To the Plan Sponsor and Participants
Step One Automotive Group, LLC 401(k) Plan
Fort Walton Beach, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We have performed audits of the financial statements of Step One Automotive Group, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP);
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of Step One Automotive Group, LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Step One Automotive Group, LLC 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the plan and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the *ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Step One Automotive Group, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Step One Automotive Group, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter — Supplementary Schedules Required by ERISA

The supplementary schedule of assets held at end of year and schedule of delinquent participant contributions as of and for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedules, we evaluated whether the supplementary schedules, other than the information agreed to or derived from the certified investment information, including the form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary schedules, other than the information in the supplementary schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplementary schedules agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

STEP ONE AUTOMOTIVE GROUP, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 1 – DESCRIPTION OF PLAN

The following description of Step One Automotive Group, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established on October 1, 1992, as a defined contribution plan covering all eligible employees of Step One Automotive Group, LLC (the Company). Each employee is eligible to become a participant in the Plan after completing six consecutive months of service and attaining the age of twenty-one. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Contributions

Each year, participants may contribute up to a dollar amount set by law of pretax annual compensation, as defined in the Plan. Participants who have attained age fifty before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover contributions). The Company may make matching contributions equal to a discretionary percentage, to be determined by the employer, of the participant's contributions. Additional profit-sharing amounts may be contributed at the option of the Company's Board of Directors. For the year ended December 31, 2023, the Company made matching contributions totaling \$240,354. There was no profit-sharing contribution for 2023. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions, rollover contributions, allocations of the Company's contribution, if applicable, plan earnings, and expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Administrative fees, except loan fees and certain investment fees, are allocated based on participant earnings or account balances. Most administrative fees are absorbed by the plan sponsor.

Investment Options

Investments are currently held by Standard Insurance Company. Upon enrollment in the Plan, a participant may direct the investment of their contributions in any of the available investments managed by Standard Insurance Company.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service according to the following schedule:

Years of Service	Vesting Percentage
< 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant or their beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or monthly, quarterly, semiannual or annual installments over a period not to exceed participant's (or beneficiaries') life expectancy or joint survivor annuity. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Hardship withdrawals are allowed.

Forfeited Accounts and Unallocated Assets

At December 31, 2023 and 2022, forfeitures and unallocated assets totaled \$182,356 and \$136,581, respectively. Forfeitures may be used to reduce employer contributions or pay administrative expenses. For the year ended December 31, 2023, forfeitures of nonvested accounts in the amount of \$1,750 were used to reduce plan expenses, and \$16,536 were used to reduce employer contributions.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses paid by the Company are excluded from these financial statements.

Note Receivable from Participants

Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates that range from 3.25% to 8.50%. Rates are determined by the plan administrator and are based on prevailing interest rates charged by persons in the business of lending money for loans which would be made under similar circumstances.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates

The financial statements of the Plan are prepared using the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP), which requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

The Financial Accounting Standards Board (FASB) has adopted the Accounting Standards Codification (ASC) as the sole source of authoritative GAAP. The FASB will issue Accounting Standards Updates (ASU) from time to time to make adjustments to GAAP.

Payment of Benefits

Benefits are recorded when paid.

Note Receivable from Participants

Notes receivable from participants are valued at amortized cost, plus accrued but unpaid interest.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. The Plan's investments are valued daily.

Net appreciation or depreciation of investments included in the accompanying statement of changes in net assets available for benefits includes realized gains or losses from the sale of investments and unrealized appreciation or depreciation in fair value of investments bought and sold as well as held during the year.

Purchases and sale of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

STEP ONE AUTOMOTIVE GROUP, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY TRUSTEE (UNAUDITED)

The following information included in the accompanying financial statements and supplementary schedule was obtained from data that has been prepared and certified to be complete and accurate by the trustee at December 31, 2023 and 2022.

	2023	2022
Investments, at fair value	\$ 7,013,620	\$ 5,944,345
Notes receivable from participants	278,522	244,461
Investment income:		
Net appreciation in fair value of investments	920,428	
Interest and dividends	10,343	
Interest on notes receivable from participants	18,155	

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 4 – FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

- Level 1 consists of unadjusted quoted prices in active markets for identical assets or liabilities and has the highest priority.
- Level 2 consists of inputs other than quoted prices within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 consists of significant unobservable inputs for the asset or liability and has the lowest priority.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Standard Insurance Company. Standard Insurance Company is the trustee as defined by the Plan; therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to \$15,066 for the year ended December 31, 2023. Additional investment fees paid to the trustee are netted against investment returns.

NOTE 6 – TAX STATUS AND UNCERTAIN TAX POSITIONS

The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and that the Plan has maintained its tax-exempt status.

The Plan follows the accounting guidance for uncertainty in income taxes using the provisions of FASB ASC Topic 740, *Income Taxes*. The Plan has concluded that there are no significant uncertain tax positions requiring disclosure, and there are no material amounts of unrecognized tax benefits. The Plan's evaluation was performed for tax years ended December 31, 2020 through December 31, 2023, the years that remain subject to examination by major tax jurisdictions as of December 31, 2023.

At year-end, there were no amounts that had been requested to be paid to the participants but were not paid until subsequent to the Plan's year end.

NOTE 8 – SUBSEQUENT EVENTS

The plan administrator evaluated events and transactions subsequent to December 31, 2023 through October 7, 2024 (the date the financial statements were available to be issued) for potential recognition or disclosure in the financial statements. The plan administrator has not identified any items requiring recognition or disclosure in the financial statements.

NOTE 9 – PROHIBITED TRANSACTIONS

As required by ERISA Section 2510.3-102, the plan sponsor is required to segregate employee contributions to the Plan from its general assets as soon as practicable. During the year under audit, there were multiple contributions that were remitted later than allowed by ERISA. Contributions for these pay periods are considered prohibited transactions. As of the date the financial statements were available to be issued, the Company has not made contributions to compensate the Plan for lost investment earnings relating to these prohibited transactions.
