INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
Golden Eagle Distributing Co. 401(k) Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the accompanying financial statements of Golden Eagle Distributing Co. 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Golden Eagle Distributing Co. 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Golden Eagle Distributing Co. 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Golden Eagle Distributing Co. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Golden Eagle Distributing Co. 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Golden Eagle Distributing Co. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

A. Description of Plan

The following description of the Golden Eagle Distributing Co. 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Golden Eagle Distributing Co. 401(k) Profit Sharing Plan and Trust is a defined contribution plan covering all full-time employees of Golden Eagle Distributing Company (the Company) and its wholly owned subsidiaries. Eligible employees are age 21 or older who have completed one year of eligible service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan has quarterly entry dates, the first day of the Plan year and the first day of the fourth, seventh and tenth months of the Plan year.

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023, which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the Plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact on the Plan's 2023 financial statements.

Contributions

Contributions to the Plan consist of the following:

1. **Elective Deferral Contributions** – The total amount of the salary reduction elected to defer by employees. The maximum deferral percentage is 92% of their eligible compensation, as defined by the Plan, not exceeding \$22,500 and \$20,500 for the calendar years 2023 and 2022, respectively. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions not exceeding \$7,500 and \$6,500 for calendar years 2023 and 2022, respectively. The Plan allows for a Qualified Automatic Contribution Arrangement (QACA) in which employees are automatically enrolled in the Plan once they become eligible at a deferral rate of 3% and will gradually increase by 1% each year the employee participates up to 6% unless the employee takes action to opt out. Total deferrals for the plan years ending December 31, 2023 and 2022, were \$207,633 and \$206,353, respectively.
2. **QACA ADP Test Safe Harbor Matching Contribution** – For each Plan year, the employer will make a QACA ADP test safe harbor matching contribution to the individual account of each eligible employee. The contribution is equal to 100% for elective deferrals less than 1% and 50% for elective deferrals greater than 1%, but less than or equal to 6%. The total safe harbor contribution was \$179,726 for the year ended December 31, 2023, and \$178,967 for the year ended December 31, 2022.
3. **Qualified Nonelective Employer Profit Sharing Contributions** – The employer may make a discretionary contribution in an amount to be determined by the employer for each plan year. Employer profit sharing contributions will be allocated to the individual accounts of qualifying participants using a pro rate formula, in the ratio that each qualifying participant's compensation for the Plan year bears to the total compensation of all qualifying participants for the Plan year. To be a qualifying participant and entitled to share in the employer profit sharing contribution for any Plan year, a qualifying participant must be an employee of the employer on the last day of the Plan year. The employer profit sharing contribution was \$27,907 for the year ended December 31, 2023, and \$27,385 for the year ended December 31, 2022.

A. Description of Plan (Concluded)

Participant Accounts

Each participant's account is credited with the participant's contribution, allocations of the Company's contributions, Plan earnings, and charged with an allocation of investment gains or losses, withdrawals, and administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investments

Upon enrollment in the Plan, participants direct the investment of their contributions and Company contributions into various investment options offered by the Plan.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. For QACA ADP Test Safe Harbor Matching Contributions, employees vest 100 percent after completing three years of credited service in accordance with the Plan document. For Qualified Nonelective Employer Profit Sharing Contributions, employees vest 20 percent per year after completing two years of service until becoming 100 percent vested after six years of credited service in accordance with the Plan document. Employees vest immediately if employment is terminated due to death, disability, or retirement upon attainment of the age of 65.

Notes Receivable from Participants

The Plan permits participants to borrow a minimum of \$1,000 (with a \$2,105 vested balance). Participants may borrow up to 95% of one half of the vested balance, not to exceed \$50,000 in a 12-month period. The notes are secured by the balance in the participant's account and bear interest at prime rate plus 1%. Only one loan is allowed at a time per participant. Principal and interest are paid ratably through payroll deductions and notes must be fully repaid within five years. Participant notes receivable are valued at their outstanding principal balance plus accrued and unpaid interest. As of December 31, 2023 and 2022, the Plan had outstanding notes to participants with principal balances totaling \$89,973 and \$80,707, respectively.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant could elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or various forms of annuities, as provided in the Plan document. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeitures

Forfeitures are created when participants terminate employment before becoming fully vested in all applicable contributions under the Plan. During the years ended December 31, 2023 and 2022, forfeited non-vested accounts totaled \$1,044 and \$357, respectively. These accounts are available to be used to reduce future employer contributions to the Plan. Employer contributions were reduced by \$1,044 and \$357 for the years ended December 31, 2023 and 2022, respectively.

B. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of certain assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, the actual amounts could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Net appreciation or depreciation of investments included in the accompanying statements of changes in net assets available for benefits includes realized gains or losses from the sale of investments and unrealized appreciation or depreciation in fair value of investments. Net unrealized appreciation or depreciation in the fair value of investments represents the net change in the fair value of the investments held during the year. The net realized gains or losses on the sale of investments represent the difference between the sale proceeds and the fair value of the investment as of the beginning of the year or the cost of the investment if purchased during the year.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Operating Expenses

Certain expenses for maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

C. Information Prepared by the Custodian (Unaudited)

The Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan management instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Mid Atlantic Trust Company, except for comparing such information certified by the custodian with information included in the Plan's financial statements and supplemental schedule.

Investments	December 31,	
	2023	2022
Equity funds	\$ 5,399,020	\$ 4,907,119
International equity funds	578,488	499,088
Fixed income funds	641,422	514,553
Balanced funds	5,790,832	5,847,649
	<u>\$ 12,409,762</u>	<u>\$ 11,768,409</u>

The custodian also certified to the completeness and accuracy of \$1,474,947 and \$(2,485,473) of net appreciation in fair value of investments and \$428,733 and \$410,620 of dividend income related to the investments for the years ended December 31, 2023 and 2022, respectfully.

D. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Fair Value Measurements

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 Fair Value Measurements

Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

D. Fair Value Measurements (Concluded)

Level 3 Fair Value Measurement

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust Fund

Valued at the NAV of units of a bank collective trust traded on NSCC Fund/SERV. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. Participant transactions (purchases and sales) may occur daily.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022.

Investment Category	Level 1	Level 2	Level 3	Total
December 31, 2023:				
Collective Trust Fund	\$ -	\$ 802,934	\$ -	\$ 802,934
Registered Investment Companies (Mutual Funds)	11,606,828	-	-	11,606,828
	<u>\$ 11,606,828</u>	<u>\$ 802,934</u>	<u>\$ -</u>	<u>\$ 12,409,762</u>
December 31, 2022:				
Collective Trust Fund	\$ -	\$ 793,460	\$ -	\$ 793,460
Registered Investment Companies (Mutual Funds)	10,974,949	-	-	10,974,949
	<u>\$ 10,974,949</u>	<u>\$ 793,460</u>	<u>\$ -</u>	<u>\$ 11,768,409</u>

For years ended December 31, 2023 and 2022, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3.

E. Party-In-Interest Transactions

Certain Plan investments are managed by the investment trustee. Therefore, these transactions qualify as party-in-interest transactions. Investment fees paid to the trustee amounted to \$37,229 and \$37,472 for the years ended December 31, 2023 and 2022, respectively. Additional investment fees paid to the investment trustee are netted against investment returns.

F. Tax Status and Uncertain Tax Positions

The Company has adopted a non-standardized plan pre-approved by the Internal Revenue Service (IRS). The IRS issued an opinion letter dated August 31, 2020, that the Plan is acceptable with the applicable section of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Company and the Plan administrator believe that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC and the Plan and related trust continue to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

G. Reconciliation of Financial Statements to Form 5500.

There were no reconciling items.

H. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Company may determine.

I. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

J. Subsequent Events

The Plan administrator has evaluated events and transactions subsequent to the statements of net assets available for benefits date through the date of the independent auditor's report (the date the financial statements were available to be issued) for potential recognition or disclosure in the financial statements. On May 30, 2024, the Company closed a wholly owned subsidiary, Golden Eagle Spotting Company, which had employed seven participants in the Plan.
