**Independent Auditor's Report**

To the Trustees and the Participants of the  
The Bloc 401(k) Plan

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of The Bloc 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(c) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and December 31, 2022, and the related statements of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan, by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2023 and December 31, 2022, and for the year ended December 31, 2023 stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

**Auditor's Responsibilities for the Audit of the Financial Statements (continued)**

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Supplemental Schedules Required by ERISA**

The supplemental schedules – Schedule H-Part IV-Line 4(a) – Schedule of Delinquent Contributions for the year ended December 31, 2023 and Schedule H-Part IV-Line 4(i) – Schedule of Assets (Held at End of Year) at December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**THE BLOC  
401(k) PLAN**

**Notes to Financial Statements  
December 31, 2023**

**Note 1 – Description of Plan**

The following description of The Bloc 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

**General**

The Plan is a defined contribution plan established on May 1, 2003, and subsequently amended and restated. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Employees of The Bloc (the “Company”) are eligible to participate in the Plan for purposes of elective deferrals and the Company’s matching contributions upon hire. The Plan Administrator is responsible for oversight of the Plan and determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

**SECURE 2.0 Act**

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included the SECURE 2.0 Act. The SECURE 2.0 Act contains over 90 new retirement provisions, with varying effective dates through 2027. Since the SECURE 2.0 Act provisions include both required and optional elements, the Plan Administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan’s 2023 financial statements.

**Participant accounts**

Each participant’s account is credited with the (a) participant’s contributions, (b) allocations of the Company’s contributions and (c) Plan earnings net of an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

**Contributions**

Upon eligibility, participants may make pre-tax and Roth contributions to the Plan, subject to certain limitations set under the Internal Revenue Code (“IRC”). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Company makes a discretionary matching contribution which is determined annually. For 2023, the Company elected to match 25% of employee deferrals up to 6% of compensation. Employees who become eligible to participate in the Plan are automatically enrolled to contribute 6% of compensation upon being hired unless they affirmatively elect not to participate in the Plan.

**Investment options**

Each participant may direct the investment of his/her account into certain available investment options. The assets of the Plan are allocated to the applicable funds at the direction of the participant.

401(k) PLAN**

**Notes to Financial Statements (continued)

**Note 1 – Description of plan (continued)**

Vesting

Participants are immediately vested in their pre-tax contributions plus actual earnings thereon. Vesting in the Company's matching contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is cliff vested in employer contributions after three years.

Forfeitures

Forfeitures of non-vested Company matching contributions may be used to decrease future Company contributions or pay for administrative expenses.

Notes receivable from participants

Under the terms of the Plan, participants may borrow from their accounts a minimum of \$1,000 up to a maximum of the lower of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates equal to the prime rate plus 1%. Principal and interest is paid ratably through payroll deductions or payment by check over no longer than a five-year period. The five-year period may be extended to a term no longer than 30 years if the participant is borrowing to finance the purchase or renovation of a principal residence. Participants are limited to one outstanding loan at a time.

Payment of benefits

On termination of service due to death, disability, retirement, or separation from service, a participant or their beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or periodic payments as further outlined in the Plan document. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. Withdrawals from the Plan may also be made upon circumstances of financial hardship in accordance with the provisions specified in the Plan document. Minimum distribution requirements for participants who have reached age 73 also apply per the IRC.

**Note 2 – Summary of significant accounting policies**

Basis of accounting

The Plan's financial statements are prepared using the accrual basis of accounting, except for benefits paid which are recorded when paid.

401(k) PLAN**

**Notes to Financial Statements (continued)  
December 31, 2023**

**Note 2 – Summary of significant accounting policies (continued)**

Investment valuations and income recognition

The Plan's investments are reported at fair value.

Realized, unrealized gains (losses) and interest and dividend income from the assets in each account are credited to or charged against each participant's account. Purchases and sales of securities are recorded on a trade date basis.

The aggregate of (a) the net unrealized appreciation (depreciation) in the fair value of investments for the year, and (b) the net gains or losses on disposition of investments during the year is reflected as net (depreciation) in the fair value of investments for the year.

Management's fees and operating expenses charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Administrative expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participants' accounts and are included in administrative expenses.

Contributions

Contributions from participants are recorded as they are withheld from the participants' wages.

Payment of benefits

Benefit payments to participants or their beneficiaries are recorded when paid.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded at December 31, 2023 and December 31, 2022.

Concentrations of credit risk

The Plan's investments are exposed to various risks such as interest rate, market, credit and liquidity risks. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits at December 31, 2023. The Plan's investments are not insured or protected by the Pension Benefit Guaranty Corporation, or any other governmental agency, accordingly, the Plan is subject to the normal investment risks associated with mutual funds. Any defaults on notes receivable from participants would be treated as a taxable distribution to the participant.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements. Actual results could differ from these estimates.

Subsequent events

The Plan has evaluated events and transactions for potential recognition or disclosure through September 24, 2024, which is the date of the financial statements were available to be issued.

**Note 3 – Investments, at fair value**

Fair value measurements

The Plan reports its investments under the Financial Accounting Standards fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and the lowest priority to unobservable inputs. The three levels of the fair value hierarchy under this standard are as follows:

- Level 1 – Unadjusted quoted prices in active markets for identical assets.
- Level 2 – Quoted prices for identical assets in markets that are not active, quoted prices for similar assets in active markets, inputs other than quoted market prices, and inputs derived principally from observable market data.
- Level 3 – Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The following table sets forth the Plan's investment assets at fair value on December 31, 2023 and December 31, 2022 by level within the fair value hierarchy:

|              | 2023          |         |         |               |

Fair value measurements (continued)

Mutual funds

The Plan's investments in mutual funds are stated at fair value based on the quoted market prices of the underlying securities within each fund. These funds are required to publish their daily Net Asset Value ("NAV") and to transact at that price.

**Note 4 – Information certified by the Plan's Custodian**

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal Trust Company, the Custodian of the Plan, has certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits at December 31, 2023 and December 31, 2022 and the supplemental schedule – Schedule H – Part IV – Line 4(i) – Schedule of Assets (Held at End of Year) at December 31, 2023; and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2023.

**Note 5 – Plan termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue and terminate the Plan at any time, subject to the provisions of ERISA.

**Note 6 – Party-in-interest transactions**

The Plan's investments are managed by Principal Trust Company. Principal Trust Company is the Custodian, as defined by the Plan, and therefore, transactions pertaining to these investments qualify as party-in-interest transactions. Other fees related to the advisory and administration of the Plan were paid by the Plan or by the Company. These transactions also qualify as party-in-interest transactions.

**Note 7 – Tax status**

The Internal Revenue Service has determined and informed the Plan by letter dated June 30, 2020, that the Plan is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan's management and Trustees believe the Plan is designed and currently being operated in compliance with applicable requirements of the IRC.
