To the Trustee and Participants
Edelbrock Group 401(k) Retirement Plan
Olive Branch, Mississippi

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We have performed audits of the financial statements of Edelbrock Group 401(k) Retirement Plan formerly known as Competition Cams, Inc. 401(k) Profit Sharing Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023, and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP);
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of Edelbrock Group 401(k) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Edelbrock Group 401(k) Retirement Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the plan and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Edelbrock Group 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Edelbrock Group 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

For information included in the supplementary schedules that agrees to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedules, we evaluated whether the supplementary schedules, other than the information agreed to or derived from the certified investment information, including the form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary schedules, other than the information in the supplementary schedules that agrees to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

EDELBROCK GROUP 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 1 – DESCRIPTION OF PLAN

The following description of Edelbrock Group 401(k) Retirement Plan is only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of IOP Edelbrock Holdings, Inc., and all members of its controlled group (Employers), who have completed two months of employment and are 18 years of age or older. The effective date of participation for an eligible employee to become a participant, however, is the first day of the next month following the date the employee successfully met the participation requirements. The Plan is subject to the provision of the Employers Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, the employers will contribute to the Plan the total amount of pre-tax or after-tax contributions that the participants have elected. Participants who have obtained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). The employers will make a safe harbor matching contribution equal to 100% of eligible participants' contributions each payroll period that do not exceed 4% of the participants' compensation.

Upon enrollment in the Plan, a participant may direct investment of their contributions into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with the participant's contributions and rollovers from other qualified plans (when applicable), employers safe harbor matching contributions based on the participant's contributions (if applicable), and employers' discretionary contributions (when applicable). The net investment income or losses of the Plan are allocated based upon the actual earnings for each participant's individual account.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of the vested account balance. Terms shall not exceed 5 years regardless of the size of the loan. The maximum number of loans that a participant may have outstanding at any one time is one. The loan is secured by the balance in the participant's account and bears interest at commercially reasonable rates. Principal and interest are paid ratably through payroll deductions.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Vesting

Upon their effective date of participation, participants are 100% vested in their salary deferral contributions, rollover contributions, the employers' safe harbor matching contributions, and the earnings thereon. Participants are vested in the employers' discretionary nonelective and matching contributions plus earnings thereon based on years of continuous service as follows:

Years of Service	Profit Sharing Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Payment of Benefits

Participants are eligible to receive distribution of benefits upon retirement at the age of 59½, upon death, or disability without any waiting period. Upon termination of employment, distributions may be made immediately following severance of employment. The Plan allows for a distribution of benefits upon early retirement at the age of 55 after completing at least 7 years of service. Participants entitled to receive a distribution of benefits shall be paid in lump-sum or partial payments of cash. Additionally, the Plan allows for in-service distributions at age 59½, if fully vested. Hardship distributions are permitted from accounts which are fully vested.

Forfeited Accounts

Forfeitures may be used to pay administrative expenses of the Plan and to reduce employer contributions. As of December 31, 2023, and 2022, forfeited nonvested accounts totaled \$0 and \$158,950, respectively. During the year ended, December 31, 2023, forfeitures of \$187,174 were used to reduce employers' safe harbor contributions and \$7,556 was used to pay plan expenses.

Administration

Administration of the Plan has been vested with the Transamerica Retirement Solutions, LLC.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates

The Plan's financial statements are prepared using the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP), which requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

The Financial Accounting Standards Board (FASB) has adopted the Accounting Standards Codification (ASC) as the sole source of authoritative GAAP. The FASB will issue Accounting Standards Updates (ASU) from time to time to make adjustments to GAAP.

Investment Valuation

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a further discussion of fair value measurement.

Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are recorded at amortized cost plus accrued, but unpaid interest. No allowances for losses have been recorded as of December 31, 2023 and 2022.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Administrative expenses are paid by the Plan unless the employer elects to pay these expenses. During the year ended December 31, 2023, administrative expenses of \$152,953 were paid by the Plan.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN (UNAUDITED)

All of the Plan's assets are held by the Reliance Trust Company, the custodian of the Plan. The amounts set forth in the accompanying financial statements as of December 31, 2023 and 2022, and for the year ended December 31, 2023, for investments, income from investments, and the information shown in the attached supplementary schedules were summarized from information furnished by the custodian. The plan administrator has received from the custodian a certification that the information furnished by the custodian is complete and accurate.

	December 31, 2023	December 31, 2022
Investments - mutual funds	\$ 34,290,774	\$ 30,572,888
Investments - stable value fund	3,655,360	3,952,649
Investment income:		
Net appreciation in the fair value of investments	4,634,033	
Interest and dividends	936,123	
Interest income on notes receivable participants	37,039	

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 4 – FAIR VALUE MEASUREMENTS

The Plan has adopted FASB ASC 820, *Fair Value Measurement*. FASB ASC 820 defines fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

- Level 1 input consists of unadjusted quoted prices in active markets for identical assets and has the highest priority.
- Level 2 inputs are based on observable inputs corroborated by market data but not quoted on active markets.
- Level 3 inputs are based on unobservable inputs and includes situation where there is little, if any, market activity for the assets or liabilities and have the lowest priority.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

At December 31, 2023 and 2022, the following table sets forth the Plan's investments at fair value by level within the fair value hierarchy:

December 31, 2023	Fair Value	(Level 1)	(Level 2)	(Level 3)
Mutual funds	\$34,290,774	\$34,290,774	\$ -	\$ -
General account stable value fund	3,655,360	-	3,655,360	-
Total	<u>\$ 37,946,134</u>	<u>\$ 34,290,774</u>	<u>\$ 3,655,360</u>	<u>\$ -</u>

December 31, 2022	Fair Value	(Level 1)	(Level 2)	(Level 3)
Mutual funds	\$ 30,572,888	\$ 30,572,888	\$ -	\$ -
General account stable value fund	3,952,649	-	3,952,649	-
Total	<u>\$ 34,525,537</u>	<u>\$ 30,572,888</u>	<u>\$ 3,952,649</u>	<u>\$ -</u>

NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are funds managed by Transamerica Financial Life Insurance Company. Transamerica Retirement Solutions, LLC is the record keeper for the Plan, and an affiliated company to Transamerica Financial Life Insurance Company, therefore, these transactions qualify as party-in-interest transactions. Additionally, Burleigh Consulting, third party plan administrator, and Henderson Hutcherson and McCullough, plan auditor, provide services to the plan which qualify as party-in-interest transactions. Total expenses paid by the plan to parties-in-interest for year ended December 31, 2023, was \$152,953 and was offset by plan credits of \$84,580. Certain investment expenses paid to the trustee are netted against investment returns.

The Plan received \$98,284 in revenue-sharing during plan year ended December 31, 2023. These funds were used to offset \$84,580 of the \$152,953 of plan expenses during year end December 31, 2023. A balance in unallocated expense offset account forfeited \$7,556.

NOTE 6 – TAX STATUS AND UNCERTAIN TAX POSITIONS

The Plan, which is a prototype of a plan that has qualified under the Internal Revenue Code as exempt from federal income tax, has received a favorable tax determination letter on June 30, 2020, from the Internal Revenue Service. The Plan is required to operate in conformity with the Internal Revenue Code to maintain its qualification. The Plan has been amended since receiving the determination letter. However, the Plan administrator is not aware of any events that have occurred which might adversely affect the Plan's qualified status.

The Plan follows the accounting guidance for uncertainty in income taxes using the provisions of FASB ASC Topic 740, *Income Taxes*. The Plan has concluded that there are no significant uncertain tax positions requiring disclosure, and there are no material amounts of unrecognized tax benefits. The Plan's evaluation was performed for tax years ended December 31, 2021, through December 31, 2023, the years that remain subject to examination by major tax jurisdictions as of December 31, 2023.
