J. Arthur Trudeau Memorial Center (the Plan Sponsor or Employer). Employees are eligible to participate upon the date of hire if the employee is expected to normally work 1,000 hours or more a year. The Plan is qualified under Section 403(b) of the Internal Revenue Code (IRC) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan Sponsor is also the administrator of the Plan. As administrator, the Plan Sponsor has exclusive authority and responsibility for all matters in connection with the operation and administration of the Plan. Mutual of America Life Insurance Company (Mutual of America) was the appointed custodian of the Plan through December 31, 2023, and acts at the direction of the Plan's administrator.

Automatic Enrollment

The Plan includes an automatic enrollment provision whereby all eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate. Automatically enrolled participants have their pre-tax deferral rate set at 2% of eligible compensation, as defined in the plan agreement.

Contributions

Participants may elect to contribute pretax annual compensation, not to exceed annual limitations as provided by the Internal Revenue Service (IRS). Participants who have attained the age of 50 before the end of the plan year are eligible to make catch-up contributions. Participants with 15 years of service are permitted to make special catch-up contributions under Section 403(b) of the IRC. Participants may contribute amounts representing rollover contributions from other qualified plans.

The Plan Sponsor contributes to the Plan a matching contribution equal to 100% of an eligible participant's salary reduction contribution deferred during the Plan year not to exceed 2% of the participant's eligible compensation, as defined in the plan agreement, received during the Plan year.

See independent auditors' report.

403(B) THRIFT PLAN OF J. ARTHUR TRUDEAU MEMORIAL CENTER

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

The Plan Sponsor may also make additional discretionary contributions. For the Plan year ended December 31, 2023, an additional discretionary contribution of \$114,918 representing 1% of a participant's eligible compensation, as defined in the plan agreement, was made for those participants contributing to the Plan.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Employer's contributions (b) the Plan's net earnings or net losses, and (c) administrative expenses. Allocations are based on participant earnings or account balances, as defined in the plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Mutual of America Loans to Participants

Loans to participants are issued as separate contracts by Mutual of America between Mutual of America and the participants and do not represent plan assets. Participants may borrow up to a maximum amount equal to the lesser of \$50,000 or 50% of the participant's vested plan balance. The maximum loan term is five years with the exception of a loan term up to ten years if the loan proceeds are used for the purchase of a primary residence. Interest rate charged on the loan is 3% higher than the interest rate earned by the general account and reviewed by Mutual of America quarterly for resetting.

Mutual of America requires that 120% of the outstanding loan balance be maintained as collateral in an interest accumulation general account. In the event of a default, the participant's account balance in the interest accumulation general account may be used to repay the outstanding balance, unpaid interest and any applicable charges.

As of December 31, 2023 and 2022, loan balances outstanding from participants to Mutual of America were approximately \$85,400 and \$107,400, respectively.

Vesting

Participants are vested immediately in their voluntary contributions (including rollover contributions) plus actual earnings thereon. Vesting in the Employer's contribution portion of their accounts is based on years of continuous service. Vesting occurs in 20% increments each year commencing upon completion of one year of service. A participant is 100% vested after five years of credited service. A participant shall be 100% vested in the Employer's contributions upon attaining normal retirement age, death or disability.

See independent auditors' report.

403(B) THRIFT PLAN OF J. ARTHUR TRUDEAU MEMORIAL CENTER

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Payment of Benefits

On termination of service due to death, disability or retirement, participants or their beneficiary may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or annual installments in accordance with the required minimum distributions as required by the IRS. If a participant has reached age 59½, distributions of amounts in the participant's account may be made, at the participant's election without requiring the participant to terminate employment. In addition, participants may request a financial hardship withdrawal from their employee deferral accounts.

Upon termination, if a participant's vested account balance does not exceed \$1,000, the participant will receive an immediate cash-out of their vested account balance, and the non-vested portion shall be treated as a forfeiture. If the participant's vested balance is greater than \$1,000 but less than \$5,000, the participant can elect to have their vested balance distributed to them directly, rolled over to another qualified plan or have the balance transferred to an individual retirement account.

Forfeitures

Forfeited balances of terminated participants' nonvested accounts are available to be used to reduce employer contributions. As of December 31, 2022, forfeited non-vested accounts totaled approximately \$800. There were no unused forfeitures as of December 31, 2023. During 2023, forfeitures of approximately \$10,000 were used to reduce the employer match.

Investment Options

Participants may direct their contributions into various investment options offered by the custodian to be held in a separate account or in an interest accumulation general account as more fully disclosed in Note 3.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires plan management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and

See independent auditors' report.

403(B) THRIFT PLAN OF J. ARTHUR TRUDEAU MEMORIAL CENTER

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are stated at fair value with the exception of fully benefit-responsive investment contracts. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan holdings in the general account of Mutual of America are considered to be using a fully benefit-responsive investment contract and reported at contract value which reflects the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by investment advisors and the custodian. See Note 4 for discussion of fair value measurements and Note 3 for information on the investment accounts.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Contributions (including amounts related to the employer match) are recognized as income to the Plan in the period the contribution was withheld from the employee.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of the Plan are paid by the Plan Sponsor, unless the Plan Sponsor directs that such expenses shall be paid by the Plan. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Investment management and recordkeeping fees are paid by the Plan through revenue sharing as a reduction of investment income from the related investment fund.

See independent auditors' report.

403(B) THRIFT PLAN OF J. ARTHUR TRUDEAU MEMORIAL CENTER

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

3. INVESTMENT CONTRACT WITH INSURANCE COMPANY

Participants may allocate their accounts among the following investment options:

- Interest accumulation general account – Account balances held in Mutual of America’s interest accumulation general account earn a rate of interest determined by Mutual of America and include charges for participant withdrawals and administrative expenses. The principal and crediting interest are guaranteed by Mutual of America. The crediting interest rate was 1.60% and 0.25% for the years ended December 31, 2023 and 2022, respectively.
- Separate account – Account balances held in Mutual of America’s separate account are used to invest at the participant’s direction in various securities including mutual funds advised by Mutual of America, mutual funds sub-advised by third parties, and mutual funds managed by external mutual fund companies. The separate account holds ownership in these securities using subaccounts for each of the investment securities offered. This separate account is separate from Mutual of America’s general account. Participants bear the risk of any decline in value resulting from performance.

Participant transactions may occur daily. Certain redemption restrictions exist if the Plan were to liquidate the entire holding of the general account.

The guarantee of values provided for the investment made with Mutual of America under the Plan’s investment contract is based on the financial strength and claims paying ability of Mutual of America. There were no reserves against contract value for credit risk of the contract issuer or otherwise.

Certain events limited the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (3) the failure of the Plan to qualify for exemption from Federal income taxes or any required prohibited transaction exemption under ERISA. During the year ended December 31, 2023, there were no events that limited the Plan’s ability to transact at contract value with participants. Also, see Note 10 for disclosure related to change in custodian.

See independent auditors’ report.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 are described as follows:

Level 1– Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

Level 2 – Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs that are unobservable inputs for the asset or liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Separate account: Valued using net asset value (NAV) as the practical expedient to approximate fair value. The value was provided by the administrator of the fund based on the fair value of the underlying investments. Transactions (purchases and sales) may occur daily.

As of December 31, 2023 and 2022, the Plan did not have investments reported at fair value using methodologies that met the requirements of the fair value hierarchy. Instead, all Plan assets measured at fair value used the net asset value per share as a practical expedient.

5. RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor (DOL) Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. For the year ended December 31, 2023, the Plan's transactions with parties-in-interest were as follows:

Investments

Certain plan investments are held and managed by Mutual of America, the custodian of the Plan. Therefore, these transactions qualify as party-in-interest transactions.

Administrative Expenses

For the year ended December 31, 2023, the Plan Sponsor paid certain administrative expenses on behalf of the Plan. In addition, certain employees and officers of the Plan Sponsor, who are also participants in the Plan, perform administrative services to the Plan at no cost to the Plan.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

7. TAX STATUS

The Plan had adopted a prototype 403(b) thrift plan of the custodian, which has received an opinion letter issued by the IRS dated March 31, 2017 that the Plan is qualified under IRC Section 403(b). The plan administrator believes that the Plan was designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan was qualified, and tax-exempt at December 31, 2023.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or the DOL. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2023 and 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by the IRS and DOL, however, there are currently no audits for any tax periods in progress.

8. RISKS AND UNCERTAINTIES

The Plan invests in a variety of investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

9. PLAN FINANCIAL INFORMATION CERTIFIED BY THE CUSTODIAN

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule of assets (held at end of year), including investments held at December 31, 2023 and 2022, and net appreciation in fair value of investments and interest for the year ended December 31, 2023, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the Custodian.

10. DELINQUENT PARTICIPANT CONTRIBUTIONS

The DOL requires the employer to deposit deferrals to the Plan as soon as administratively feasible. In 2023, the Employer determined that it did not remit certain participant contributions to the Plan on a timely basis. The corrective action includes calculating and remitting lost earnings resulting from the delay of the remittances. As of December 31, 2023, such amount had not yet been calculated and remitted. As a result, the Plan is required to include a supplemental schedule of delinquent participant contributions and report the amount of the participant contributions which were delinquent until the lost earnings associated with the delinquent contributions are remitted and corrected.

11. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 11, 2024, the date the financial statements were available to be issued.

Change in Custodian and Restated Plan Document

The Plan changed its custodian effective January 1, 2024. In conjunction with the change in plan custodians, the Plan was restated resulting in the following substantial changes to the Plan:

- an increase to the maximum threshold of the matching contribution to 3%,

See independent auditors' report.

- an increase to the automatic deferral to 3%,
 - loan balances with Mutual of America were transferred, and
 - adoption of a new prototype plan, which has received an opinion letter issued by the IRS dated August 7, 2017 that the plan is qualified under IRC Section 403(b). The plan administrator believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and is tax-exempt.
