| <b>Part I</b> | <b>Asset and Liability Statement</b> |
|---------------|--------------------------------------|

**1** Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

*December 31, 2023*

## **Communications with Those Charged with Governance**

To the Plan Administrator  
Ventura Coastal, LLC 401(k) Savings Plan

We have performed an audit of the financial statements of Ventura Coastal, LLC 401(k) Savings Plan (the Plan) as of and for the year ended December 31, 2023, as permitted by Employee Retirement Income Security Act of 1974 (ERISA) Section 103(a)(3)(C). We have issued our report on the financial statements and ERISA-required supplemental schedule dated October 9, 2024. Management, having determined it is permissible in the circumstances, elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA.

### **Our Responsibility Under Auditing Standards Generally Accepted in the United States of America**

As stated in our engagement letter dated June 10, 2024, we are responsible for forming and expressing an opinion about whether the financial statements that have been prepared by management, with your oversight, are prepared, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). Our audit of the financial statements does not relieve you or management of your responsibilities.

Our audit performed as permitted by ERISA Section 103(a)(3)(C) did not extend to the certified investment information prepared and certified to by qualified institutions, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP. Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). As part of an audit conducted in accordance with U.S. GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit.

An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we considered the Plan's internal control solely for the purposes of determining our audit procedures and not to provide assurance concerning such internal control.

We are also responsible for communicating significant matters related to the financial statement audit that, in our professional judgment, are relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

## **Considerations Related to Form 5500 Filing**

Professional standards require that we obtain and read a draft of the Form 5500 that is substantially complete prior to the dating of our auditor's report. The purpose of this procedure is to identify material inconsistencies, if any, with the audited financial statements. These procedures are not sufficient nor are they intended to determine that the Form 5500 is completely or accurately prepared.

We have read the draft Form 5500, and nothing came to our attention that caused us to believe that such information is materially inconsistent with the financial statements.

## **Planned Scope and Timing of the Audit**

We performed the audit according to the planned scope and timing previously communicated to you in planning discussions and in our engagement letter dated June 10, 2024.

## **Significant Audit Findings**

### ***Qualitative Aspects of Accounting Practices***

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements.

No new accounting policies were adopted and there were no changes in the application of existing accounting policies during the year. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. There are no significant transactions that have been recognized in the financial statements in a different period than when the transactions occurred.

### ***Significant Accounting Estimates***

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

We did not note any significant accounting estimates in the financial statements. Significant accounting estimates are not commonly inherent in a defined contribution plan with investments that are readily marketable.

### ***Financial Statement Disclosures***

The disclosures in the financial statements are consistent, clear, and understandable. Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users.

We did not note any disclosures in the financial statements that we consider sensitive to potential users.

### ***Significant Unusual Transactions***

We encountered no significant unusual transactions during our audit of the Plan's financial statements.

### ***Significant Difficulties Encountered in Performing the Audit***

Professional standards require us to inform you of any significant difficulties encountered in performing the audit. No significant difficulties were encountered during our audit of the Plan's financial statements.

### ***Disagreements with Management***

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. No such disagreements arose during the course of our audit.

### ***Circumstances that Affect the Form and Content of the Auditor's Report***

There may be circumstances in which we would consider it necessary to include additional information in the auditor's report in accordance with U.S. GAAS. There were no circumstances that affected the form and content of the auditor's report.

### ***Corrected and Uncorrected Misstatements***

Professional standards require us to accumulate all factual and judgmental misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management.

We did not note any corrected or uncorrected misstatements in the course of the engagement.

### ***Management Representations***

We have requested certain representations from management that are included in the management representation letter dated October 9, 2024.

### ***Management Consultation with Other Independent Accountants***

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

### ***Other Significant Audit Findings or Issues***

We are required to communicate to you other findings or issues arising from the audit that are, in our professional judgment, significant and relevant to your oversight of the financial reporting process. There are no items to report.

## **Communication of Internal Control Related Matters**

Our responsibility under auditing standards with respect to internal control is described above. Had the scope of our audit not been limited as described on page 1, other matters might have come to our attention that would have been reported to you.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control was for the limited purpose described above and was not designed to identify all deficiencies in internal control that might be material weaknesses. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

During our engagement, the following matters came to our attention that we believe are control deficiencies, however, they do not rise to the level of a significant deficiency or material weakness:

**RECOMMENDATION 1:           The Company should perform periodic reviews of the Service Organization Controls (SOC) reports provided by third-party service providers.**

During our audit procedures, we noted that the Plan's management did not perform a review of SOC 1 reports provided by the Plan's third-party service providers.

We recommend Plan management annually review the SOC 1 reports, which address internal controls over the service providers' financial reporting, to determine whether the internal controls in place at the service providers may be relied on and whether the Plan sponsor has effective controls to ensure the (a) proper and complete transmission of data to the service organization, (b) proper processing of data and complete receipt of data from the service organization, and (c) timely reconciliation of data received by the service organization. Plan management should document its review of the SOC 1 reports as part of obtaining an understanding of the design and implementation of controls used to process transactions at the service organization.

**RECOMMENDATION 2:           The Company should maintain proper and accurate documentation in employee files.**

During our testing of participant data, we noted several exceptions whereby the rehire dates maintained by the Plan did not agree with personnel data on file at the Company.

Much of the operations of employee benefit plans is electronically processed; however, that does not relieve plan sponsors of their responsibility for the accuracy of supporting plan data. Incorrect plan census data can affect the accuracy of matching contributions, vesting calculations, and benefit payments. We recommend plan management implement a policy requiring periodic review of data maintained by the Plan to assure proper calculation of plan benefits.

This communication is intended solely for the information and use of management, the plan administrator, and others within the organization, and is not intended to be, and should not be, used by anyone other than these specified parties.
