Independent Auditor's Report

The Plan Administrator
SalonCentric Inc. 401(k) Plan
Berkeley Heights, New Jersey

Opinion

We have audited the financial statements of the SalonCentric Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America (GAAP).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule H (Form 5500), Line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional

procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SalonCentric Inc. 401(k) Plan

Notes to Financial Statements

1. Description of the Plan

The following brief description of the SalonCentric Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General

The Plan is a participant-directed, defined contribution plan sponsored by SalonCentric Inc. (the Company) for its employees who are at least 21 years of age and have completed 90 days of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

The Plan has grandfathered provisions applicable to certain employees of acquired companies.

The Company is a subsidiary of L'Oréal USA, Inc. (L'Oréal).

The Plan was amended and restated effective January 1, 2023. This restated Plan document allows Roth contributions and designated Roth rollover contributions. Participants should refer to the Plan Agreement for a complete description of the Plan's changes.

Administration of the Plan

The Plan is administered by the SalonCentric Inc. Employee Benefits Plan Committee, appointed by the Board of Directors of L'Oréal. T. Rowe Price (TRP) is the recordkeeper and trustee of the Plan.

Contributions

Participants are allowed to make tax-deferred 401(k) contributions to the Plan through payroll deductions of any whole percentage from 1% to 75% of compensation, as defined in the Plan, subject to certain limitations prescribed by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants also may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Effective January 1, 2023, participants are allowed to make Roth contributions to the Plan.

Subject to a one-year service requirement, the Company matches 100% of the participant's tax-deferred 401(k) contributions, up to 4% of the participant's compensation effective January 1, 2016. Prior to this date, the Company matched up to 3% of the participant's compensation and up to 4% of compensation of certain grandfathered employees. The Company may also provide discretionary nonelective contributions to eligible participants. There were no discretionary nonelective contributions for the years ended December 31, 2023 and 2022.

Participants direct the investments of their contributions, the Company's matching contributions, and discretionary nonelective contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and collective trusts as investment options for participants. The Plan also offers a Charles Schwab's Personal Choice Retirement Account, an investment option that allows participants to establish a brokerage account with Charles Schwab and select investments from a range of TRP and non-TRP mutual funds.

SalonCentric Inc. 401(k) Plan

Notes to Financial Statements

Participants' Accounts

Each participant's account is credited with the participant's contributions, the Company's matching contributions, and an allocation of Plan earnings and discretionary nonelective contributions and charged with withdrawals and an allocation of Plan losses and administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

All participant contributions and the related accumulated earnings or losses are fully vested at all times. Effective January 1, 2016, Company safe harbor contributions are fully vested at all times. Company matching contributions prior to this date, and any Company discretionary contributions, will vest to the participants as follows:

Years of Vesting Service	Vesting (%)
Less than 1	-
1 but less than 2	20
2 but less than 3	40
3 but less than 4	60
4 but less than 5	80
5 or more	100

Company matching contributions shall be 100% vested upon death, permanent disability, or when the participant reaches the normal retirement age of 65. Employees who were active participants, as of December 31, 2013, under the Beauty Alliance 401(k) Retirement Savings Plan, shall be 100% vested at age 55, the normal retirement age under that plan.

Notes Receivable from Participants

The Plan allows participant loans, provided that the loan amount does not exceed the lesser of \$50,000, reduced by the highest outstanding balance during the past 12 months, or 50% of the participant's vested balance, and not less than \$1,000. Notes receivable from participants have a fixed rate of interest of 2% over the prime interest rate at the origination of the loans. The terms of general-purpose loans are from one to five years and the terms of loans related to the purchase of a principal residence may be up to 15 years. Participants are limited to a maximum of one outstanding loan. Principal and interest are paid ratably through monthly payroll deductions.

Payment of Benefits

Upon termination of service, a participant may elect to receive an amount equal to the vested value in his or her account in either a full or partial lump sum, or installment payments.

During employment, a participant may make withdrawals, without penalty, of amounts applicable to participant tax-deferred contributions and certain vested Company contributions, if specified hardship criteria are met. Also, while employed, a participant may make withdrawals from vested amounts when the participant is over the age of 59½.

SalonCentric Inc. 401(k) Plan

Notes to Financial Statements

Forfeited Accounts

As of December 31, 2023 and 2022, forfeited non-vested accounts totaled \$3,496 and \$3,659, respectively. These accounts will be used to reduce future Company contributions and Plan expenses. During the years ended December 31, 2023 and 2022, the forfeiture account was reduced by the amount applied against Plan expenses of \$15,210 and \$1,704, respectively, and Company contributions of \$1,519 and \$508, respectively.

Other Income

The Company has an agreement with TRP to maintain a Fee Credits account. In accordance with the agreement, the Fee Credits account is credited with revenues in excess of amounts owed to the trustee for services rendered and may be used to allocate to eligible participant accounts. During the years ended December 31, 2023 and 2022, the Plan allocated \$0 and \$2,471, respectively, to eligible participants. The Fee Credits account totaled \$17 as of December 31, 2023 and 2022.

2. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting, in conformity with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements, in accordance with GAAP requires the Plan's management to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. These estimates include fair values of investments. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The investments of the Plan are reported at fair value. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are stated at their unpaid principal balance, plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Amounts outstanding from the loans are reflected as receivables of the Plan. Delinquent notes receivable are reclassified as distributions based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

SalonCentric Inc. 401(k) Plan

Notes to Financial Statements

Plan Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. The Plan allows for certain expenses to be paid out from the forfeited non-vested accounts. However, certain direct expenses incurred by an individual participant shall be deducted from that participant's account only.

3. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market volatility, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

4. Fair Value Measurements

The Plan follows the provisions of Accounting Standards Codification (ASC) 820, *Fair Value Measurement*. Under ASC 820, fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the overall fair value measurement.

SalonCentric Inc. 401(k) Plan

Notes to Financial Statements

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2023 and 2022.

Mutual Funds - Mutual funds are valued at quoted market prices, which represent the net asset value (NAV) of shares owned by the Plan at year-end.

Self-Directed Account - The self-directed account is valued at quoted market prices of the underlying investments in mutual funds.

Common Collective Trusts - Common collective trusts are stated at the NAV of the units of participation owned by the Plan at year-end, as determined by the trustee of the collective trusts. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the underlying investments held by the collective trusts, less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investments for an amount different than the reported NAV. These common collective trusts are direct-filling entities.

The following tables set forth a summary of the investments with a reported NAV and no quoted market prices:

(a) The Plan is required to give notice one day in advance to redeem units of participation for purposes of benefit payments, participant loans, participant-directed investment transfers, and payment of administrative fees. In addition, the Plan is required to provide either 12 or 30 months' advance written notice to the trustee prior to total withdrawal of trust units. The notice period may be shortened or waived by the trustee in its sole discretion.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's net assets at fair value:

* Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The Plan had no financial assets that were measured on a nonrecurring basis during the years ended December 31, 2023 and 2022.

5. Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds, units of participation in a collective trust, and self-directed accounts managed by TRP (or its subsidiaries), the trustee as defined by the Plan. Therefore, these transactions qualify as party-in-interest transactions. Notes receivable from participants also qualify as party-in-interest transactions.

6. Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Company contributions.

The Company may reduce or suspend employer matching safe harbor contributions upon satisfaction of certain requirements provided under IRC Bulletin No. 2013-50, including 30 days' advance notice to all eligible employees.

7. Tax Status

The Plan adopted a pre-approved defined contribution plan document which received a letter, dated August 19, 2020, from the Internal Revenue Service (IRS), indicating the Plan is acceptable for use by employer under IRC Section 401. The Plan's management believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

GAAP requires the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Subsequent Events

Plan management has evaluated events subsequent to December 31, 2023 and through October 7, 2024, the date on which the financial statements were available to be issued. There were no subsequent events requiring adjustments to the financial statements or disclosures as stated herein.
