Plan Trustees
Clinipace, Inc. 401(k) Profit Sharing Plan
Morrisville, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Clinipace, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters — Supplemental Schedule Required by ERISA

The supplemental schedule, as listed in the accompanying table of contents, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

December 31, 2023 and 2022

NOTE 1: DESCRIPTION OF PLAN

The following description of the Clinipace, Inc. 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the plan document for a complete description of the Plan’s provisions.

General

Clinipace, Inc. (the “Company” or “Plan Sponsor”) established a salary deferral plan under Section 401(k) of the Internal Revenue Code (“IRC”) effective January 1, 2008. All employees are eligible to participate in the Plan on the first payroll date following the date of employment, provided the employee is 21 years of age or older. John Hancock Life Insurance Company (U.S.A.) serves as the Plan’s custodian (the “Custodian” or “John Hancock”). Certain employees of the Company are the Plan’s trustees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

For the purpose of determining years of eligible service, employees formerly employed by Regulux Pharmaceutical Consulting, Inc.; Worldwide Clinical Research, Inc.; and Paragon Biomedical, Inc. shall be given credit for their hours of service with the predecessor employers.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Contributions

Employees who have satisfied the service and eligibility requirements for participation in the Plan may make pretax and Roth contributions up to the maximum limits allowed by the Internal Revenue Service (“IRS”). Participants who have attained the age of 50 before the end of the plan year are eligible to make catch-up contributions. Rollover contributions from other qualified plans are allowed.

The Company may make discretionary employer matching contributions equal to a discretionary percentage, to be determined by the Company, of eligible compensation that a participant contributed to the Plan. Additionally, the Company may make a discretionary nonelective contribution to the Plan. During 2023, the Company’s discretionary employer matching contribution was equal to 50% of the first 6% of eligible compensation that a participant contributed to the Plan. During 2023, the Company made \$1,049,598 in discretionary employer matching contributions and no discretionary nonelective contributions to the Plan.

NOTE 1: DESCRIPTION OF PLAN (continued)

Participants' Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions, if any, and (b) Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in all discretionary nonelective contributions and discretionary employer matching contributions plus actual earnings thereon is based on years of continuous service. These contributions vest on a schedule as follows:

Years of Service for Vesting Purposes	Percentage Vested
Less than 1	0%
1	33%
2	66%
3 or more	100%

A year of vesting service is defined as working at least 1,000 hours during the plan year.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years, unless for the purchase of a primary residence, in which case, the repayment period may exceed five years. The loan is secured by the balance in the participant's account and bears interest at the Prime rate at the time of the loan, plus 1%. Principal and interest are paid ratably through payroll deductions. Participants are allowed to have only one loan outstanding at any time.

Payment of Benefits

A participant is entitled to distributions under the Plan upon any of the following occurrences: (a) when such participant attains their 65th birthday (the normal retirement date), (b) the death or disability of the participant before retirement, (c) the termination of employment, or (d) in the event of a financial hardship as defined by the Plan.

CLINIPACE, INC. 401(K) PROFIT SHARING PLAN

Notes to Financial Statements

December 31, 2023 and 2022

NOTE 1: DESCRIPTION OF PLAN (concluded)

Participants who have not separated from service and have attained the age of 59½ are permitted to request in-service distributions of all or any portion of their vested account balance.

Participants entitled to distributions will receive a lump-sum amount equal to the value of the participant's vested interests in his or her account. Partial withdrawals or installment payments are only permitted for required minimum distributions. A terminated employee with a balance of less than \$5,000 may be automatically paid out by the Plan upon termination.

Forfeited Accounts

Forfeitures represent nonvested nonelective contributions or discretionary employer matching contributions of participants who have terminated their employment with the Company. Forfeited balances may be used to pay Plan administrative expenses or reduce future employer contributions. For the year ended December 31, 2023, \$39,861 of forfeitures were used to offset the employer contributions. No forfeitures were used to pay administrative expenses for the year ended December 31, 2023. Forfeited nonvested accounts totaled \$43,193 and \$34,043 as of December 31, 2023 and 2022.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

CLINIPACE, INC. 401(K) PROFIT SHARING PLAN

Notes to Financial Statements

December 31, 2023 and 2022

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (concluded)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Custodian and recordkeeping fees incurred in connection with the general administration of the Plan that are paid by the Plan are included in administrative expenses. Fees related to the administration of notes receivable from participants and distributions to participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

CLINIPACE, INC. 401(K) PROFIT SHARING PLAN

Notes to Financial Statements

December 31, 2023 and 2022

NOTE 3: INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held and notes receivable from participants as of December 31, 2023 and 2022, net appreciation in fair value of investments, and interest income on notes receivable from participants for 2023, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the Custodian.

NOTE 4: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of the observable inputs and minimize the use of unobservable inputs. All of the Plan's investments are valued using level 2 measurements.

CLINIPACE, INC. 401(K) PROFIT SHARING PLAN

Notes to Financial Statements

December 31, 2023 and 2022

NOTE 4: FAIR VALUE MEASUREMENTS (concluded)

Following is a description of the valuation methodology used for investments measured at fair value. There have been no changes in the methodology used as of December 31, 2023 and 2022.

Pooled separate accounts - Valued based on the market value of the underlying investments, which are mutual funds. While the underlying asset values are quoted prices, unit values of a pooled separate account are determined by dividing the value of each fund's net assets by the total number of participants' units outstanding on the valuation date. Valuation of funds' units is published daily and is the basis for current transactions.

	2023	2022
	Investments at Fair Value	
	Level 2	Level 2
Pooled separate accounts	\$ 33,152,539	\$ 26,398,103
Total investments at fair value	\$ 33,152,539	\$ 26,398,103

NOTE 5: RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

John Hancock provides certain administrative services to the Plan pursuant to the agreement between the Plan and John Hancock. John Hancock receives revenue from investment fund service providers for services John Hancock provides to the funds. This revenue is used to offset certain amounts owed to John Hancock for its administrative services provided to the Plan. If the revenue received by John Hancock from such investment fund service providers exceeds the amount owed under the agreement, John Hancock remits the excess to the Plan. During 2023, the amount received by the Plan totaled approximately \$120,426 and is included as other income on the statement of changes in net assets available for benefits.

Certain Plan investments are units of pooled separate accounts managed by the Custodian as defined by the Plan and, therefore, these transactions qualify as party in interest transactions. Fees incurred by the Plan for investment management services are included in net appreciation in fair value of the investments, as they are paid through revenue sharing rather than a direct payment. For the year ended December 31, 2023, the Plan made direct payments to the third-party administrator of \$66,965, which was not covered by revenue sharing. The Plan Sponsor pays directly any other fees related to the Plan's operations.

CLINIPACE, INC. 401(K) PROFIT SHARING PLAN

Notes to Financial Statements

December 31, 2023 and 2022

NOTE 6: INCOME TAX STATUS

The Plan obtained its latest opinion letter dated June 30, 2020, in which the IRS stated that the Qualified Retirement Plan Services Inc. Prototype Non-standardized Profit Sharing Plan with cash or deferred arrangement, as then designed, was qualified under Section 401(a) of the IRC and that any employer adopting this form of the plan was considered to have a plan qualified under Section 401(a) of the IRC. Therefore, the related trust is exempt from taxation. Once qualified, the plan is required to operate in conformity with the IRC to maintain its qualification. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by federal and state tax authorities.

NOTE 7: SUBSEQUENT EVENTS

The Plan Sponsor has evaluated subsequent events through the report date, the date the financial statements were available to be issued, and determined that no events have occurred that would require adjustment to or disclosure in these financial statements.
