## Independent Auditors' Report

### Plan Administrator and Participants NWN Corporation Retirement Plan

#### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of NWN Corporation Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of NWN Corporation Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

#### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Plan Administrator and Participants  
NWN Corporation Retirement Plan**

Page 2

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of NWN Corporation Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Emphasis of Matter – Plan Merger**

As further discussed in Note 1 to the financial statements, on December 6, 2023, NWN Corporation, the plan sponsor, entered into a merger agreement with Carousel Industries of North America, Inc. 401(k) Plan & Trust ("Carousel 401(k) Plan"). As a result of the merger, the Plan transferred all of its assets to the Carousel 401(k) Plan on December 31, 2023. Therefore, the Plan ceased to exist as of this date.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about NWN Corporation Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

**Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

**Plan Administrator and Participants  
NWN Corporation Retirement Plan**

Page 3

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of NWN Corporation Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

# NWN Corporation Retirement Plan

Notes to Financial Statements  
December 31, 2023

## 1. Description of Plan

The following description of the NWN Corporation Retirement Plan (the “Plan”) provides general information about the Plan’s provisions. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions, copies of which may be obtained from NWN Corporation (“Company” or “Plan Sponsor”).

### ***General***

The Plan is a defined contribution plan qualified under Section 401(a) of the Internal Revenue Code (“IRC”) with a deferred arrangement qualified under Section 401(k) of the IRC. The Plan covers all employees of the Company who elect to contribute to the Plan and meet the eligibility requirements of the Plan. The Plan initially became effective on January 1, 2006, for the purpose of providing benefits to participants upon retirement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The Plan was administered by the Company and the assets of the Plan are held and invested by Reliance Trust Company (the “Trustee”). On December 6, 2023, the Company entered into a merger agreement with Carousel Industries of North America, Inc. 401(k) Plan & Trust (“Carousel 401(k) Plan”), stating the merger and resulting transfer of all of its assets to the Carousel 401(k) Plan is effective December 31, 2023.

### ***Eligibility***

Employees are eligible and automatically enrolled to participate in the Plan on the first day of the month following the date of hire. Eligible participants are automatically enrolled with a deferral rate of 4% of pretax annual compensation unless another option is elected by the participant. Eligible participants have the option to cease participation at any time. Eligibility for any matching contributions is also as of the first day of the month following the date of hire.

### ***Contributions***

Participants may elect to contribute a percentage of their annual pretax compensation to the Plan, subject to certain limitations as allowable under Section 401(k) of the IRC. The Plan also allows contributions made to the Plan on an after-tax (Roth) basis.

These contributions, and earnings thereon, are not subject to federal income taxes until withdrawn from the Plan. Participants may roll over amounts representing distributions from other qualified defined benefit or contribution plans. The Plan provides for discretionary matching contributions from the Company. All contributions to a participant’s account are allocated among the various investments based on each participant’s elections. The Company contribution is determined by a resolution of its Board of Directors. The Company provided a matching contribution equal to 100% of salary deferrals up to a maximum amount of 2% of a participant’s eligible compensation. For the year ended December 31, 2023, the Company made a discretionary matching contribution totaling \$793,891.

## NWN Corporation Retirement Plan

Notes to Financial Statements

### 1. Description of Plan (*continued*)

#### ***Participant Accounts***

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions and (b) Plan earnings. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All investments are participant directed.

#### ***Vesting***

Participants are immediately vested in their pretax and Roth contributions and any amounts rolled over or transferred into the Plan. Vesting in the Company's matching contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant's account attributable to the matching contributions becomes 100% vested after three years of credited service using a graded schedule.

#### ***Forfeitures***

Any balance in the employer contribution account of a participant who has separated from service, to which he or she is not entitled, is administered by the Trustee and is subsequently to be used first to pay administrative expenses under the Plan, as directed by the Company. Any remaining amounts will be used to reduce future employer contributions. Nonvested forfeited account amounts of \$82,608 and \$52,947 were used during the year ended December 31, 2023 to pay administrative expenses and reduce employer contributions, respectively. At December 31, 2022, forfeited nonvested accounts totaled \$6,424. At December 31, 2023, the Plan had no forfeited nonvested accounts.

#### ***Payment of Benefits***

Participants are entitled to the total value of their accounts in the form of lump-sum distributions upon attaining the age of 59-½. Generally, there is a 10% excise tax on the taxable amount of any distribution taken before age 59-½. Upon the death of a participant, his or her beneficiaries are entitled to 100% of the total value of the participant's account. Participants suffering total and permanent disability will be considered retired and any amount credited to the participant's account will be distributed to the participant in a lump-sum distribution upon disability. Upon termination of employment, participants are entitled to all vested monies in the Plan.

### 1. Description of Plan (*continued*)

#### ***Expenses***

Certain administrative expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Certain other expenses, including investment advisor and recordkeeping fees, are paid by the Plan and are included within administrative expenses on the accompanying statement of changes in net assets available for benefits. Fees related to the administration of participant loans and payments of benefits are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

#### ***Notes Receivable from Participants***

The Plan offers a loan feature whereby a participant enrolled in the Plan may borrow a minimum amount of \$1,000 up to a maximum amount of 50% of their vested account balance or \$50,000 (whichever is less). A participant may not have more than one outstanding general purpose loan, nor one outstanding residential loan, at one time. The term of the loan may not exceed five years unless the proceeds of the loan are used to purchase the participant's principal residence. The loans bear interest at interest rates commensurate with local prevailing rates. Principal and interest are paid in level payments through bi-weekly and semi-monthly payroll deductions.

### 2. Summary of Significant Accounting Policies

#### ***Basis of Accounting and Use of Estimates***

The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

#### ***Fair Value Measurements***

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

Pursuant to U.S. GAAP guidance, alternative investments where fair value is measured using the net asset value ("NAV") per share as a practical expedient is not categorized within the fair value hierarchy.

## **NWN Corporation Retirement Plan**

Notes to Financial Statements  
December 31, 2023

### **2. Summary of Significant Accounting Policies (*continued*)**

#### ***Investment Valuation and Income Recognition***

The Plan's investments were stated at fair value. The mutual funds ("Funds") held by the Plan were valued at fair value based on the daily closing price as reported by the Funds. All of the Funds were open-ended and were registered with the Securities and Exchange Commission. These Funds were required to publish their daily NAV and to transact at that price. These Funds were deemed to be actively traded. The common/collective trusts were valued at the NAV of units held by the Plan. The NAV, as provided by the Trustee, was used as a practical expedient to estimate fair value. The NAV was based on the fair value of the underlying investments held by the common/collective trust less their liabilities. The practical expedient is not used when it is determined to be probable that a fund will sell the investment for an amount different than the reported NAV.

Purchase and sales of securities were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date. Net appreciation included the Plan's gains and losses on investments bought and sold as well as held during the year.

#### ***Notes Receivable from Participants***

Notes receivable from participants were measured at their unpaid principal balance plus any accrued but unpaid interest. If a participant ceased to make loan repayments and the plan administrator deemed the participant loan to be in default, the participant loan balance was reduced and a benefit payment is recorded.

#### ***Payment of Benefits***

Benefits were recorded when paid.

#### ***Subsequent Events Evaluation by Management***

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is September 19, 2024.

### **3. Certified Investments**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements, including investments and notes receivable from participants held at December 31, 2022, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company, a qualified institution.

## NWN Corporation Retirement Plan

Notes to Financial Statements  
December 31, 2023

### 4. Investments

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value were as follows:

	December 31, 2022		
	Level 1	Other Investments Measured at NAV *	Total
Mutual funds	\$ 41,130,405	\$ -	\$ 41,130,405
Common/collective trust	-	2,581,998	2,581,998
	<u>\$ 41,130,405</u>	<u>\$ 2,581,998</u>	<u>\$ 43,712,403</u>

(\*) As discussed in Note 2, investments that were measured using the practical expedient were not classified within the fair value hierarchy.

### 5. Common/Collective Trust

The Putnam Stable Value Fund ("Fund") is a common/collective trust. The Fund invests in short-term bonds and other fixed income securities such as U.S. treasury bonds, government agency securities, corporate bonds, mortgage-backed securities, commercial mortgage-backed securities, asset-backed securities and derivative instruments, including futures, options and swaps. The Fund also purchases third party wrap contracts designed to permit the use of book value accounting to maintain a constant NAV and to provide for the payment of participant-directed withdrawals and exchanges at book value under most circumstances. Interest is credited to the Fund under the wrap contracts; there is no immediate recognition of gains and losses. Instead, gains and losses are recognized over time by adjusting the interest rate credited to the Fund. The Portfolio may also invest in investment contracts offered by insurance companies and other approved financial institutions that provide for the payment of a specified rate of interest to the Fund and the repayment of principal at maturity. It is the policy of the Fund to use its best efforts to maintain a stable NAV of \$1.00 per unit, although there is no guarantee that the Fund will be able to maintain this value.

## NWN Corporation Retirement Plan

Notes to Financial Statements  
December 31, 2023

### 5. Common/Collective Trust (*continued*)

The Fund is designed to pay all permitted unitholder-initiated transactions at NAV. Permitted unitholder-initiated transactions are those transactions allowed by the underlying defined contribution plans (typically this would include withdrawals for benefits, loans, or transfers to non-competing portfolios within the Plan) excluding certain withdrawals that are deemed to be caused by the actions of the Plan Sponsor. The wrap contracts limit the ability of the Fund to transact at NAV upon the occurrence of such Plan Sponsor events. These events include: the plan's failure to qualify under Section 401(a) or Section 401(k) of the IRC; the establishment of a defined contribution plan that competes with the Plan for employee contributions; any substantive modification of the Fund or the administration of the Fund that is not consented to by the wrap issuer; any change in law, regulation or administrative ruling applicable to the Plan that could have a material adverse effect on the Fund's cash flow; any communication given to unitholders by the Plan Sponsor, any other Plan fiduciary or Reliance Trust that is designed to induce or influence unitholders not to invest in the portfolio or to transfer assets out of the portfolio; any transfer of assets from the portfolio directly to a competing investment option.

NAV per unit is determined each business day. Issues and redemptions of units are recorded, upon receipt of unitholder's instructions received in good order, based on the next determined NAV per unit normally each day. In unusual market conditions, the trustee may impose restrictions on issues and redemptions of units. The Fund has no unfunded commitments due from the Plan at December 31, 2022.

### 6. Tax Status

The Plan has adopted a pre-approved 401(k) profit sharing plan. The Internal Revenue Service has issued a letter, dated October 6, 2020, which states that the form of the prototype plan qualifies under the applicable provisions of the IRC. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

### 7. Plan Termination and Merger

The Company expressly reserves the right to amend or terminate the Plan at any time. Effective December 31, 2023, the NWN Corporation Retirement Plan merged into the Carousel Industries of North America Inc. 401(k) Plan & Trust. The participants in the Plan carried their existing vesting into the Carousel 401(k) Plan as part of the merger.

## NWN Corporation Retirement Plan

Notes to Financial Statements  
December 31, 2023

### 8. Party-in-Interest Transactions

Fees incurred by the Plan for the investment management and recordkeeping services were paid by the Plan. These transactions qualified as exempt party-in-interest transactions.

Participants who are active employees could borrow from their accounts and such loans qualified as exempt party-in-interest transactions under ERISA. These loans were recorded as notes receivable from participants on the statements of net assets available for benefits.

### 9. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at December 31:
