INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee
of **H.J. Russell & Company** Employees'
Retirement & Savings Plan (401(k) Plan)

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of H.J. Russell & Company Employees' Retirement & Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the years ended December 31, 2023 and 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Notes C and D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirement of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events considered in aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statement as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures including examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extent to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the

financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United State of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Assets Held for Investment Purposes at End of Year and Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3) (C).

H. J. RUSSELL & COMPANY EMPLOYEES' RETIREMENT & SAVINGS PLAN (401(k) PLAN)

Notes to Financial Statements

December 31, 2023 and 2022

NOTE A - Description of Plan

The following description of the ***H. J. Russell & Company Employees' Retirement & Savings Plan (the Plan)*** provides only general information. The Plan is a multiple employer plan administered by an "Administrative Committee" (Plan Administrator) as defined by the Plan document. This committee is appointed by the "Controlling Company," H. J. Russell & Company (the Company), a Georgia Corporation with its principal office in Atlanta, Georgia, Concessions International, LLC, participating subsidiaries and/or affiliates, and its successors which adopt the Plan. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

1. **General** - The Plan is a defined contribution plan allowing participation to all eligible employees of the company who have one month of credited service (as defined in the Plan) and are age twenty-one or older. Employees are eligible to receive matching contributions after completing one credited year of service. One credited year of service is completed if at the end of the first consecutive twelve months of employment an employee has completed 1,000 hours of service. Employees participating in the Plan pursuant to a separate collective bargaining agreement are entitled to receive profit sharing contributions in accordance with the terms of the applicable agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). An administrative committee as designated by the Company is responsible for the oversight of the Plan. The administrative committee determines the appropriateness of the Plan's investment offerings and monitors investment performance.
2. **Contributions** - Each year, participants may contribute not less than 1% nor more than 50% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Company matches employee contributions at a rate of 50% of the first 5% of salary deferrals. Certain employees considered ineligible to receive employer matching contributions receive discretionary contributions made in accordance with the applicable agreement or contract. The Company can, upon its discretion, make additional contributions out of its net profits. However, the Company is not required to make a contribution for a plan year, even though net profits exist. Contributions are subject to certain IRS limits.
3. **Participant Accounts** - Each participant's account is credited with the participant's contributions and Company matching contributions, as well as plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
4. **Vesting** - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. Participant's vest 25% per year of service beginning with year two and are 100% vested after five years of service.

Notes to Financial Statements

December 31, 2023 and 2022

NOTE A - Description of Plan - Continued

5. **Notes Receivable from Participants** - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan transactions are treated as a transfer to (from) the investment from (to) the Participant Notes fund. Loan terms range from 1-5 years. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest is paid ratably through monthly payroll deductions.
6. **Payment of Benefits** - Participants entitled to termination payments, receive payment in accordance with the Plan agreement. On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a determined term. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum or rollover distribution.

NOTE B - Summary of Significant Accounting Policies

1. **Basis of Presentation** - U.S. Department of Labor (DOL) regulations and IRS Form 5500 require a comparative statement of net assets available for benefits, but only require that the current year's statement of changes in net assets available for benefits presented in the Form and also attached to it. Thus, the financial statements have been prepared to meet DOL and IRS requirements. The activity recorded in the 2022 column in the statement of changes in net assets available for benefits has been included for presentation purposes only, and is not required by GAAP, the DOL, or the IRS.
2. **Basis of Accounting** - The financial statements of the Plan are prepared using the accrual method of accounting.
3. **Investment Valuation and Income Recognition** - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments brought and sold as well as held during the year.
4. **Notes Receivable from Participants** - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded. If a participant ceases to make loan repayments and the Plan administrator deems the participant's loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.
5. **Use of Estimates** - The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Notes to Financial Statements

December 31, 2023 and 2022

NOTE B - Summary of Significant Accounting Policies - Continued

6. **Excess Contributions Payable** - Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2023 excess contributions to the applicable participants prior to March 15, 2024.
7. **Payment of Benefits** - Benefits are recorded when paid.
8. **Operating Expenses** - Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investments related expenses are presented separately from net appreciation of fair value of investments.
9. **Date of Management's Review** - Subsequent events were evaluated through October 10, 2024, which is the date the financial statements were available to be issued.
10. **Forfeited Accounts** - For the years ended December 31, 2023 and 2022, forfeitures of nonvested accounts totaled \$31,997 and \$27,753 respectively, with unallocated forfeited accounts included in investments totaling \$4,164 and \$4,462, respectively at year end. These funds are used by the Plan sponsor to pay any administrative expenses and to offset employer contributions. For the years ended December 31, 2023 and 2022, employer contributions were not reduced, and administrative and investment expenses in the amount of \$32,565 and \$44,624 were paid respectively from forfeited nonvested accounts.

NOTE C - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2

Inputs to the valuation methodologies include (1) quoted prices for similar assets or liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

H. J. RUSSELL & COMPANY EMPLOYEES' RETIREMENT & SAVINGS PLAN (401(k) PLAN)
Notes to Financial Statements
December 31, 2023 and 2022

NOTE C - Fair Value Measurements - Continued

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Pooled Separate Accounts:

The net asset value (NAV) of the pooled separate accounts (PSA) are not publicly quoted, but is available to current investors and plan participants. The NAV is the basis for current transactions and the PSA's can be redeemed at NAV as of the measurement date. Therefore, this investment is considered to have a "Readily Determinable Fair Value". The NAV is calculated in a manner consistent with GAAP for investment companies. While pooled separate accounts are covered by federal securities laws, they are exempted from registering with the Securities and Exchange Commission. Most of the security prices were obtained from a pricing service.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022.

Assets at Fair Value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Pooled Separate Accounts	-	\$28,181,557	-	\$28,181,557
Total Investments at Fair Value	-	\$28,181,557	-	\$28,181,557

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Pooled Separate Accounts	-	\$22,828,748	-	\$22,828,748
Total Investments at Fair Value	-	\$22,828,748	-	\$22,828,748

NOTE D - Investments

ERISA Section 103(a)(3)(c) - Unaudited information certified by the Plan Custodian

The December 31, 2023 and 2022 Statements of Net Assets Available for Benefits, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by the Trustee and Custodian in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes total investments of \$28,181,557 and \$22,828,748 at December 31, 2023 and 2022, respectively. The information certified also includes notes receivable from participants \$575,401 and \$325,898 at December 31, 2023 and 2022, respectively.

NOTE E - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values or investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE F - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their employer contributions.

NOTE G - Related Party Transactions and Party in Interest Transactions

Certain Plan investments are shares of mutual funds and an investment contract managed by Minnesota Life Insurance Company, a member of Securian Financial Group. Minnesota Life Insurance Company is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment.

Minnesota Life Insurance Company also serves as recordkeeper for the Plan and receive administrative fees for such services. Clausell & Associates, P.C. serves as the independent auditor for the Plan. Fees paid by the Plan for administrative, investment services, and audit fees amounted to \$79,779 and \$81,562 for the years ended December 31, 2023 and 2022, respectively.

NOTE H - Tax Status

The Internal Revenue Service has determined and informed the Company by letter dated March 27, 2012, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Company has taken an uncertain position that more likely than not would not be sustained upon examination by the U.S. Department of Labor. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

H. J. RUSSELL & COMPANY EMPLOYEES' RETIREMENT & SAVINGS PLAN (401(k) PLAN)**Notes to Financial Statements****December 31, 2023 and 2022****NOTE I - Subsequent Event**

On March 2020, the World Health Organization categorized Coronavirus Disease 2019 ("COVID-19") as a pandemic, and the President of the United States declared the COVID-19 outbreak a national emergency. The COVID-19 pandemic has led to volatility in financial markets and has affected, and may continue to affect the Plan assets. The potential economic impact brought by, and the duration of, COVID-19 is difficult to assess or predict and will depend on future developments that are highly uncertain and cannot be predicted.

The Plan has implemented certain requirements by the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act), the Setting Every Community Up for Retirement Enhancement Act of 2019 (the Secure Act), and the Secure Act 2.0 which laws change the Plan to, among others, allow certain eligible individuals to receive coronavirus-related relief for loan repayment, suspend required minimum distributions, and delay the commencement date for required minimum distributions.

b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)

c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)

d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)

e Was this plan covered by a fidelity bond?

f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?

g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?

h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?

i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)

j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)

k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?

l Has the plan failed to provide any benefit when due under the plan?

m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)

n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☐ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year
