INDEPENDENT AUDITORS' REPORT

To the Participants and Plan Administrator of the
Pete's Tire Barns, Inc. 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Pete's Tire Barns, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statements of Net Assets Available for Plan Benefits as of December 31, 2023 and 2022, and the related Statement of Changes in Net Assets Available for Plan Benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PETE'S TIRE BARNS, INC. 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

1. Description of the Plan

The following description of the Pete's Tire Barns, Inc. 401(k) Plan (the Plan) is intended to provide only general information regarding the Plan. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a participant directed defined contribution plan covering all eligible employees of Pete's Tire Barns, Inc. (the Employer or the Plan Administrator) who have completed three months of service and are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Employer is also the administrator of the Plan. As administrator, the Employer has exclusive authority and responsibility for all matters in connection with the operation and administration of the Plan. Effective April 25, 2023, all assets and trustee responsibilities were transferred from Charles Schwab Trust Bank (Charles Schwab) to Matrix Trust Company (Matrix).

Contributions

Participants may elect to contribute up to 92% of pretax or after-tax annual compensation not to exceed annual limitations as provided by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also rollover amounts representing distributions from other qualified defined benefit or contribution plans.

The Employer may contribute, at the discretion of the Employer's management, a matching contribution equal to a percentage of each employee's salary deferral, excluding catch-up contributions. During 2023, the Employer matched 25% of the first 6% of eligible compensation, as defined, that a participant contributed to the Plan. The Employer may also make additional discretionary profit-sharing contributions. There were no discretionary profit-sharing contributions made for 2023.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Employer's contribution, and their allocation of the Plan earnings and losses. Allocations are based on participant compensation or account balances, as defined in the Plan Agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

PETE'S TIRE BARNS, INC. 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

Participant Notes Receivable

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. Participant notes receivable are treated as directed investments. A participant may have up to two loans outstanding at a time. The maximum loan term is 5 years, unless the proceeds are for the purchase of a primary residence, in which case the maximum term is 10 years. The notes are secured by the balance in the participant's account and bear interest at the prime rate (8.50% and 7.50% at December 31, 2023 and 2022, respectively) plus 1%. Principal and interest are paid ratably through payroll deductions.

Excess Contributions Payable

Amounts refundable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the excess contributions to the applicable participants subsequent to year end.

Payment of Benefits

Upon retirement, permanent disability, or death of a participant, the balance in the participant's account can be distributed to the participant or their beneficiaries in a lump sum amount equal to the value of the participant's vested interest in his or her account or in annual installments over a period not to extend beyond the life expectancy of the participant or beneficiary. Upon termination of employment for reasons other than death, disability or retirement, the vested portion of the participant's account can be distributed to the participant in a lump sum. Participant vested account balances that are \$1,000 or less upon termination will be paid in an immediate lump-sum distribution.

Early Withdrawals

Hardship distributions are permitted from participant's elective deferral account subject to limitations imposed by the IRC. If a participant has reached age 59½, distributions may be made, at the participant's election, for any accounts which are 100% vested without requiring the participant to terminate employment.

PETE'S TIRE BARNS, INC. 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

Vesting

A participant's right to their voluntary contributions, plus earnings thereon, is fully vested and non-forfeitable at all times. A participant shall have a non-forfeitable and vested right to a percentage of the Employer's contributions determined in accordance with the following schedule:

<u>Years of Vesting Service</u>	<u>Percentage</u>
Less than 1	0%
1 but less than 2	20%
2 but less than 3	40%
3 but less than 4	60%
4 but less than 5	80%
5 or more	100%

Each participant shall be 100% vested in the Employer contributions upon attaining normal retirement age, death or disability.

Forfeitures

Participants in the Plan who leave the employment of the Employer before completing the required years of service forfeit the non-vested portion of their accounts. Forfeited non-vested accounts in the amount of \$13,598 and \$7,245 were available to reduce future employer contributions or pay plan expenses at December 31, 2023 and 2022, respectively. Forfeitures of \$2,094 were used to offset Employer contributions for the year ended December 31, 2023. No forfeitures were used to reduce plan expenses for the year ended December 31, 2023.

Plan Termination

The Employer expects to continue the Plan indefinitely. However, the Employer reserves the right to amend the Plan or contributions thereto, at any time and in any manner that it deems advisable, provided that no amendment shall have the effect of diverting Plan assets for purposes other than for the exclusive benefit of the Plan participants and any Plan termination would be subject to the provisions of ERISA. If the Plan is terminated, the participants would become fully vested and entitled to receive all amounts credited to their accounts.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

PETE'S TIRE BARNS, INC. 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

Valuation of Investments and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (Note 3). The Plan invests in several collective trust funds. The Plan's interest in the collective trust funds is valued at the net asset value (NAV) practical expedient of the underlying investments reported by the issuer of the collective trust funds at year end. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and the trustees.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Participant Notes Receivable

Participant notes receivable are measured at their unpaid principal balances plus any accrued but unpaid interest and are secured by the balance in the respective participant's account. Interest income on participant notes receivable is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

A receivable is considered past due if payment has not been received within the stated terms. Delinquent participant notes receivable are reclassified as distributions based on terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Contributions

Employee and Employer matching contributions are recorded weekly when the Employer remits the payroll deductions for investment into the Plan.

Payment of Benefits

Benefits are recognized when paid to participants or their designated beneficiaries.

Administrative Expenses

Expenses incurred in the administration of the Plan are paid by the Employer unless the Employer directs that such expenses shall be paid by the Plan. Expenses that are paid by the Employer are excluded from these financial statements. Participant notes receivable set-up and maintenance fees and fees associated with distributions are paid directly by the participants through a reduction in their account and are included in administrative expenses. Investment management and recordkeeping fees, if applicable, are paid by the Plan through revenue sharing as a reduction of investment income (net appreciation or depreciation) from the related investment fund.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported changes in net assets. Accordingly, actual results may differ from those estimates.

Risks and Uncertainties

The Plan provides for various investment options with various investment objectives. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Plan Benefits.

The Plan held two collective trust funds and one mutual fund that accounted for approximately 45% and 42% of total Plan investments at December 31, 2023 and 2022, respectively.

Financial Instruments with a Concentration of Credit Risk

The Plan's investments are held by a single custodian. The Plan's exposure to credit risk is associated with the outside entity's non-performance of their fiduciary responsibilities relating to these amounts as specified in the agreements with the custodian. Benefits provided by the Plan are not insured or guaranteed by the Pension Benefit Guaranty Corporation.

Subsequent Events

Management has evaluated subsequent events through October 8, 2024, which is the date these financial statements were available to be issued.

3. Fair Value Measurements

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy and inputs to the valuation methodologies are described as follows:

Level 1 inputs are unadjusted quoted prices in active markets for identical assets the Plan has the ability to access.

PETE'S TIRE BARNS, INC. 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

Level 2 inputs are other than quoted prices in active markets that are observable either directly or indirectly for the asset. Such inputs are derived principally from or corroborated by observable market data for similar assets by correlation or other means, over substantially the full contractual term of the asset, if applicable.

Level 3 inputs are unobservable and significant to the fair value measurement. Such inputs generally rely on the Plan's own assumptions about the assumptions that market participants would use in pricing the asset.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis.

Money Market Funds: The carrying amount of the money market funds are deemed to be valued at deposit amount plus accrued interest as determined according to stated terms.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust Funds: Valued at the NAV of units of a collective trust. The NAV, as provided by Morningstar, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the funds less its liabilities. This practical expedient is not used when it is determined to be probable that the funds will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

Unit values are determined by dividing the fund's net assets at fair value by its units outstanding at the valuation dates. There are no unfunded commitments or redemption restrictions for the individual participants within the Plan, however, there is up to a 12-month redemption for this investment at the Plan level in order to ensure that securities liquidations would be carried out in an orderly business manner.

NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

The following table sets forth by level the Plan's investments at fair value:

December 31, 2023:

	Level 1	Total
Mutual funds	\$ 5,840,185	\$ 5,840,185
Money market funds	422,984	422,984
Total assets in the fair value hierarchy	6,263,169	6,263,169
Collective trust funds measured at NAV (a)	-	5,254,225
Investments at fair value	<u>\$ 6,263,169</u>	<u>\$ 11,517,394</u>

December 31, 2022:

	Level 1	Total
Mutual funds	\$ 4,575,343	\$ 4,575,343
Money market funds	116,713	116,713
Total assets in the fair value hierarchy	4,692,056	4,692,056
Collective trust funds measured at NAV (a)	-	4,688,640
Investments at fair value	<u>\$ 4,692,056</u>	<u>\$ 9,380,696</u>

(a) In accordance with Subtopic 820-10, the collective trust funds are measured at fair value using the NAV per share (or its equivalent) practical expedient and have not been categorized in the fair value hierarchy. The fair value amount presented in this table is intended to permit reconciliation of the fair value hierarchy to the amount presented on the Statements of Net Assets Available for Plan Benefits.

4. Income Tax Status

The Plan has adopted a prototype plan which has received a favorable opinion letter, dated June 30, 2020, from the IRS in accordance with the applicable sections of the IRC. The Plan may have been amended since receiving the opinion letter, but the Plan Administrator believes the Plan and related trust are currently designed and being operated in compliance with applicable IRC requirements. Therefore, no provision for income taxes has been included in the Plan's financial statements.

PETE'S TIRE BARNS, INC. 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

5. Summary of Financial Data Certified by the Trustees

The following is a summary of financial information and data certified by Matrix and Charles Schwab, the trustees of the Plan:

Statements of Net Assets Available for Plan Benefits at December 31, 2023 (Matrix) and 2022 (Charles Schwab), except for participant notes receivable and excess contributions payable, if any;

Investment income has been certified by Charles Schwab for the period from January 1, 2023 to April 24, 2023 and Matrix for the period from April 25, 2023 to December 31, 2023 on the Statement of Changes in Net Assets Available for Plan Benefits; and,

Investment information provided in the supplemental schedule, Schedule of Assets (Held at End of Year) at December 31, 2023 (Matrix), except for participant notes receivable.

6. Differences from Form 5500

Differences between the Annual Return/Report of Employee Benefit Plan, Form 5500, and these financial statements are a result of different classifications between line items. Total Plan assets are in agreement.

7. Related Party Transactions and Party-in-Interest Transactions

Plan investments were managed by Charles Schwab for the period January 1, 2023 to April 24, 2023 and Matrix for the period from April 25, 2023 to December 31, 2023, the trustees of the Plan. EPIC Retirement Plan Services (EPIC) is the recordkeeper of the Plan and Morningstar Investment Management (Morningstar) provides investment advisory services. Therefore, these transactions qualify as party-in-interest transactions. During the year ended December 31, 2023, the Plan made direct payments to EPIC and Morningstar of \$39,738 and \$23,858, respectively. Participant notes receivable also qualify as party-in-interest transactions.
