INDEPENDENT AUDITOR'S REPORT

To the Trustees of
Local Union No. 4, IBEW Pension Trust

Opinion

We have audited the accompanying financial statements of Local Union No. 4, IBEW Pension Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the years ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Local Union No. 4, IBEW Pension Trust as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the years ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Local Union No. 4, IBEW Pension Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Local Union No. 4, IBEW Pension Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Local Union No. 4, IBEW Pension Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Local Union No. 4, IBEW Pension Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of assets held at end of year and schedule of delinquent participant contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

LOCAL UNION NO. 4, IBEW PENSION TRUST
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1: DESCRIPTION OF PLAN

The following description of the Local Union No. 4, IBEW Pension Trust provides only general information. Participants should refer to the Plan agreement and Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution Plan covering all persons working under the terms of collective bargaining agreements with Radio and Television Stations and other companies in the broadcasting industry in the St. Louis metropolitan area. The most recent restatement of the Plan was November 1, 2020.

Amendments

The fourth amendment to the trust amended the trust to comply with the Department of Labor's final regulations regarding claims and appeal procedures for disability claims.

The fifth amendment to the trust agreement, provides that any lawsuit brought by any participant, beneficiary, alternate payee, employer or other third-party relating to or arising under the Pension Plan may only be brought in the venue where the Pension Plan is administered which is the United States District Court for the Eastern District of Missouri.

Member Accounts

The Board of Trustees will establish and maintain separate accounts for employer, employee and rollover contributions. Contributions for each type are allocated to the accounts. Trust earnings of terminated member's non-vested accounts (after payment of administrative expenses), are allocated to the accounts.

Vesting

Employee contributions are 100% vested. Employer contributions are vested as follows:

The participants are vested 20% after 2 years and increase 20% per year, after five years they will be vested 100%.

Contributions

Each employer participating in the Plan is required to make contributions in accordance with the collective agreement and amendments thereto. The terms of the collective bargaining agreements vary with each employer.

LOCAL UNION NO. 4, IBEW PENSION TRUST
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1: DESCRIPTION OF PLAN (continued)

Participant Contributions

The Plan allows participants to defer wages, if the collective bargaining agreement with the employer the participant works for includes that provision. The amount deferred is subject to limits of the Internal Revenue Code.

Pension Benefit

On termination of service, a member or qualified survivor may elect to receive a lump-sum payment equal to the value of his or her account, a nontransferable life annuity contract, installment payments for a fixed period of up to ten years, quarterly payments that may be modified at any time, or non-periodic payments but not more than four times a year or a combination of both types of flexible payments. In the event a member's account has a balance of \$1,000 or less, the Trustees shall distribute such account in a single lump sum distribution after two years had elapsed from the employee's termination of service.

Loans

Effective March 1, 2009, a participant, not otherwise eligible for payment of benefits, may take a loan of part of his account balance, subject to regulations of the IRS and of the Department of Labor, for the following purposes: (1) to pay non-elective, non-reimbursed medical and/or hospital expenses for the participant or dependents; (2) to prevent the eviction from, or foreclosure on the mortgage of, the participant's principal residence; or (3) to pay expenses for the repair of damage to the participant's principal residence or property due to casualty, or other similar extraordinary and unforeseeable circumstances arising as a result of events beyond the participant's control. (b) The minimum allowed for a loan is \$1,000, whichever less. (c) Loans may be restricted to participants whose employers have a 401(k)-contribution agreement authorized under the collective bargaining agreement with Local Union No. 4 or another agreement with the Plan providing for repayment of a Plan loan through payroll deduction.

Forfeiture

The Plan charges each participant account a fee on a quarterly basis which is reallocated to the forfeiture account. In addition, accounts of lost participants and lost beneficiaries shall be forfeited and used to pay administrative costs of the Plan as determined by the trustees. A lost participant is defined as a participant who is eligible for benefits but has not filed an application for benefits for more than three years and who has not responded within one year to notification of forfeiture from the Plan. Accounts may be restored, if the participant whose account has been forfeited, files an application for benefits. In this case, the reinstatement of the forfeited account plus interest shall be considered an administrative expense of the Plan.

The amount in the forfeiture account was \$46,891 and \$11,862 as of December 31, 2023 and 2022, respectively.

LOCAL UNION NO. 4, IBEW PENSION TRUST
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1: DESCRIPTION OF PLAN (continued)

Investment Options

Participants direct how their account is invested. The investments are in master accounts held by the registered investment companies and collective trust stable value fund. Allocations of the accounts are made by the Plan's third-party administrator based on the direction of the participants. The trustees have designated target benefit funds as the default investment.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investments

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participants loans are reclassified as distributions based upon the terms of the Plan document.

Contributions Receivable

Employer contributions receivable represent contributions due to the Plan. Management does not believe a bad debt allowance is necessary. The Plan has a collection policy regarding delinquent contributions. In addition, the Plan conducts payroll audits to ensure the accuracy of participant data. The trustees have established policies which define when remittance of employee contributions to the Plan is considered late.

LOCAL UNION NO. 4, IBEW PENSION TRUST
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Benefits

Benefits are recorded when paid.

Expenses

Administrative expenses are paid directly out of the Plan. Registered investment company's fees netted against investment earnings are not disclosed. The Plans investment advisor charges fees to the Plan and reimburses the Plan for 12b-1 fees.

Subsequent Events

The Plan management has evaluated subsequent events through the date of the independent accountant's audit report, which is the date the financial statements were available to be issued.

NOTE 3: FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ASC 820 establishes a framework for fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the assets or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – inputs to the valuation methodology are unobservable and significant to the fair value measurement. Following is a description of the valuation methodologies used for assets.

The valuation levels are not necessarily an indication of risk or liquidity associated with the underlying investment.

LOCAL UNION NO. 4, IBEW PENSION TRUST
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 3: FAIR VALUE MEASUREMENTS (continued)

Registered Investment Companies (Mutual Funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust Fund: Valued at the Net Asset Value (NAV) of units of collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables summarize investments measured at fair value based on NAV per share as of December 31, 2023 and 2022, respectively.

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 4: PLAN TERMINATION

While it is the intention of the Trustees that this Plan be permanent, the Trustees reserve the sole right to terminate the Plan due to any of the following: (a) by mutual consent of the Union and all participating Employers; (b) By agreement of the Trustees if one year elapses during which there are no longer any Union Agreements in force requiring contributions to this Plan; (c) By agreement of the Trustees in the event the Trust Fund shall be inadequate to carry out the intent or purpose of the Trust Agreement, or be inadequate to meet the payment obligations to Members and Beneficiaries; (d) If there are no Employees who qualify as Plan Members; or (e) If termination is required by law.

NOTE 5: TAX STATUS

The Internal Revenue Service has determined and informed the Trustees in a letter dated March 30, 2015 that the Plan as amended and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Internal Revenue Service no longer issues determination letters. The Plan was restated on November 1, 2020, the trustees and the Plan's tax counsel believe, the Plan is qualified, and the related trust was tax exempt as of the financial statement date.

NOTE 6: RISKS AND UNCERTAINTIES

The Plan invests in registered investment companies and a stable value trust which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with these investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statement of net assets available for benefits.

NOTE 7: BALANCES OF TERMINATED PARTICIPANTS

The balances of participants who have withdrawn from the Plan are \$10,943,713 and \$9,230,169 as of December 31, 2023 and 2022, respectively.

NOTE 8: PARTY IN INTEREST TRANSACTIONS

The Plan has engaged a third-party administrator and other professionals who provide services to the Plan. Management believes all of these are exempt transactions.

The investment in the collective trust is considered a party-in-interest transaction with Invesco.

LOCAL UNION NO. 4, IBEW PENSION TRUST
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 8: PARTY IN INTEREST TRANSACTIONS (continued)

Under ERISA regulations, amounts paid by a Plan participant or beneficiary or withheld by an employer from a participant's wages for contribution to a Plan are Plan assets on the earliest date that they can be reasonably be segregated from the employer's general assets. The Plan collection policy specifies a date of the 15th of the month following the month the participant contributions are withheld. The amount of the late contribution and participant loan payments was \$43,015 and \$62,363 for the years ended December 31, 2023 and 2022, respectively. The contributions are not considered fully corrected until all of the lost earnings relating to late contributions have been repaid to the Plan. Total uncorrected contributions are \$53,360.
