Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒	
e Was this plan covered by a fidelity bond?	☒		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	☒		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		☒	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		☒	
l Has the plan failed to provide any benefit when due under the plan?		☒	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		☒	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

Report of Independent Auditors

To the Administrator of Belcan Services Group
Limited Partnership Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Belcan Services Group Limited Partnership Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, including the related notes (collectively referred to as the "financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and December 31, 2022 and for the years then ended, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023 ("supplemental schedule"), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Belcan Services Group Limited Partnership Retirement Savings Plan

Notes to Financial Statements

December 31, 2023 and 2022

1. Plan Description

The following description of the Belcan Services Group Limited Partnership Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan documents for a more complete description of the Plan's provisions.

General and Participation

Belcan Services Group Limited Partnership (the "Company" or "Plan Sponsor") established the Plan effective January 1, 1991. The Plan is a defined contribution plan subject to provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA") and the Internal Revenue Code of 1986, as amended (the "Code"). The following affiliates have adopted the Plan ("Participating Employer"): (a) Belcan, LLC; (b) Belcan Engineering Group, LLC; and (c) Belcan Government Solutions, Inc. To be eligible to participate in the Plan, an individual must be an employee of the Company who has completed at least 60 days of service, attained at least age 21, and is not: (1) a member of a collective bargaining unit (unless the collective bargaining agreement requires coverage under the Plan); (2) a nonresident alien with no United States source income; (3) a leased employee; (4) a staff employee; or (5) a temporary staffing employee.

Administration and Trustee

The Plan is administered by a committee (the "Committee", or "Plan Administrator") comprised principally of management. The Committee appointed Matrix Trust Company ("Matrix Trust") as trustee for all assets other than those held in self-directed brokerage accounts. Certain employees of the Company are the trustees for assets held in self-directed brokerage accounts. With the exception of self-directed brokerage accounts, Matrix Trust invests and holds all contributions made by the Plan Administrator and allocates among the investment options available under the Plan as directed by individual participants. Hilltop Securities is custodian of investments within the self-directed brokerage accounts. Correll Company ("Correll") is the Plan's recordkeeper.

Contributions

Participants may contribute to the Plan, on a pre-tax basis, 401(k) contributions and catch-up contributions up to limits set by the Plan and the Code. Participants may change their contribution withholding percentages at any time. Participants who have attained the age of 50 before the end of the Plan year are eligible to make additional catch-up contributions up to \$7,500 and \$6,500 per year during 2023 and 2022, respectively. The Plan also accepts direct rollovers from other qualified plans and arrangements and rollover contributions from participants.

Participant Accounts

A participant's account is credited with the participant's contributions and is adjusted for earnings and losses. The benefit to which a participant is entitled is the vested amount that is in the participant's account at any given time.

Vesting

Participants are immediately 100% vested in their pre-tax 401(k) contributions, catch-up contributions and rollover contributions as adjusted for earnings and losses.

Investments

Upon enrollment into the Plan, a participant may direct employee contributions in 1% increments into various investment options available under the Plan. Participants may reallocate their investments at any time during the year. Accordingly, all investments are participant directed.

Belcan Services Group Limited Partnership Retirement Savings Plan

Notes to Financial Statements

December 31, 2023 and 2022

Benefits

A distribution in a lump sum may be made to a participant upon the participant's termination of employment with the Company and all affiliated companies. Prior to termination from employment, a participant experiencing a financial hardship (if certain requirements are satisfied) or if called to military duty (if certain requirements are satisfied) may withdraw all or a portion of their vested account balance upon attaining age 59½. Upon death, a participant's vested account balance remaining in the Plan will be paid to the participant's beneficiary or estate.

Notes Receivable from Participants

Participants may borrow up to \$50,000 (reduced as required by the Code) or 50% of their vested account balance in the Plan, whichever is less. The maximum term of a loan is 5 years unless the loan is used to purchase a primary residence. A participant may only have one loan outstanding. The loans are secured by the balance in the participant's account and bear interest at a rate determined by the Plan Administrator. Principal and interest are paid ratably through payroll deductions. A participant must generally repay any loan in full within 90 days of the participant's termination of employment with the Company. At December 31, 2023, participant loan interest rates in effect ranged from 4.25% to 9.50% with various maturity dates through 2028. At December 31, 2022, participant loan interest rates in effect ranged from 4.25% to 4.50% with various maturity dates through 2027.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the accompanying financial statements and disclosures. Accordingly, actual results could differ from these estimates.

Valuation of Investments and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Investment contracts held by a defined contribution plan are required to be reported at fair value.

The change in the unrealized difference between cost and fair value of investments held is reflected in the statements of changes in net assets available for benefits as net appreciation (depreciation) in fair value of investments. Gains and (losses) on dispositions of investments are recognized at the time of disposition with the amount of gain or (loss) determined on a specific identification basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are reclassified as distributions

Belcan Services Group Limited Partnership Retirement Savings Plan

Notes to Financial Statements

December 31, 2023 and 2022

based upon the terms of the plan document. No allowance for credit losses has been recorded as of December 31, 2023 or 2022.

Contributions

Employee contributions are made through regular payroll deductions and are paid into the Plan weekly.

Payment of Benefits

Benefits are recorded upon distribution. Excess employee deferral contributions are accrued and are reflected as a reduction in contributions.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the payment of benefits are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Risks and Uncertainties

The Plan invests in various investment securities that are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and statements of changes in net assets available for benefits.

3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets to identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels are described as follows:

Level 1 Inputs are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs derived from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022:

Belcan Services Group Limited Partnership Retirement Savings Plan

Notes to Financial Statements

December 31, 2023 and 2022

Cash (Interest-Bearing)

Valued at original cost plus accrued interest or at amortized cost as reported by the financial institution associated with the interest-bearing account. Cash (interest-bearing) is held within the self-directed brokerage accounts.

Mutual Funds and Money Market Accounts

Valued at the daily closing price reported by the fund. Mutual funds and money market accounts held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual and money market accounts funds held by the Plan are deemed to be actively traded. Money market accounts are held within the self-directed brokerage accounts.

Common Stocks

Valued at the quoted closing price reported on the active market on which the individual securities are traded. These securities are held within the self-directed brokerage accounts.

Common/Collective Trust Fund

Valued based on the NAV of units held by the Plan at year end. The net asset value of units held by the Plan is based on the fair value of the underlying investments held by the fund less its liabilities (discussed below). Generally, under ordinary market conditions, all common/collective trust positions provide daily market liquidity to plan participants and the Plan. Participant transactions (issuances and redemptions) may occur daily. Were the Plan to initiate a full redemption of its interest in the common/collective trust fund, however, the trustee of the common/collective trust fund could impose restrictions to the extent that it is determined a full redemption could disrupt the liquidity or management of the fund. There are no unfunded commitments for investments in the common/collective trust fund.

The Great Gray Collective Investment Trust III (formerly Wilmington Trust Retirement and Institutional Services Company Collective Investment Trust III) (the "Fund") is composed of fully benefit-responsive investment contracts. The Fund is valued using a \$1 NAV and is primarily invested in fixed income securities. The Fund may invest in such securities directly or indirectly through commingled investment vehicles. The underlying investments of a fully benefit-responsive investment contract are fair valued using readily available market quotations; units or shares of commingled investment vehicles held by the Fund will be valued using the stated NAVs for such units or shares. If market quotations are not readily available for any security or if the Trustee reasonably determines that a market quotation does not accurately reflect the fair value of a security in good faith using various indicia of value, furnished by third parties, including pricing services. There are no reserves against contract value for credit risk of the contract issuers or otherwise. The average yield and crediting interest rates were approximately 4.66% and 2.71% for the year ended December 31, 2023 and (9.93)% and 2.02% for the year ended December 31, 2022, respectively. The crediting interest rate is based on formulas agreed upon with the issuers; there is a 0% minimum credit rate gross of fees. Such interest rates are reviewed monthly for resetting.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Belcan Services Group Limited Partnership Retirement Savings Plan **Notes to Financial Statements** **December 31, 2023 and 2022**

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

	2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 16,144,545	\$ -	\$ -	\$ 16,144,545

Common/collective trusts ⁽¹⁾				2,341,153
Total investments, at fair value	\$ 15,464,165	\$ -	\$ -	\$ 17,805,318

(1) Certain investments that are measured at fair value using the net asset value per share (or its equivalent practical expedient) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The following table summarizes investments measured at fair value based on NAV, as a practical expedient, as of December 31, 2023 and 2022:

December 31, 2023 and 2022	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notes Period
Common collective trusts - 2023	\$ 2,005,485	None	Daily	Daily
Common collective trusts - 2022	\$ 2,341,153	None	Daily	Daily

4. Income Tax Status

The Plan uses a pre-approved nonstandardized prototype plan document sponsored by Correll dated April 24, 2012. The Company may rely on the opinion letter that was issued to Correll by the Internal Revenue Service ("IRS") with respect to the Plan's tax qualified status. The Plan Administrator believes that the Plan is being operated in accordance with the applicable requirements of the Code in all material respects. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in

Belcan Services Group Limited Partnership Retirement Savings Plan **Notes to Financial Statements** **December 31, 2023 and 2022** ---

progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2020.

5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan. If the Plan is terminated, participants will become 100% vested in their accounts, to the extent they are not already vested.

6. Trustee Certification

The following is a summary of the Plan's financial information and data included in the Plan's financial statements and supplemental schedule which were certified by Matrix Trust, the trustee, as of December 31, 2023 and 2022 and for the years then ended as complete and accurate, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rule and regulations for reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

8. Subsequent Events

The Plan Sponsor has evaluated subsequent events through October 11, 2024, the date the financial statements were available to be issued. No matters were identified that would materially impact the financial statements or require disclosure other than those described below.

On August 26, 2024, Propulsion Holdings, LLC, parent of the Plan Sponsor, was acquired by a subsidiary of Cognizant Technology Solutions Corporation. Effective on that date, the Plan was frozen to new participants and contributions, and all Participants became 100% vested in their account balances. Participants continue to have the ability to direct the investment of their account balances, as permitted by the Plan.

Effective January 1, 2024, the Plan permits Participants to contribute to the Plan on an after-tax basis (Roth contributions) and to convert pre-tax contributions in their accounts to Roth contributions through in-Plan Roth rollovers.
