Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of H.S. Swann, James W. Wills, Jr. Employees' Value Sharing Opportunity Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of H.S. Swann, James W. Wills, Jr. Employees' Value Sharing Opportunity Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Pension and Value Sharing Administration Committee
and Plan Participants
H.S. Swann, James W. Wills, Jr.
Employees' Value Sharing Opportunity Plan

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of H.S. Swann, James W. Wills, Jr. Employees' Value Sharing Opportunity Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about H.S. Swann, James W. Wills, Jr. Employees' Value Sharing Opportunity Plan's ability to continue as a going concern for one year after the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Pension and Value Sharing Administration Committee
and Plan Participants
H.S. Swann, James W. Wills, Jr.
Employees' Value Sharing Opportunity Plan

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the H.S. Swann, James W. Wills, Jr. Employees' Value Sharing Opportunity Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about H.S. Swann, James W. Wills, Jr. Employees' Value Sharing Opportunity Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

Pension and Value Sharing Administration Committee
and Plan Participants
H.S. Swann, James W. Wills, Jr.
Employees' Value Sharing Opportunity Plan

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

EMPLOYEES' VALUE SHARING OPPORTUNITY PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 PLAN DESCRIPTION

The following description of the H.S. Swann, James W. Wills, Jr. Employees' Value Sharing Opportunity Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan, a defined contribution plan, was established on December 11, 1953. The Plan covers substantially all full-time, part-time, and seasonal employees of The Wills Group, Inc., SMO, Inc., Dash In Food Stores, Inc. and Southern Maryland Oil, Inc. (collectively, the Company). A participant is eligible the first day of the month upon attaining 18 years of age and completing 60 days of continuous employment with the Company. Entry dates are the first day of each month following attainment of eligibility. Employees who are members of a collective bargaining agreement, leased, or self-employed are excluded from participation in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may contribute from 2% to 100% of their annual eligible compensation, as defined by the Plan. Newly eligible participants are automatically enrolled at a deferral rate set at 4%. The Plan allows for automatic increase of deferral percentages. Auto increase applies to those with contributions less than 6% and were auto enrolled or elected auto increase. Eligible participants will be auto increased by 1% on January 1 of each plan year up until 6%. Participants may also contribute amounts representing distributions from other qualified defined contribution plans. Participants who have attained 50 years of age before the end of the Plan year, are eligible to make catch up contributions. Catch up contributions are not eligible for purposes of calculating Company discretionary matching contributions. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

The Company may decide to make a discretionary matching contribution and a discretionary profit sharing contribution to the Plan. During the years ended December 31, 2023 and 2022, the Company elected to make safe harbor matching contributions of 116.67% of a participant's contribution up to 4% of eligible annual compensation and an additional matching contribution of 116.67% of a participant's contribution which exceeds 4% up to 6% of a participant's eligible annual compensation. In addition, the Company contributed a profit sharing contribution equal to \$10,000 for each eligible participant for the years ended December 31, 2023 and 2022, respectively. Participants are eligible for the discretionary profit sharing contribution if they meet the eligibility requirements above, are employed on the last day of the Plan year and have worked 1,000 hours during the year.

NOTE 1 PLAN DESCRIPTION (CONTINUED)

Contributions (Continued)

At the end of each plan year, unless a participant is a "grandfathered frozen pension plan" participant (as described below), the Company will also make an additional basic contribution equal to a certain percentage of a participant's eligible annual compensation, based on the table below:

<u>Completed Years of Service</u>	<u>Percentage of Compensation</u>
9 or Less	2%
10 to 19	4%
20 or More	6%

A participant is not required to defer any compensation to the Plan in order to receive this contribution from the Company; however, they must have met eligibility requirements above.

Effective January 1, 2008, if a participant is a "grandfathered frozen pension plan" participant, he/she is not eligible to receive the Company basic contribution under this Plan. A "grandfathered frozen pension plan" participant is defined as a participant who is still entitled to accrue benefits under the otherwise frozen Wills Group, Inc. Employees' Pension Plan (Pension Plan), because as of December 31, 2007, he/she either: a) attained age 55 with at least 10 years of service; or b) has completed at least 20 years of service for Pension Plan vesting purposes.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contributions, and an allocation of Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, or participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. All Company contributions are fully vested when such Plan contributions are made.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000. Loans must be repaid in five years unless the proceeds are used to acquire a primary residence, which then must be re-paid in 10 years. The loans are collateralized by the balance in the participants' account and bear interest at an interest rate equal to prime rate plus 1%. Principal and interest are repaid through payroll deductions based upon an established amortization schedule.

NOTE 1 PLAN DESCRIPTION (CONTINUED)

Payments of Benefits

On termination of service due to death, disability, or retirement, a participant with a vested balance of less than \$5,000 will receive a lump sum distribution. Participants or their beneficiaries who have a balance greater than \$5,000 may elect to receive the total vested balance in a lump sum distribution or installment payments. Participants may withdraw voluntary contributions from their accounts by reason of financial hardship under specific guidelines set forth in the Plan. In-service withdrawals are also allowed for participants who are at least 59½ years old.

Forfeited Accounts

The amounts of forfeitures available were \$73 and \$69 at December 31, 2023 and 2022, respectively. These accounts will be used to satisfy future plan administrative expenses and reduce future Company contributions. The Company used \$-0- and \$12,380 to pay plan administrative expenses for the years ended December 31, 2023 and 2022, respectively. \$0 and \$252 of forfeitures were used against Company contributions for the years ended December 31, 2023 and 2022, respectively.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Pension and Value Sharing Administration Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. Delinquent notes receivable are recorded as distributions on the basis of terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of plan assets, distributions and notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments. Audit related fees are paid directly from the forfeiture account and administrative budget account. The Plan received \$19,705 and \$19,115 of shared revenue, for which \$19,300 and \$22,620 was used to pay expenses during the years ended December 31, 2023 and 2022, respectively. As of December 31, 2023 and 2022, the shared revenue account totaled \$1,254 and \$848, respectively. The net of this activity has been recorded as other income on the statements of changes in net assets available for benefits.

Subsequent Events

The Plan has evaluated subsequent events through September 30, 2024, the date the financial statements were available to be issued.

NOTE 3 CERTIFIED INVESTMENTS

T. Rowe Price Trust Company (T. Rowe), the trustee of the Plan, has supplied the Plan administrator with certifications as to the completeness and accuracy of all investment information and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022, the statements of changes in net assets available for benefits for the years then ended, and the supplemental schedule of assets (held at end of year) as of December 31, 2023.

NOTE 4 FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observed for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2023 and 2022.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trust: Valued at the NAV of the units of the bank collective trust. NAV is a readily determinable fair value and is the basis for current transactions. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Total Investments at Fair Value	<u>\$ 29,995,512</u>	<u>\$ 3,395,554</u>	<u>\$ -</u>	<u>\$ 33,391,066</u>

NOTE 5 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will remain 100% vested in their entire accounts.

NOTE 6 PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by T. Rowe, the trustee as defined by the Plan as of December 31, 2023 and 2022. These investments qualify as party-in-interest investments/transactions. Fees incurred by the Plan for the investment management services are included in administrative expenses. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 7 RISK AND UNCERTAINTIES

The Plan invests in various investment securities which are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**H.S. SWANN, JAMES W. WILLS, JR.
EMPLOYEES' VALUE SHARING OPPORTUNITY PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 8 TAX STATUS

The Plan is placing reliance on an opinion letter dated August 19, 2020, received from the IRS on the prototype plan indicating that the Plan is qualified under Section 401 of the IRC and is therefore not subject to tax under current income tax law. The prototype Plan has been amended since receiving the opinion letter. The Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31:

	2023	2022
Net Assets Available for Benefits per the Financial Statements	\$ 42,001,805	\$ 36,403,350
Deemed Distributions	(2,840)	(44,538)
Net Assets Available for Benefits per Form 5500	<u>\$ 41,998,965</u>	<u>\$ 36,358,812</u>

The following is a reconciliation of net increase/(decrease) per the financial statements to the Form 5500 for the years ended December 31:

	2023	2022
Net Increase/(Decrease) per the Financial Statements	\$ 5,598,455	\$ (2,430,804)
Deemed Distributions Activity	41,698	(15,499)
Net Increase/(Decrease) per Form 5500	<u>\$ 5,640,153</u>	<u>\$ (2,446,303)</u>

Amounts allocated to deemed distributions are reported as paid upon default on the Form 5500 and on the financial statements upon the participant's full distribution from the Plan. Contributions are recorded on the Form 5500 when remitted and on the financial statements when due.
