Independent Auditor's Report

To the Trustees/Fiduciaries of the
Malloy 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Malloy 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Malloy 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

Basis for Opinion (Continued)

We are required to be independent of Malloy 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Malloy 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Malloy 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Malloy 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplementary Schedules Required by ERISA

The supplementary Schedule H, Line 4a - Schedule of Delinquent Participant Contributions and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplementary schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedules, we evaluated whether the supplementary schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Trustees/Fiduciaries of the
Malloy 401(k) Plan

Other Matter - Supplementary Schedules Required by ERISA (Continued)

In Our Opinion,

- the form and content of the supplementary schedules, other than the information in the supplementary schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplementary schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MALLOY 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF THE PLAN

The following description of Malloy 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) plan established February 1, 1999, with discretionary employer matching and contribution features. The Plan covers all employees who have one year of service and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is a single-employer plan covering the employees of Malloy Charlottesville, LLC, Malloy Winchester, LLC, Malloy Auto of Winchester, Malloy Motor Company, Malloy Woodbridge, LLC, Malloy Chevrolet Cadillac, LLC, Malloy Collision Center, and Malloy Alexandria, LLC (the Companies).

Contributions

Participants may make tax-deferred payroll contributions from their salaries. These allowable contributions are subject to the limitations of the Internal Revenue Code (IRC).

The Companies may make matching contributions to the Plan each year equal to a discretionary percentage, to be determined by the employers, of the participants' salary reductions. The employers may also make discretionary contributions to the Plan. All employers' contributions will be paid to the custodians no later than the date prescribed by law for filing the employers' federal income tax returns.

Participants direct the investment of their and the employers' contributions into various mutual fund and fixed return investment options offered by the Plan.

Rollover Contributions

The Plan accepts rollover contributions from retirement funds held by participants outside of this Plan, subject to provisions.

Investment Options

The Plan provides for participant-directed investment programs whereby the Plan determines which investment options are available and the participants may choose among the available options. Participants may have their accounts invested in any or a combination of common/collective investment trust or pooled separate accounts. Participants may change their investment options at any time by reallocating contributions among different investment alternatives. Participants may also transfer contributions into and out of investments provided under the Plan, subject to possible restrictions.

Participant Accounts

Each participant's account is credited with the participant's contributions (including elective deferrals, catch-up contributions, and/or rollover contributions), the employers' matching, and discretionary contributions, if any, share of any investment earnings, and increases in the value of investments.

MALLOY 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF THE PLAN (CONTINUED)

Participant Accounts (Continued)

Participant accounts are also reduced by any withdrawals or distributions, investment losses, decreases in value of investments, and share of fees and expenses, as applicable. Allocations are based on participant earnings or account balances, as defined pursuant to the Plan's provisions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Each participant is immediately vested in his or her voluntary contributions and rollover contributions plus earnings thereon. Vesting in the remainder of the participant's account balance, which arises from employers' matching and discretionary contributions, if any, and forfeitures, plus earnings thereon, is subject to a vesting schedule. A participant is 20 percent vested after two years of service is completed and vests an additional 20 percent per year until full vesting after six years.

The Plan is not currently a top-heavy plan but does provide for accelerated vesting if it should become top heavy.

Notes Receivable from Participants

Participants may borrow from their plan accounts up to a maximum of \$50,000 or 50% of their vested account balances, whichever is less. Each loan is secured by the balance in the participant's account and bears interest at a rate that is commensurate with local prevailing rates as determined by the plan administrator. Delinquent participant loans are reclassified as distributions based on the terms of the plan document. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Distributions from amounts attributable to salary deferrals are not permitted before the age of 59½ except in the event of death or disability. A participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or a life annuity. For termination of service or for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. The taxable portion of a withdrawal is subject to federal and state income taxes and an additional tax if the participant has not reached retirement age, unless the amount is rolled over into another eligible plan or an Individual Retirement Account. Effective January 1, 2020, the Plan was amended to allow hardships withdrawals.

Administrative Cost

The cost of administering the Plan is paid by either the Plan or the participants' employers, as provided by the plan agreement.

Forfeited Accounts

Terminating participants forfeit the non-vested portions of the participants' employer contributions. Forfeitures can be used to pay administrative costs of the Plan, restore previously forfeited account balances as necessary, or reduce future employer contributions.

MALLOY 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Forfeited Accounts (Continued)

As of December 31, 2023 and 2022, forfeited non-vested accounts totaled \$80 and \$-0-, respectively. During 2023, forfeitures totaling \$6,785 were used to reduce the employer contributions.

Basis of Accounting

The Plan presents its financial statements under the accrual method of accounting in accordance with generally accepted accounting principles in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results may differ from those estimates.

Contributions

Employee contributions are recorded in the period that the Companies deduct deferrals from the participants' earnings. Contributions from the employers of the Plan are accrued in the period in which they become obligations under provision of the plan agreement.

Investment Valuation and Income Recognition

Investments of the Plan are stated at fair value. Shares of registered investment companies (mutual funds) are valued at quoted market prices, which represent the net asset values of shares held by the Plan at year end. Insurance general accounts and annuity contracts, when present, are stated at contract value, which approximates fair value.

Purchases and sales of investments are recorded on a trade date basis. Interest revenue is recorded on the accrual basis when earned. Dividends are recorded on the ex-dividend date. Realized gains and losses on investments are recognized upon the sale of the related investments. Unrealized appreciation and depreciation in the fair value of investments are recognized in the financial statements in the period in which such changes occur.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the plan document.

Payment of Benefits

Benefits to recipients are recorded when paid.

MALLOY 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding reduction to contributions.

3. INFORMATION CERTIFIED BY THE PLAN CUSTODIANS

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8(C) of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, Principal Life Insurance Company and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, the custodians of the Plan, has certified that the information related to investments included in the accompanying financial statements and supplementary schedules are complete and accurate.

	2023	2022
Investments, at Fair Value	\$ 5,652,392	\$ 4,404,833

4. FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the accounting literature are described as follows:

Level 1 - inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - inputs to the valuation methodology are unadjusted quoted prices for similar assets in active or inactive markets.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets on December 31, 2023.

Pooled Separate Accounts (PSAs): The net asset value (NAV) is the basis for current transactions of PSAs and can be redeemed at NAV as of the measurement date. Therefore, the custodians believe PSAs have a "Readily Determinable Fair Value." The NAV is calculated in a manner consistent with generally accepted accounting principles (GAAP) in accordance with investment company measurement principles.

MALLOY 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

4. FAIR VALUE MEASUREMENTS (CONTINUED)

Pooled Separate Accounts (PSAs) (Continued): The custodians reserve the right to defer transfers or payments as described in the Separate Account rider found in the Group Annuity Contract issued to the Plan. Because PSAs are valued similar to mutual funds, they are valued at a Level 1 input to allow for consistent disclosure.

Common/Collective Investment Trusts: Valued at the net asset value (NAV) of shares held on the last day of the plan year provided by the entity holding the trust funds. The NAV of the common collective investment trust is used as a practical expedient to estimate fair value and is determined by the custodians based on the fair value of the underlying assets in the trust, less liabilities. Investments in the common collective investment trust can be redeemed immediately at the current net asset value. There are no withdrawal limitations, redemption frequency limitations, or redemption notice periods. There were no unfunded commitments for these investments as of December 31, 2023.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

	Total	Level 1 Inputs	Level 2 Inputs	Level 3 Inputs
<u>December 31, 2023</u>				
Total Assets within the Fair Value Hierarchy	\$ 5,617,628	\$ 5,617,628	\$ -	\$ -
Investments Measured at Net Asset Value*	34,764			
Total Investments at Fair Value	<u>\$ 5,652,392</u>	<u>\$ 5,617,628</u>	<u>\$ -</u>	<u>\$ -</u>
<u>December 31, 2022</u>				
Total Assets within the Fair Value Hierarchy	\$ 4,371,839	\$ 4,371,839	\$ -	\$ -
Investments Measured at Net Asset Value*	32,994			
Total Investments at Fair Value	<u>\$ 4,404,833</u>	<u>\$ 4,371,839</u>	<u>\$ -</u>	<u>\$ -</u>

* In accordance with ASU 2015-07, investments that are measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

	Fair Value 2022	Fair Value 2023	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
a. Collective Investment Trust	\$ 32,994	\$ 34,764	\$ -	daily	1 day
	<u>\$ 32,994</u>	<u>\$ 34,764</u>			

5. RELATED PARTY TRANSACTIONS

Certain plan investments are shares of mutual funds managed by Principal Life Insurance Company and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, the custodians of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Administrative fees paid to the custodians also qualify as party-in-interest transactions. For the year ended December 31, 2023, administrative fees totaled \$56,853.

MALLOY 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

5. RELATED PARTY TRANSACTIONS (CONTINUED)

During 2023, the Companies failed to remit to the custodians certain employee contributions totaling \$17,806 within the period prescribed by the Department of Labor regulations, which have been fully corrected in 2023. Both the administrative fees and the delinquent remittances are considered nonexempt party-in-interest transactions.

6. CONCENTRATIONS

The following investments represent approximately 15 percent or more of the Plan's net assets:

	<u>2023</u>		<u>2022</u>	
Principal LifeTm 2020 Sep Acct	\$ 897,937	16%	\$ 872,004	20%

7. TAX STATUS

The prototype plan sponsor has obtained its latest determination letter dated March 31, 2014, in which the Internal Revenue Service stated that the Plan, as designed and amended under the 2010 Cumulative List of amendments, was in compliance with the applicable requirements of the Internal Revenue Code.

The Plan meets the requirements of the Internal Revenue Code (IRC) and ERISA to qualify as exempt from federal income taxes.

The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under that guidance, the Plan may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities based on the technical merits of the position. For the Plan, a tax position is the Plan's tax-exempt status under the provisions of the IRC and ERISA. The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. There were no unrecognized tax benefits identified or recorded as liabilities for the years ended December 31, 2023 and 2022.

The Plan's policy would be to recognize any interest and penalties on uncertain tax positions related to its unrecognized tax benefits. No interest or penalties were incurred or recognized during the years ended December 31, 2023 and 2022.

The Plan's Forms 5500, *Annual Return/Report of Employee Benefit Plan*, is open for inspection by the taxing authorities, generally for three years after filing.

8. PLAN TERMINATION

Although the Companies have not expressed any intent to do so, they have a right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, participants will be fully vested in their accounts.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

10. CONTINGENCIES

The Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) was signed into law on March 27, 2020, and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), was signed into law December 29, 2019. These laws change the Plan to, among others, allow certain eligible individuals to receive coronavirus-related relief for loan repayment, suspend required minimum distributions, and delay the commencement date for required minimum distributions.

In April 2020, certain provisions were implemented under the CARES Act. The Plan will be formerly amended for the CARES Act and the SECURE Act provisions elected in accordance with applicable law and IRS guidance. Under Notice 2022-33 and Notice 2022-45, the IRS has extended the deadline for retirement plans to adopt the amendments required by the SECURE Act and the CARES Act until December 31, 2025.

11. SUBSEQUENT EVENTS

The plan administrator has evaluated subsequent events through September 13, 2024, the date on which the financial statements were available to be issued.
