For the Years Ended December 31, 2023 and 2022
With Supplemental Schedule for 2023**

INDEPENDENT AUDITOR'S REPORT

Pacific Transfer LLC Profit Sharing Plan Committee:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Pacific Transfer LLC Profit Sharing (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974, as amended (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule Form 5500, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter – Supplemental Schedule Required by ERISA (continued)

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PACIFIC TRANSFER LLC PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

For the Years December 31, 2023 and 2022

NOTE A – DESCRIPTION OF PLAN

The Pacific Transfer LLC Profit Sharing Plan (Plan) became effective on November 1, 1979. During the year ended December 31, 1998, with the formation of Pacific Transfer LLC (Company), a Hawaii limited liability company, the Plan changed its name to the Pacific Transfer LLC Profit Sharing Plan and changed the plan sponsor to Pacific Transfer LLC. The following is a description of the Plan, which provides only general information. Participants should refer to the plan document for a complete description of the Plan's provisions. The Plan was amended and restated effective January 1, 2022.

General

The Plan is a profit sharing and salary deferral plan, also known as a 401(k) plan, covering all employees (excluding employees covered by a collective bargaining agreement and leased employees) of the Company who have one year of service and have attained the age of 21. To be eligible for the employer matching and discretionary contributions, the employee must also be employed by the Company on the last day of the plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Contributions

Participants may make employee salary deferral contributions to the Plan up to the lesser of their eligible compensation or \$22,500 and \$20,500 in 2023 and 2022, respectively, adjusted annually for the cost of living, plus an additional \$7,500 and \$6,500 in 2023 and 2022, respectively, for employees age 50 and over. The Company may also elect to make discretionary contributions to the Plan as determined by the Board of Directors. Excess contributions are refunded in accordance with provisions of the Internal Revenue Code. Total contributions to each participant's account may not exceed the lesser of \$66,000 (\$72,500 if age 50 and older) in 2023 and \$61,000 (\$67,500 if 50 and older) in 2022, respectively, or annual compensation, as defined.

Participant Accounts

Each participant's account is credited with the participant's contributions plus an allocation based on participant earnings or account balances of the Company's discretionary contribution and the Plan's net earnings (losses), less an allocation of plan expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are 20% vested in employer discretionary contributions after two years of continuous service, increasing annually by 20% to 100% vested after six years of continuous service. Participant contributions, and the earnings thereon, are always 100% vested. Full vesting is provided in the event of a participant's death, retirement, or disability regardless of years of service.

PACIFIC TRANSFER LLC PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS (Continued)

For the Years December 31, 2023 and 2022

NOTE A – DESCRIPTION OF PLAN (Continued)

Payment of Benefits

The vested amount in each participant's account is payable upon normal retirement (age 65), disability, death, or termination of employment. Participants may receive the entire value of their accounts in a single lump-sum payment or in periodic payments over their life expectancy. Account balances of \$1,000 or less at the time of separation may be automatically disbursed to the participant unless the participant elects to rollover the balance to another qualified plan.

Withdrawals

Active participants may withdraw all or a portion of their vested account balances as in-service distributions after attaining age 59-1/2 by submitting a written application that is approved by the plan administrator. Hardship withdrawals are allowed for participants incurring an immediate and heavy financial need, as defined by the Plan. Hardship withdrawals are strictly regulated by the Internal Revenue Service.

Notes Receivable from Participants

Participants may borrow up to the lesser of \$50,000 or 50% of the vested portion of their account balance. The minimum loan amount is \$1,000. The notes receivable, including interest, must be repaid within five years unless the loan is used to acquire a principal residence. Notes receivable are collateralized by the participants' account balances, bear interest at prevailing rates, which ranged from 6.75% to 10.25% and 6.75% to 7.5% at December 31, 2023 and 2022, respectively, and mature on various dates through April 2033. Principal and interest is paid ratably through weekly payroll deductions.

Forfeitures

Termination of employment for reasons other than retirement, disability, or death results in a forfeiture of the nonvested portion of the participant's account balance. Forfeitures, as elected by the plan administrator, can be used to restore forfeiture accounts, pay plan administrative expenses, or reduce the Company's contribution to the Plan for the year in which such forfeitures occur. Forfeited nonvested accounts and income earned amounted to \$107 and \$7,489 during the years ended December 31, 2023 and 2022, respectively. Amounts applied towards the Plan's administrative expenses during the years ended December 31, 2023 and 2022 amounted to \$592 and \$7,004, respectively. Unallocated forfeitures amounted to \$0 and \$485 at December 31, 2023 and 2022, respectively.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

PACIFIC TRANSFER LLC PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS (Continued)

For the Years December 31, 2023 and 2022

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates

U.S. GAAP requires the plan administrator to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates, it is reasonably possible that such estimates may change within the near term, and such differences could be material to the financial statements.

Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Profit Sharing Plan Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodian. See Note D for discussion of fair value measurements. Dividends and interest income are recognized when earned. Purchases and sales of securities are recognized on a trade-date basis. Net appreciation (depreciation) in the fair value of registered investment companies and common/collective trusts includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions Receivable

Contributions receivable are recognized for amounts due from the employer and from the participants that were remitted to the qualified institution after year-end.

Notes Receivable from Participants

Notes receivable from participants are stated at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded when earned. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Expenses are recognized when the related liability is incurred. Fees related to the administration of notes receivable from participants and benefit payments to the participants are charged directly to the participant's account. Investment related expenses are included in net appreciation (depreciation) of fair value of investments. Fees incurred by the Plan for investment management services are included in net appreciation (depreciation) of fair value of investments, as they are paid through revenue sharing rather than a direct payment. Expenses are paid by the Company are excluded from these financial statements.

PACIFIC TRANSFER LLC PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS (Continued)

For the Years December 31, 2023 and 2022

NOTE C – CERTIFICATION FROM QUALIFIED INSTITUTION

Certain information related to investments, notes receivable from participants, and the related interest disclosed in the financial statements and required supplemental schedule, including investments in registered investment companies and a common collective trust held at December 31, 2023 and 2022, dividends from registered investment companies, and net appreciation (depreciation) in fair value of investments for the years ended December 31, 2023 and 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Charles Schwab Trust Bank, the qualified institution of the Plan.

NOTE D – FAIR VALUE MEASUREMENTS

U.S. GAAP provides a hierarchy that prioritizes the inputs to the valuation methodologies used to measure fair value. There are three levels of the fair value hierarchy. Level 1 inputs consist of unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. Level 2 inputs include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability. Level 3 inputs are unobservable and significant to the fair value measurement. The fair value measurement level of an asset or liability within the hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation methodologies used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values.

The Plan values its investments in registered investment companies at quoted market prices, a Level 1 input. At December 31, 2023 and 2022, there were no investments requiring the use of Level 2 or 3 inputs. The Plan's common/collective trust is valued using the Net Asset Value provided by the common collective/collective trust manager as a practical expedient in order to estimate fair value. The Net Asset Value of common/collective trust is based on the fair value of the underlying assets held by the fund, less its liabilities, and, accordingly, is not categorized in the fair value hierarchy.

The following sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered investment companies	<u>\$ 12,560,172</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 12,560,172
Common/collective trust				<u>718,479</u>
Total investments at fair value				<u>\$ 13,278,651</u>

PACIFIC TRANSFER LLC PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS (Continued)

For the Years December 31, 2023 and 2022

NOTE D – FAIR VALUE MEASUREMENTS (Continued)

The following sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered investment companies	<u>\$ 10,769,976</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 10,769,976
Common/collective trust				<u>656,120</u>
Total investments at fair value				<u>\$ 11,426,096</u>

NOTE E – COMMON/COLLECTIVE TRUST

The common/collective trust (CCT) consists of the Morley Stable Value Fund (Fund). Principal Global Investors Trust Company is the trustee and investment manager of the Fund. The objective of the Fund is to provide preservation of capital, relatively stable returns consistent with its comparatively low risk profile, and liquidity for benefit-responsive payments. The Fund seeks to achieve this objective by investing primarily in a variety of stable value investment contracts, as well as cash and cash equivalents. The Fund reported yields earned of 4.87% and 4.97% at December 31, 2023 and 2022, respectively. The actual interest credited to participants in the Fund was 2.28% and 1.45% at December 31, 2023 and 2022, respectively.

The Fund has no significant unfunded commitments, redemption restrictions, or redemption notice periods and are redeemable daily. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the Fund, the trustee of the Fund reserves the right to temporarily delay withdrawal from the Fund in order to ensure that liquidations of the Fund's investments will be carried out in an orderly business manner.

NOTE F – TAX STATUS

In a letter dated March 2, 2012, the Internal Revenue Service granted the Company a "favorable determination" because the Plan met the qualification requirements established by Section 401(a) of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. The Plan is required to operate in conformity with the IRC to maintain its qualified status. Management is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status and believes the Plan is designed and is being operated in compliance with the applicable provisions of the IRC.

PACIFIC TRANSFER LLC PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS (Continued)

For the Years December 31, 2023 and 2022

NOTE F – TAX STATUS (Continued)

U.S. GAAP requires management to evaluate uncertain tax positions to be recognized in the financial statements if they are more likely than not to fail upon regulatory examination. The plan administrator evaluated the Plan's tax positions as of December 31, 2023 and 2022 and for the years then ended by reviewing the Plan's income tax returns and conferring with its tax advisors, and determined that the Plan had no uncertain tax positions required to be reported in accordance with U.S. GAAP. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any open tax periods.

NOTE G – RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

The Plan's assets are administered by and in custody of Charles Schwab Trust Bank as of and for years ended December 31, 2023 and 2022. Charles Schwab Trust Bank is the custodian as defined by the Plan and, therefore these transactions qualify as party in interest transactions. Certain plan investments are shares of mutual funds managed by Charles Schwab, which is related to Charles Schwab Trust Bank and, therefore, these transactions qualify as party in interest transactions.

NOTE H – ADMINISTRATION OF PLAN ASSETS

The Plan's assets are held in a trust fund by the custodian of the Plan, Charles Schwab Trust Bank, under an agreement dated August 16, 2004. RiversEdge Advance Retirement Solutions, LLC serves as the recordkeeper under an agreement dated March 1, 2013. In January 2024, the Department of Labor took emergency legal action against RiversEdge for alleged violations of fiduciary duties. The plan administrator does not believe the Plan was impacted. Epic Retirement Plan Services became the recordkeeper on February 19, 2024. Certain administrative functions are performed by officers or employees of the Company, who receive no compensation from the Plan. Certain administrative and investment fees are paid by the Plan. Other administrative expenses are paid by the Company.

NOTE I – REVENUE-SHARING AGREEMENT

Charles Schwab Trust Bank participates in a revenue-sharing agreement with the registered investment companies, in which the registered investment companies pay a fee to Charles Schwab Trust Bank to offset fees to the Plan. Such investments qualify as party in interest transactions. Revenue-sharing credits applied amounted to \$13,947 and \$21,017 for the years ended December 31, 2023 and 2022, respectively. Unapplied revenue-sharing credits amounted to \$0 and \$2,384 at December 31, 2023 and 2022, respectively.

PACIFIC TRANSFER LLC PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS (Continued)

For the Years December 31, 2023 and 2022

NOTE I – REVENUE-SHARING AGREEMENT (Continued)

The following is a reconciliation of total administrative expenses for the years ended December 31, 2023 and 2022, net of revenue sharing and forfeitures applied:

	<u>2023</u>	<u>2022</u>
Total administrative expenses	\$ 80,456	\$ 79,248
Revenue sharing applied	(13,947)	(21,017)
Forfeitures applied	<u>(592)</u>	<u>(7,004)</u>
Administrative expenses – net	<u>\$ 65,917</u>	<u>\$ 51,227</u>

NOTE J – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, all participants become 100% vested in their accounts.

NOTE K – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

The Plan and Company operate in the State of Hawaii. Local, national, and international events can have severe, adverse effects on economic conditions in Hawaii. These financial statements do not include the adjustments that would result if the Plan were to account for future losses or asset impairments, as the effects on the financial statements of the Plan from such changes in economic conditions are not presently determinable.

NOTE L – SUBSEQUENT EVENTS

The plan administrator has evaluated subsequent events through October 1, 2024, which is the date the financial statements were available to be issued, and determined that the Plan did not have any subsequent events requiring adjustment to the financial statements or disclosure in the notes to the financial statements, except as disclosed in Note H to the financial statements.
