INDEPENDENT AUDITORS' REPORT

Plan Administrator and Plan Participants
The Christian Herald Association, Inc. Tax Deferred Annuity Plan
New York, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The Christian Herald Association, Inc. Tax Deferred Annuity Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the accompanying financial statements of the Plan. Because of the significance of the matters described in the *Basis for Disclaimer of Opinion* section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

Prior to January 1, 2009, records were maintained at a contract, not a plan level; therefore, the management has not maintained, and the recordkeeper did not provide sufficient accounting records and supporting documentation relating to certain annuity contracts and custodial accounts issued to current and former employees, and supporting documentation is not adequate to assure the completeness and accuracy of the amounts included in the financial statements. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the financial statements have been affected by these conditions.

Basis for Disclaimer of Opinion, continued

As described in Note 9, the Plan has excluded from investments in the accompanying statements of net assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the DOL's Field Assistance Bulletin (FAB) No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Plan Administrator and Plan Participants
The Christian Herald Association, Inc. Tax Deferred Annuity Plan
New York, New York

Auditors' Responsibilities for the Audit of the Financial Statements, continued

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter —Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2023 and Schedule H, Line 4i – Schedule of Assets Held at End of Year as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the *Basis for Disclaimer of Opinion* section of our report, it is inappropriate to and we do not express an opinion on the supplemental schedules referred to above.

TAX DEFERRED ANNUITY PLAN

Notes to Financial Statements

December 31, 2023 and 2022

1. DESCRIPTION OF THE PLAN:

The following brief description of The Christian Herald Association, Inc. Tax Deferred Annuity Plan (the Plan) provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

GENERAL

The Plan is a 403(b) retirement plan covering all eligible employees of Christian Herald Association, Inc., Christian Herald Housing Development Fund Corporation, Goodwill Rescue Mission, and New York City Rescue Mission (collectively, the Organization or Employer). Other than employees regularly scheduled to work less than 20 hours per week, all employees are immediately eligible to participate in the Plan. Employees scheduled to work less than 20 hours per week become eligible to participate in the Plan upon completion of 1,000 service hours within a consecutive 12 month period. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

CONTRIBUTIONS

Participants may make elective deferrals once eligible, up to the limits prescribed by law. Participants who have attained age 50 or have completed 15 years of service before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

Employees become eligible for discretionary employer contributions upon completion of 1,000 hours of service within 12 consecutive months. During 2023 and 2022, the Organization contributed four percent of each participant's compensation to eligible participants.

Contributions are subject to certain limitations prescribed by law. Participants direct the investment of all contributions into various investment options offered by the Plan.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution and allocations of (a) the Organization's contribution and (b) Plan earnings (losses), and charged with an allocation of plan expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. DESCRIPTION OF THE PLAN, continued:

PARTICIPANT LOANS

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at a rate determined quarterly by the Plan administrator, currently at prime plus 2%. Principal and interest are paid ratably through payroll deductions. Participant loans are classified as notes receivable from participants on the statements of net assets available for benefits.

VESTING

Participants are vested immediately in their contributions and related earnings. Employer contributions and related earnings vest 100% after three years of eligible service if the participant was inactive as of October 1, 2018. For participants that were active as of October 1, 2018, employer contributions and related earnings vest 100% after one year of eligible service.

PAYMENT OF BENEFITS

Upon severance of employment, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or various options as defined in the Plan. Any amounts in a participant's account upon death are paid to beneficiaries in a lump-sum.

Participant deferrals and rollovers may be withdrawn upon attaining age 59½. Upon proof, to the satisfaction of the Plan administrator, of an immediate and heavy financial need, participant deferrals may be withdrawn for a hardship purpose.

FORFEITURES

Forfeited non-vested accounts totaled \$0 at both December 31, 2023 and 2022. Forfeitures are used to offset employer contributions or plan administrative expenses. In 2023, \$14 and \$1 in forfeitures were used to offset employer contributions and administrative expenses, respectively.

2. SIGNIFICANT ACCOUNTING POLICIES:

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments in mutual funds are reported at fair value. Fair value is the price that would be received by selling an asset or paying to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value instruments. Investments in fixed income options are reported at contract value. The contract value equals the accumulated cash contributions and interest credited to the Plan's contracts, less any withdrawals.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

OPERATING EXPENSES

All expenses of the Plan, including custodial and investment fees along with other maintenance expenses, are paid out of the Plan's assets.

3. INFORMATION CERTIFIED BY THE QUALIFIED INSTITUTION:

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal Trust Company (Principal), the qualified institution, has certified the completeness and accuracy of all investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits and the supplemental Schedule H, line 4i—Schedule of Assets (Held at End of Year) and the related investment activity and interest on notes receivable from participants reflected in the statement of changes in net assets available for benefits.

4. FAIR VALUE MEASUREMENTS:

The Plan uses appropriate valuation techniques to determine fair value based on inputs available. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available.

Mutual funds in the Plan use Level 1 inputs for measurement. Mutual fund shares are primarily valued using market quotations or prices obtained from independent pricing sources.

5. GUARANTEED INVESTMENT CONTRACTS WITH INSURANCE COMPANY:

The Plan has benefit-responsive guaranteed investment contracts with Principal. Principal maintains the contributions in general accounts. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuers are contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contracts are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contracts. Contract value, as reported to the Plan by Principal, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. As stated in Note 2, the contracts are reported at contract value on the statements of net assets available for benefits.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of benefit-responsive guaranteed investment contracts at December 31, 2023 and 2022, was \$585,030 and \$534,619, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than three percent. Such interest rates are reviewed on a quarterly basis for resetting.

5. GUARANTEED INVESTMENT CONTRACTS WITH INSURANCE COMPANY, continued:

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring. The guaranteed investment contracts do not permit the insurance company to terminate the agreements prior to the scheduled maturity date.

6. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants would become 100% vested in their employer contributions and related earnings.

7. TAX STATUS:

The Plan has adopted a Plan document sponsored by Principal. The Plan document has obtained an opinion letter from the Internal Revenue Service (IRS) dated March 31, 2017, which states that the document satisfies the applicable provisions of the IRC. The Plan has not received a determination letter from the IRS; however the Plan administrator and the Plan's counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

8. EXCLUSION OF PRE-2009 CONTRACTS:

As permitted by the DOL's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*, the Plan has excluded from investments in the accompanying statements of net assets available for benefits certain annuity and custodial accounts issued to current and former employees prior to January 1, 2009. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits. The amount of these excluded annuity and custodial accounts and the related income and distributions are not determinable. GAAP requires that these accounts and related income and distributions be included in the accompanying financial statements.

9. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

10. PARTIES-IN-INTEREST:

Certain Plan investments are invested in mutual funds and fixed income options managed by an affiliate of Principal Trust Company, the custodian. Such investments involving the custodian qualify as party-in-interest transactions. The value of these investments is \$6,114,914 and \$5,193,957, as of December 31, 2023 and 2022, respectively. Fees paid to Principal for investment management services and transaction fees were \$37,536 for the year ended December 31, 2023.

12. SUBSEQUENT EVENTS:

Subsequent events have been evaluated through October 11, 2024, which represents the date the financial statements were available to be issued. Subsequent events after that date have not been evaluated.
