Independent Auditors' Report

The Plan Administrator
Bombora Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Bombora Inc. 401(k) PS Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (a qualified institution).

Management has obtained certifications from an agent on behalf of a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental (1) Schedule H , Part IV, Line 4a – Schedule of Delinquent Participant Contributions for the period ended December 31, 2023 and (2) Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Description of the Plan

The following description of the Bombora Inc. 401(k) PS Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for complete information.

General

The Plan is a defined contribution plan covering all eligible employees of Bombora, Inc. (the "Company" or "Sponsor"). The Board of Directors of the Company is responsible for the administration of the Plan. Ascensus Trust Company (the "Ascensus") serves as the custodian and record-keeper of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). In order to participate in the Plan, an employee must be at least age 21 and must work for the Company for at least one month.

Contributions

Eligible employees may defer up to 90% of their covered compensation for each pay period subject to the Internal Revenue Service ("IRS") limits. Employees who will be at least 50 years of age on December 31, 2023, and who contribute the maximum amount of elective deferral for the year, may make catch-up contributions. These additional contributions are eligible for the Company match. Compensation is defined as wages or salary, plus overtime, bonus, and commission income.

The Company may elect to make an employer discretionary contribution based on a percentage of any salary deferrals made during the plan year or as a uniform dollar amount. All eligible employees may receive an employer contribution. The Company will decide each year how much, if any, it wishes to make as a matching contribution. Since the contribution is discretionary, the Company may decide not to make a matching contribution. During 2023, the company made a matching contribution for the period July 1, 2023, through December 31, 2023, equal to 50% of employee deferrals not to exceed 6% of compensation for the July 1, 2023, through December 31, 2023, period with a maximum total match of \$3,500 per participant.

Vesting

A participant is 100% vested in their contributions plus allocated earnings thereon.

The participants' vesting in the Company's contribution will be determined in accordance to the following schedule:

<u>Years of Service</u>	<u>Vested Interest</u>
Less than 1	0%
1	50%
2	75%
3 or more	100%

Bombora Inc. 401(k) PS Plan

Notes to Financial Statements
December 31, 2023

1. Description of the Plan (*continued*)

Forfeitures

If a participant terminates employment and is less than 100% vested in their Employer contributions, the participant will forfeit the non-vested portion of their account. These amounts may be used to reduce future Employer contributions or Plan expenses. At December 31, 2023 and 2022, forfeited account balances held in non-participant directed accounts totaled \$21,944 and \$49,403. In 2023, \$68,708 and \$13,649 were used to reduce Employer contributions and Plan expenses.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) employer contributions and (b) Plan earnings (losses) thereon. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. All investments are participant directed. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Participants direct the investment of all contributions into various investment options offered by the Plan. Participants may change their investment options daily.

Notes Receivable from Participants

Participants may borrow from their accounts an amount up to the lesser of \$50,000 or 50% of their vested account balance. Loan terms cannot exceed five years unless the loan is for the purchase of the participant's principal residence, in which case it can be longer. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1%; principal and interest thereon is paid ratably through payroll deductions over the life of the loan (at a frequency not less than quarterly).

Payment of Benefits

Benefits under the Plan are payable to participants or their beneficiaries upon termination of service, due to death, disability, retirement or other reasons. Benefits are paid in a single lump-sum payment or in partial withdrawals or installments over a period of not more than that participant's assumed life expectancy.

2. Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect the reported amounts of assets available for benefits and changes therein. Actual results could differ from those estimates.

Bombora Inc. 401(k) PS Plan

Notes to Financial Statements
December 31, 2023

2. Summary of Significant Accounting Policies *(continued)*

Fair Value Measurements

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist. At December 31, 2023 and 2022, the Plan's investments were valued using level 1 inputs.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. The mutual funds and money market fund held by the Plan are valued at fair value based on the daily closing price as reported by the funds. The funds are open-ended and are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. Investment related expenses are included in net depreciation in fair value of investments.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is October 8, 2024.

3. Information Certified (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year), including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends, and interest on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and by Ascensus LLC, as agent for Ascensus Trust Company, a qualified institution.

4. Party-In-Interest Transactions

Participants who are active employees of the Plan may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants on the statements of net assets available for benefits.

Certain officers and employees of the Company who are participants in the Plan perform administrative services related to the operation, recordkeeping, and financial reporting of the Plan. No such officer or employee receives compensation from the Plan. Some of the Plan's expenses, including trustee, custodial, and certain recordkeeping fees, were paid by the Company, and personnel and facilities of the Company are used by the Plan at no charge.

5. Tax Status

The IRS has determined and informed the volume submitter plan document preparer by a letter dated June 30, 2020 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended, the plan administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more than likely would be sustained upon examination by the IRS. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Bombora Inc. 401(k) PS Plan

Notes to Financial Statements
December 31, 2023

7. Non-exempt Party-in-Interest Transactions

For the 2023 and 2022 plan years, the Company failed to transmit to the Plan contributions and loan repayments for participants totaling \$82,914 and \$245,951 within the period prescribed by Department of Labor regulations. The Company made the necessary corrections for the 2022 delinquent contributions during 2023 and is in the process of making the necessary corrections for the 2023 delinquent contributions.

8. Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The global and domestic economic uncertainty has resulted in substantial volatility in the financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2023 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted.
