INDEPENDENT AUDITOR'S REPORT

The Administrative Committee
National Equipment Dealers 401(k) Plan
Houston, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We have performed an audit of the financial statements of National Equipment Dealers 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the years ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of December 31, 2023 and 2022, and for the years ended, stating that the certified investment information, as described in Note 10 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Benton, Duroy & Ivey, P.C.

Certified Public Accountants

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.

Benton, Duroy & Ivey, P.C.

Certified Public Accountants

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter-Supplemental Schedules Required by ERISA

The supplemental schedules of Assets Held at End of Year and Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

Benton, Duroy & Ivey, P.C.

Certified Public Accountants

Other Matter-Supplemental Schedules Required by ERISA (Continued)

For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

National Equipment Dealers 401(k) Plan

December 31, 2023 and 2022

1. Summary of Significant Accounting Policies

A summary of the major accounting policies followed by the National Equipment Dealers ("Company") 401 (k) Plan ("Plan") in the preparation of the accompanying financial statements is presented below.

The Plan's investments in mutual funds are reported at fair value as determined by BOK Financial, based on quoted market values of underlying assets. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest.

The Plan is qualified under Section 401(k) of the Internal Revenue Code and is exempt from Federal Income Taxes under 501(a) of the Internal Revenue Code (IRC).

The Internal Revenue Service has determined and informed the Company, by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the plan and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. For federal income tax purposes the tax returns essentially remain open for possible examination for a period of three years after the date on which those returns are filed.

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

2. Plan Participants' Equity

The net assets available for Plan benefits are composed of the Trust fund established by the Plan's Trustee for the benefit of National Equipment Dealers 401(k) Plan participants.

3. Description of Plan

The following description of National Equipment Dealers 401(K) Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan covering all employees of the company who are eligible to participate in the Plan for 401(k), Non-Safe Harbor and Safe Harbor Matching purposes immediately upon date of hire. All employees of the company are eligible to participate in the Discretionary Profit Sharing feature of the Plan following completion of one year of service, in which 1,000 hours is completed. It is subject to the provisions of the Employee Retirement Security Act (ERISA).

The trustee of the Plan is the plan administrator, who is the managing member of the plan sponsor/Company. Among other duties, the trustee is responsible for overseeing the Plan and evaluating plan management and service providers. BOK Financial serves as the custodian of the Plan's assets. The custodian's duties include receiving contributions, holding and investing the fund assets in accordance with the directions of the participants, and making distributions as directed by the plan participants. BOK Financial serves as the third party administrator, responsible for plan administration, recordkeeping, and transaction processing, including maintaining complete and accurate account records for all plan participants, allocating contributions and earnings, posting distributions and forfeiture information to participant accounts, and preparing participant statements and reports.

CONTRIBUTIONS

For 2023 and 2022 participants may contribute a percentage of their annual wages up to the federal mandated limit of \$22,500 and \$20,500, with an additional \$7,500 and \$6,500 catch-up contribution for employees at age 50 by the end of the year. Each year, the Company matched 100% of the participant's contribution up to 3%, plus 50% of the participant's contributions that exceed 3%, but does not exceed 5%.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contribution and (b) Plan earnings as determined by the plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

ADMINISTRATIVE CHARGES

All administrative expenses of the Plan, except amounts paid for certain investments, advisory services and bank charges, are paid by the Company participant.

3. Description of Plan (Continued)

VESTING

Participants are always 100% vested in amounts contributed from their salary deferral contributions, rollover contributions, employer safe harbor match contributions and any discretionary match contributions.

Participants are vested in discretionary profit sharing contributions from 0% with less than one year of service, 20% with one year of service, 40% with two years of service, 60% with three years of service, 80% with four years of service and 100% with five or more years of service.

Participants will always be vested if they are employed on or after their normal retirement age.

FORFEITURES

The non-vested portion of a terminated participant's account balance remains in the Plan. Forfeitures will be used to reduce future employer contributions. In 2023 and 2022, \$-0- of forfeitures was utilized for employer match contributions. Forfeited non-vested accounts total \$2,475 and \$1,509 at December 31, 2023 and 2022.

PAYMENT OF BENEFITS

On termination of service due to death, disability or retirement, a participant will be entitled to receive 100% of their account balance in either a lump sum amount or in annual installments over a specified period of time.

On termination of service for reasons other than death, disability or retirement, a participant will be entitled to receive only the "vested percentage" of their account balance and the remainder of their account will be forfeited. Only discretionary profit sharing contributions made by the Employer are subject to forfeiture.

In-Service distributions may be made to a Participant who has not separated from service provided the participant has attained the age of 59 1/2.

LOANS

Participants are able to borrow up to the lesser of 50% of their vested balances or \$50,000. All loans bear a reasonable interest rate based on current market rates and all loans have a definite repayment period not to exceed five years. Loan repayments at a minimum are made on a quarterly basis and must be paid by payroll deductions. As of December 31, 2023 and 2022, interest rates on outstanding loans range from 5.25% to 10.5%, with payback periods ranging from one to five years.

December 31, 2023 and 2022

4. Merger of Plan

The management of National Equipment Dealers, LLC approved the merger of this Plan into J.J. Taylor Companies, Inc. Profit Sharing Plan, effective January 1, 2024. As a result, all investments were transferred from National Equipment Dealers 401(K) Plan into the J.J. Taylor Companies, Inc. Profit Sharing Plan on January 2, 2024. Liquidation of assets was initiated on December 29, 2023. A temporary blackout period began on December 27, 2023 and ended during the week of January 24, 2024.

5. Participant Directed Investments

Investments held by the Plan represent participant-directed accounts. That is, individual participants decide how funds held in trust for them are allocated among various investments. Participants should see the BOK Financial website for the investment choices offered.

6. Party-in-Interest Transactions

Plan investments are money market accounts and mutual funds managed by BOK Financial, an entity that is a party-in-interest with respect to the Plan. These transactions are exempt and covered by the Prohibited Transaction Exemption provisions of ERISA and the Code.

The company provides certain accounting, administrative, and investment management services to the Plan for which no fees are charged. Auditing fees paid by the Company on behalf of the plan was \$18,079 and \$15,752 for the years ended December 31, 2023 and 2022, respectively.

7. Prohibited Transactions

For the years ended December 31, 2023 and 2022, the Company identified late remittances of participant contributions in the aggregate amount of \$119,152 and \$11,453, respectively, which included participant contributions and participant loan repayments. The 2022 late remittances were funded to the Plan in November of 2023. Of the 2023 late remittances, \$5,120 was remitted in June of 2023. The remaining \$114,032 will be remitted to the plan in 2024.

8. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values.

Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS

National Equipment Dealers 401(k) Plan

December 31, 2023 and 2022

8. Fair Value Measurements (Continued)

Fair Value Measurements Using:

	<u>(Level 1)</u>	<u>(Level 2)</u>	<u>Total</u>
<u>December 31, 2023</u>			
Money Market and Mutual Funds	\$ 5,950,420	\$ -0-	\$ 5,950,420
Common Collective Trusts	-0-	10,575,861	10,575,861
	<u>\$ 5,950,420</u>	<u>\$ 10,575,861</u>	<u>\$ 16,526,281</u>
 <u>December 31, 2022</u>			
Money Market and Mutual Funds	\$ 4,675,199	\$ -0-	\$ 4,675,199
Common Collective Trusts	-0-	8,576,262	8,576,262
	<u>\$ 4,675,199</u>	<u>\$ 8,576,262</u>	<u>\$ 13,251,461</u>

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 3 inputs were available to the Plan.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

Level 2 Fair Value Measurements

The fair value of common collective trusts are based on quoted net asset values (NAV) of the underlying shares held by the Plan at year-end, but is not publicly quoted in an active market.

9. Risks and Uncertainties

The Plan invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

10. Certification Information

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, information prepared and certified by a bank or insurance company, which is regulated, supervised and subject to periodic examination by a state or federal agency, need not be audited. The plan administrator has obtained certifications from BOK Financial (custodian) that all information provided by them is complete and accurate. Information included in the accompanying financial statements and notes to financial statements as to investments, net appreciation (depreciation) in fair value of investments, dividend income and all information in the Supplemental Schedule H, line 4i, Schedule of Assets (held at year end), is presented solely upon reliance on those certifications. The independent auditors did not perform auditing procedures with respect to this information except for comparing such information to the related information in the financial statements, notes to financial statements and supplemental schedule.
