Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **GRANT THORNTON LLP**

(2) EIN: **36-6055558**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒	
e Was this plan covered by a fidelity bond?	☒		1000000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	☒		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		☒	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		☒	
l Has the plan failed to provide any benefit when due under the plan?		☒	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		☒	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Trustees
Columbus Crew SC Retirement Plan

Audit of the 2023 financial statements**Scope and nature of the ERISA Section 103(a)(3)(C) audit**

We have performed audit of the financial statements of Columbus Crew SC Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matter – supplemental schedule required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from

the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Compilation of the 2022 financial statements

Management is responsible for the accompanying 2022 financial statement of Columbus Crew SC Retirement Plan, which comprises the statement of net assets available for benefits as of December 31, 2022, and the related notes to the 2022 financial statement in accordance with accounting principles generally accepted in the United States of America. We have performed the compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the American Institute of Certified Public Accountants. We did not audit or review the 2022 financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on this 2022 financial statement.

Columbus Crew SC Retirement Plan

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2023 (audited) and 2022 (compiled)

NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of the Columbus Crew SC Retirement Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering employees of the Columbus Crew SC Team Company LLC (the "Company" and "employer") who have attained one hour of service as defined in the Plan document. Employees that are covered by a collective bargaining agreement are not eligible to participate in the Plan including those employed as players, leased employees and certain other employees, as defined in the Plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The Plan's investments are held by Fidelity Management Trust Company ("Fidelity") as of December 31, 2023 and 2022, and for the year ended December 31, 2023.

Contributions

Under the terms of the Plan, employees may participate by making pre-tax contributions not to exceed the Internal Revenue Code ("IRC") limit of \$22,500. If the participant was at least age 50 during the year, they were allowed to defer an additional \$7,500. The employer made matching contributions to the Plan in an amount equal to the lesser of 50% of the participant's pre-tax contribution, 2.5% of the participant's compensation, or \$3,750 annually. Employees may direct their contributions, rollovers and employer matching contributions into one or more investment accounts offered by the Plan. Participants may elect to change their future investment elections and the amount of their relative account balances. Additional employer contributions ("Company's Nonelective Employer Contributions") may be contributed at the option of the Company and are invested in a portfolio elected by the participant. No such contributions were made in the year ended December 31, 2023.

Eligible employees are automatically enrolled in the plan unless they elect otherwise. For each employee that was eligible prior to April 1, 2020, the Plan will automatically assume a 3% pre-tax contribution and for employees eligible beginning April 1, 2020 the plan will automatically assume a 5% pre-tax contribution. The Plan includes a 1% automatic annual increase up to a 10% cap unless the participant elects otherwise.

Rollover Contributions

With the employer's prior written consent, an eligible employee may make one or more rollover contributions to the Plan if the employee demonstrated, to the employer's satisfaction, that the contribution qualified as a rollover contribution under the IRC rules.

Participant Accounts

Each participant's account is credited with (a) the participant's contributions; (b) the employer's matching contributions; and (c) plan earnings. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that could be provided from the participant's account.

Payment of Benefits

Upon retirement, death or disability, the participants or their beneficiaries, are entitled to receive 100% of their account balance. At age 59½, the participants are entitled to withdraw their salary deferral balance while employed without penalty.

See independent accountant's reports (2022 compiled).

Columbus Crew SC Retirement Plan

NOTES TO THE FINANCIAL STATEMENTS - CONTINUED

December 31, 2023 (audited) and 2022 (compiled)

Upon termination of service, participants may elect to receive a lump-sum distribution equal to the entire value of their account or a portion thereof. If the account is not fully withdrawn, the remaining balance will remain part of the investment and share in investment gains and losses; however, the participant may not elect further contributions.

Hardship withdrawals from participants' vested accounts are permitted in the event of immediate and heavy financial needs as defined in the Plan document.

Participants may withdraw their salary deferral or rollover account balances for certain circumstances as defined by the Plan document. These withdrawals are subject to IRC rules and regulations.

Participants who reach age 73 are required to start withdrawing a minimum amount each year.

Vesting

Participants are immediately vested in all deferral contributions, employer matching contributions and earnings attributable to those contributions. Vesting in the Company's Nonelective Employer Contributions and earnings thereon is based on years of credited service and is subject to the following vesting schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
1	20
2	40
3	60
4	80
5 or more	100%

Notes Receivable From Participants

Participants may borrow from their accounts, a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Participants may have only one loan outstanding at any given time. Loans are made for a fixed period not to exceed five years, except for a loan used to acquire the participants' principal residence, in which case the loan period may not exceed ten years. Interest is charged on the loans at a fixed rate equal to the prime rate at the time the loan is made plus 1%. The interest rates ranged from 4.25% to 9.25% at December 31, 2023 and 4.25% to 6.50% at December 31, 2022. Unpaid loan balances are immediately due and payable upon termination of employment.

Plan Termination

Although the Company has expressed no intent to do so, the Company has the right under the Plan in certain circumstances to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA.

Forfeitures

An employee may forfeit the non-vested portion of their account if employment ceases and the employee is less than 100% vested in any Company contributions made to their account. Forfeited balances of terminated participants' nonvested accounts are used to reduce future Company contributions or pay plan expenses. During the year ended December 31, 2023, the Company did not use any available forfeitures to fund Company contributions or plan expenses. There were \$1,376 and \$1,291 of available forfeitures as of December 31, 2023 and 2022, respectively.

See independent accountant's reports (2022 compiled).

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in conformity with the accounting principles generally accepted in the United States of America ("US GAAP").

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the changes in net assets available for benefits during the reporting period and, when applicable, disclosure of contingent assets and liabilities as of the date of the financial statements. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for discussion of Fair Value Measurements.

The Plan presents in the statement of changes in net assets available for benefits, the net appreciation in the fair value of investments, which consists of the realized gains or losses, and unrealized appreciation/depreciation on those investments. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded as earned on an accrual basis.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded at December 31, 2023 and 2022. If a participant ceases to make loan repayments and the Plan administrator deems the participant loans to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Benefit Payments

Benefit payments to participants were recorded when paid.

Administrative Expenses

The Plan pays substantially all expenses reasonably incurred in administering the Plan to the extent such expenses are incurred in connection with activities necessary to operate the Plan for the benefit of its participants.

NOTE 3 - RISKS AND UNCERTAINTIES

The Plan provides for various investment options which are, in general, exposed to various risks, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affected the participants' account balances and the amounts reported in the statements of net assets available for benefits.

See independent accountant's reports (2022 compiled).

Columbus Crew SC Retirement Plan

NOTES TO THE FINANCIAL STATEMENTS - CONTINUED

December 31, 2023 (audited) and 2022 (compiled)

NOTE 4 - TAX STATUS

The Internal Revenue Service ("IRS") has issued an opinion letter dated June 30, 2020, stating that the form of the prototype plan used by the Plan is acceptable under Section 401 of the IRC. The Plan has not received a determination letter specific to the Plan itself. However, the Plan administrator believes that the Plan and underlying trust are currently designed and being operated in compliance with the applicable requirements of the IRC. Accordingly, no provision for income taxes has been recorded in the accompanying financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2022.

NOTE 5 - INFORMATION CERTIFIED BY THE TRUSTEE

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity, the Trustee of the Plan, has certified the completeness and accuracy of the investments and notes receivable from participants reported in the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022, the related investment income and interest income on notes receivable from participants reported in the statement of changes in net assets available for benefits for the year ended December 31, 2023, and the information included on Schedule H, line 4(i) - schedule of assets (held at end of year) as of December 31, 2023.

NOTE 6 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides for a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described as follows:

- Level 1 - Inputs to the valuation methodology that are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

See independent accountant's reports (2022 compiled).

Columbus Crew SC Retirement Plan

NOTES TO THE FINANCIAL STATEMENTS - CONTINUED

December 31, 2023 (audited) and 2022 (compiled)

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation of other means.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The Plan's assessment of the significance of particular inputs to these fair value measurements requires judgment and considers factors specific to each asset. Valuation techniques used need to maximize the use of the observable inputs and minimize the use of unobservable inputs. Following is a description of valuation methodologies used for assets measured at fair value at December 31, 2023 and 2022:

Mutual Funds: Valued at quoted market prices on the last business day of the Plan year end.

Collective Trust Funds: Valued using the net asset value ("NAV") of the fund. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value for the collective trust funds.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Fair Value Measurements at December 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 570,626	\$ -	\$ -	\$ 570,626
Total assets in the fair value hierarchy	<u>\$ 570,626</u>	<u>\$ -</u>	<u>\$ -</u>	570,626
Investments measured at NAV ⁽¹⁾				<u>3,731,523</u>
Investments at fair value				<u>\$ 4,302,149</u>

Fair Value Measurements at December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 2,645,050	\$ -	\$ -	\$ 2,645,050
Total assets in the fair value hierarchy	<u>\$ 2,645,050</u>	<u>\$ -</u>	<u>\$ -</u>	2,645,050
Investments measured at NAV ⁽¹⁾				<u>1,291</u>
Investments at fair value				<u>\$ 2,646,341</u>

⁽¹⁾ These investments are collective trust funds. The collective trust funds are measured at fair value using NAV, and therefore have not been classified in the fair value hierarchy. There is no unfunded commitment. Redemption frequency is daily. There are no other redemption period restrictions or notice periods. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value without any redemption notice or restrictions. At the Plan sponsor level, there must be

a 12-month notice at which point the Plan enters into a 12-month put and at the end of 12 months the funds are liquidated.

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments include funds managed by the trustee; therefore, the transactions related to these funds qualify as party-in-interest transactions. Additionally, certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

NOTE 8 - SUBSEQUENT EVENTS

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 10, 2024, the date the financial statements were available to be issued. The Plan is not aware of any subsequent events which would require recognition or disclosure in the financial statements.

See independent accountant's reports (2022 compiled).

REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Trustees
Columbus Crew SC Retirement Plan

Audit of the 2023 financial statements**Scope and nature of the ERISA Section 103(a)(3)(C) audit**

We have performed audit of the financial statements of Columbus Crew SC Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matter – supplemental schedule required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from

the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Compilation of the 2022 financial statements

Management is responsible for the accompanying 2022 financial statement of Columbus Crew SC Retirement Plan, which comprises the statement of net assets available for benefits as of December 31, 2022, and the related notes to the 2022 financial statement in accordance with accounting principles generally accepted in the United States of America. We have performed the compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the American Institute of Certified Public Accountants. We did not audit or review the 2022 financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on this 2022 financial statement.

Columbus Crew SC Retirement Plan

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2023 (audited) and 2022 (compiled)

NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of the Columbus Crew SC Retirement Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering employees of the Columbus Crew SC Team Company LLC (the "Company" and "employer") who have attained one hour of service as defined in the Plan document. Employees that are covered by a collective bargaining agreement are not eligible to participate in the Plan including those employed as players, leased employees and certain other employees, as defined in the Plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The Plan's investments are held by Fidelity Management Trust Company ("Fidelity") as of December 31, 2023 and 2022, and for the year ended December 31, 2023.

Contributions

Under the terms of the Plan, employees may participate by making pre-tax contributions not to exceed the Internal Revenue Code ("IRC") limit of \$22,500. If the participant was at least age 50 during the year, they were allowed to defer an additional \$7,500. The employer made matching contributions to the Plan in an amount equal to the lesser of 50% of the participant's pre-tax contribution, 2.5% of the participant's compensation, or \$3,750 annually. Employees may direct their contributions, rollovers and employer matching contributions into one or more investment accounts offered by the Plan. Participants may elect to change their future investment elections and the amount of their relative account balances. Additional employer contributions ("Company's Nonelective Employer Contributions") may be contributed at the option of the Company and are invested in a portfolio elected by the participant. No such contributions were made in the year ended December 31, 2023.

Eligible employees are automatically enrolled in the plan unless they elect otherwise. For each employee that was eligible prior to April 1, 2020, the Plan will automatically assume a 3% pre-tax contribution and for employees eligible beginning April 1, 2020 the plan will automatically assume a 5% pre-tax contribution. The Plan includes a 1% automatic annual increase up to a 10% cap unless the participant elects otherwise.

Rollover Contributions

With the employer's prior written consent, an eligible employee may make one or more rollover contributions to the Plan if the employee demonstrated, to the employer's satisfaction, that the contribution qualified as a rollover contribution under the IRC rules.

Participant Accounts

Each participant's account is credited with (a) the participant's contributions; (b) the employer's matching contributions; and (c) plan earnings. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that could be provided from the participant's account.

Payment of Benefits

Upon retirement, death or disability, the participants or their beneficiaries, are entitled to receive 100% of their account balance. At age 59½, the participants are entitled to withdraw their salary deferral balance while employed without penalty.

See independent accountant's reports (2022 compiled).

Columbus Crew SC Retirement Plan

NOTES TO THE FINANCIAL STATEMENTS - CONTINUED

December 31, 2023 (audited) and 2022 (compiled)

Upon termination of service, participants may elect to receive a lump-sum distribution equal to the entire value of their account or a portion thereof. If the account is not fully withdrawn, the remaining balance will remain part of the investment and share in investment gains and losses; however, the participant may not elect further contributions.

Hardship withdrawals from participants' vested accounts are permitted in the event of immediate and heavy financial needs as defined in the Plan document.

Participants may withdraw their salary deferral or rollover account balances for certain circumstances as defined by the Plan document. These withdrawals are subject to IRC rules and regulations.

Participants who reach age 73 are required to start withdrawing a minimum amount each year.

Vesting

Participants are immediately vested in all deferral contributions, employer matching contributions and earnings attributable to those contributions. Vesting in the Company's Nonelective Employer Contributions and earnings thereon is based on years of credited service and is subject to the following vesting schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
1	20
2	40
3	60
4	80
5 or more	100%

Notes Receivable From Participants

Participants may borrow from their accounts, a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Participants may have only one loan outstanding at any given time. Loans are made for a fixed period not to exceed five years, except for a loan used to acquire the participants' principal residence, in which case the loan period may not exceed ten years. Interest is charged on the loans at a fixed rate equal to the prime rate at the time the loan is made plus 1%. The interest rates ranged from 4.25% to 9.25% at December 31, 2023 and 4.25% to 6.50% at December 31, 2022. Unpaid loan balances are immediately due and payable upon termination of employment.

Plan Termination

Although the Company has expressed no intent to do so, the Company has the right under the Plan in certain circumstances to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA.

Forfeitures

An employee may forfeit the non-vested portion of their account if employment ceases and the employee is less than 100% vested in any Company contributions made to their account. Forfeited balances of terminated participants' nonvested accounts are used to reduce future Company contributions or pay plan expenses. During the year ended December 31, 2023, the Company did not use any available forfeitures to fund Company contributions or plan expenses. There were \$1,376 and \$1,291 of available forfeitures as of December 31, 2023 and 2022, respectively.

See independent accountant's reports (2022 compiled).

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in conformity with the accounting principles generally accepted in the United States of America ("US GAAP").

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the changes in net assets available for benefits during the reporting period and, when applicable, disclosure of contingent assets and liabilities as of the date of the financial statements. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for discussion of Fair Value Measurements.

The Plan presents in the statement of changes in net assets available for benefits, the net appreciation in the fair value of investments, which consists of the realized gains or losses, and unrealized appreciation/depreciation on those investments. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded as earned on an accrual basis.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded at December 31, 2023 and 2022. If a participant ceases to make loan repayments and the Plan administrator deems the participant loans to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Benefit Payments

Benefit payments to participants were recorded when paid.

Administrative Expenses

The Plan pays substantially all expenses reasonably incurred in administering the Plan to the extent such expenses are incurred in connection with activities necessary to operate the Plan for the benefit of its participants.

NOTE 3 - RISKS AND UNCERTAINTIES

The Plan provides for various investment options which are, in general, exposed to various risks, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affected the participants' account balances and the amounts reported in the statements of net assets available for benefits.

See independent accountant's reports (2022 compiled).

Columbus Crew SC Retirement Plan

NOTES TO THE FINANCIAL STATEMENTS - CONTINUED

December 31, 2023 (audited) and 2022 (compiled)

NOTE 4 - TAX STATUS

The Internal Revenue Service ("IRS") has issued an opinion letter dated June 30, 2020, stating that the form of the prototype plan used by the Plan is acceptable under Section 401 of the IRC. The Plan has not received a determination letter specific to the Plan itself. However, the Plan administrator believes that the Plan and underlying trust are currently designed and being operated in compliance with the applicable requirements of the IRC. Accordingly, no provision for income taxes has been recorded in the accompanying financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2022.

NOTE 5 - INFORMATION CERTIFIED BY THE TRUSTEE

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity, the Trustee of the Plan, has certified the completeness and accuracy of the investments and notes receivable from participants reported in the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022, the related investment income and interest income on notes receivable from participants reported in the statement of changes in net assets available for benefits for the year ended December 31, 2023, and the information included on Schedule H, line 4(i) - schedule of assets (held at end of year) as of December 31, 2023.

NOTE 6 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides for a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described as follows:

- Level 1 - Inputs to the valuation methodology that are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

See independent accountant's reports (2022 compiled).

Columbus Crew SC Retirement Plan

NOTES TO THE FINANCIAL STATEMENTS - CONTINUED

December 31, 2023 (audited) and 2022 (compiled)

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation of other means.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The Plan's assessment of the significance of particular inputs to these fair value measurements requires judgment and considers factors specific to each asset. Valuation techniques used need to maximize the use of the observable inputs and minimize the use of unobservable inputs. Following is a description of valuation methodologies used for assets measured at fair value at December 31, 2023 and 2022:

Mutual Funds: Valued at quoted market prices on the last business day of the Plan year end.

Collective Trust Funds: Valued using the net asset value ("NAV") of the fund. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value for the collective trust funds.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Fair Value Measurements at December 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 570,626	\$ -	\$ -	\$ 570,626
Total assets in the fair value hierarchy	<u>\$ 570,626</u>	<u>\$ -</u>	<u>\$ -</u>	570,626
Investments measured at NAV ⁽¹⁾				<u>3,731,523</u>
Investments at fair value				<u>\$ 4,302,149</u>

Fair Value Measurements at December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 2,645,050	\$ -	\$ -	\$ 2,645,050
Total assets in the fair value hierarchy	<u>\$ 2,645,050</u>	<u>\$ -</u>	<u>\$ -</u>	2,645,050
Investments measured at NAV ⁽¹⁾				<u>1,291</u>
Investments at fair value				<u>\$ 2,646,341</u>

⁽¹⁾ These investments are collective trust funds. The collective trust funds are measured at fair value using NAV, and therefore have not been classified in the fair value hierarchy. There is no unfunded commitment. Redemption frequency is daily. There are no other redemption period restrictions or notice periods. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value without any redemption notice or restrictions. At the Plan sponsor level, there must be

a 12-month notice at which point the Plan enters into a 12-month put and at the end of 12 months the funds are liquidated.

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments include funds managed by the trustee; therefore, the transactions related to these funds qualify as party-in-interest transactions. Additionally, certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

NOTE 8 - SUBSEQUENT EVENTS

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 10, 2024, the date the financial statements were available to be issued. The Plan is not aware of any subsequent events which would require recognition or disclosure in the financial statements.
