Independent Auditor's Report

To the Plan Administrator
Bradley Media Holdings, Inc. 401(k) Plan
Washington, DC

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Bradley Media Holdings, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules (Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2023 and Schedule H, Line 4i - Schedule of Assets (Held at Year End) as of December 31, 2023), are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that

agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedules agrees to, or are derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Bradley Media Holdings, Inc. 401(k) Plan

Notes to the Financial Statements

1. Description of the Plan

The following description of the Bradley Media Holdings, Inc. 401(k) Plan (the Plan) provided for general information purposes only. Participants should refer to the comprehensive Plan document and any amendments thereto for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan with 401(k) salary deferral provisions, covering substantially all permanent employees of Bradley Media Holdings, Inc. and related employers CityBridge Education, Inc., and National Journal Group, LLC.

The above related companies are collectively referred to as "the Company." The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Custodian and administration of the Plan

The trustee, custodian, and recordkeeper of the Plan is Fidelity Management Trust Company (Fidelity). The administrator of the Plan is the Company. Fidelity holds all assets of the Plan in accordance with the service provider contract with the Company. The Company's Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's trustee.

Eligibility

Employees of the Company are considered eligible for participation, except for: (1) nonresident aliens with no U.S. source of income; and (2) leased employees. There is no age requirement to enter the Plan. An eligible participant can enter the Plan immediately upon meeting the eligibility requirements.

Contributions

Each year, participants may elect to contribute any amount, through pre-tax contributions, up to the lesser of 60% of eligible compensation or the maximum allowable by law. The Plan also allows for after-tax Roth contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Effective June 1, 2022, the Plan adopted an automatic enrollment provision for all newly hired employees with a hire date after June 1, 2022, whereby, those employees will be automatically enrolled in the Plan at a 2% pre-tax deferral rate beginning 35 days after their hire date. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover contributions).

The Company may also make matching contributions equal to a discretionary percentage, to be determined by the Company's Board of Directors. For the year ended December 31, 2023, the Company elected to match contributions equal to 50% of participant contributions up to 6% of participant compensation. For the year ended December 31, 2023, the Company made matching contributions of \$408,043. In addition, the Company may make discretionary profit-sharing contributions to the Plan as determined by the Company's Board of Directors. For the year ended December 31, 2023, no discretionary profit-sharing contributions were made. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Bradley Media Holdings, Inc. 401(k) Plan

Notes to the Financial Statements

Participant accounts

Each participant's account is credited with the participant's contributions, including amounts rolled over from other qualified plans, and the Company's matching contributions, as well as allocations of the Company's profit-sharing contribution, if any, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their entire account balance.

Notes receivable from participants

Participants are permitted to borrow from their accounts a minimum of \$1,000 up to a maximum equal to (i) the lesser of \$50,000 reduced by the highest outstanding balance of any prior loans from the Plan during the prior one-year period, or (ii) 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear an interest rate at the prime rate plus 1% or at local prevailing rates as determined by the Plan Administrator, which would be made under similar circumstances and is fixed for the term of the loan. Principal and interest are paid ratably through payroll deductions.

Also, each participant may not have more than one loan outstanding at any time.

Payment of benefits

Upon termination of service, and at any point in time thereafter, an employee may elect to receive a lump sum amount equal to his or her vested account balance. Actual earnings on each participant's account will be accrued to the date of distribution. Distributions may be deferred until the required beginning date, which is defined as no later than April 1 following the calendar year in which the participant attains the age of 70½ years or terminates employment, if later. In a time of financial hardship, as defined by the Plan, participants may withdraw a portion of their account balance while actively employed. The Plan also allows participants to receive a distribution of all or any portion of their account balance without terminating employment upon attainment of age 59½ years.

Forfeitures

At December 31, 2023 and 2022, forfeited accounts totaled \$0 and \$932, respectively. Forfeited accounts are utilized first to reduce Plan expenses and second to reduce employer contributions. In 2023, \$970 of forfeitures were used to reduce Plan expenses.

Revenue credits

The Plan's trust agreement with Fidelity provides for a participant revenue credit arrangement, whereby the trustee allocates quarterly deposits into the accounts of eligible participants who are invested in certain funds. Unallocated revenue credits at December 31, 2023 and 2022 are \$40,507 and \$71,081, respectively. During 2023, the Plan received credits of approximately \$35,000, and a

Bradley Media Holdings, Inc. 401(k) Plan

Notes to the Financial Statements

total of \$68,137 was used to pay administrative expenses. Administrative expenses are presented net of revenue credits in the statement of changes in net assets available for benefits.

2. Summary of Significant Accounting Policies

Basis of accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company determines the Plan's valuation policies utilizing information provided by the investment advisor and custodian. See Note 4 for further information related to fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at the unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Bradley Media Holdings, Inc. 401(k) Plan

Notes to the Financial Statements

3. Certified Investment Information

Certain information disclosed in the accompanying financial statements and ERISA-required supplemental schedules, related to investments and notes receivable from participants held as of December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity, a qualified institution.

4. Fair Value Measurements

Accounting Standards Codification ASC 820, *Fair Value Measurements*, provides for a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at December 31, 2023 and 2022.

The following is a description of the valuation methodologies used for assets measured at fair value:

Money Market Fund: Valued at the net asset value (NAV) of shares held by the Plan at year end based upon quoted market prices.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission.

Bradley Media Holdings, Inc. 401(k) Plan

Notes to the Financial Statements

These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Investment Trust (CIT): Valued at the NAV of units of a collective trust fund. The NAV, as provided by the trustee of the CIT, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily.

The preceding methods described may produce a fair value calculation which may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

	Assets at Fair Value as of December 31, 2023			
	Total	Fair Value Hierarchy Level		
		Level 1	Level 2	Level 3
Investments by fair value level:				
Money market fund	\$ 725,386	\$ 725,386	\$ -	\$ -
Mutual funds	38,666,530	38,666,530	-	-
Total assets at fair value level	\$ 39,391,916	\$ 39,391,916	\$ -	\$ -
Total investments measured at NAV*	\$ 714,720			
Total investments at fair value	\$ 40,106,636			

Bradley Media Holdings, Inc. 401(k) Plan

Notes to the Financial Statements

	Assets at Fair Value as of December 31, 2022			
	Fair Value Hierarchy Level			
	Total	Level 1	Level 2	Level 3
Investments by fair value level:				
Money market fund	\$ 836,207	\$ 836,207	\$ -	\$ -
Mutual funds	33,037,288	33,8037,288	-	-
Total assets at fair value level	\$ 33,873,495	\$ 33,873,495	\$ -	\$ -
Total investments measured at NAV*	\$ 703,973			
Total investments at fair value	\$ 34,577,468			

* In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items present in the statements of net assets available for benefits.

Investments measured using the NAV per share practical expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2023 and 2022. The redemption information below is applicable only to the Plan:

	2023 Fair Value	2022 Fair Value	Unfunded Commitments	Redemption frequency (if currently eligible)	Redemption Notice Period
Fidelity MIP	\$ 714,720	\$ 703,973	None	Daily	Daily

The Plan holds an investment in a collective trust, specifically the Fidelity Managed Income Portfolio Fund (MIP). The Fidelity MIP is a collective trust fund which holds fully benefit-responsive investment contracts and is available as an investment option to participants. Participants ordinarily may direct the withdrawal or transfer to noncompeting investment options of all or a portion of their investment in the MIP at contract value on a daily basis.

Withdrawals directed by a Plan sponsor must be preceded by 12 months written notice to Fidelity, (MIP Trustee); however, the MIP Trustee may, in its discretion, grant an earlier withdrawal. Contract value represents contributions made to the MIP, plus earnings, less participant withdrawals and administrative expenses.

The MIP is unlikely to maintain a stable NAV if, for any reason, it cannot obtain or maintain wrap contracts covering all of its underlying assets that are not otherwise invested in money market funds. For example, this could result from the MIP's inability to promptly find a replacement wrap contract following termination of a wrap contract. The wrap issuer's ability to meet its contractual obligations under the wrap contracts may be affected by future economic and regulatory developments. In the event that wrap contracts fail to perform as intended, the MIP's NAV may decline if the market value of its assets declines.

Bradley Media Holdings, Inc. 401(k) Plan

Notes to the Financial Statements

5. Related Party and Party-in-Interest Transactions

Certain Plan investments are in funds and accounts that are managed by Fidelity or their subsidiaries and affiliates. Participant loan, distribution processing fees, and certain chosen investment advisory services are paid to Fidelity by participants. The Plan paid for third party administrator fees and recordkeeper fees which qualify as party-in-interest transactions. The Plan also issues loans to participants which are secured by the vested balance of the participants' accounts. Certain management fees in the form of an expense ratio charged to each investment option are paid by the Plan and deducted from earnings on investments. These transactions are party-in-interest transactions, which are exempt from prohibited transaction rules.

6. Risks and Uncertainties

The Plan holds various investment securities. Investment securities, in general, are exposed to various risks such as interest rate risk, credit risk and overall market volatility. Due to the level of risk associated with certain investment securities, it is at reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements and participant account balances.

7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to reduce or discontinue its contributions on behalf of the employees at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants would remain 100% vested in their employer contributions.

8. Income Tax Status

Effective June 30, 2021, the Plan adopted the Fidelity Management & Research Company Non-Standardized Pre-Approved Profit Sharing Plan (Pre-Approved Plan). Fidelity received an opinion letter from the IRS dated June 30, 2020, which states that the Pre-Approved Plan, as then designed, satisfies the applicable provisions of the IRC. Although the Plan has been amended since the date of the opinion letter, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no IRS examinations for any tax periods in progress.

9. Prohibited Transactions

During the Plan years ended December 31, 2023 and 2022, participant contributions (salary reduction amounts) and loan repayments totaling \$349,668 and \$149,789, respectively, were not remitted to the Plan within the period prescribed by DOL Regulations. These transactions constitute non-exempt party-in-interest transactions or prohibited transactions as defined by ERISA. The Company is in the process of correcting these transactions. The related lost earnings are expected to be remitted to the Plan during 2024.
