CHEMENCE, INC. 401(K) PROFIT SHARING PLAN

FINANCIAL STATEMENTS
(with report of independent auditor)

YEARS ENDED DECEMBER 31, 2023 AND 2022

INDEPENDENT AUDITOR'S REPORT

To the Investment Committee
Chemence, Inc. 401(k) Profit Sharing Plan
Alpharetta, Georgia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of Chemence, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date of the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Form 5500, Schedule H, Line 4i – Schedule of assets (held at end of year) is presented for the purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CHEMENCE, INC. 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS YEARS ENDED DECEMBER 31, 2023 AND 2022

1. Description of Plan:

The following description of the Chemence, Inc. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan documents for a more complete description of the Plan's provisions.

General

The Plan sponsor is Chemence, Inc. The Plan is a defined contribution plan covering substantially all eligible employees of Chemence, Inc. and affiliates who have adopted the Plan (collectively referred to as the Plan Sponsor, Plan Administrator, Employer, or the Company). The Plan covers substantially all employees who are at least eighteen years of age and complete three months of services, as defined by the Plan documents. Employees are eligible to make deferrals, receive employer match and employer nonelective contributions on the first day of the calendar month once eligibility requirements have been met, as previously defined. The Plan implemented a Safe Harbor plan design, as permitted by the Internal Revenue Service (IRS), which exempts the Plan from certain compliance requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Investment Committee determines the appropriateness of the Plan's investments, monitors investment performance, and reports to the Board of Directors of the Plan Sponsor.

Contributions

Participant Contributions: Each year, participants may defer a portion of their pre-tax annual compensation, as defined by the Plan documents, subject to certain statutory limitations. Participants may also elect to make Roth 401(k) contributions, which are subject to federal income taxes in the year of deferral. Additionally, the Internal Revenue Code (IRC) allows for participants over the age of 50 to make additional contributions (catch-up contributions) in excess of these limits. For 2023 and 2022, the deferred amount may not exceed \$22,500 and \$20,500, respectively. The maximum catch-up contributions for 2023 and 2022 was \$7,500 and \$6,500, respectively. Participants may also contribute amounts representing distributions from other qualified defined benefit plans or contribution plans. Participants direct the investment of all contributions into various investment options offered by the Plan.

Employer Contributions: The Plan Sponsor makes a safe harbor matching contribution to each eligible participant's in an amount equal to the each participant's salary deferral that does not exceed 3% of their eligible compensation plus 50% of their salary deferrals between 3% and 5% that a participant contributes to the Plan for the plan year. The Plan Sponsor may elect to make a discretionary nonelective contribution in an amount to be determined by the Plan Sponsor for each plan year. The participant must be employed on the last day of the Plan year and must work at least 1,000 hours during the Plan year to receive Plan Sponsor's nonelective contributions. For the year ended December 31, 2023, the Plan Sponsor elected not to make a discretionary nonelective contribution to the Plan.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's pre-tax contributions, Roth 401(k) contributions, the Plan Sponsor's safe harbor matching contributions, the Plan Sponsor's discretionary nonelective contributions, if any, plan earnings or losses, an allocation of forfeitures from terminated participants' non-vested accounts, if any, and an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan documents. Participants direct the investment of their contributions and employer contributions into various investment options offered by the Plan. The benefit to which a participant is entitled to is the benefit that can be provided from the participant's vested account.

CHEMENCE, INC. 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS YEARS ENDED DECEMBER 31, 2023 AND 2022

1. Description of Plan (continued):

Vesting

Participant Contributions : Participants are vested at all times in their pre-tax contributions, Roth 401(k) contributions, and earnings or losses thereon.

Employer Contributions : Participants are vested at all time in the safe harbor matching contributions. Participants vest at a rate of 20% per year of employment and are fully vested after five years of employment in the Employer's matching contributions, the Employer's nonelective contributions, and earnings or losses thereon. Participants will also fully vest upon death, disability, or the attainment of sixty-five years of age, the Plan's normal retirement age.

Notes Receivable from Participants

Effective January 1, 2019, new loans are not permitted by the Plan. Prior to January 1, 2019, participants could borrow from their fund accounts up to 50% of their vested account balance, subject to a minimum of \$1,000 and a maximum of \$50,000, reduced by the excess of the participant's highest outstanding participant loan during the twelve month period immediately prior to the new loan application date. Loan transactions were treated as a transfer between the investment funds and the loan fund. Loan terms ranged from one to five years, or up to ten years for the purchase of a primary residence. The notes receivable from participants are secured by the balance in the participant's account and bear interest at a rate commensurate with the rate of interest charged on similar commercial loans by persons or institutions in the business of lending money in the same geographic region as the Plan Sponsor. Principal and interest are paid ratably through payroll deductions. If repayment is not made by payroll deduction, a loan shall be repaid to the Plan by payment to the Plan Sponsor. The maximum number of Plan loans a participant could have outstanding at any time is one.

Benefits Paid to Participants

Upon termination of service, attainment of normal retirement age of fifty-nine and a half years of age, retirement, disability or death, a participant may elect to receive either a lump-sum amount equal to the vested value of their account or annual installments over a specified period. Installment payments are only available to participants who have attained fifty-nine and a half years of age, and have to take required minimum distributions. Military distributions, as defined by the Plan documents, are allowed under the Plan for qualified reservist distributions.

Forfeited Accounts

Forfeitures occur upon termination of employment by a participant who is not fully vested in the Plan. These accounts will be used to either reduce future employer contributions or may be used to pay administrative expenses of the Plan. At December 31, 2023 and 2022, and for the years ended, forfeited non-vested accounts and forfeited non-vested balances used to pay administrative expenses were:

	2023	2022
Forfeited non-vested accounts	\$ 13,088	\$ 10,634
Forfeited non-vested accounts used for employer contributions and/or administrative expenses	\$ -	\$ -

CHEMENCE, INC. 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2023 AND 2022

2. Summary of Significant Accounting Policies:

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in accordance with GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Investment Committee determines the Plan's valuation policies. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Collective Trust Fund

Investments in the collective trust fund are required to be reported at fair value. The collective trust fund is composed primarily of fully benefit-responsive investment contracts held by the fund's trustee. Net asset value (NAV) for the collective trust fund reflects the contract value of the underlying fully benefit-responsive investment contracts within the fund because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value represents the costs plus contributions made under the contract plus interest at the contract rates less withdrawals and administrative expenses. The Plan has elected to value the collective trust fund using NAV as the practical expedient to determine fair value.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2023 and 2022, no allowance for credit loss has been recorded. If a participant does not make loan repayments, and the plan administrator considers the participant note receivable to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the plan agreement.

Excess Contributions Payable

At December 31, 2023 and 2022, excess contributions payable to participants are as follows:

	2023	2022
Excess contributions payable	\$ 3,236	\$ 3,236

CHEMENCE, INC. 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS YEARS ENDED DECEMBER 31, 2023 AND 2022

2. Summary of Significant Accounting Policies (continued):

Excess Contributions Payable (continued)

The excess contributions payable are for participant contributions in excess of amounts allowed by the Internal Revenue Service ("IRS"). The corrective distributions are recorded as a liability and were included in corrective distributions in the statement of changes in net assets available for benefits for the year ended December 31, 2021.

Benefits Paid to Participants

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan Sponsor and are therefore excluded from these financial statements. Investment-related expense are included in the net appreciation (depreciation) in fair value of investments. Fees for distributions as well as the administration of notes receivable from participants are included in the administrative expenses and charged directly to the participants' accounts.

3. Information Certified by the Reliance Trust Company and T. Rowe Price Trust Company:

The Plan Sponsor has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by Reliance Trust Company, the custodian of the Plan, and T. Rowe Price Trust Company, the custodian of the collective trust fund (collectively referred to as the custodian).

	2023	2022
Investments at fair value	\$ 4,968,858	\$ 3,827,748
Notes receivable from participants	20	71
Net appreciation (depreciation) in fair value of investments	520,497	(791,706)
Dividends	144,235	128,409
Interest income on notes receivable from participants	-	1

The Plan's independent auditor did not perform auditing procedures with respect to this information, except for comparing such information with the related information included in the financial statements and supplemental schedules.

4. Fair Value Measurements:

Fair value measurement guidance under GAAP defines fair value, establishes a consistent framework for measuring fair value, and establishes a fair value hierarchy based on the observability of inputs used to measure fair value. The objective of a fair value measurement is to determine the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). Accordingly, the fair value hierarchy gives the highest priority to quoted prices (unadjusted) in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

CHEMENCE, INC. 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2023 AND 2022

4. Fair Value Measurements (continued):

The three levels of fair value hierarchy under are described as follows:

- | | |
|---------|--|
| Level 1 | Unadjusted quoted market prices in active markets for identical unrestricted assets or liabilities that the Plan has the ability to access at the measurement date. |
| Level 2 | Other significant observable inputs, including quoted prices for similar securities, interest rates, prepayment speeds, credit risk, and others. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability. |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. There are no plan assets requiring use of Level 3 inputs for the periods presented. |

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no significant changes in the methodologies used at December 31, 2023 and 2022.

Level 1 Fair Value Measurements:

- | | |
|------------------------|---|
| Mutual Funds: | Valued at the daily closing price as reported by the fund. Net asset values ("NAV") are generally obtained from The National Securities Clearing Corporation, directly from the fund house, and/or a secondary processing source. |
| Interest-Bearing Cash: | Value at cost, which approximates fair value due to the short term nature of the investment. |

The preceding methods described may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

YEARS ENDED DECEMBER 31, 2023 AND 2022

4. Fair Value Measurements (continued):

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

<i>Assets at Fair Value as of December 31, 2023</i>				
	Level 1	Level 2	Level 3	Total

Total investments				<u>\$ 3,827,748</u>

The Plan invests in a collective trust fund, which trades at the NAV per share practical expedient of the fund. The fund is not categorized within the fair value hierarchy.

The following table summarizes the investment measured at fair value based on NAV per share practical expedient as of December 31, 2023 and 2022. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

CHEMENCE, INC. 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2023 AND 2022

5. Tax Status:

The Internal Revenue Service ("IRS") has determined and informed the trustee by a letter dated June 30, 2020 that the volume submitter plan on which the Plan is based, and the related trust as then designed was in accordance with applicable regulations of the IRC. The volume submitter plan has been amended subsequent to that date. However, the Sponsor believes that the Plan was, at all times during the years ended December 31, 2023 and 2022, designed and operated in compliance with the applicable requirements of the IRC, and that the Plan and related trust continued to be tax-exempt.

GAAP requires the Plan Sponsor to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS, U.S. Department of Labor, and/or Georgia Department of Revenue. The Plan Sponsor has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Plan Termination:

Although it has not expressed any intention to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, the accounts of each participant would continue to be fully vested.

7. Risks and Uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits.

8. Related-Party Transactions and Party-in-Interest Transactions:

Certain plan investments are mutual funds and a collective trust fund managed by the custodian, and therefore, these transactions qualify as party-in-interest transactions. The custodian administers the Plan and receives fees from the Plan for these services. The Plan had notes receivable from participants as of December 31, 2023 and 2022. These notes, as well as all related transactions, qualify as party-in-interest transactions. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

9. Assets Allocated to Terminated Participants:

Net assets available for benefits include amounts allocated to the accounts of participants who were terminated prior to year-end but had not yet received payment. At December 31, 2023 and 2022, the vested account balances of terminated participants were:

	2023	2022
Vested account balances of terminated participants	\$ 1,603,662	\$ 1,489,791
