INDEPENDENT AUDITOR'S REPORT

To the Audit Committee of
AAA Northway, Inc. Profit Sharing 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of AAA Northway, Inc. Profit Sharing 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of AAA Northway, Inc. Profit Sharing 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in the notes to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of AAA Northway, Inc. Profit Sharing 401(k) Plan and to meet our other ethical

responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about AAA Northway, Inc. Profit Sharing 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of AAA Northway, Inc. Profit Sharing 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about AAA Northway, Inc. Profit Sharing 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) (schedule 1) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. PROFIT SHARING 401(k) PLAN

Notes to Financial Statements

December 31, 2023 and 2022

Description of the Plan

The following description of AAA Northway, Inc. Profit Sharing 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan is a profit sharing 401(k) plan and covers substantially all of the non-union employees of AAA Northway, Inc. (the Company) who meet certain eligibility criteria. Employees are eligible to participate in the Plan upon attaining age 21, working a minimum of 1,000 hours, and completing one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

The Plan permits employees to contribute to the Plan at their own discretion. In addition, the participant is able to receive an employer discretionary match (\$0.75 on each \$1.00 up to 5% of the employee's salary for 2023 and 2022). At the end of every year, the Board of Directors elects an amount, if any, to remit to the Plan based on annual profit. The profit-sharing allocation is calculated based on each participant's total salary for the year as a percentage of total salaries. For profit sharing contributions and forfeitures, each participant's salary is increased by the amount of their salary which exceeds the integration level of \$25,000.

Participant Accounts

Each participant's account is credited with the participant's voluntary contribution, discretionary employer matching contribution, an allocation of the employer's discretionary profit-sharing contribution, forfeitures and plan earnings. Participants are immediately vested in their voluntary contributions plus net earnings thereon. Each participant chooses the fund or funds in which contributions are to be invested. A participant may change the fund or funds into which their contributions are invested or transfer all, or a portion of, their account balance between funds upon proper notification by initiating the change/transfer on their own using the Glens Falls National Bank and Trust Company website or by calling the Glens Falls National Bank and Trust Company voice response unit. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. During 2023, all assets were transferred to ASCENSUS as the new Third Party Administrator.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in AAA Northway, Inc.'s contributions portion of participant accounts is based on years of continuous service and is the earlier of the vesting schedule below or plan termination, the occurrence of normal retirement age (65), or death or disability.

<u>Years of Service</u>	<u>Percent Vested</u>
Less than two years	0%
Two years	20%
Three years	40%
Four years	60%
Five years	80%
Six years	100%

Payment of Benefits

Participants receive their benefits in a single lump sum amount if their balance does not exceed \$5,000. If the balance exceeds \$5,000, participants can receive benefits in a single lump-sum payment or a partial withdrawal.

Notes to Financial Statements

December 31, 2023 and 2022

Description of the Plan – Continued

Forfeited Accounts

Any balance in forfeited accounts will be used to reduce the employer matching and profit-sharing contributions or used to pay administrative expenses. At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$-. For 2023 and 2022, \$1,919 and \$1,744, respectively, of forfeitures from partially vested accounts were used to reduce employer contributions. Forfeitures are allocated to each participant's account based upon the relation of the participant's eligible compensation to total eligible compensation.

Summary of Significant Accounting Policies

The following is a summary of significant accounting policies, which are in conformity with generally accepted accounting principles and the trust for the Plan:

Estimates

The preparation of financial statements in accordance with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Shares of mutual funds are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Participant Loans Receivable

Loans receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans from participants are recorded as distributions based upon the terms of the Plan Document.

Benefits

Benefit payments to participants are recorded when paid.

Plan Expenses

All costs and expenses incurred in connection with the operation of the Plan, other than quarterly statement, loan maintenance and distribution fees, are paid by AAA Northway, Inc. and are not included in the financial statements. The Plan is not responsible for reimbursement to AAA Northway, Inc.

Notes to Financial Statements

December 31, 2023 and 2022

Fair Value Measurement

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables present fair value measurement information for certain financial instruments. The carrying values of receivables and cash equivalents included in the accompanying statements of net assets available for benefits approximated fair value at December 31, 2023 and 2022, and are thus not included in the following table.

		Fair Value Measurements at Reporting Date Using:	
		Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)
December 31, 2023			
Mutual Funds:			
Equities	\$ 11,865,905	\$ 11,865,905	
Total	\$ 11,865,905	\$ 11,865,905	

		Fair Value Measurements at Reporting Date Using:	
		Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)
December 31, 2022			
Mutual Funds:			
Fixed income	\$ 1,905,107	\$ 1,905,107	
Equities	8,500,187	8,500,187	
Total	\$ 10,405,294	\$ 10,405,294	

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

AAA NORTHWAY, INC.
PROFIT SHARING 401(k) PLAN

Notes to Financial Statements

December 31, 2023 and 2022

Fair Value Measurement – Continued

Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When applicable, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year end.

Participant Loans Receivable

Under the terms of the Plan agreement, participants may be approved to borrow up to 50% of their account balances. The minimum loan amount is \$1,000 and the maximum loan cannot exceed the lesser of 50% of the account balance or \$50,000. The loans are secured by the participant's account (subject to the terms of the Plan and in accordance with applicable legal requirements). Participant loans are payable over a period, no longer than five years, together with interest at market rates. However, loans made for the purchase of a primary residence may not exceed 30 years. Participant loans were \$101,214 and \$180,115 at December 31, 2023 and 2022, respectively, with stated interest rates of 9.50% to 4.25%.

Plan Termination

Although it has not expressed any intent to do so, AAA Northway, Inc. has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their account balance.

Income Tax Status

The underlying non-standardized prototype plan has received an opinion from the Internal Revenue Service (IRS) dated March 31, 2014, stating that the form of the Plan is qualified under Section 401(a) of the Internal Revenue Code (the Code) and, therefore, the related trust is tax exempt. In accordance with Revenue Procedures 2011-49 and 2011-44 I.R.B 608, the plan administrator has determined that it is eligible to, and has chosen to, rely on the current IRS prototype plan opinion letter. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The prototype plan has been amended to comply with recent legislation. The Plan has not filed for its own determination letter. However, the plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

Parties-in-Interest

The Plan utilizes vendors to provide services to the Plan including, but not limited to its annual audit, participant record keeping, trustee and custodian of assets and insurance coverage. Such service providers are parties-in-interest under ERISA.

For the years ended December 31, 2023 and 2022, there were no prohibited transactions between the Plan and the parties-in-interest.

Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Reconciliation of Financial Statement Investments to Form 5500

The following is a reconciliation of investments per the financial statements to investments as reported on Form 5500.

	<u>2023</u>	<u>2022</u>

Difference represents participant loans of \$101,214 and \$180,115 reflected as receivables on the financial statements and as investments on Form 5500.	<u>\$ 101,214</u>	<u>\$ 180,115</u>

Note: Total net assets per the financial statements equals total net assets reported on Form 5500 for both years.

Subsequent Events

Plan management has evaluated all events through September 25, 2024, the date which these financial statements were available to be issued, and determined that there are no subsequent events which require disclosure.
