REPORT OF THE INDEPENDENT AUDITOR

To the Plan Administrator and Participants of
the CWPM, LLC 401(k) Profit-Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of CWPM, LLC 401(k) Profit-Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of CWPM, LLC 401(k) Profit-Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of CWPM, LLC 401(k) Profit-Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CWPM, LLC 401(k) Profit-Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CWPM, LLC 401(k) Profit-Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CWPM, LLC 401(k) Profit-Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets held at year end, supplemental schedule of assets acquired and disposed within the plan year, and supplemental schedule of reportable transactions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CWPM, LLC
401(K) PROFIT-SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF PLAN

The following description of the CWPM, LLC 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General Information:

The Plan is a defined contribution plan established to provide retirement benefits for employees of CWPM, LLC (the Company) who have at least sixty (60) days of service and have reached the age of 18, effective by a Plan Amendment on January 1, 2022. Previously, participants were eligible to participate who had at least one-year of service and reached age 18. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions:

This is a safe harbor 401(k) plan and is referred to as a qualified automatic contribution arrangement 401(k) plan. The employer makes safe harbor matching contributions equal to 100% of employee salary deferrals that do not exceed 1% of their respective compensation, plus 50% of salary deferrals between 1% and 6% of employee compensation.

Participant contributions to the Plan were \$1,160,570 and \$1,040,815 for the years ended December 31, 2023 and 2022, respectively. Participants also rolled over \$68,983 and \$29,075 of contributions from other qualified retirement plans in 2023 and 2022, respectively. The employer's matching contributions were \$535,212 in 2023 and \$485,426 in 2022.

Participant Accounts:

Participants have separate accounts for employee and employer contributions for each investment option selected. Participants may elect to have contributions invested in any or all of the investment options, subject to certain limitations. Investment income and administrative expenses are allocated to the participant's accounts. Allocations of investment income and administrative expenses are based on the participant's compensation or account balances, as defined.

Notes Receivable from Participants:

At the discretion of the Plan, participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or one-half of their vested account balance. Loan terms range from one to five years, except for loans to purchase a primary residence, which may be offered over a term up to thirty years. The loans are secured by the balance in the participant's account and bear interest at a rate which professional lenders would charge, as determined by the plan administrator. The notes currently bear interest at 4.25% to 9.50%. Generally, principal and interest are paid ratably through payroll deductions.

CWPM, LLC
401(K) PROFIT-SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Vesting:

Participants are immediately 100% vested in their salary deferral contributions, including catch-up contributions, and any rollover contributions they make to the plan. Earnings on employee deferral contributions and rollover contributions are immediately 100% vested to the participant. Participants are 100% vested in qualified safe harbor contributions after the completion of two-years of service.

The Plan also features a five-year graded vesting schedule for other than safe harbor matching contributions as follows:

<u>Years of Service</u>	<u>Vested %</u>
1	20%
2	40%
3	60%
4	80%
5	100%

Forfeitures:

Upon termination of employment, a participant's non-vested account balance is used to reduce the Company's matching contributions to the Plan. During 2023 and 2022 no forfeitures were used to reduce employer contributions.

Payment of Benefits:

Upon retirement, disability, death or termination of employment, the participant shall become entitled to the total value of his or her vested account, determined as of the valuation date. The Plan also provides for in-service withdrawals by qualified participants. Distributions will be paid by lump sum. Benefits to participants are recorded when paid.

Administrative Expenses:

The plan sponsor bears the majority of the costs of administering the Plan. The Plan records certain costs for recordkeeping and participant loan administration.

Investment Options:

Upon enrollment in the plan, participants may direct their contributions to a variety of mutual funds and guaranteed investment contracts held with the Trustee, Empower Retirement, in 2023 and 2022.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The Plan uses the accrual basis of accounting for plan transactions.

CWPM, LLC
401(K) PROFIT-SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Investment Valuation and Income Recognition:

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for a disclosure of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Notes Receivable from Participants:

Loans to participants are reported at their unpaid principal balances plus any accrued and unpaid interest.

Reclassifications:

Certain amounts reported in 2022 have been reclassified to conform to classifications reflected in these financial statements. None of the reclassifications affected previously reported changes in assets available for benefits.

3. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

All asset information included in the Plan's financial statements and supplemental schedules at and for the years ended December 31, 2023 and 2022 were obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the Trustees.

The Plan's investments, including investments bought, sold, and held during the year, appreciated or (depreciated) in fair value as follows:

American Funds 2025 Target Date Retirement R6	1,086,114	891,177

4. INVESTMENT CONTRACTS

The Plan has benefit-responsive guaranteed investment contracts with Empower Retirement (Empower Retirement Trust Company, LLC). Empower Retirement Trust Company, LLC maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. This investment option an Empower Investment Fixed Account – Series Class VI with its identification number of IGWAQ10.

Because these guaranteed investment contracts meet the criteria to be considered fully benefit-responsive, contract values are the relevant measurement attribute for that portion of the net assets available for benefits attributable to such guaranteed investment contracts. Guaranteed investment contracts are presented on the face of the statement of net assets available for benefits at contract value. Contract values, as reported to the Plan by the Empowerment Retirement Trust Company, LLC, represent contributions made under the contracts, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract values of the investment contracts at December 31, 2023 and 2022 was \$221,724 and \$165,262, respectively. The crediting interest rate ranged between 2.55% and 1.75% for the 2023 and 2022 plan years. Such interest rates are reviewed on a quarterly basis for resetting.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with participants are probable of occurring. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

5. FAIR VALUE MEASUREMENTS

Authoritative guidance associated with fair value measurements provides a framework for measuring fair value and establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and liabilities (and have the highest priority) and Level 3 inputs are unobservable and have the lowest priority. The level of a fair value hierarchy is determined entirely by the lowest level input that is significant to the fair value measurement. When available, the Plan uses Level 1 inputs because they generally provide the most reliable evidence of fair value.

- Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical assets or liabilities;
- Level 2 - Unadjusted quoted prices in active markets that are accessible at the financial instruments for which all significant inputs are observable, either directly or indirectly;
- Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

6. INCOME TAX STATUS

The Plan is qualified under the applicable section of the Internal Revenue Code (the "IRC") and, as such, is exempt from Federal income taxes. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The CWPM, LLC Plan Administrator is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status.

CWPM, LLC
401(K) PROFIT-SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

The Plan obtained its latest determination letter on March 31, 2008, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

7. RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Empower Retirement Trust Company, LLC. Empower Retirement is the Trustee and continues in this fiduciary capacity through December 31, 2023. Therefore, these transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA.

Fees paid by the Plan for the investment management services are netted against net appreciation in fair value of investments. Fees paid to Empower Retirement by the Plan in 2023 and 2022 were \$62,657 and \$31,462 respectively. These fees are included in total Plan administrative expenses of \$71,187 in 2023 and \$41,942 in 2022.

8. RISKS AND UNCERTAINTIES

The Plan provides for various investment options in mutual funds and guaranteed investment contracts. These investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and those changes could materially affect participant account balances and the amounts reported in the statement of assets available for benefits.

9. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent (100%) vested in their employer contributions.
