INDEPENDENT AUDITORS' REPORT

TO THE PLAN ADMINISTRATOR AND PARTICIPANTS OF
MEYERS NAVE 401(k)/PROFIT SHARING PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of MEYERS NAVE 401(k)/PROFIT SHARING PLAN (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statements of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H – Line 4i: Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

[1]*In certain jurisdictions, CBIZ CPAs P.C. operates under its previous name, Mayer Hoffman McCann P.C.*

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MEYERS NAVE 401(k)/ PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Meyers Nave 401(k)/Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General –The Plan was formed on July 1, 1986 as a defined contribution plan available to eligible employees of Meyers Nave, A Professional Corporation (the "Company") who have attained age 21 and completed one year of service. Employees governed under a collective bargaining agreement, non-resident aliens, independent contractors, associate and of counsel attorneys, leased employees and individuals not treated as employees by the Company are excluded from participating in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended, and certain provisions of the Internal Revenue Code ("IRC"). Management of the Company is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

The Plan provides for a plan administrator who is responsible for keeping accurate and complete records of the Plan's operations, informing participants of changes or amendments to the Plan, ensuring that the Plan conforms to the law and to government regulations, and providing participants with any reports and documents required by law.

Employee Transfers – Employees periodically change eligibility status between this Plan and another defined contribution plan established by the Company for certain other employees consisting of associate and of counsel attorneys. When an employee changes their eligibility status, their account balance is transferred between plans. During the year ended December 31, 2023, there were $31,370 transfers in and $12,636 transfers out to the Company's other defined contribution plan.

Participant Contributions – Participants in the Plan may elect to contribute, on a pretax basis and/or post-tax basis ("Roth"), either a percentage or set dollar amount of annual eligible compensation, as defined by the Plan agreement. Participants may contribute up to 100% of their annual eligible compensation, subject to annual limits specified by the IRC. For the year ended December 31, 2023, the annual limitation was $22,500. Participants who reached at least 50 years of age by the end of the Plan year are permitted to make additional catch-up contributions limited to $7,500 for the year ended December 31, 2023. Participants are also allowed to roll over contributions from other qualified retirement plans, subject to approval by the plan administrator.

Employer Contributions – The Company may, at its discretion, elect to make employer matching and discretionary profit sharing contributions to the Plan subject to limitations imposed by applicable provisions of the IRC. Participants must be employed by the Company on the last day of the Plan year in order to be eligible to receive employer contributions. For the year ended December 31, 2023, the Company elected not to make a matching contribution. Additionally, there were no profit sharing amounts contributed for the year ended December 31, 2023.

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Participant Accounts – The Plan maintains an account for each participant that is credited with the participant's contributions and Company matching contributions, as well as allocations of Plan earnings and discretionary profit sharing contributions. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that may be provided from the participant's vested account.

Vesting – Participants are immediately vested in their salary deferral contributions and rollover contributions plus actual earnings thereon. Participants in the Plan vest in the Company's contributions according to the following schedule:

Years of Service	Vested Percentage
Less than 1 year	0%
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Investment Options – The Plan currently offers various mutual funds and a common collective trust, as investment options for participants. Each investment option has its own investment strategy, which can be obtained through the prospectus of the respective fund. Participants may change their investment options at any time.

Notes Receivable from Participants – Eligible participants may borrow from their vested account balance and are permitted a maximum of five loans outstanding, subject to the approval by the plan administrator. The aggregate maximum loan amount is equal to the lesser of $50,000 or 50% of the participant's vested account balance. The term of the loan is not to exceed five years, except for loans used to finance the purchase of a primary residence. The loans are secured by the balance in the participant's account and interest rates are based on the prevailing interest rates charged under similar circumstances, and remain fixed throughout the life of the loan. Principal and interest are paid ratably through regular payroll deductions and become immediately due upon termination of employment, unless directly rolled over to another employer's plan.

Payment of Benefits – Participants are eligible to receive distributions from their vested account balance upon reaching normal retirement age, termination of service, disability, or death. Normal retirement age is 65 years and distributions may be in a single sum payment or in installments. A participant may also take an in-service distribution of his or her total vested account upon reaching age 59½, or upon incurring a hardship, as defined by the Plan.

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Payment of Benefits (Continued) – Generally, mandatory distributions are required to begin no later than April 1st of the calendar year following the calendar year the participant turns 73 years of age or terminates employment, whichever is later.

If a terminated participant's account balance is between $1,000 and $5,000, and no instructions have been received from such participant, the amount will be rolled over to an individual retirement account as designated by the plan administrator for the benefit of the participant. However, if the vested benefit in the participant's account does not exceed $1,000, the participant will receive the full value of the vested interest in the account as a lump sum distribution.

Forfeited Accounts – A participant's nonvested account is forfeited upon separation of service. At December 31, 2023 and December 31, 2022, forfeited non-vested accounts totaled $77,079 and $31,577, respectively. These accounts can be used to reduce future employer contributions or pay administrative expenses. For the year ended December 31, 2023, $16,987 of forfeitures were used to reduce administrative fees.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The Plan's financial statements are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results may differ from those estimates.

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's sponsor determines the Plan's valuation policies utilizing information provided by the trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants – Notes receivable from participants represent loans to participants and are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses when they are incurred.

Contributions – Contributions from Plan participants and contributions from the Employer are recorded in the year in which the employee contributions are withheld from compensation.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payments of Benefits – Benefits are recorded when paid.

Expenses – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and payments of benefits are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level l) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under this standard are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

Following is a description of the valuation methodologies used by the Plan for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2023 and 2022.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust Fund: Valued at the NAV of the units held by the Plan at year-end. The NAV, as provided by the trustee of the fund, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (issuances and redemptions) may occur daily with no redemption notice period. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan sponsor believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	2023			
	Level 1	Level 2	Level 3	Total
Assets in the Fair Value Hierarchy:				
Mutual Funds	$ 23,124,406	$ -	$ -	$ 23,124,406
Investments Measured at Net Asset Value:				
Collective Trust Fund				911,756
Investments at Fair Value				$ 24,036,162

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

	2022			
	Level 1	Level 2	Level 3	Total
Assets in the Fair Value Hierarchy:				
Mutual Funds	$ 19,789,235	$ -	$ -	$ 19,789,235
Investments Measured at Net Asset Value:				
Collective Trust Fund				926,051
Investments at Fair Value				$ 20,715,286

In accordance with Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Subtopic 820-10, investments measured at fair value using the net asset value (NAV) per share practical expedient are not classified in the fair value hierarchy. The fair value amounts presented in the tables above are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

The following table sets forth additional disclosure of the Plan's investments whose fair value is estimated using NAV per share (or its equivalent) as of December 31. There are no participant redemption restrictions for this investment; the redemption notice period is applicable only to the Plan.

Investment Contract Fund	Fair Value at December 31, 2023	Fair Value at December 31, 2022	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Putnam Stable Value Fund	$911,756	$926,051	N/A	Daily	1 Business Day

As of December 31, 2023 and 2022, four funds represented approximately 51% and 55% of the Plan's investment assets, respectively.

NOTE 4 – INFORMATION CERTIFIED BY THE TRUSTEE OF THE PLAN

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Newport Trust Company ("Newport"), the trustee of the Plan, has certified to the completeness and accuracy of all investments, notes receivable from participants reflected on the Statements of Net Assets Available for Benefits, and the information presented in Note 3, as of December 31, 2023 and 2022, the supplemental Schedule H – Line 4i: Schedule of Assets (Held at End of Year) as of December 31, 2023, and the related investment income and interest income earned on the notes receivable from participants reflected in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2023.

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 5 – TAX STATUS

The Internal Revenue Service ("IRS") has determined that the Newport Group, Inc. Defined Contribution Volume Submitter Plan and Trust is designed in accordance with applicable sections of the IRC and informed trustee of such in a letter dated June 30, 2020. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan and related trust are currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 – RELATED PARTY TRANSACTIONS

Certain fees paid by the Plan for certain Plan recordkeeping and administrative expenses provided by an affiliate of Newport Trust Company are included in net appreciation/depreciation in the value of the investments, as they are paid through revenue sharing, rather than a direct payment.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan provides for various investment options in any combination among the funds offered by the Plan. Investment securities are exposed to various risks, such as interest rate, market fluctuation and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes would materially affect the participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits and in the Statement of Changes in Net Assets Available for Benefits.

NOTE 9 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of the financial statements to Form 5500 as of December 31, 2023 and 2022 and for the year ended December 31, 2023:

	2023	2022
Net Assets Available for Benefits per Financial Statements	$ 24,169,065	$ 21,066,357
Reconciling Item:		
Accrual of Employer Contributions Receivable at December 31, Recorded on Financial Statements, not on Form 5500	-	(434,166)
Accrual of Payable to Other Plan at December 31, Recorded on Financial Statements, not on Form 5500	-	189,703
Net Assets Available for Benefits per Form 5500	$ 24,169,065	$ 20,821,894

The following is a reconciliation of the net increases in net assets per these financial statements to the Form 5500 for the year ended December 31, 2023:

Net Increase in Net Assets per the Statement of Changes in Net Assets Available for Benefits	$ 3,083,974
Reconciling Items:	
Change in Employer Contributions Receivable and Accrual of Payable to Other Plan	244,463
Net Increase in Net Assets per Form 5500	$ 3,328,437

NOTE 10 – SUBSEQUENT EVENTS

In accordance with SECURE 2.0 Act, effective January 1, 2024, if a terminated participant's account balance is between $1,000 and $7,000, and no instructions have been received from such participant, the amount will be rolled over to an individual retirement account as designated by the plan administrator. As disclosed in Note 1, the previous upper limit was $5,000.

Plan management has evaluated the impact of subsequent events on these financial statements, including disclosures, through October 9, 2024, which is the date the financial statements were available to be issued.
