FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

INDEPENDENT AUDITOR'S REPORT

The Trustees of
Nelson-Miller, Inc. 401(k) Plan
708 Nogales Street
City of Industry, California 91748

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Nelson-Miller, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to

be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF THE PLAN

The Nelson-Miller, Inc. 401(k) Plan (the "Plan") was established on January 1, 1997 to provide voluntary retirement benefits and tax-deferred savings opportunities to eligible employees, as defined in the Plan, of Nelson Name Plate Company (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Certain administrative functions are performed by officers and employees of the Company. The assets of the Plan are held in a trust by Fidelity Management Trust Company (the "trustee") for the years ended December 31, 2023 and December 31, 2022.

THE PLAN DOCUMENT INCLUDES DETAILED RULES FOR EACH SITUATION. PARTICIPANTS AND OTHER INTERESTED PARTIES SHOULD REFER TO THE PLAN AGREEMENT AND ANY AMENDMENTS REGARDING SPECIFIC PROVISIONS OF THE PLAN.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

All loans must be adequately secured and accrue interest at the current prime rate plus 1%.

Forfeitures of terminated participants' non-vested accounts are applied to reduce Plan expenses and future Company contributions. In 2023, forfeitures totaled \$2,931; \$10,078 and \$75 were used to offset Company contributions and Plan expenses, respectively, at December 31, 2023. Investments as of December 31, 2023 and 2022 include \$2,950 and \$8,975, respectively, of forfeited funds available for future use.

G. Expenses

Plan administration and investment management expenses may be paid by the Plan. All other Plan expenses are paid by the Company.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

B. Estimates

The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. Investments

The participants select how their share of plan assets will be invested among those investment vehicles made available. Participants may change their investment options at any time during the Plan year.

D. Investment Valuation and Income Recognition

GAAP establishes a fair value hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market:

Level 1 – Quoted prices in an active market.

Level 2 – Inputs are based on quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

D. Investment Valuation and Income Recognition (Continued)

Level 3 – Inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

The following tables summarize the Plan's investments at December 31, based on the inputs used to value them:

December 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual Funds	<u>\$ 6,667,456</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 6,667,456
Investments Measured at Net Asset Value ^A				<u>517,376</u>
				<u>\$ 7,184,832</u>

December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual Funds	<u>\$ 5,216,590</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 5,216,590
Investments Measured at Net Asset Value ^A				<u>815,893</u>
				<u>\$ 6,032,483</u>

^A In accordance with ASC 820, investments measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Level 1 investments consist of mutual funds valued at their quoted market prices. Putnam Stable Value Fund, a Common/Collective Trust, is valued at net asset value. The investment objective is to preserve principal and achieve high current income through a diversified portfolio of high-quality investment contracts. Shares may be redeemed any time at net asset value. There are no restrictions on redemptions and no unfunded commitments to purchase additional shares of the common/collective trust.

E. Risks and Uncertainties

The Plan provides for various investment options in any combination of investments offered by the Plan. Investments are exposed to risks such as interest rate, market fluctuations and credit risks. Due to the risk associated with investments, it is at least reasonably possible that changes in market values, interest rates or other factors in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

F. Payments of Benefits

Benefits are recorded when paid.

NOTE 3 - INCOME TAX STATUS

The Plan adopted a Prototype Volume Submitter Profit Sharing Plan that received tax exempt status from the Internal Revenue Service on March 31, 2014. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts, and Plan assets would be distributed based upon the participants' account balances at that time.

NOTE 5 - FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Information regarding investments held at December 31, 2023 and 2022 and investment income for the year ended December 31, 2023 that is disclosed in the accompanying financial statements and supplemental schedule, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan.

NOTE 6 - PARTIES-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by the trustees or an affiliate. Any purchases and sales of these investments are performed in the open market at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibitions of party-in-interest transactions under ERISA.

NOTE 7 - PLAN AMENDMENTS

Effective January 26, 2022, the Plan's compensation provisions were amended.

Effective January 1, 2023, the Plan elected to make Safe Harbor contributions.

NOTE 8 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 9, 2024, the date on which the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosures in these financial statements.
