Independent Auditor's Report

To the Plan Administrator of  
The Rossi Group 401(k) Plan  
Middletown, Connecticut

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of The Rossi Group 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022 and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedules Required by ERISA**

The supplemental schedules, Schedule H, Line 4i – Schedule of Assets (Held at Year End) as of December 31, 2023, and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE ROSSI GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE 1 – DESCRIPTION OF THE PLAN:

The following description of The Rossi Group 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan was established on January 1, 1973. The Plan is a defined contribution plan covering all employees of The Rossi Group, LLC and affiliated Companies (collectively, the Company) who elect to participate, who have completed six months of service and are age 21 or older as of 2022. The minimum age requirement changed from 21 to 18 effective January 1, 2023. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan's Investment Committee determines the appropriateness of the Plan's investments, monitors investment performance, oversees governance of the plan, and reports to the Plan's Board of Directors.

Participant Contributions and Investment Options:

Participants may contribute up to the maximum deferral allowed by the Internal Revenue Code (the Code). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 1% of eligible compensation, increasing by 1% each year up to 8%. Participants direct the investment of their accounts into various investment options offered by the Plan with various objectives and degrees of financial risk. The Plan currently offers various mutual funds and a money market fund as investment options for participants.

Employer Contributions:

The Company may make separate contributions to each participant group to be allocated among the eligible participants in such group. For the years ended December 31, 2023 and 2022, the Company contributed 100% of the first 2% of salary deferrals to all company participant groups. The Company, in its sole discretion, determines the amount, if any, of the matching contributions to the Plan and when it will be made to the Plan.

Participant Accounts:

Each participant's account is credited with the participant's contribution and an allocation of the Company's matching contribution, investment earnings or losses, and charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS  
YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED):

Vesting:

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Participants vest ratably over 3 years with respect to the Company's matching contributions.

Forfeitures:

Any non-vested portion of a participant's account balance shall be forfeited upon a severance from service (as defined). Forfeitures are used to reduce future employer contributions to the Plan or reduce Plan expenses. There were no forfeitures available or any forfeitures used during the years ended December 31, 2023 and 2022.

Notes Receivable from Participants:

Participants may borrow from their account a minimum of \$1,000 up to a maximum of \$50,000, not to exceed 50% of the value of their vested interest in their account. Loan terms range from one to five years, unless such loan is for the purchase of a participant's primary residence, in which case the repayment period may not exceed beyond ten years from the date of the loan. The notes are secured by the balance in the participant's account and bear interest at rates ranging from 3.25% to 9.50%, which are commensurate with local prevailing rates as determined by the plan administrator. Principal and interest is paid ratably through monthly payroll deductions. Delinquent participant loans are reclassified as deemed distributions in accordance with the provisions of the Plan. Each participant may not have more than one loan outstanding at any time. These loans are subject to certain restrictions as defined by the Plan and applicable restrictions under the Code.

Loan balances outstanding at the time that the participant separates from employment will be repaid to the Plan via a reduction of the final benefit payment to the extent not paid prior to the determination of the distribution.

Payment of Benefits:

The normal retirement age of participants is generally considered 65. In the event of retirement, disability or a participant's termination of employment, all as defined, a participant with a vested account balance of \$1,000 or more can (1) receive a lump sum cash distribution, (2) continue to leave their assets in the Plan or (3) make a transfer to another plan. Participants with a vested account balance under \$1,000 will receive a lump sum distribution. A partial withdrawal is permitted upon termination of service due to disability or retirement for participants or the beneficiaries who must receive required minimum distributions as defined by the Code. The Plan also allows for in-service distributions of the participant's vested account upon reaching the age of 59 ½ or due to hardship, as defined by the Plan.

NOTES TO FINANCIAL STATEMENTS  
YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting:

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (US GAAP).

Use of Estimates:

The preparation of financial statements in conformity with US GAAP requires management of the Plan to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of income and expense during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition:

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan (see Note 6).

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits:

Benefits are recorded when paid.

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as deemed distributions in accordance with the provisions of the Plan. Management has evaluated notes receivable from participants for collectability and has determined that no allowance is considered necessary.

NOTES TO FINANCIAL STATEMENTS  
YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED):

Administrative Expenses:

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Reclassifications:

Certain 2022 amounts have been reclassified to conform to the 2023 presentation. Such reclassifications had no material effect on the financial statements.

Subsequent Events:

Management has evaluated subsequent events through October 8, 2024, the date the financial statements were available to be issued.

NOTE 3 – RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 4 – CERTIFIED INVESTMENTS:

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments held and notes receivable from participants at December 31, 2023 and 2022, and net appreciation (depreciation) in fair value of investments, interest and dividends and interest income on notes receivable from participants for the years ended December 31, 2023 and 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Capital Bank and Trust Company (the trustee of the Plan), a qualified institution.

Effective January 1, 2022, the Plan changed trustees from Principal Trust Company to Capital Bank and Trust Company. All plan assets were transferred to Capital Bank and Trust Company during 2022. The fully benefit-responsive guaranteed investment contract (see note 6) was held by Principal Trust Company until November 9, 2022 and was liquidated and is no longer offered as an investment option to the Plan. Management has received a certification from Principal Trust Company from January 1, 2022 through November 9, 2022, certifying that information as being complete and accurate.

YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE 5 – FAIR VALUE MEASUREMENTS:

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants, as of the measurement date.

Authoritative guidance establishes a hierarchy of valuation techniques based upon whether the inputs to those valuation techniques reflect assumptions other market participants would use based upon market data obtained from independent sources (also referred to as observable inputs).

The following summarizes the fair value hierarchy:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the assets or liabilities;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets' or liabilities' fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded, and therefore are classified as Level 1.

NOTE 5 – FAIR VALUE MEASUREMENTS (CONTINUED):

Money Market Fund: Valued at the closing market value of the shares held by the Plan. The money market fund held by the Plan is deemed to be actively traded, and therefore classified as Level 1.

The following tables present the fair value of the Plan's investments at December 31, 2023 and 2022, classified using the fair value hierarchy:

| Total investments at fair value | <u>\$ 4,930,815</u> | <u>\$ -</u> | <u>\$ -</u> | <u>\$ 4,930,815</u> |

The Plan's policy is to recognize transfers into or out of Level 3 as of the date of the event or change in circumstances that cause the transfer. For the years ended December 31, 2023 and 2022, there were no transfers of investments into or out of Level 3, respectively.

NOTE 6 – GUARANTEED INVESTMENT CONTRACT:

The Plan had a fully benefit-responsive guaranteed investment contract through the date of liquidation on November 9, 2022. Principal Trust Company maintained the contributions in a general account. The fully benefit-responsive guaranteed investment contract was liquidated during the year ended December 31, 2022, and is no longer offered as an investment option to the Plan (see Note 4). The account was credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer was contractually obligated to repay the principal and a specified interest rate that was guaranteed to the Plan. The crediting rate was based on a formula established by the contract issuer but could not be less than zero percent. The crediting rate was reviewed on a quarterly basis for resetting. The guaranteed investment contract could not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

THE ROSSI GROUP 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS  
YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE 6 – GUARANTEED INVESTMENT CONTRACT (CONTINUED):

This contract met the fully benefit-responsive investment contract criteria and therefore was reported at contract value. Contract value was the relevant measure for fully benefit-responsive investment contracts because this was the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Principal Trust Company, represented contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants were able to ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

NOTE 7 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS:

Certain Plan investments are shares of mutual funds and a money market fund managed by Capital Bank and Trust Company, as the trustee of the Plan as of and for years ended December 31, 2023, and December 31, 2022, as defined by the Plan, and therefore, these transaction qualify as party-in-interest transactions. Notes receivable from participants are also party-in-interest transactions.

The fully benefit-responsive guaranteed investment contract was held by Principal Trust Company for the period of January 1, 2022 through November 9, 2022. As trustee of the Plan during this period of time, these transactions qualify as party-in-interest transactions.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 8 – PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts, including any employer matching contributions.

NOTE 9 – TAX STATUS:

The Plan received its latest determination letter on November 16, 2006, in which the Internal Revenue Service stated that the Plan, as then designated, was in compliance with the applicable requirements of the Code. Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code, and, therefore, they believe that the Plan was qualified and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

THE ROSSI GROUP 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS  
YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE 9 – TAX STATUS (CONTINUED):

US GAAP requires the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 10 – RECONCILIATION TO FORM 5500:

The differences between these financial statements and the Form 5500, if any, are immaterial.

NOTE 11 – DELINQUENT PARTICIPANT CONTRIBUTIONS:

During the year ended December 31, 2022, the Plan Company failed to deposit participant deferrals in the amount of \$42,928 and loan repayments in the amount \$1,825, within the required timeframe as stated by the United States Department of Labor (DOL). The 2022 contribution amounts were delayed due to the acquisition of an affiliated company. DOL regulations require that employee contributions be transferred to the trustee as of the earliest date on which such contributions can be reasonably segregated from the employer's general assets. The Plan Company has taken corrective action to ensure future compliance with timely transmission of participant contributions to the trustee.

Further, for the delinquent contributions during the year ended December 31, 2022, the Company made corrective contributions of the participants' deferrals, as well as made contributions to the Plan in the amount of the lost earnings on the late deposits. The lost earnings have an immaterial effect on the financial statements.
