| Part I | Service Provider Information (see instructions) |
|--------|-------------------------------------------------|

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

1 Information on Persons Receiving Only Eligible Indirect Compensation

- a Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions).. . . . . ☒ Yes ☐ No
- b If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

| <b>Part I</b> | <b>Asset and Liability Statement</b> |
|---------------|--------------------------------------|

**1** Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of  
OTAC 401(k) Plan  
Annapolis, Maryland

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of OTAC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of OTAC 401(k) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 *CFR* 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 *CFR* 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Plan Administrator of  
OTAC 401(k) Plan

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of OTAC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about OTAC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

**Auditor's Responsibilities for the Audit of the Financial Statements (Cont.)**

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of OTAC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about OTAC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter - Supplemental Schedules Required by ERISA**

The supplemental Schedule H, line 4i – schedule of assets (held at end of year) and supplemental Schedule H, line 4a – schedule of delinquent participant contributions as of and for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Plan Administrator of  
OTAC 401(k) Plan

**Other Matter - Supplemental Schedules Required by ERISA (Cont.)**

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

OTAC 401(k) Plan  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2023 and 2022

Note 1 - Description of Plan

The following description of the OTAC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The OTAC 401(k) Plan, established January 1, 1999, is a defined contribution plan covering substantially all employees of OTAC, Inc., OTAC No. 3, Inc., OTAC No. 4, Inc., OTAC No. 5, Inc., and OTAC No. 6, Inc. (the Employer). Under the provisions of the Plan, an employee may become eligible to participate in the Plan after completing twelve consecutive months of service and 1,000 hours, and is age of twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Eligible employees may elect to defer from 1% to 100% of his or her compensation and have such deferrals contributed by the Employer to his or her account under the Plan. Participant contributions are subject to the annual Internal Revenue Code limits as adjusted each year. This may be further limited so that the Plan complies with the 401(k) and 401(m) nondiscrimination tests. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Each year, the Employer may make a discretionary contribution on behalf of all participants. This contribution is allocated based on each participant's contributions, as defined by the Plan. Contributions are subject to certain limits. Total contributions made by the Employer for the years ended December 31, 2023 and 2022 were \$8,500 and \$9,771, respectively.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Employer's contribution and, (b) Plan earnings, and charged with applicable fees. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Contributions are invested, at the discretion of the participants, in one, several, or all of the investment alternatives selected by the Plan administrator.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Employer contributions portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service. A year of credited service is a Plan year in which the participant is credited with at least 1,000 hours of service with the Employer. Upon termination of employment due to death or disability (approved by Social Security), a participant becomes fully vested in their account.

Note 1 - Description of Plan (Cont.)

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount, or in annual installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Hardship withdrawals are permitted in accordance with Internal Revenue Service regulations.

Forfeited Accounts

Forfeitures resulting from terminated non-vested participants are used by the Employer to offset future employer contributions and to pay for Plan expenses. During the years ended December 31, 2023 and 2022, forfeitures used to reduce employer contribution were \$-0- and \$455, respectively. During the years ended December 31, 2023 and 2022, amounts used to pay for Plan expenses were \$3,637 and \$708, respectively. During the years ended December 31, 2023 and 2022, total forfeited non-vested accounts amounted to \$227 and \$1,292, respectively. The amounts available for future use at December 31, 2023 and 2022 were \$-0- and \$3,310, respectively.

Notes Receivable from Participants

Under certain circumstances, as outlined in the Plan document, the Plan allows employees to obtain loans from the Plan. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. These loans are secured by the vested portion of the participant's account and bear interest at 4.25% - 8.25%. Repayment of the loan must be completed within five years unless the loan proceeds are used to purchase a primary place of residence. Repayment of loans is provided through automatic payroll deduction.

Administrative Expenses

Certain administrative expenses related to the Plan are paid directly by the Employer. Administrative fees related directly to transactions initiated by participants are paid by the Plan and allocable to each participant's account. Administrative expenses related to recordkeeping and Plan administration are paid by the Plan.

Note 2 - Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America. This basis of accounting involves the application of accrual accounting; consequently, revenues and gains are recognized when earned, and expenses and losses are recognized when incurred.

Note 2 - Summary of Accounting Policies (Cont.)

Investment Valuation and Income Recognition

Investment contracts held by defined-contribution plans are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits for a defined contribution plan attribute to the non-benefit responsive contract. Contract value provides a good approximation of fair value because the value of the investment contract is deemed to be no less than the participant's accumulated balance, and that each investment purchase is made at fair value since these purchases are not distressed and are conducted between willing buyers and sellers in open market conditions where a participant has a variety of investment choices.

The Plan's investments are stated at fair value (except for the investment contract with the insurance company, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Contributions and Related Receivables

Contributions from the Employer and the participants of the Plan are accrued in the period in which they come obligations under provisions of the Plan agreement. The Employer matching contributions are recorded in the year in which the associated participant contributions are withheld from the amounts paid. Management of the Plan evaluates contributions receivable periodically for potential uncollectible amounts based on the likelihood of collection. Plan management has determined that all contribution receivables are fully collectible and therefore no allowance for credit losses has been established.

Note 2 - Summary of Accounting Policies (Cont.)

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid. Benefits paid to participants amounted to \$100,114 and \$406,730 for the years ended December 31, 2023 and 2022, respectively.

New Accounting Pronouncement

In June 2016, the FASB issued *ASU 2016-13, "Financial Instruments – Credit Losses"* (*Topic 326*) which significantly changed how entities will measure credit losses for most financial assets and certain other instruments that aren't measured at fair value through net income. The most significant change in this standard is a shift from the incurred loss model to the expected loss model. Under the standard, disclosures are required to provide users of the financial statements with useful information in analyzing an entity's exposure to credit risk and the measurement of credit losses. Financial assets held by the Plan that are subject to the guidance in *FASB ASC 326* were employer contributions receivable and participant contributions receivable.

The Plan adopted the standard effective January 1, 2023. The impact of the adoption was not considered material to the financial statements and primarily resulted in new and enhanced disclosures only.

Note 3 - Data Obtained from the Custodian

Investment Data

American United Life Insurance Company (AUL), a OneAmerica Company, was the Custodian of the Plan for the years ended December 31, 2023 and 2022. All data contained in the statements of net assets available for benefits, statements of changes in net assets available for benefits, and Schedule H, line 4i - Schedule of assets (held at end of year) for the year ended December 31, 2023, was summarized from the information supplied and certified as complete and accurate by the Custodian of the Plan.

Schedule of Assets Held for Investment Purposes

The accompanying Schedule H, line 4i - Schedule of assets (held at end of year) represents a detailed listing of all investments held by the Plan as of December 31, 2023.

Note 4 - Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits (except for fully benefit responsive investment contracts, which are reported at contract value). The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

*ASC 820-10 "Fair Value Measurements"* establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under FASB *ASC 820* are as described as follows:

- Level 1: Inputs that reflect unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date.
- Level 2: Inputs to the valuation methodology include:
- quoted prices for similar assets or liabilities in active markets;
  - quoted prices for identical or similar assets or liabilities in inactive markets;
  - inputs other than quoted prices that are observable for the asset or liability;
  - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3: Inputs that are unobservable and supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

In addition, under FASB *ASC 820* the fair value of certain investments may be measured using the net asset value (NAV) per share (or its equivalent). Such investments are not classified in the fair value hierarchy.

Note 4 - Fair Value Measurements (Cont.)

Following is a description of the valuation methodologies used for assets measured at fair value as of December 31, 2023 and 2022:

Pooled separate accounts: Valued at the net asset value of the pooled separate account, as reported by the custodian and calculated in a manner consistent with generally accepted accounting principles for investment companies. The net asset value is calculated based on the values of the underlying mutual funds, domestic stocks, international stocks, and other fixed securities held by the pooled separate account. As permitted by FASB ASC 820, net asset value is used as a practical expedient to estimate fair value and is not included in the fair value hierarchy. The total fair value of the Plan's pooled separate accounts as of December 31, 2023 and 2022 was \$2,225,304 and \$1,927,606, respectively.

There have been no changes in valuation technique or inputs. The following table presents the category, fair value, redemption frequency, and redemption notice period for the Plan investments, the fair value of which is estimated using the net asset value per share as of December 31:

|                              | Fair Value   |              | Unfunded<br>Commitments | Redemption<br>Frequency | Redemption<br>Period |
|------------------------------|--------------|--------------|-------------------------|-------------------------|----------------------|
|                              | 2023         | 2022         |                         |                         |                      |
| Pooled separate accounts (a) | \$ 2,225,304 | \$ 1,927,606 | None                    | Daily                   | None                 |

(a) This category invests in various mutual funds and other securities in accordance with each fund's investment objectives. Shares are available for transactions at the closing net asset value per share on any day the NYSE is open for business.

Note 5 - Investments Measured at Contract Value

The Plan entered into a fully benefit-responsive investment contract with American United Insurance Company. American United Insurance Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment is included in the financial statements at contract value as reported to the Plan by American United Insurance Company. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. However, either (or both) the value of any investment contract and the contract interest rate will be adjusted to reflect, when necessary, the default of any wrap provider, or issuer of GIC or underlying security in a SBIC. Thus, certain withdrawals may be payable at market value.

The stable value fund is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets for benefits attributable to the investment trust.

There are no reserves against book value for credit risk of the contract issuer or otherwise. The fair value of the investment contract at December 31, 2023 and 2022 was equal to contract value. The crediting interest rate is based on a formula agreed upon with the issuer. The stable value fund balance at December 31, 2023 and 2022 was to \$3,306 and \$13,961, respectively.

NOTES TO FINANCIAL STATEMENTS (Cont.)  
December 31, 2023 and 2022

Note 6 - Tax Status

Effective January 1, 2022, the Plan adopted a non-standardized form of prototype plan. The prototype plan obtained its latest opinion letter on June 30, 2020 from the Internal Revenue Service as to the prototype plan's qualified status. The prototype received its opinion letter. However, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7 - Reportable Transactions

A reportable transaction is a transaction, or series of transactions, exceeding five percent of the current value of the Plan's assets at the end of the year. During the Plan years ended December 31, 2023 and 2022, there were no reportable transactions.

Note 8 - Party-in-Interest Transactions

American United Life Insurance Company (AUL), a OneAmerica Company, is the Custodian of the Plan. Futureplans by Ascensus, is the Plan administrator of the Plan. Transactions with these entities qualify as party-in-interest transactions. For the years ended December 31, 2023 and 2022, the amounts paid to the Custodian and Plan administrator totaled \$15,355 and \$14,202, respectively. The Plan's auditor who audits the Plan's financial statements is paid directly by the Plan Sponsor. These fees are not reflected in these financial statements.

Note 9 - Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTES TO FINANCIAL STATEMENTS (Cont.)  
December 31, 2023 and 2022

Note 10 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 11 - Prohibited Transactions

The accompanying Schedule H, line 4a – schedule of delinquent participant contributions reflect participant contributions that were not remitted timely to the Custodian. The effect of the financial statements was an understatement of earnings. The amount is deemed immaterial and has not been recorded in the financial statements.

Note 12 - Subsequent Events

Subsequent events and transactions have been evaluated for potential recognition in the financial statements. Except as described below, there have been no subsequent events that require recognition or disclosure through October 10, 2024, the day the financial statements were available to be issued.

Effective February 1, 2024, the Plan is using ADP as its Custodian and third party administrator.

## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of  
OTAC 401(k) Plan  
Annapolis, Maryland

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of OTAC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of OTAC 401(k) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 *CFR* 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 *CFR* 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Plan Administrator of  
OTAC 401(k) Plan

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of OTAC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about OTAC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

**Auditor's Responsibilities for the Audit of the Financial Statements (Cont.)**

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of OTAC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about OTAC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter - Supplemental Schedules Required by ERISA**

The supplemental Schedule H, line 4i – schedule of assets (held at end of year) and supplemental Schedule H, line 4a – schedule of delinquent participant contributions as of and for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Plan Administrator of  
OTAC 401(k) Plan

**Other Matter - Supplemental Schedules Required by ERISA (Cont.)**

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

OTAC 401(k) Plan  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2023 and 2022

Note 1 - Description of Plan

The following description of the OTAC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The OTAC 401(k) Plan, established January 1, 1999, is a defined contribution plan covering substantially all employees of OTAC, Inc., OTAC No. 3, Inc., OTAC No. 4, Inc., OTAC No. 5, Inc., and OTAC No. 6, Inc. (the Employer). Under the provisions of the Plan, an employee may become eligible to participate in the Plan after completing twelve consecutive months of service and 1,000 hours, and is age of twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Eligible employees may elect to defer from 1% to 100% of his or her compensation and have such deferrals contributed by the Employer to his or her account under the Plan. Participant contributions are subject to the annual Internal Revenue Code limits as adjusted each year. This may be further limited so that the Plan complies with the 401(k) and 401(m) nondiscrimination tests. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Each year, the Employer may make a discretionary contribution on behalf of all participants. This contribution is allocated based on each participant's contributions, as defined by the Plan. Contributions are subject to certain limits. Total contributions made by the Employer for the years ended December 31, 2023 and 2022 were \$8,500 and \$9,771, respectively.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Employer's contribution and, (b) Plan earnings, and charged with applicable fees. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Contributions are invested, at the discretion of the participants, in one, several, or all of the investment alternatives selected by the Plan administrator.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Employer contributions portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service. A year of credited service is a Plan year in which the participant is credited with at least 1,000 hours of service with the Employer. Upon termination of employment due to death or disability (approved by Social Security), a participant becomes fully vested in their account.

Note 1 - Description of Plan (Cont.)

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount, or in annual installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Hardship withdrawals are permitted in accordance with Internal Revenue Service regulations.

Forfeited Accounts

Forfeitures resulting from terminated non-vested participants are used by the Employer to offset future employer contributions and to pay for Plan expenses. During the years ended December 31, 2023 and 2022, forfeitures used to reduce employer contribution were \$-0- and \$455, respectively. During the years ended December 31, 2023 and 2022, amounts used to pay for Plan expenses were \$3,637 and \$708, respectively. During the years ended December 31, 2023 and 2022, total forfeited non-vested accounts amounted to \$227 and \$1,292, respectively. The amounts available for future use at December 31, 2023 and 2022 were \$-0- and \$3,310, respectively.

Notes Receivable from Participants

Under certain circumstances, as outlined in the Plan document, the Plan allows employees to obtain loans from the Plan. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. These loans are secured by the vested portion of the participant's account and bear interest at 4.25% - 8.25%. Repayment of the loan must be completed within five years unless the loan proceeds are used to purchase a primary place of residence. Repayment of loans is provided through automatic payroll deduction.

Administrative Expenses

Certain administrative expenses related to the Plan are paid directly by the Employer. Administrative fees related directly to transactions initiated by participants are paid by the Plan and allocable to each participant's account. Administrative expenses related to recordkeeping and Plan administration are paid by the Plan.

Note 2 - Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America. This basis of accounting involves the application of accrual accounting; consequently, revenues and gains are recognized when earned, and expenses and losses are recognized when incurred.

Note 2 - Summary of Accounting Policies (Cont.)

Investment Valuation and Income Recognition

Investment contracts held by defined-contribution plans are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits for a defined contribution plan attribute to the non-benefit responsive contract. Contract value provides a good approximation of fair value because the value of the investment contract is deemed to be no less than the participant's accumulated balance, and that each investment purchase is made at fair value since these purchases are not distressed and are conducted between willing buyers and sellers in open market conditions where a participant has a variety of investment choices.

The Plan's investments are stated at fair value (except for the investment contract with the insurance company, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Contributions and Related Receivables

Contributions from the Employer and the participants of the Plan are accrued in the period in which they come obligations under provisions of the Plan agreement. The Employer matching contributions are recorded in the year in which the associated participant contributions are withheld from the amounts paid. Management of the Plan evaluates contributions receivable periodically for potential uncollectible amounts based on the likelihood of collection. Plan management has determined that all contribution receivables are fully collectible and therefore no allowance for credit losses has been established.

December 31, 2023 and 2022

Note 2 - Summary of Accounting Policies (Cont.)

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid. Benefits paid to participants amounted to \$100,114 and \$406,730 for the years ended December 31, 2023 and 2022, respectively.

New Accounting Pronouncement

In June 2016, the FASB issued *ASU 2016-13, "Financial Instruments – Credit Losses"* (*Topic 326*) which significantly changed how entities will measure credit losses for most financial assets and certain other instruments that aren't measured at fair value through net income. The most significant change in this standard is a shift from the incurred loss model to the expected loss model. Under the standard, disclosures are required to provide users of the financial statements with useful information in analyzing an entity's exposure to credit risk and the measurement of credit losses. Financial assets held by the Plan that are subject to the guidance in *FASB ASC 326* were employer contributions receivable and participant contributions receivable.

The Plan adopted the standard effective January 1, 2023. The impact of the adoption was not considered material to the financial statements and primarily resulted in new and enhanced disclosures only.

Note 3 - Data Obtained from the Custodian

Investment Data

American United Life Insurance Company (AUL), a OneAmerica Company, was the Custodian of the Plan for the years ended December 31, 2023 and 2022. All data contained in the statements of net assets available for benefits, statements of changes in net assets available for benefits, and Schedule H, line 4i - Schedule of assets (held at end of year) for the year ended December 31, 2023, was summarized from the information supplied and certified as complete and accurate by the Custodian of the Plan.

Schedule of Assets Held for Investment Purposes

The accompanying Schedule H, line 4i - Schedule of assets (held at end of year) represents a detailed listing of all investments held by the Plan as of December 31, 2023.

NOTES TO FINANCIAL STATEMENTS (Cont.)  
December 31, 2023 and 2022

Note 4 - Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits (except for fully benefit responsive investment contracts, which are reported at contract value). The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

*ASC 820-10 "Fair Value Measurements"* establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under FASB *ASC 820* are as described as follows:

- Level 1: Inputs that reflect unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date.
- Level 2: Inputs to the valuation methodology include:
- quoted prices for similar assets or liabilities in active markets;
  - quoted prices for identical or similar assets or liabilities in inactive markets;
  - inputs other than quoted prices that are observable for the asset or liability;
  - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3: Inputs that are unobservable and supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

In addition, under FASB *ASC 820* the fair value of certain investments may be measured using the net asset value (NAV) per share (or its equivalent). Such investments are not classified in the fair value hierarchy.

NOTES TO FINANCIAL STATEMENTS (Cont.)  
December 31, 2023 and 2022

Note 4 - Fair Value Measurements (Cont.)

Following is a description of the valuation methodologies used for assets measured at fair value as of December 31, 2023 and 2022:

Pooled separate accounts: Valued at the net asset value of the pooled separate account, as reported by the custodian and calculated in a manner consistent with generally accepted accounting principles for investment companies. The net asset value is calculated based on the values of the underlying mutual funds, domestic stocks, international stocks, and other fixed securities held by the pooled separate account. As permitted by FASB ASC 820, net asset value is used as a practical expedient to estimate fair value and is not included in the fair value hierarchy. The total fair value of the Plan's pooled separate accounts as of December 31, 2023 and 2022 was \$2,225,304 and \$1,927,606, respectively.

There have been no changes in valuation technique or inputs. The following table presents the category, fair value, redemption frequency, and redemption notice period for the Plan investments, the fair value of which is estimated using the net asset value per share as of December 31:

|                              | Fair Value   |              | Unfunded Commitments | Redemption Frequency | Redemption Period |
|------------------------------|--------------|--------------|----------------------|----------------------|-------------------|
|                              | 2023         | 2022         |                      |                      |                   |
| Pooled separate accounts (a) | \$ 2,225,304 | \$ 1,927,606 | None                 | Daily                | None              |

(a) This category invests in various mutual funds and other securities in accordance with each fund's investment objectives. Shares are available for transactions at the closing net asset value per share on any day the NYSE is open for business.

Note 5 - Investments Measured at Contract Value

The Plan entered into a fully benefit-responsive investment contract with American United Insurance Company. American United Insurance Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment is included in the financial statements at contract value as reported to the Plan by American United Insurance Company. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. However, either (or both) the value of any investment contract and the contract interest rate will be adjusted to reflect, when necessary, the default of any wrap provider, or issuer of GIC or underlying security in a SBIC. Thus, certain withdrawals may be payable at market value.

The stable value fund is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets for benefits attributable to the investment trust.

There are no reserves against book value for credit risk of the contract issuer or otherwise. The fair value of the investment contract at December 31, 2023 and 2022 was equal to contract value. The crediting interest rate is based on a formula agreed upon with the issuer. The stable value fund balance at December 31, 2023 and 2022 was to \$3,306 and \$13,961, respectively.

NOTES TO FINANCIAL STATEMENTS (Cont.)  
December 31, 2023 and 2022

Note 6 - Tax Status

Effective January 1, 2022, the Plan adopted a non-standardized form of prototype plan. The prototype plan obtained its latest opinion letter on June 30, 2020 from the Internal Revenue Service as to the prototype plan's qualified status. The prototype received its opinion letter. However, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7 - Reportable Transactions

A reportable transaction is a transaction, or series of transactions, exceeding five percent of the current value of the Plan's assets at the end of the year. During the Plan years ended December 31, 2023 and 2022, there were no reportable transactions.

Note 8 - Party-in-Interest Transactions

American United Life Insurance Company (AUL), a OneAmerica Company, is the Custodian of the Plan. Futureplans by Ascensus, is the Plan administrator of the Plan. Transactions with these entities qualify as party-in-interest transactions. For the years ended December 31, 2023 and 2022, the amounts paid to the Custodian and Plan administrator totaled \$15,355 and \$14,202, respectively. The Plan's auditor who audits the Plan's financial statements is paid directly by the Plan Sponsor. These fees are not reflected in these financial statements.

Note 9 - Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTES TO FINANCIAL STATEMENTS (Cont.)  
December 31, 2023 and 2022

Note 10 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 11 - Prohibited Transactions

The accompanying Schedule H, line 4a – schedule of delinquent participant contributions reflect participant contributions that were not remitted timely to the Custodian. The effect of the financial statements was an understatement of earnings. The amount is deemed immaterial and has not been recorded in the financial statements.

Note 12 - Subsequent Events

Subsequent events and transactions have been evaluated for potential recognition in the financial statements. Except as described below, there have been no subsequent events that require recognition or disclosure through October 10, 2024, the day the financial statements were available to be issued.

Effective February 1, 2024, the Plan is using ADP as its Custodian and third party administrator.
