INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
McCorvey Sheet Metal Works, L.P. Profit Sharing Plan and Trust
Houston, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of McCorvey Sheet Metal Works, L.P. Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of McCorvey Sheet Metal Works, L.P. Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

RMH.CPA • 713.590.3000

750 TOWN & COUNTRY BLVD, SUITE 800 • HOUSTON, TX 77024

INDEPENDENT AUDITOR'S REPORT (Continued)

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of McCorvey Sheet Metal Works, L.P. Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about McCorvey Sheet Metal Works, L.P. Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists.

INDEPENDENT AUDITOR'S REPORT (Continued)

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of McCorvey Sheet Metal Works, L.P. Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about McCorvey Sheet Metal Works, L.P. Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITOR'S REPORT (Continued)

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023 and Schedule of Delinquent Participant Contributions for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a) (3) (C).

NOTES TO FINANCIAL STATEMENTS

MCCORVEY SHEET METAL WORKS, L.P. PROFIT SHARING PLAN AND TRUST

December 31, 2023

NOTE A - DESCRIPTION OF THE PLAN

The following description of the McCorvey Sheet Metal Works, L.P. Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was formed and adopted by McCorvey Sheet Metal Works, L.P. (the "Company"), effective May 1, 1989 and restated on November 30, 2017. The Plan consists of a profit-sharing feature and a 401(k) feature. The profit-sharing feature is a discretionary, non-contributing defined contribution plan covering all employees, except union employees, who have six months of service and are age twenty-one or older. The 401(k)-salary deferral and employer matching contribution features are available to employees who meet the eligibility requirements of the profit-sharing feature. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

On March 16, 2021, the Plan executed certain agreements (including a new adoption agreement and a trustee agreement) with Fidelity Investments ("Fidelity"). Fidelity was appointed as the record keeper and Trustee of the Plan and as a result a transfer of all plan assets to Fidelity commenced. The transfer of the Plan assets to Fidelity initiated a blackout period beginning March 16, 2021 and ended on October 31, 2021. During the blackout period, participant funds could not be applied to employee-selected funds with Fidelity or withdrawn from the Plan until Fidelity accurately completed the transfer.

Contributions

Generally, participants may contribute up to 90 percent of pretax compensation, as defined in the Plan, subject to certain IRS limitations. Participants may also make Roth 401(k) deferrals. These deferrals are subject to federal income tax in the year of deferral. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds as investment options for participants. The Company at the discretion of its Board of Directors may make matching contributions to the Plan.

Such contributions are allocated to plan participants in the same ratio as each participant's eligible contributions, as defined in the Plan, bears to the total of such eligible contributions made by all participants. For the plan year ended December 31, 2023, the Company elected to contribute 50% of the first 4% of base compensation that a participant contributes to the Plan. For the year ended December 31, 2023, the Company made matching contributions of \$480,706 to the Plan.

NOTES TO FINANCIAL STATEMENTS

MCCORVEY SHEET METAL WORKS, L.P. PROFIT SHARING PLAN AND TRUST

December 31, 2023

NOTE A - DESCRIPTION OF THE PLAN (Continued)

For the profit-sharing feature, Company contributions are discretionary and determined each year. Such contributions are invested in a portfolio of investments as directed by plan participant. When contributions are made, they are allocated to Plan participants in the same ratio as each participant's compensation, as defined by the Plan, bears to the total of such compensation for all participants. Participants are allocated profit sharing contributions if they have completed at least 1,000 hours of service and are employed by the Company as of the last day of the Plan year. For the year ended December 31, 2023, the Company made profit sharing contributions of \$2,720,030 to the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contribution(s) and Plan earnings or losses, forfeitures of terminated participant's non-vested accounts and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company matching and profit-sharing contributions portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is vested ratably over six years of credited service, as defined in the Plan.

Payment of Benefits

Benefits are payable from participant account balances, subject to certain limitations, upon attainment of retirement age, death, termination, hardship, or permanent disability, according to the form of payment elected by the participant within limitations defined by the Plan. Distributions shall be made in the form of lump-sum payments, installments or partial withdrawals.

The Plan provides that vested participant account balances of \$5,000 or less are to be paid out without affirmative election from the participant. In accordance with applicable regulations, vested account balances of \$1,000 or less are to be distributed to the participant in a lump sum, and vested account balances exceeding \$1,000 but not exceeding \$5,000 are to be distributed in the participant's name as a direct rollover to an applicable IRA account.

NOTE A - DESCRIPTION OF THE PLAN (Continued)

Forfeited Accounts

Forfeitures represent the portion of non-vested benefits remaining from employees who have withdrawn from the Plan before becoming fully vested. At December 31, 2023 and 2022, there were \$348,863 and \$892,032, respectively, of forfeited non-vested funds. All forfeitures at December 31, 2023 were allocated to participant accounts during 2023. Forfeitures can be used to reduce future Company contributions or pay Plan expenses. In 2023, there were \$845,498 of forfeited funds used to reduce Company contributions.

NOTE B - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan's management to make estimates and assumptions that may affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Excess Contributions Payable

As of December 31, 2023 and 2022, amounts payable to participants totaling - \$92,389 and \$94,218, respectively, for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2023 excess contributions to the applicable participants prior to March 15, 2024.

NOTE B - SUMMARY OF ACCOUNTING POLICIES (Continued)

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to payment of benefits are charged directly to the participant's account are deducted from the total amount of benefits paid to participants. Investment related expenses are included in net appreciation or depreciation of fair value of investments, as applicable.

Payment of Benefits

Benefits are recorded when paid.

NOTE C - CERTIFIED INVESTMENT INFORMATION

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2023 and net appreciation/depreciation in fair value of investments, interest and dividends for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, a custodian of the Plan for the year ended December 31, 2023.

NOTE D - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

NOTES TO FINANCIAL STATEMENTS

MCCORVEY SHEET METAL WORKS, L.P. PROFIT SHARING PLAN AND TRUST

December 31, 2023

NOTE D - FAIR VALUE MEASUREMENTS (Continued)

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2021.

Cash and cash equivalents: valued at carrying amounts which approximates fair value.

Mutual funds: Valued at the net asset value (NAV) of shares held by the Plan at year end.

The following table sets forth the level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023, and 2022:

	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Money Market Account	\$ 4,276,512	\$ -0-	\$ -0-	\$ 4,276,512
Mutual Funds	31,559,436	-0-	-0-	31,559,436
Total investments at fair value	<u>\$ 35,835,948</u>	<u>\$ -0-</u>	<u>\$ -0-</u>	<u>\$ 35,835,948</u>
	Assets at Fair Value as of December 31, 2022

MCCORVEY SHEET METAL WORKS, L.P. PROFIT SHARING PLAN AND TRUST

December 31, 2023

NOTE E - PARTIES-IN-INTEREST TRANSACTIONS

The Company provides the Plan with certain accounting and administrative services for which no fees are charged. Fidelity is considered a party-in-interest, as defined by ERISA, since it provides services to the Plan as an investment custodian. Administrative expenses paid to Fidelity by the Plan was approximately \$70,274 for the year ended December 31, 2023.

NOTE F - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their employer contributions.

NOTE G - TAX STATUS

The IRS has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE H - RISKS AND UNCERTAINTIES

The Plan provides various investment options for participants to direct in any combination. These investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risks associated with the investment options offered by the Plan and the level of uncertainty related to changes in the value of the investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in the net assets available for benefits.
